TAKES SWIPE AT AAP, CONGRESS

Poor our focus, says PM, slams Oppn as family, Sheesh Mahal

VIKAS PATHAK, MANOJ CG & DEEPTIMAN TIWARY New Delhi, February 4

ATTACKING THE AAP and Congress on the eve of voting in Delhi by referring to Arvind Kejriwal's "Sheesh Mahal" and "jacuzzi", Sonia Gandhi's "poor thing" remark about the President and Rahul Gandhi"fighting the Indian State", Prime Minister Narendra Modi Tuesday said his government had chosen the path of "santushtikaran" (satisfaction) over "tushtikaran" (appeasement) and "100 per cent saturation" of welfare schemes was "real social justice, secularism and respect for the Constitution".

Replying to the discussion in Lok Sabha on the Motion of Thanks on the President's Address, Modilisted his government's schemes to benefit different sections, especially the poor and the marginalised."In the last 10 years, 25 crore people came out of poverty. For five decades, we heard slogans of Garibi Hatao, but now 25 crore poor people have defeated poverty," he said, adding, "We have not given false slogans but true development to the poor."

He said 4 crore houses and 12 crore toilets have been built by his government for the poor, and that tap water had been taken to 12 crore families. Targeting the Opposition, he said, "Those who went to huts of villagers for photo sessions for entertainment will find this talk in Parliament about the poor meaningless. I can understand their anger."

Recalling that a Prime Minister called Mr Clean — he was referring to Rajiv Gandhi had said that just 15 paise of every rupee that leaves Delhi reaches the villages, Modi said direct payments to the poor had solved this problem by sending Rs 40 lakh crore to people's accounts.

"We saved lots of money but did not use it to build a Sheesh Mahal (Kejriwal's offi-

cial residence when he was Chief Minister). We used it to build the country. From ₹1.8 lakh crore in 2014, our infrastructure budget has gone up to ₹11 lakh crore,"he said.

Hailing the Union Budget that is being considered middle class-friendly, he said, "Before 2014, such was the firing that people's lives got battered. We have healed those wounds and are moving forward." He said the income tax exemption limit of ₹2 lakh in 2014 had now gone up to Rs 12 lakh. "If we add the ₹75,000 standard deduction, the salaried class will pay no income tax for an annual income of ₹12.75 lakh,"he said. Much of his speech was

devoted to criticism of the Opposition, especially the Congress. "Some people are openly speaking the language of Urban Naxals these days. To fight the Indian state is the language of Naxals. Those who speak this language can understand neither the Constitution nor national unity," he said, referring to Rahul Gandhi's remark about "fighting the Indian State itself".

On Sonia Gandhi referring to President Draupadi Murmu as a "poor thing", Modi said, "If you cannot respect a woman President from a poor family, it is fine. But what all is being said

to insult her. Why? Today Bharat has left this kind of distorted mentality behind and is moving forward with the idea of women-led development."

He also took a swipe at Rahul Gandhi for his statements on foreign policy, saying, "Some people believe that they won't look mature unless they talk about foreign policy, even if it harms the country." He said such people should read the book JFK's Forgotten Crisis – it is by Bruce Riedel – as it mentions discussions between Pandit Nehru and Kennedvand explains "what game was being played in the name of foreign policy".

To him, AI was double AI – Artificial Intelligence and Aspirational India, he said, and gave details of the steps taken by his government in the field of technology. "We have started 10,000 tinkering labs in the country. This Budget has made provisions for 50,000 new tinkering labs. The world is looking towards India on AI," he said.

It was the BJP, he said, that lived by the Constitution. As Chief Minister of Gujarat, he released a book compiling all speeches of Governors in the state Assembly on completion of 50 years of Gujarat as a state despite the fact that Congress had been in power for a longer time.

related to the UCC and take views of the people from different walks of life to prepare its report, he said.

An "appropriate decision" will be taken after going through the report, the CM

First under Trump 2.0: US military flight deports illegal Indian migrants

SHUBHAJIT ROY New Delhi, February 4

A UNITED STATES military plane began deporting Indian migrants, implementing President Donald Trump's position against an estimated 11 million illegal immigrants in the country. Reuters reported that the

C-17 aircraft carrying 205 Indian nationals departed from San Antonio, Texas, around 3 am IST. They are mostly from

Gujarat and Punjab, according to sources.

When contacted, a US embassy spokesperson in Delhi said: "The United States is vigorously enforcing its border, tightening immigration laws, and removing illegal migrants. These actions send a clear message: illegal migration is not worth the risk."

This is the first batch of illegal immigrants from India to be deported since Trump's return to office.

Last year, about 1,100 illegal immigrants were deported to India through special planes.

As The Indian Express reported on January 21, there are 20,407 "undocumented" Indians, as of November 2024, who are either facing "final removal orders" or are, currently, in detention centres of the US Immigration and Customs Enforcement (ICE).

Of these, 17,940 "paper-

Removal Operations (ERO). This makes Indians the fourth largest group by nationality, and the first among Asians, in ICE custody. As of November 2024, the total number of non-citizens, from all countries, detained added up to over 37,000.

less" Indians are not in deten-

tion but are under "final

removal orders," and another

2,467 are in detention under

the ICE's Enforcement and

A removal order is issued by an immigration judge which becomes a "final removal order" when affirmed by the appellate authority.

India's position is that it is ready to accept illegal immigrants from the US afterverification. This message was conveyed by External Affairs Minister S Jaishankar last month when he met US Secretary of State Marco Rubio.

"Illegal immigration is often linked to other unlawful activities. It is neither desirable nor beneficial for our reputation. If any of our citizens are found to be in the US illegally, and we verify their citizenship, we are open to their lawful return to India," Jaishankar had said.

Following his phone conversation with Prime Minister Modi on January 27, Trump said India "will do what is right" on the deportation of illegal migrants from the US indicating that India is ready to take back the illegal immigrants.

SC pulls up Assam on detentions

CASTIGATING THE ASSAM government for "indulging in suppression of facts" on the continued detention of people declared foreigners, the Supreme Court Tuesday directed the state to immediately deport 63 declared foreigners whose nationality are known, and file a status report in two weeks. Questioning Assam's expla-

nation that the addresses of the people declared foreigners were not available, Justice A S Oka who was on the bench with Justice Ujjal Bhuyan, told Assam Chief Secretary Ravi Kota who appeared via a video link: "You have refused to start deportation saying their addresses are not known. Why should it be our concern? You deport them to their foreign country. Are you waiting for some muhurat?"

Justice Oka told the Chief Secretary that the state can deport foreigners even without an address."'Foreign address not divulged'— this is the reason to not deport?...You can't continue to detain them indefinitely."

BMC's ₹74,427-cr budget its biggest ever; no hike in taxes

BMC commissioner Bhushan Gagrani presenting the budget for 2025-26, in Mumbai on Tuesday

PRESS TRUST OF INDIA Mumbai, February 4

THE BRIHANMUMBAI MUNICI-**PAL** Corporation (BMC) on Tuesday presented a ₹74,427.41 crore budget, its biggest-ever, for financial year 2025-26 without any hike in taxes, ahead of the crucial civic polls expected to be held this year.

The budget was presented to municipal commissioner Bhushan Gagrani, the stateappointed administrator of the civic body. This is the third consecutive year where the budget was presented by an administrator as civic body elections have not been held after the expiry of the term of the house

in March 2022. Maharashtra Deputy Chief Minister Eknath Shinde, who is also the state's Urban Development Minister, said the budget has taken care of the common man with a focus on health,

education and environment. He said there was no rise in any kind of tax or cess in this year's budget. On the contrary,

the revenue has risen by over

₹7,000 crore. Opposition parties, however, hit out at the government over the proposed tax on commercial units in slums and solid waste management user fee.

"The Budget Estimates for the FY 2025-26 are proposed at ₹74,427.41 crore, which exceed the estimates of 2024-25, which were ₹65,180.79 crore, by 14.19%," the budget document read.

The budget was ₹60.65 crore surplus.

"This is the biggest-ever budget of the BMC," noted Gagrani at a press conference afterwards, adding that it reflects the "dreams and expectations" of Mumbai citizens.

No hike has been proposed in property tax or water tax, the administrator said.

But the BMC has decided to levy property tax on commercial establishments operating from slum areas from FY 2025-26, which is expected to generate ₹350 crore in additional revenue.

First under Trump 2.0: US military flight deports illegal Indian migrants

SHUBHAJIT ROY New Delhi, February 4

A UNITED STATES military plane began deporting Indian migrants, implementing President Donald Trump's position against an estimated 11 million illegal immigrants in the country.

Reuters reported that the C-17 aircraft carrying 205 Indian nationals departed from San Antonio, Texas, around 3 am IST.

They are mostly from Gujarat and Punjab, according to sources.

When contacted, a US embassy spokesperson in Delhi said: "The United States is vigorously enforcing its border, tightening immigration laws, and removing illegal migrants. These actions send a clear message: illegal migration is not worth the risk."

This is the first batch of illegal immigrants from India to be deported since Trump's return to office.

BMC's ₹74,427-cr budget its biggest ever; no hike in taxes

BMC commissioner Bhushan Gagrani presenting the budget for 2025-26, in Mumbai on Tuesday

PRESS TRUST OF INDIA Mumbai, February 4

THE BRIHANMUMBAI MUNICI-PAL Corporation (BMC) on Tuesday presented a ₹74,427.41 crore budget, its biggest-ever, for financial year 2025-26 without any hike in taxes, ahead of the crucial civic polls expected to be held this year.

The budget was presented to municipal commissioner Bhushan Gagrani, the stateappointed administrator of the civic body. This is the third consecutive year where the budget was presented by an administrator as civic body elections have not been held after the expiry of the term of the house

in March 2022. Maharashtra Deputy Chief Minister Eknath Shinde, who is also the state's Urban Development Minister, said the budget has taken care of the common man with a focus on health,

education and environment. He said there was no rise in any kind of tax or cess in this year's budget. On the contrary,

the revenue has risen by over ₹7,000 crore.

Opposition parties, however, hit out at the government over the proposed tax on commercial units in slums and solid waste management user fee.

