Dear Sir/Madam,

We are delighted to share an exciting development that marks a significant milestone for **Thinkink Picturez Limited**. The company has secured an order valued at \$2 million for the production of the movie "**Dog Man**", directed by the acclaimed Peter Hastings. This project is slated for completion by March 2025 and is expected to be released by July 2025.

In addition to this remarkable achievement, we are proud to announce that "Dog Man" represents our first-ever venture into the realm of Visual Effects (VFX). Earlier this year, we launched a new vertical dedicated to VFX animation, and the response from the industry has been overwhelmingly positive. Esteemed Hollywood figures such as Barry Jenkins, Mike Mitchell, Chris Renaud, and Simon Otto, among many others, have shown great interest in our capabilities.

This order not only underscores our commitment to innovation and excellence but also sets a new benchmark in our journey. We believe that our foray into VFX will open up new opportunities and drive future growth for **Thinkink Picturez Limited**.

We extend our heartfelt gratitude to our shareholders for their continued support and confidence in our vision. We look forward to sharing more updates on our progress as we move forward with this exciting project.

Thank you for being part of this incredible journey.

Yours faithfully,

**For Thinkink Picturez Limited**