"The Budget Estimates for the FY 2025-26 are proposed at ₹74,427.41 crore, which exceed the estimates of 2024-25, which were ₹65,180.79 crore, by 14.19%," the budget document read. The budget was ₹60.65

crore surplus.

"This is the biggest-ever budget of the BMC," noted Gagrani at a press conference afterwards, adding that it reflects the "dreams and expectations" of Mumbai citizens.

No hike has been proposed in property tax or water tax, the administrator said.

But the BMC has decided to levy property tax on commercial establishments operating from slum areas from FY 2025-26, which is expected to generate ₹350 crore in additional revenue.

TAKES SWIPE AT AAP, CONGRESS

Poor our focus, says PM, slams Oppn as family, Sheesh Mahal

VIKAS PATHAK, MANOJ CG & DEEPTIMAN TIWARY New Delhi, February 4

ATTACKING THE AAP and Congress on the eve of voting in Delhi by referring to Arvind Kejriwal's "Sheesh Mahal" and "jacuzzi", Sonia Gandhi's "poor thing" remark about the President and Rahul Gandhi"fighting the Indian State", Prime Minister Narendra Modi Tuesday said his government had chosen the path of "santushtikaran" (satisfaction) over "tushtikaran" (appeasement) and "100 per cent saturation" of welfare schemes was "real social justice, secularism and respect for the Constitution".

Replying to the discussion in Lok Sabha on the Motion of Thanks on the President's Address, Modilisted his government's schemes to benefit different sections, especially the poor and the marginalised."In the last 10 years, 25 crore people came out of poverty. For five decades, we heard slogans of Garibi Hatao, but now 25 crore poor people have defeated poverty," he said, adding, "We have not given false slogans but true development to the poor." He said 4 crore houses and

12 crore toilets have been built by his government for the poor, and that tap water had been taken to 12 crore families. Targeting the Opposition, he said, "Those who went to huts of villagers for photo sessions for entertainment will find this talk in Parliament about the poor meaningless. I can understand their anger." Recalling that a Prime Min-

ister called Mr Clean — he was referring to Rajiv Gandhi had said that just 15 paise of every rupee that leaves Delhi reaches the villages, Modi said direct payments to the poor had solved this problem by sending Rs 40 lakh crore to people's accounts.

"We saved lots of money but did not use it to build a Sheesh Mahal (Kejriwal's offi-

cial residence when he was Chief Minister). We used it to build the country. From ₹1.8 lakh crore in 2014, our infrastructure budget has gone up to ₹11 lakh crore,"he said.

Hailing the Union Budget that is being considered middle class-friendly, he said, "Before 2014, such was the firing that people's lives got battered. We have healed those wounds and are moving forward." He said the income tax exemption limit of ₹2 lakh in 2014 had now gone up to Rs 12 lakh. "If we add the ₹75,000 standard deduction, the salaried class will pay no income tax for an annual income of ₹12.75 lakh,"he said. Much of his speech was

devoted to criticism of the Opposition, especially the Congress. "Some people are openly speaking the language of Urban Naxals these days. To fight the Indian state is the language of Naxals. Those who speak this language can understand neither the Constitution nor national unity," he said, referring to Rahul Gandhi's remark about "fighting the Indian State itself".

On Sonia Gandhi referring to President Draupadi Murmu as a "poor thing", Modi said, "If you cannot respect a woman President from a poor family, it is fine. But what all is being said

to insult her. Why? Today Bharat has left this kind of distorted mentality behind and is moving forward with the idea of women-led development."

He also took a swipe at Rahul Gandhi for his statements on foreign policy, saying, "Some people believe that they won't look mature unless they talk about foreign policy, even if it harms the country." He said such people should read the book JFK's Forgotten Crisis – it is by Bruce Riedel – as it mentions discussions between Pandit Nehru and Kennedvand explains "what game was being played in the name of foreign policy".

To him, AI was double AI – Artificial Intelligence and Aspirational India, he said, and gave details of the steps taken by his government in the field of technology. "We have started 10,000 tinkering labs in the country. This Budget has made provisions for 50,000 new tinkering labs. The world is looking towards India on AI," he said.

PRESS TRUST OF INDIA Mumbai, February 4

THE BRIHANMUMBAI MUNICI-**PAL** Corporation (BMC) on Tuesday presented a ₹74,427.41 crore budget, its biggest-ever, for financial year 2025-26 without any hike in taxes, ahead of the crucial civic polls expected to be held this year.

The budget was presented to municipal commissioner Bhushan Gagrani, the stateappointed administrator of the civic body. This is the third consecutive year where the budget was presented by an administrator as civic body elections have not been held after the expiry of the term of the house

in March 2022. Maharashtra Deputy Chief Minister Eknath Shinde, who is also the state's Urban Development Minister, said the budget has taken care of the common man with a focus on health,

education and environment. He said there was no rise in any kind of tax or cess in this year's budget. On the contrary,

the revenue has risen by over ₹7,000 crore.

Opposition parties, however, hit out at the government over the proposed tax on commercial units in slums and solid waste management user fee.

"The Budget Estimates for the FY 2025-26 are proposed at ₹74,427.41 crore, which exceed the estimates of 2024-25, which were ₹65,180.79 crore, by 14.19%," the budget document read.

The budget was ₹60.65 crore surplus.

"This is the biggest-ever budget of the BMC," noted Gagrani at a press conference afterwards, adding that it reflects the "dreams and expectations" of Mumbai citizens.

No hike has been proposed in property tax or water tax, the administrator said.

But the BMC has decided to levy property tax on commercial establishments operating from slum areas from FY 2025-26, which is expected to generate ₹350 crore in additional revenue.

TAKES SWIPE AT AAP, CONGRESS

Poor our focus, says PM, slams Oppn as family, Sheesh Mahal

VIKAS PATHAK, MANOJ CG & DEEPTIMAN TIWARY New Delhi, February 4

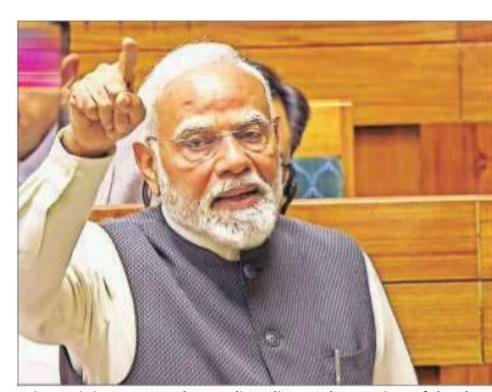

ATTACKING THE AAP and Congress on the eve of voting in Delhi by referring to Arvind Kejriwal's "Sheesh Mahal" and "jacuzzi", Sonia Gandhi's "poor thing"remark about the President and Rahul Gandhi "fighting the Indian State", Prime Minister Narendra Modi Tuesday said his government had chosen the path of "santushtikaran" (satisfaction) over "tushtikaran" (appeasement) and "100 per cent saturation" of welfare schemes was "real social justice, secularism and respect for the Constitution".

Replying to the discussion in Lok Sabha on the Motion of Thanks on the President's Address, Modilisted his government's schemes to benefit different sections, especially the poor and the marginalised. "In the last 10 years, 25 crore people came out of poverty. For five decades, we heard slogans of Garibi Hatao, but now 25 crore poor people have defeated poverty," he said, adding, "We have not given false slogans but true development to the poor."

He said 4 crore houses and 12 crore toilets have been built by his government for the poor, and that tap water had been taken to 12 crore families. Targeting the Opposition, he said, "Those who went to huts of villagers for photo sessions for entertainment will find this talk in Parliament about the poor meaningless. I can understand their anger."

Recalling that a Prime Minister called Mr Clean — he was referring to Rajiv Gandhi had said that just 15 paise of every rupee that leaves Delhi reaches the villages, Modi said direct payments to the poor had solved this problem by sending Rs 40 lakh crore to people's accounts. "We saved lots of money

but did not use it to build a Sheesh Mahal (Kejriwal's offi-

Prime Minister Narendra Modi replies to the motion of thanks to President's address in the Lok Sabha at the Budget session of Parliament on Tuesday

cial residence when he was Chief Minister). We used it to build the country. From ₹1.8 lakh crore in 2014, our infrastructure budget has gone up to ₹11 lakh crore,"he said.

Hailing the Union Budget that is being considered middle class-friendly, he said, "Before 2014, such was the firing that people's lives got battered. We have healed those wounds and are moving forward." He said the income tax exemption limit of ₹2 lakh in 2014 had now gone up to Rs 12 lakh. "If we add the ₹75,000 standard deduction, the salaried class will pay no income tax for an annual income of ₹12.75 lakh,"he said. Much of his speech was

devoted to criticism of the Opposition, especially the Congress. "Some people are openly speaking the language of Urban Naxals these days. To fight the Indian state is the language of Naxals. Those who speak this language can understand neither the Constitution nor national unity," he said, referring to Rahul Gandhi's remark about "fighting the Indian State itself".

On Sonia Gandhi referring to President Draupadi Murmu as a "poor thing", Modi said, "If you cannot respect a woman President from a poor family, it is fine. But what all is being said to insult her. Why? Today Bharat has left this kind of distorted mentality behind and is moving forward with the idea of women-led development."

He also took a swipe at Rahul Gandhi for his statements on foreign policy, saying, "Some people believe that they won't look mature unless they talk about foreign policy, even if it harms the country." He said such people should read the book JFK's Forgotten Crisis – it is by Bruce Riedel – as it mentions discussions between Pandit Nehru and Kennedy and explains "what game was being played in the name of foreign policy".

To him, AI was double AI – Artificial Intelligence and Aspirational India, he said, and gave details of the steps taken by his government in the field of technology. "We have started 10,000 tinkering labs in the country. This Budget has made provisions for 50,000 new tinkering labs. The world is looking towards India on AI," he said.

It was the BJP, he said, that lived by the Constitution. As Chief Minister of Gujarat, he released a book compiling all speeches of Governors in the state Assembly on completion of 50 years of Gujarat as a state despite the fact that Congress had been in power for a longer time.

First under Trump 2.0: US military flight deports illegal Indian migrants

SHUBHAJIT ROY New Delhi, February 4

A UNITED STATES military plane began deporting Indian migrants, implementing President Donald Trump's position against an estimated 11 million illegal immigrants in the

Reuters reported that the C-17 aircraft carrying 205 Indian nationals departed from San Antonio, Texas, around 3 am IST. They are mostly from

Gujarat and Punjab, according to sources. When contacted, a US

embassy spokesperson in Delhi said: "The United States is vigorously enforcing its border, tightening immigration laws, and removing illegal migrants. These actions send a clear message: illegal migration is not worth the risk.'

This is the first batch of illegal immigrants from India to be deported since Trump's return to office.

Last year, about 1,100 illegal immigrants were deported to India through special

As The Indian Express reported on January 21, there are 20,407 "undocumented" Indians, as of November 2024, who are either facing "final removal orders" or are, currently, in detention centres of the US Immigration and Customs Enforcement (ICE).

Of these, 17,940 "paper-

less" Indians are not in detention but are under "final removal orders," and another 2,467 are in detention under the ICE's Enforcement and Removal Operations (ERO).

This makes Indians the fourth largest group by nationality, and the first among Asians, in ICE custody. As of November 2024, the total number of non-citizens, from all countries, detained added up to over 37,000.

Aremoval order is issued by an immigration judge which becomes a "final removal order" when affirmed by the appellate authority.

India's position is that it is ready to accept illegal immigrants from the US afterverification. This message was conveyed by External Affairs Minister S Jaishankar last month when he met US Secretary of State Marco Rubio. "Illegal immigration is

often linked to other unlawful activities. It is neither desirable nor beneficial for our reputation. If any of our citizens are found to be in the US illegally, and we verify their citizenship, we are open to their lawful return to India," Jaishankar had said. Following his phone con-

TAKES SWIPE AT AAP, CONGRESS

Poor our focus, says PM, slams Oppn as family, Sheesh Mahal

VIKAS PATHAK, MANOJ CG & DEEPTIMAN TIWARY New Delhi, February 4

ATTACKING THE AAP and Congress on the eve of voting in Delhi by referring to Arvind Kejriwal's "Sheesh Mahal" and "jacuzzi", Sonia Gandhi's "poor thing" remark about the President and Rahul Gandhi"fighting the Indian State", Prime Minister Narendra Modi Tuesday said his government had chosen the path of "santushtikaran" (satisfaction) over "tushtikaran" (appeasement) and "100 per cent saturation" of welfare schemes was "real social justice, secularism and respect for the Constitution".

Replying to the discussion in Lok Sabha on the Motion of Thanks on the President's Address, Modilisted his government's schemes to benefit different sections, especially the poor and the marginalised."In the last 10 years, 25 crore people came out of poverty. For five decades, we heard slogans of Garibi Hatao, but now 25 crore poor people have defeated poverty," he said, adding, "We have not given false slogans but true development to the poor."

He said 4 crore houses and 12 crore toilets have been built by his government for the poor, and that tap water had been taken to 12 crore families. Targeting the Opposition, he said, "Those who went to huts of villagers for photo sessions for entertainment will find this talk in Parliament about the poor meaningless. I can understand their anger."

Recalling that a Prime Minister called Mr Clean — he was referring to Rajiv Gandhi had said that just 15 paise of every rupee that leaves Delhi reaches the villages, Modi said direct payments to the poor had solved this problem by sending Rs 40 lakh crore to people's accounts.

"We saved lots of money but did not use it to build a Sheesh Mahal (Kejriwal's offi-

Prime Minister Narendra Modi replies to the motion of thanks to President's address in the Lok Sabha at the Budget session of Parliament on Tuesday

cial residence when he was Chief Minister). We used it to build the country. From ₹1.8 lakh crore in 2014, our infrastructure budget has gone up to ₹11 lakh crore,"he said.

Hailing the Union Budget that is being considered middle class-friendly, he said, "Before 2014, such was the firing that people's lives got battered. We have healed those wounds and are moving forward." He said the income tax exemption limit of ₹2 lakh in 2014 had now gone up to Rs 12 lakh. "If we add the ₹75,000 standard deduction, the salaried class will pay no income tax for an annual income of ₹12.75 lakh,"he said. Much of his speech was

devoted to criticism of the Opposition, especially the Congress. "Some people are openly speaking the language of Urban Naxals these days. To fight the Indian state is the language of Naxals. Those who speak this language can understand neither the Constitution nor national unity," he said, referring to Rahul Gandhi's remark about "fighting the Indian State itself".

On Sonia Gandhi referring to President Draupadi Murmu as a "poor thing", Modi said, "If you cannot respect a woman President from a poor family, it is fine. But what all is being said

to insult her. Why? Today Bharat has left this kind of distorted mentality behind and is moving forward with the idea of women-led development."

He also took a swipe at Rahul Gandhi for his statements on foreign policy, saying, "Some people believe that they won't look mature unless they talk about foreign policy, even if it harms the country." He said such people should read the book JFK's Forgotten Crisis – it is by Bruce Riedel – as it mentions discussions between Pandit Nehru and Kennedy and explains "what game was being played in the name of foreign policy".

To him, AI was double AI – Artificial Intelligence and Aspirational India, he said, and gave details of the steps taken by his government in the field of technology. "We have started 10,000 tinkering labs in the country. This Budget has made provisions for 50,000 new tinkering labs. The world is looking towards India on AI," he said.

It was the BJP, he said, that lived by the Constitution. As Chief Minister of Gujarat, he released a book compiling all speeches of Governors in the state Assembly on completion of 50 years of Gujarat as a state despite the fact that Congress had been in power for a longer time.

First under Trump 2.0: US military flight deports illegal Indian migrants

SHUBHAJIT ROY New Delhi, February 4

A UNITED STATES military plane began deporting Indian migrants, implementing President Donald Trump's position against an estimated 11 million illegal immigrants in the country.

Reuters reported that the C-17 aircraft carrying 205 Indian nationals departed from San Antonio, Texas, around 3 am IST.

They are mostly from Gujarat and Punjab, according to sources.

When contacted, a US embassy spokesperson in Delhi said: "The United States is vigorously enforcing its border, tightening immigration laws, and removing illegal migrants. These actions send a clear message: illegal migration is not worth the risk."

This is the first batch of illegal immigrants from India to be deported since Trump's return to office.

Last year, about 1,100 illegal immigrants were deported to India through special planes.

As The Indian Express reported on January 21, there are 20,407 "undocumented" Indians, as of November 2024, who are either facing "final removal orders" or are, currently, in detention centres of the US Immigration and Customs Enforcement (ICE).

Of these, 17,940 "paper-

less" Indians are not in detention but are under "final removal orders," and another 2,467 are in detention under

the ICE's Enforcement and

Removal Operations (ERO). This makes Indians the fourth largest group by nationality, and the first among Asians, in ICE custody. As of November 2024, the total number of non-citizens, from all countries, detained added up to over 37,000.

A removal order is issued by an immigration judge which becomes a "final removal order" when affirmed by the appellate authority.

India's position is that it is ready to accept illegal immigrants from the US afterverification. This message was conveyed by External Affairs Minister S Jaishankar last month when he met US Secretary of State Marco Rubio.

"Illegal immigration is often linked to other unlawful activities. It is neither desirable nor beneficial for our reputation. If any of our citizens are found to be in the US illegally, and we verify their citizenship, we are open to their lawful return to India," Jaishankar had said.

Following his phone conversation with Prime Minister Modi on January 27, Trump said India "will do what is right" on the deportation of illegal migrants from the US indicating that India is ready to take back the illegal immigrants.

SC pulls up Assam on detentions

CASTIGATING THE ASSAM government for "indulging in suppression of facts" on the continued detention of people declared foreigners, the Supreme Court Tuesday directed the state to immediately deport 63 declared foreigners whose nationality are known, and file a status report in two weeks. Questioning Assam's expla-

nation that the addresses of the people declared foreigners were not available, Justice A S Oka who was on the bench with Justice Ujjal Bhuyan, told Assam Chief Secretary Ravi Kota who appeared via a video link: "You have refused to start deportation saying their addresses are not known. Why should it be our concern? You deport them to their foreign country. Are you waiting for some muhurat?"

Justice Oka told the Chief Secretary that the state can deport foreigners even without an address."'Foreign address not divulged'— this is the reason to not deport?...You can't continue to detain them indefinitely."

BMC's ₹74,427-cr budget its biggest ever; no hike in taxes

BMC commissioner Bhushan Gagrani presenting the budget for 2025-26, in Mumbai on Tuesday

PRESS TRUST OF INDIA Mumbai, February 4

THE BRIHANMUMBAI MUNICI-**PAL** Corporation (BMC) on Tuesday presented a ₹74,427.41 crore budget, its biggest-ever, for financial year 2025-26 without any hike in taxes, ahead of the crucial civic polls expected to be held this year.

The budget was presented to municipal commissioner Bhushan Gagrani, the stateappointed administrator of the civic body. This is the third consecutive year where the budget was presented by an administrator as civic body elections have not been held after the expiry of the term of the house

in March 2022. Maharashtra Deputy Chief Minister Eknath Shinde, who is also the state's Urban Development Minister, said the budget has taken care of the common man with a focus on health,

education and environment. He said there was no rise in any kind of tax or cess in this year's budget. On the contrary,

the revenue has risen by over

₹7,000 crore.

Opposition parties, however, hit out at the government over the proposed tax on commercial units in slums and solid waste management user fee.

"The Budget Estimates for the FY 2025-26 are proposed at ₹74,427.41 crore, which exceed the estimates of 2024-25, which were ₹65,180.79 crore, by 14.19%," the budget document read.

The budget was ₹60.65 crore surplus.

"This is the biggest-ever budget of the BMC," noted Gagrani at a press conference afterwards, adding that it reflects the "dreams and expectations" of Mumbai citizens.

No hike has been proposed in property tax or water tax, the administrator said.

But the BMC has decided to levy property tax on commercial establishments operating from slum areas from FY 2025-26, which is expected to generate ₹350 crore in additional revenue.

TAKES SWIPE AT AAP, CONGRESS

Poor our focus, says PM, slams Oppn as family, Sheesh Mahal

VIKAS PATHAK, MANOJ CG & DEEPTIMAN TIWARY New Delhi, February 4

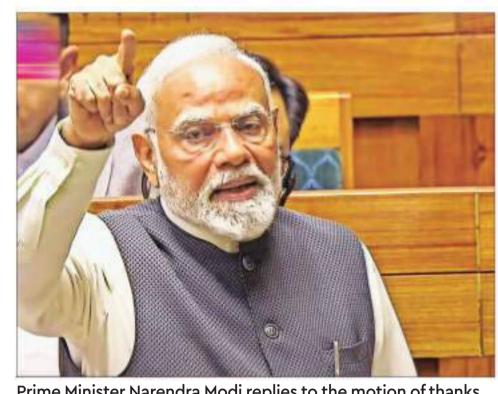

ATTACKING THE AAP and Congress on the eve of voting in Delhi by referring to Arvind Keiriwal's "Sheesh Mahal" and "jacuzzi", Sonia Gandhi's "poor thing" remark about the President and Rahul Gandhi "fighting the Indian State", Prime Minister Narendra Modi Tuesday said his government had chosen the path of "santushtikaran" (satisfaction) over "tushtikaran" (appeasement) and "100 per cent saturation" of welfare schemes was "real social justice, secularism and respect for the Constitution".

Replying to the discussion in Lok Sabha on the Motion of Thanks on the President's Address, Modilisted his government's schemes to benefit different sections, especially the poor and the marginalised. "In the last 10 years, 25 crore people came out of poverty. For five decades, we heard slogans of Garibi Hatao, but now 25 crore poor people have defeated poverty," he said, adding, "We have not given false slogans but true development to the poor."

He said 4 crore houses and 12 crore toilets have been built by his government for the poor, and that tap water had been taken to 12 crore families. Targeting the Opposition, he said, "Those who went to huts of villagers for photo sessions for entertainment will find this talk in Parliament about the poor meaningless. I can understand their anger." Recalling that a Prime Min-

ister called Mr Clean — he was referring to Rajiv Gandhi had said that just 15 paise of every rupee that leaves Delhi reaches the villages, Modi said direct payments to the poor had solved this problem by sending Rs 40 lakh crore to people's accounts. "We saved lots of money

but did not use it to build a Sheesh Mahal (Kejriwal's offi-

cial residence when he was Chief Minister). We used it to build the country. From ₹1.8 lakh crore in 2014, our infrastructure budget has gone up to ₹11 lakh crore,"he said.

Hailing the Union Budget that is being considered middle class-friendly, he said, "Before 2014, such was the firing that people's lives got battered. We have healed those wounds and are moving forward." He said the income tax exemption limit of ₹2 lakh in 2014 had now gone up to Rs 12 lakh. "If we add the ₹75,000 standard deduction, the salaried class will pay no income tax for an annual income of ₹12.75 lakh,"he said. Much of his speech was

devoted to criticism of the Opposition, especially the Congress. "Some people are openly speaking the language of Urban Naxals these days. To fight the Indian state is the language of Naxals. Those who speak this language can understand neither the Constitution nor national unity," he said, referring to Rahul Gandhi's remark about "fighting the Indian State itself". On Sonia Gandhi referring

to President Draupadi Murmu as a "poor thing", Modi said, "If you cannot respect a woman President from a poor family, it is fine. But what all is being said

to insult her. Why? Today Bharat has left this kind of distorted mentality behind and is moving forward with the idea of women-led development."

He also took a swipe at Rahul Gandhi for his statements on foreign policy, saying, "Some people believe that they won't look mature unless they talk about foreign policy, even if it harms the country." He said such people should read the book JFK's Forgotten Crisis – it is by Bruce Riedel – as it mentions discussions between Pandit Nehru and Kennedy and explains "what game was being played in the name of foreign policy". To him, AI was double AI -

Artificial Intelligence and Aspirational India, he said, and gave details of the steps taken by his government in the field of technology. "We have started 10,000 tinkering labs in the country. This Budget has made provisions for 50,000 new tinkering labs. The world is looking towards India on AI," he said.

It was the BJP, he said, that lived by the Constitution. As Chief Minister of Gujarat, he released a book compiling all speeches of Governors in the state Assembly on completion of 50 years of Gujarat as a state despite the fact that Congress had been in power for a longer time.

First under Trump 2.0: US military flight deports illegal Indian migrants

SHUBHAJIT ROY New Delhi, February 4

A UNITED STATES military plane began deporting Indian migrants, implementing President Donald Trump's position against an estimated 11 million illegal immigrants in the country.

Reuters reported that the C-17 aircraft carrying 205 Indian nationals departed from San Antonio, Texas, around 3 am IST. They are mostly from

Gujarat and Punjab, according to sources.

When contacted, a US embassy spokesperson in Delhi said: "The United States is vigorously enforcing its border, tightening immigration laws, and removing illegal migrants. These actions send a clear message: illegal migration is not worth the risk."

This is the first batch of illegal immigrants from India to be deported since Trump's return to office.

Last year, about 1,100 illegal immigrants were deported to India through special planes.

As The Indian Express reported on January 21, there are 20,407 "undocumented" Indians, as of November 2024, who are either facing "final removal orders" or are, currently, in detention centres of the US Immigration and Customs Enforcement (ICE).

Of these, 17,940 "paper-

less" Indians are not in detention but are under "final removal orders," and another 2,467 are in detention under the ICE's Enforcement and Removal Operations (ERO).

This makes Indians the fourth largest group by nationality, and the first among Asians, in ICE custody. As of November 2024, the total number of non-citizens, from all countries, detained added up to over 37,000.

A removal order is issued by an immigration judge which becomes a "final removal order" when affirmed by the appellate authority.

India's position is that it is ready to accept illegal immigrants from the US afterverification. This message was conveyed by External Affairs Minister S Jaishankar last month when he met US Secretary of State Marco Rubio. "Illegal immigration is

activities. It is neither desirable nor beneficial for our reputation. If any of our citizens are found to be in the US illegally, and we verify their citizenship, we are open to their lawful return to India," Jaishankar had said. Following his phone con-

often linked to other unlawful

versation with Prime Minister Modi on January 27, Trump said India "will do what is right" on the deportation of illegal migrants from the US indicating that India is ready to take back the illegal immigrants.

SC pulls up Assam on detentions

CASTIGATING THE ASSAM government for "indulging in suppression of facts" on the continued detention of people declared foreigners, the Supreme Court Tuesday directed the state to immediately deport 63 declared foreigners whose nationality are known, and file a status report in two weeks. Questioning Assam's expla-

nation that the addresses of the people declared foreigners were not available, Justice A S Oka who was on the bench with Justice Ujjal Bhuyan, told Assam Chief Secretary Ravi Kota who appeared via a video link: "You have refused to start deportation saying their addresses are not known. Why should it be our concern? You deport them to their foreign country. Are you waiting for some muhurat?"

Justice Oka told the Chief Secretary that the state can deport foreigners even without an address."'Foreign address not divulged'—this is the reason to not deport?...You can't continue to detain them indefinitely."

BMC's ₹74,427-cr budget its biggest ever; no hike in taxes

BMC commissioner Bhushan Gagrani presenting the budget for 2025-26, in Mumbai on Tuesday

PRESS TRUST OF INDIA Mumbai, February 4

THE BRIHANMUMBAI MUNICI-**PAL** Corporation (BMC) on Tuesday presented a ₹74,427.41 crore budget, its biggest-ever, for financial year 2025-26 without any hike in taxes, ahead of the crucial civic polls expected to be held this year.

The budget was presented to municipal commissioner Bhushan Gagrani, the stateappointed administrator of the civic body. This is the third consecutive year where the budget was presented by an administrator as civic body elections have not been held after the expiry of the term of the house in March 2022.

Maharashtra Deputy Chief Minister Eknath Shinde, who is also the state's Urban Development Minister, said the budget has taken care of the common man with a focus on health, education and environment.

He said there was no rise in any kind of tax or cess in this year's budget. On the contrary,

the revenue has risen by over ₹7,000 crore.

Opposition parties, however, hit out at the government over the proposed tax on commercial units in slums and solid waste management user fee.

"The Budget Estimates for the FY 2025-26 are proposed at ₹74,427.41 crore, which exceed the estimates of 2024-25, which were ₹65,180.79 crore, by 14.19%," the budget document read.

The budget was ₹60.65 crore surplus.

"This is the biggest-ever budget of the BMC," noted Gagrani at a press conference afterwards, adding that it reflects the "dreams and expectations" of Mumbai citizens.

No hike has been proposed in property tax or water tax, the administrator said.

But the BMC has decided to levy property tax on commercial establishments operating from slum areas from FY 2025-26, which is expected to generate ₹350 crore in additional revenue.

First under Trump 2.0: US military flight deports illegal Indian migrants

SHUBHAJIT ROY New Delhi, February 4

A UNITED STATES military plane began deporting Indian migrants, implementing President Donald Trump's position against an estimated 11 million illegal immigrants in the country.

Reuters reported that the C-17 aircraft carrying 205 Indian nationals departed from San Antonio, Texas, around 3 am IST.

They are mostly from Gujarat and Punjab, according to sources.

When contacted, a US embassy spokesperson in Delhi said: "The United States is vigorously enforcing its border, tightening immigration laws, and removing illegal migrants. These actions send a clear message: illegal migration is not worth the risk."

This is the first batch of illegal immigrants from India to be deported since Trump's return to office.

Last year, about 1,100 illegal immigrants were deported to India through special planes.

As The Indian Express reported on January 21, there are 20,407 "undocumented" Indians, as of November 2024, who are either facing "final removal orders" or are, currently, in detention centres of the US Immigration and Customs Enforcement (ICE).

Of these, 17,940 "paper-

less" Indians are not in detention but are under "final removal orders," and another 2,467 are in detention under

the ICE's Enforcement and

Removal Operations (ERO). This makes Indians the fourth largest group by nationality, and the first among Asians, in ICE custody. As of November 2024, the total number of non-citizens, from all countries, detained added up to over 37,000.

A removal order is issued by an immigration judge which becomes a "final removal order" when affirmed by the appellate authority.

India's position is that it is ready to accept illegal immigrants from the US afterverification. This message was conveyed by External Affairs Minister S Jaishankar last month when he met US Secretary of State Marco Rubio.

"Illegal immigration is often linked to other unlawful activities. It is neither desirable nor beneficial for our reputation. If any of our citizens are found to be in the US illegally, and we verify their citizenship, we are open to their lawful return to India," Jaishankar had said.

Following his phone conversation with Prime Minister Modi on January 27, Trump said India "will do what is right" on the deportation of illegal migrants from the US indicating that India is ready to take back the illegal immigrants.

SC pulls up Assam on detentions

CASTIGATING THE ASSAM government for "indulging in suppression of facts" on the continued detention of people declared foreigners, the Supreme Court Tuesday directed the state to immediately deport 63 declared foreigners whose nationality are known, and file a status report in two weeks. Questioning Assam's expla-

nation that the addresses of the people declared foreigners were not available, Justice A S Oka who was on the bench with Justice Ujjal Bhuyan, told Assam Chief Secretary Ravi Kota who appeared via a video link: "You have refused to start deportation saying their addresses are not known. Why should it be our concern? You deport them to their foreign country. Are you waiting for some muhurat?"

Justice Oka told the Chief Secretary that the state can deport foreigners even without an address."'Foreign address not divulged'— this is the reason to not deport?...You can't continue to detain them indefinitely."

BMC's ₹74,427-cr budget its biggest ever; no hike in taxes

BMC commissioner Bhushan Gagrani presenting the budget for 2025-26, in Mumbai on Tuesday

PRESS TRUST OF INDIA Mumbai, February 4

THE BRIHANMUMBAI MUNICI-**PAL** Corporation (BMC) on Tuesday presented a ₹74,427.41 crore budget, its biggest-ever, for financial year 2025-26 without any hike in taxes, ahead of the crucial civic polls expected to be held this year.

The budget was presented to municipal commissioner Bhushan Gagrani, the stateappointed administrator of the civic body. This is the third consecutive year where the budget was presented by an administrator as civic body elections have not been held after the expiry of the term of the house

in March 2022. Maharashtra Deputy Chief Minister Eknath Shinde, who is also the state's Urban Development Minister, said the budget has taken care of the common man with a focus on health,

education and environment. He said there was no rise in any kind of tax or cess in this year's budget. On the contrary,

the revenue has risen by over

₹7,000 crore.

Opposition parties, however, hit out at the government over the proposed tax on commercial units in slums and solid waste management user fee.

"The Budget Estimates for the FY 2025-26 are proposed at ₹74,427.41 crore, which exceed the estimates of 2024-25, which were ₹65,180.79 crore, by 14.19%," the budget document read.

The budget was ₹60.65 crore surplus.

"This is the biggest-ever budget of the BMC," noted Gagrani at a press conference afterwards, adding that it reflects the "dreams and expectations" of Mumbai citizens.

No hike has been proposed in property tax or water tax, the administrator said.

But the BMC has decided to levy property tax on commercial establishments operating from slum areas from FY 2025-26, which is expected to generate ₹350 crore in additional revenue.

TAKES SWIPE AT AAP, CONGRESS

Poor our focus, says PM, slams Oppn as family, Sheesh Mahal

VIKAS PATHAK, MANOJ CG & DEEPTIMAN TIWARY New Delhi, February 4

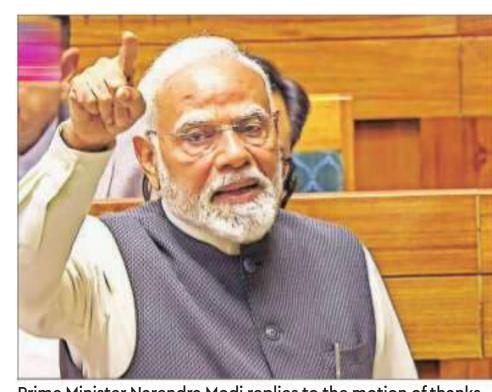

ATTACKING THE AAP and Congress on the eve of voting in Delhi by referring to Arvind Kejriwal's "Sheesh Mahal" and "jacuzzi", Sonia Gandhi's "poor thing"remark about the President and Rahul Gandhi "fighting the Indian State", Prime Minister Narendra Modi Tuesday said his government had chosen the path of "santushtikaran" (satisfaction) over "tushtikaran" (appeasement) and "100 per cent saturation" of welfare schemes was "real social justice, secularism and respect for the Constitution".

Replying to the discussion in Lok Sabha on the Motion of Thanks on the President's Address, Modilisted his government's schemes to benefit different sections, especially the poor and the marginalised. "In the last 10 years, 25 crore people came out of poverty. For five decades, we heard slogans of Garibi Hatao, but now 25 crore poor people have defeated poverty," he said, adding, "We have not given false slogans but true development to the poor."

He said 4 crore houses and 12 crore toilets have been built by his government for the poor, and that tap water had been taken to 12 crore families. Targeting the Opposition, he said, "Those who went to huts of villagers for photo sessions for entertainment will find this talk in Parliament about the poor meaningless. I can understand their anger."

Recalling that a Prime Minister called Mr Clean — he was referring to Rajiv Gandhi had said that just 15 paise of every rupee that leaves Delhi reaches the villages, Modi said direct payments to the poor had solved this problem by sending Rs 40 lakh crore to people's accounts. "We saved lots of money

but did not use it to build a Sheesh Mahal (Kejriwal's offi-

Prime Minister Narendra Modi replies to the motion of thanks to President's address in the Lok Sabha at the Budget session of Parliament on Tuesday

cial residence when he was Chief Minister). We used it to build the country. From ₹1.8 lakh crore in 2014, our infrastructure budget has gone up to ₹11 lakh crore,"he said.

Hailing the Union Budget that is being considered middle class-friendly, he said, "Before 2014, such was the firing that people's lives got battered. We have healed those wounds and are moving forward." He said the income tax exemption limit of ₹2 lakh in 2014 had now gone up to Rs 12 lakh. "If we add the ₹75,000 standard deduction, the salaried class will pay no income tax for an annual income of ₹12.75 lakh,"he said. Much of his speech was

devoted to criticism of the Opposition, especially the Congress. "Some people are openly speaking the language of Urban Naxals these days. To fight the Indian state is the language of Naxals. Those who speak this language can understand neither the Constitution nor national unity," he said, referring to Rahul Gandhi's remark about "fighting the Indian State itself".

On Sonia Gandhi referring to President Draupadi Murmu as a "poor thing", Modi said, "If you cannot respect a woman President from a poor family, it is fine. But what all is being said to insult her. Why? Today Bharat has left this kind of distorted mentality behind and is moving forward with the idea of women-led development."

He also took a swipe at Rahul Gandhi for his statements on foreign policy, saying, "Some people believe that they won't look mature unless they talk about foreign policy, even if it harms the country." He said such people should read the book JFK's Forgotten Crisis – it is by Bruce Riedel – as it mentions discussions between Pandit Nehru and Kennedy and explains "what game was being played in the name of foreign policy".

To him, AI was double AI – Artificial Intelligence and Aspirational India, he said, and gave details of the steps taken by his government in the field of technology. "We have started 10,000 tinkering labs in the country. This Budget has made provisions for 50,000 new tinkering labs. The world is looking towards India on AI," he said.

It was the BJP, he said, that lived by the Constitution. As Chief Minister of Gujarat, he released a book compiling all speeches of Governors in the state Assembly on completion of 50 years of Gujarat as a state despite the fact that Congress had been in power for a longer time.

day presented a ₹74,427.41 crore budget, its biggest-ever, for financial year 2025-26 without any hike in taxes, ahead of the crucial civic polls expected to be held this year.

The budget was presented to municipal commissioner Bhushan Gagrani, the stateappointed administrator of the civic body. This is the third consecutive year where the budget was presented by an administrator as civic body elections have not been held after the expiry of the term of the house in March 2022.

Maharashtra Deputy Chief Minister Eknath Shinde, who is also the state's Urban Development Minister, said the budget has taken care of the common man with a focus on health,

education and environment. He said there was no rise in any kind of tax or cess in this year's budget. On the contrary,

the revenue has risen by over ₹7,000 crore. Opposition parties, how-

ever, hit out at the government over the proposed tax on commercial units in slums and solid waste management user fee.

"The Budget Estimates for the FY 2025-26 are proposed at ₹74,427.41 crore, which exceed the estimates of 2024-25, which were ₹65,180.79 crore, by 14.19%," the budget document read.

The budget was ₹60.65 crore surplus.

"This is the biggest-ever budget of the BMC," noted Gagrani at a press conference afterwards, adding that it reflects the "dreams and expectations" of Mumbai citizens.

No hike has been proposed in property tax or water tax, the administrator said.

But the BMC has decided to levy property tax on commercial establishments operating from slum areas from FY 2025-26, which is expected to generate ₹350 crore in additional revenue.

TAKES SWIPE AT AAP, CONGRESS

Poor our focus, says PM, slams Oppn as family, Sheesh Mahal

VIKAS PATHAK, MANOJ CG & DEEPTIMAN TIWARY New Delhi, February 4

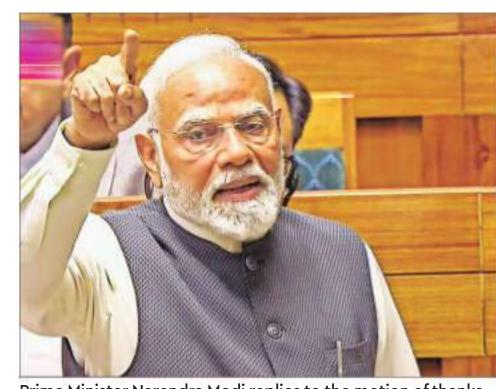

ATTACKING THE AAP and Congress on the eve of voting in Delhi by referring to Arvind Kejriwal's "Sheesh Mahal" and "jacuzzi", Sonia Gandhi's "poor thing"remark about the President and Rahul Gandhi "fighting the Indian State", Prime Minister Narendra Modi Tuesday said his government had chosen the path of "santushtikaran" (satisfaction) over "tushtikaran" (appeasement) and "100 per cent saturation" of welfare schemes was "real social justice, secularism and respect for the Constitution".

Replying to the discussion in Lok Sabha on the Motion of Thanks on the President's Address, Modilisted his government's schemes to benefit different sections, especially the poor and the marginalised. "In the last 10 years, 25 crore people came out of poverty. For five decades, we heard slogans of Garibi Hatao, but now 25 crore poor people have defeated poverty," he said, adding, "We have not given false slogans but true development to the poor."

He said 4 crore houses and 12 crore toilets have been built by his government for the poor, and that tap water had been taken to 12 crore families. Targeting the Opposition, he said, "Those who went to huts of villagers for photo sessions for entertainment will find this talk in Parliament about the poor meaningless. I can understand their anger."

Recalling that a Prime Minister called Mr Clean — he was referring to Rajiv Gandhi had said that just 15 paise of every rupee that leaves Delhi reaches the villages, Modi said direct payments to the poor had solved this problem by sending Rs 40 lakh crore to people's accounts. "We saved lots of money

but did not use it to build a Sheesh Mahal (Kejriwal's offi-

Prime Minister Narendra Modi replies to the motion of thanks to President's address in the Lok Sabha at the Budget session of Parliament on Tuesday

cial residence when he was Chief Minister). We used it to build the country. From ₹1.8 lakh crore in 2014, our infrastructure budget has gone up to ₹11 lakh crore,"he said.

Hailing the Union Budget that is being considered middle class-friendly, he said, "Before 2014, such was the firing that people's lives got battered. We have healed those wounds and are moving forward." He said the income tax exemption limit of ₹2 lakh in 2014 had now gone up to Rs 12 lakh. "If we add the ₹75,000 standard deduction, the salaried class will pay no income tax for an annual income of ₹12.75 lakh,"he said. Much of his speech was

devoted to criticism of the Opposition, especially the Congress. "Some people are openly speaking the language of Urban Naxals these days. To fight the Indian state is the language of Naxals. Those who speak this language can understand neither the Constitution nor national unity," he said, referring to Rahul Gandhi's remark about "fighting the Indian State itself".

On Sonia Gandhi referring to President Draupadi Murmu as a "poor thing", Modi said, "If you cannot respect a woman President from a poor family, it is fine. But what all is being said

to insult her. Why? Today Bharat has left this kind of distorted mentality behind and is moving forward with the idea of women-led development."

He also took a swipe at Rahul Gandhi for his statements on foreign policy, saying, "Some people believe that they won't look mature unless they talk about foreign policy, even if it harms the country." He said such people should read the book JFK's Forgotten Crisis – it is by Bruce Riedel – as it mentions discussions between Pandit Nehru and Kennedy and explains "what game was being played in the name of foreign policy".

To him, AI was double AI – Artificial Intelligence and Aspirational India, he said, and gave details of the steps taken by his government in the field of technology. "We have started 10,000 tinkering labs in the country. This Budget has made provisions for 50,000 new tinkering labs. The world is looking towards India on AI," he said.

It was the BJP, he said, that lived by the Constitution. As Chief Minister of Gujarat, he released a book compiling all speeches of Governors in the state Assembly on completion of 50 years of Gujarat as a state despite the fact that Congress had been in power for a longer time.

First under Trump 2.0: US military flight deports illegal Indian migrants

SHUBHAJIT ROY New Delhi, February 4

A UNITED STATES military plane began deporting Indian migrants, implementing President Donald Trump's position against an estimated 11 million illegal immigrants in the Reuters reported that the

C-17 aircraft carrying 205 Indian nationals departed from San Antonio, Texas, around 3 am IST.

They are mostly from Gujarat and Punjab, according to sources. When contacted, a US

embassy spokesperson in Delhi said: "The United States is vigorously enforcing its border, tightening immigration laws, and removing illegal migrants. These actions send a clear message: illegal migration is not worth the risk.'

This is the first batch of illegal immigrants from India to be deported since Trump's return to office.

Migrants are mostly from Gujarat and Punjab, sources said

Last year, about 1,100 illegal immigrants were deported to India through special

As The Indian Express reported on January 21, there are 20,407 "undocumented" Indians, as of November 2024, who are either facing "final removal orders" or are, currently, in detention centres of the US Immigration and Customs Enforcement (ICE).

Of these, 17,940 "paper-

less" Indians are not in detention but are under "final removal orders," and another 2,467 are in detention under the ICE's Enforcement and

This makes Indians the fourth largest group by nationality, and the first among Asians, in ICE custody. As of November 2024, the total number of non-citizens, from all countries, detained added up to over 37,000.

Removal Operations (ERO).

Aremoval order is issued by an immigration judge which becomes a "final removal order" when affirmed by the appellate authority.

India's position is that it is ready to accept illegal immigrants from the US afterverification. This message was conveyed by External Affairs Minister S Jaishankar last month when he met US Secretary of State Marco Rubio. "Illegal immigration is

often linked to other unlawful activities. It is neither desirable nor beneficial for our reputation. If any of our citizens are found to be in the US illegally, and we verify their citizenship, we are open to their lawful return to India," Jaishankar had said.

Following his phone conversation with Prime Minister Modi on January 27, Trump said India "will do what is right" on the deportation of illegal migrants from the US indicating that India is ready to take back the illegal immigrants.

SC pulls up Assam on detentions

CASTIGATING THE ASSAM government for "indulging in suppression of facts" on the continued detention of people declared foreigners, the Supreme Court Tuesday directed the state to immediately deport 63 declared foreigners whose nationality are known, and file a status report in two weeks.

Questioning Assam's explanation that the addresses of the people declared foreigners were not available, Justice A S Oka who was on the bench with Justice Ujjal Bhuyan, told Assam Chief Secretary Ravi Kota who appeared via a video link: "You have refused to start deportation saying their addresses are not known. Why should it be our concern? You deport them to their foreign country. Are you waiting for some muhurat?"

Justice Oka told the Chief Secretary that the state can deport foreigners even without an address."'Foreign address not divulged' - this is the reason to not deport?...You can't continue to detain them indefinitely."

TAKES SWIPE AT AAP, CONGRESS

Poor our focus, says PM, slams Oppn as family, Sheesh Mahal

VIKAS PATHAK, MANOJ CG & DEEPTIMAN TIWARY New Delhi, February 4

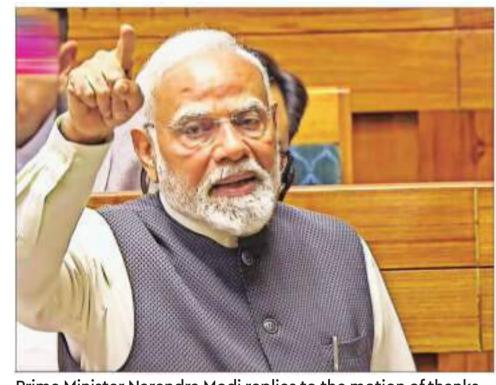

ATTACKING THE AAP and Congress on the eve of voting in Delhi by referring to Arvind Keiriwal's "Sheesh Mahal" and "jacuzzi", Sonia Gandhi's "poor thing" remark about the President and Rahul Gandhi "fighting the Indian State", Prime Minister Narendra Modi Tuesday said his government had chosen the path of "santushtikaran" (satisfaction) over "tushtikaran" (appeasement) and "100 per cent saturation" of welfare schemes was "real social justice, secularism and respect for the Constitution".

Replying to the discussion in Lok Sabha on the Motion of Thanks on the President's Address, Modilisted his government's schemes to benefit different sections, especially the poor and the marginalised. "In the last 10 years, 25 crore people came out of poverty. For five decades, we heard slogans of Garibi Hatao, but now 25 crore poor people have defeated poverty," he said, adding, "We have not given false slogans but true development to the poor."

He said 4 crore houses and 12 crore toilets have been built by his government for the poor, and that tap water had been taken to 12 crore families. Targeting the Opposition, he said, "Those who went to huts of villagers for photo sessions for entertainment will find this talk in Parliament about the poor meaningless. I can understand their anger."

Recalling that a Prime Minister called Mr Clean — he was referring to Rajiv Gandhi had said that just 15 paise of every rupee that leaves Delhi reaches the villages, Modi said direct payments to the poor had solved this problem by sending Rs 40 lakh crore to people's accounts. "We saved lots of money

but did not use it to build a Sheesh Mahal (Kejriwal's offi-

Prime Minister Narendra Modi replies to the motion of thanks to President's address in the Lok Sabha at the Budget session of Parliament on Tuesday

cial residence when he was Chief Minister). We used it to build the country. From ₹1.8 lakh crore in 2014, our infrastructure budget has gone up to ₹11 lakh crore,"he said.

Hailing the Union Budget that is being considered middle class-friendly, he said, "Before 2014, such was the firing that people's lives got battered. We have healed those wounds and are moving forward." He said the income tax exemption limit of ₹2 lakh in 2014 had now gone up to Rs 12 lakh. "If we add the ₹75,000 standard deduction, the salaried class will pay no income tax for an annual income of ₹12.75 lakh,"he said. Much of his speech was

devoted to criticism of the Opposition, especially the Congress. "Some people are openly speaking the language of Urban Naxals these days. To fight the Indian state is the language of Naxals. Those who speak this language can understand neither the Constitution nor national unity," he said, referring to Rahul Gandhi's remark about "fighting the Indian State itself". On Sonia Gandhi referring

to President Draupadi Murmu as a "poor thing", Modi said, "If you cannot respect a woman President from a poor family, it is fine. But what all is being said

to insult her. Why? Today Bharat has left this kind of distorted mentality behind and is moving forward with the idea of women-led development."

He also took a swipe at Rahul Gandhi for his statements on foreign policy, saying, "Some people believe that they won't look mature unless they talk about foreign policy, even if it harms the country." He said such people should read the book JFK's Forgotten Crisis – it is by Bruce Riedel – as it mentions discussions between Pandit Nehru and Kennedy and explains "what game was being played in the name of foreign policy". To him, AI was double AI -

Artificial Intelligence and Aspirational India, he said, and gave details of the steps taken by his government in the field of technology. "We have started 10,000 tinkering labs in the country. This Budget has made provisions for 50,000 new tinkering labs. The world is looking towards India on AI," he said.

It was the BJP, he said, that lived by the Constitution. As Chief Minister of Gujarat, he released a book compiling all speeches of Governors in the state Assembly on completion of 50 years of Gujarat as a state despite the fact that Congress had been in power for a longer time.

First under Trump 2.0: US military flight deports illegal Indian migrants

SHUBHAJIT ROY New Delhi, February 4

A UNITED STATES military plane began deporting Indian migrants, implementing President Donald Trump's position against an estimated 11 million illegal immigrants in the country.

Reuters reported that the C-17 aircraft carrying 205 Indian nationals departed from San Antonio, Texas, around 3 am IST. They are mostly from

Gujarat and Punjab, according to sources.

When contacted, a US embassy spokesperson in Delhi said: "The United States is vigorously enforcing its border, tightening immigration laws, and removing illegal migrants. These actions send a clear message: illegal migration is not worth the risk."

This is the first batch of illegal immigrants from India to be deported since Trump's return to office.

Last year, about 1,100 illegal immigrants were deported to India through special planes.

As The Indian Express reported on January 21, there are 20,407 "undocumented" Indians, as of November 2024, who are either facing "final removal orders" or are, currently, in detention centres of the US Immigration and Customs Enforcement (ICE).

Of these, 17,940 "paper-

less" Indians are not in detention but are under "final removal orders," and another 2,467 are in detention under the ICE's Enforcement and Removal Operations (ERO).

This makes Indians the fourth largest group by nationality, and the first among Asians, in ICE custody. As of November 2024, the total number of non-citizens, from all countries, detained added up to over 37,000.

A removal order is issued by an immigration judge which becomes a "final removal order" when affirmed by the appellate authority.

India's position is that it is ready to accept illegal immigrants from the US afterverification. This message was conveyed by External Affairs Minister S Jaishankar last month when he met US Secretary of State Marco Rubio. "Illegal immigration is

often linked to other unlawful activities. It is neither desirable nor beneficial for our reputation. If any of our citizens are found to be in the US illegally, and we verify their citizenship, we are open to their lawful return to India," Jaishankar had said. Following his phone con-

versation with Prime Minister Modi on January 27, Trump said India "will do what is right" on the deportation of illegal migrants from the US indicating that India is ready to take back the illegal immigrants.

SC pulls up Assam on detentions

CASTIGATING THE ASSAM government for "indulging in suppression of facts" on the continued detention of people declared foreigners, the Supreme Court Tuesday directed the state to immediately deport 63 declared foreigners whose nationality are known, and file a status report in two weeks.

Questioning Assam's explanation that the addresses of the people declared foreigners were not available, Justice A S Oka who was on the bench with Justice Ujjal Bhuyan, told Assam Chief Secretary Ravi Kota who appeared via a video link: "You have refused to start deportation saying their addresses are not known. Why should it be our concern? You deport them to their foreign country. Are you waiting for some muhurat?"

Justice Oka told the Chief Secretary that the state can deport foreigners even without an address."'Foreign address not divulged'—this is the reason to not deport?...You can't continue to detain them indefinitely."

BMC's ₹74,427-cr budget its biggest ever; no hike in taxes

BMC commissioner Bhushan Gagrani presenting the budget for 2025-26, in Mumbai on Tuesday

PRESS TRUST OF INDIA Mumbai, February 4

THE BRIHANMUMBAI MUNICI-**PAL** Corporation (BMC) on Tuesday presented a ₹74,427.41 crore budget, its biggest-ever, for financial year 2025-26 without any hike in taxes, ahead of the crucial civic polls expected to be held this year.

The budget was presented to municipal commissioner Bhushan Gagrani, the stateappointed administrator of the civic body. This is the third consecutive year where the budget was presented by an administrator as civic body elections have not been held after the expiry of the term of the house in March 2022.

Maharashtra Deputy Chief Minister Eknath Shinde, who is also the state's Urban Development Minister, said the budget has taken care of the common man with a focus on health,

education and environment. He said there was no rise in any kind of tax or cess in this year's budget. On the contrary,

the revenue has risen by over ₹7,000 crore.

Opposition parties, however, hit out at the government over the proposed tax on commercial units in slums and solid waste management user fee.

"The Budget Estimates for the FY 2025-26 are proposed at ₹74,427.41 crore, which exceed the estimates of 2024-25, which were ₹65,180.79 crore, by 14.19%," the budget document read.

The budget was ₹60.65 crore surplus.

"This is the biggest-ever budget of the BMC," noted Gagrani at a press conference afterwards, adding that it reflects the "dreams and expectations" of Mumbai citizens.

No hike has been proposed in property tax or water tax, the administrator said.

But the BMC has decided to levy property tax on commercial establishments operating from slum areas from FY 2025-26, which is expected to generate ₹350 crore in additional revenue.

తెలంగాణ రైతు సంఘం రాష్ట్ర కార్యదర్శి మూడ్ శోభన్ • బడ్జెట్ను వృతిరేకిస్తూ కేంద్ర ప్రభుత్వ దిష్టిబొమ్మ

నవతెలంగాణ-భూపాలపల్లి టౌన్

కేంద్ర ప్రభుత్వం ప్రవేశపెట్టిన బడ్జెట్ తిరోగమనంగా దేశ అభివృద్ధికి శాపంగా ఉండనున్నదని తెలంగాణ రైతు సంఘం రాడ్లు కార్యదర్శి మూడ్ శోభన్ ఆందోళన వ్యక్తంచేశారు. మంగళవారం భూపాలపల్లి జిల్లా కేంద్రంలోని కారల్మార్క్స్ కాలనీలో తెలంగాణ రైతు సంఘం, సీఐటీయూ, తెలంగాణ వ్యవసాయ కార్మిక సంఘం, ఐద్వా, డివైఎఫ్ఐ ఆధ్వర్యంలో కేంద్ర ప్రభుత్వ దిష్టిబొమ్మను దహనం చేసి నిరసన తెలిపారు. ఈ సందర్భంగా శోభన్ మాట్లాడుతూ.. బడాబాబుల బొజ్జలను మరింతగా నింపేలా మధ్యతరగతి ఉద్యోగులను మభ్యపెట్టేలా ఈ బడ్జెట్ ఉందన్నారు. సరళీకృత ఆర్థిక విధానాలను వేగంగా అమలు చేసేందుకు ఊతమిచ్చేలా బడ్జెట్ రూపకల్పన జరిగిందని ఆవేదన వ్యక్తం చేశారు.

ఉపాధి, నిరుద్యోగ సమస్యను పరిష్కరించటంలో ప్రభుత్వం పూర్తిగా విఫలమైందని విమర్శించారు. సూక్ష్మ, చిన్న, మధ్యతరహా పరిశ్రమల్లో ఉపాధి కల్పన, కార్మిక భద్రతకు సంబంధించిన అంశాలు ఈ బడ్జెట్లో ప్రతిపాదించకపోవడం అన్యాయమన్నారు. విభజన హామీ చట్టంలోని అంశాలను తెలంగాణ రాష్ట్రం ఏర్పడ్డ పదేండ్ల తర్వాత కూడా పరిష్కరించే చర్యలు తీసుకోకపోవడం మోసం కాక మరేమిటని ప్రశ్నించారు. వ్యవసాయ రంగానికి మొదటి ప్రాధాన్యత అని చెప్పి బడ్జెట్ కేటాయింపులు ప్రకటించకుండా రైతాంగాన్ని కేంద్ర ప్రభుత్వం మరోసారి మోసగించిందన్నారు. బీమా రంగంలో ఎఫ్డ్ జీలను 74 శాతం నుంచి 100 శాతం పెంచడం జాతీయ బీమా సంస్థలను బలహీనం చేయడమేనని చెప్పారు. ఆర్ధిక సంస్కరణలు అమలు చేసే రాష్ట్రాలకే కేంద్రం సహకరిస్తామని బడ్జెట్లో ప్రకటించడం ఫెడరల్ స్పూర్తికి విఘాతమన్నారు.

ఇలా కేంద్ర ప్రభుత్వం మొండిగా బరితెగించి ప్రజావ్యతిరేక విధానాలను అమలు జరుపుతున్న నేపథ్యంలో శ్రామికులు, కర్వకులు, ప్రజానీకం ఐక్యంగా పోరాటాలకు ముందుకు రావాలని పిలుపునిచ్చారు. ఈ కార్యక్రమంలో తెలంగాణ రైతు సంఘం జిల్లా కార్యదర్శి చింతల రజినీకాంత్, సీఐటీయూ జిల్లా నాయకులు రవికుమార్, క్రాంతి, వ్యవసాయ కార్మిక సంఘం జిల్లా కార్యదర్శి పాలెం చిన్న రాజేందర్, జిల్లా నాయకులు గట్టు శంకర్, బొడ్డు సునీత, ఐద్వా జిల్లా అధ్యక్ష కార్యదర్శులు వంగాల విజయలక్ష్మి, సంగం [పీతి, డీవైఎఫ్ఐ జిల్లా అధ్యక్షులు భూక్యా నవీస్, బందు సుధాకర్, సరిత, ఎర్ర సుజాత, ఎస్ఎఫ్ఐ జిల్లా అధ్యక్షులు బొడ్డు స్మరణ్, తరుణ్, ఎన్ఫీఆర్డీ నాయకులు గడప శేఖర్, గడ్డం సుమలత తదితరులు పాల్గొన్నారు.

• బడ్జెట్ను వ్యతిరేకిస్తూ కేంద్ర ప్రభుత్వ దిష్టిబొమ్మ దహనం

నవతెలంగాణ-భూపాలపల్లి టౌన్

కేంద్ర ప్రభుత్వం ప్రవేశపెట్టిన బడ్జెట్ తిరోగమనంగా దేశ అభివృద్ధికి శాపంగా ఉండనున్నదని తెలంగాణ రైతు సంఘం రాడ్లు కార్యదర్శి మూడ్ శోభన్ ఆందోళన వ్యక్తంచేశారు. మంగళవారం భూపాలపల్లి జిల్లా కేంద్రంలోని కారల్మార్క్స్ కాలనీలో తెలంగాణ రైతు సంఘం, సీఐటీయూ, తెలంగాణ వ్యవసాయ కార్మిక సంఘం, ఐద్వా, డివైఎఫ్ఐ ఆధ్వర్యంలో కేంద్ర ప్రభుత్వ దిష్టిబొమ్మను దహనం చేసి నిరసన తెలిపారు. ఈ సందర్భంగా శోభన్ మాట్లాడుతూ.. బడాబాబుల బొజ్జలను మరింతగా నింపేలా మధ్యతరగతి ఉద్యోగులను మభ్యపెట్టేలా ఈ బడ్జెట్ ఉందన్నారు. సరళీకృత ఆర్థిక విధానాలను వేగంగా అమలు చేసేందుకు ఊతమిచ్చేలా బడ్జెట్ రూపకల్పన జరిగిందని ఆవేదన వ్యక్తం చేశారు.

ఉపాధి, నిరుద్యోగ సమస్యను పరిష్కరించటంలో ప్రభుత్వం పూర్తిగా విఫలమైందని విమర్శించారు. సూక్ష్మ, చిన్న, మధ్యతరహా పరిశ్రమల్లో ఉపాధి కల్పన, కార్మిక భ్వదతకు సంబంధించిన అంశాలు ఈ బడ్జెట్లో ప్రతిపాదించకపోవడం అన్యాయమన్నారు. విభజన హామీ చట్టంలోని అంశాలను తెలంగాణ రాష్ట్రం ఏర్పడ్డ పదేండ్ల తర్వాత కూడా పరిష్కరించే చర్యలు తీసుకోకపోవడం మోసం కాక మరేమిటని ప్రశ్నించారు. వ్యవసాయ రంగానికి మొదటి ప్రాధాన్యత అని చెప్పి బడ్జెట్ కేటాయింపులు ప్రకటించకుండా రైతాంగాన్ని కేంద్ర ప్రభుత్వం మరోసారి మోసగించిందన్నారు. బీమా రంగంలో ఎఫ్డీఐలను 74 శాతం నుంచి 100 శాతం పెంచడం జాతీయ బీమా సంస్థలను బలహీనం చేయడమేనని చెప్పారు. ఆర్ధిక సంస్కరణలు అమలు చేసే రాష్ట్రాలకే కేంద్రం సహకరిస్తామని బడ్జెట్లో ప్రకటించడం ఫెడరల్ స్పూర్తికి విఘాతమన్నారు.

ఇలా కేంద్ర ప్రభుత్వం మొండిగా బరితెగించి ప్రజావ్యతిరేక విధానాలను అమలు జరుపుతున్న నేపథ్యంలో శ్రామికులు, కర్వకులు, ప్రజానీకం ఐక్యంగా పోరాటాలకు ముందుకు రావాలని పిలుపునిచ్చారు. ఈ కార్యక్రమంలో తెలంగాణ రైతు సంఘం జిల్లా కార్యదర్శి చింతల రజినీకాంత్, సీఐటీయూ జిల్లా నాయకులు రవికుమార్, క్రాంతి, వ్యవసాయ కార్మిక సంఘం జిల్లా కార్యదర్శి పాలెం చిన్న రాజేందర్, జిల్లా నాయకులు గట్టు శంకర్, బొడ్డు సునీత, ఐద్వా జిల్లా అధ్యక్ష కార్యదర్శులు వంగాల విజయలక్ష్మి, సంగం (పీతి, డీవైఎఫ్ఐ జిల్లా అధ్యక్షులు భూక్యా నవీస్, బందు సుధాకర్, సరిత, ఎర్ర సుజాత, ఎస్ఎఫ్ఐ జిల్లా అధ్యక్షులు బొడ్డు స్మరణ్, తరుణ్, ఎన్ఫీఆర్డీ నాయకులు గడప శేఖర్, గడ్డం సుమలత తదితరులు పాల్గొన్నారు.

TAKES SWIPE AT AAP, CONGRESS

Poor our focus, says PM, slams Oppn as family, Sheesh Mahal

VIKAS PATHAK, **MANOJ CG** & DEEPTIMAN TIWARY New Delhi, February 4

ATTACKING THE AAP and Congress on the eve of voting in Delhi by referring to Arvind Kejriwal's "Sheesh Mahal" and "jacuzzi", Sonia Gandhi's "poor thing"remark about the President and Rahul Gandhi "fighting the Indian State", Prime Minister Narendra Modi Tuesday said his government had chosen the path of "santushtikaran" (satisfaction) over "tushtikaran" (appeasement) and "100 per cent saturation" of welfare schemes was "real social justice, secularism and respect for the Constitution".

Replying to the discussion in Lok Sabha on the Motion of Thanks on the President's Address, Modilisted his government's schemes to benefit different sections, especially the poor and the marginalised."In the last 10 years, 25 crore people came out of poverty. For five decades, we heard slogans of Garibi Hatao, but now 25 crore poor people have defeated poverty," he said, adding, "We have not given false slogans but true development to the poor."

He said 4 crore houses and 12 crore toilets have been built by his government for the poor, and that tap water had been taken to 12 crore families. Targeting the Opposition, he said, "Those who went to huts of villagers for photo sessions for entertainment will find this talk in Parliament about the poor meaningless. I can understand their anger."

Recalling that a Prime Minister called Mr Clean — he was referring to Rajiv Gandhi had said that just 15 paise of every rupee that leaves Delhi reaches the villages, Modi said direct payments to the poor had solved this problem by sending Rs 40 lakh crore to people's accounts.

"We saved lots of money but did not use it to build a Sheesh Mahal (Kejriwal's offi-

cial residence when he was Chief Minister). We used it to build the country. From ₹1.8 lakh crore in 2014, our infrastructure budget has gone up to ₹11 lakh crore," he said.

Hailing the Union Budget that is being considered middle class-friendly, he said, "Before 2014, such was the firing that people's lives got battered. We are moving forward." He said the income tax exemption limit of ₹2 lakh in 2014 had now gone up to Rs 12 lakh. "If we add the ₹75,000 standard deduction, the salaried class will pay no income tax for an annual income of ₹12.75 lakh,"he said.

Much of his speech was devoted to criticism of the Opposition, especially the Congress. "Some people are openly speaking the language of Urban Naxals these days. To fight the Indian state is the language of Naxals. Those who speak this language can understand neither the Constitution nor national unity," he said, referring to Rahul Gandhi's remark about "fighting the Indian State itself".

On Sonia Gandhi referring to President Draupadi Murmu as a "poor thing", Modi said, "If you cannot respect a woman President from a poor family, it is fine. But what all is being said

to insult her. Why? Today Bharat has left this kind of distorted mentality behind and is moving forward with the idea of women-led development."

He also took a swipe at Rahul Gandhi for his statements on foreign policy, saying, "Some people believe that they won't look mature unless they talk about foreign policy, even if it harms the country." He said such people should read the book IFK's Forgotten Crisis – it is by Bruce Riedel – as it mentions discussions between Pandit Nehru and Kennedy and explains "what game was being played in the name of foreign policy".

To him, AI was double AI – Artificial Intelligence and Aspirational India, he said, and gave details of the steps taken by his government in the field of technology. "We have started 10,000 tinkering labs in the country. This Budget has made provisions for 50,000 new tinkering labs. The world is looking towards India on AI," he said.

It was the BJP, he said, that lived by the Constitution. As Chief Minister of Gujarat, he released a book compiling all speeches of Governors in the state Assembly on completion of 50 years of Gujarat as a state despite the fact that Congress had been in power for a longer time.

SHUBHAJIT ROY New Delhi, February 4

A UNITED STATES military plane began deporting Indian migrants, implementing President Donald Trump's position against an estimated 11 million illegal immigrants in the country.

Reuters reported that the C-17 aircraft carrying 205 Indian nationals departed from San Antonio, Texas, around 3 am IST.

They are mostly from Gujarat and Punjab, according to sources.

When contacted, a US embassy spokesperson in Delhi said: "The United States is vigorously enforcing its border, tightening immigration laws, and removing illegal migrants. These actions send a clear message: illegal migration is not worth the risk.'

This is the first batch of illegal immigrants from India to be deported since Trump's return to office.

SC pulls up Assam on detentions

CASTIGATING THE ASSAM government for "indulging in suppression of facts" on the continued detention of people declared foreigners, the Supreme Court Tuesday directed the state to immediately deport 63 declared foreigners whose nationality are known, and file a status report in two weeks.

Questioning Assam's explanation that the addresses of the people declared foreigners were not available, Justice A S Oka, who was on the bench with Justice Ujjal Bhuyan, told Assam Chief Secretary Ravi Kota who appeared via a video link: "You have refused to start deportation saying their addresses are not known. Why should it be our concern? You deport them to their foreign country. Are you waiting for some muhurat?"

Justice Oka told the Chief Secretary that the state can deport foreigners even without an address."Foreign address not divulged' - this is the reason to not deport?...You can't continue to detain them indefinitely." -ENS

BMC's ₹74,427-cr budget its biggest ever; no hike in taxes

BMC commissioner Bhushan Gagrani presenting the budget for 2025-26, in Mumbai on Tuesday

PRESS TRUST OF INDIA Mumbai, February 4

THE BRIHANMUMBAI MUNICI-**PAL** Corporation (BMC) on Tuesday presented a ₹74,427.41 crore budget, its biggest-ever, for financial year 2025-26 without any hike in taxes, ahead of the crucial civic polls expected to be

held this year. The budget was presented to municipal commissioner Bhushan Gagrani, the stateappointed administrator of the civic body. This is the third consecutive year where the budget was presented by an administrator as civic body elections have not been held after the expiry of the term of the house

in March 2022. Maharashtra Deputy Chief Minister Eknath Shinde, who is also the state's Urban Development Minister, said the budget has taken care of the common man with a focus on health, education and environment.

He said there was no rise in any kind of tax or cess in this year's budget. On the contrary,

the revenue has risen by over ₹7,000 crore.

Opposition parties, however, hit out at the government over the proposed tax on commercial units in slums and solid waste management user fee.

"The Budget Estimates for the FY 2025-26 are proposed at ₹74,427.41 crore, which exceed the estimates of 2024-25, which were ₹65,180.79 crore, by 14.19%," the budget document read.

The budget was ₹60.65 crore surplus.

"This is the biggest-ever budget of the BMC," noted Gagrani at a press conference afterwards, adding that it reflects the "dreams and expectations" of Mumbai citizens.

No hike has been proposed in property tax or water tax, the administrator said.

But the BMC has decided to levy property tax on commercial establishments operating from slum areas from FY 2025-26, which is expected to generate ₹350 crore in additional revenue.
