A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with standards on auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Attention is invited to

5. The Statement includes the Company's share of revenues of ₹ 9.32 million and ₹ 28.29 million, net profit / (loss) after tax of ₹ 1.08 million and ₹ (0.88) million and total comprehensive income of ₹ 1.08 million and ₹ (0.88) million for the quarter ended December 31, 2024 and for the period from April 01, 2024 to December 31, 2024, respectively, in respect of nine joint operations, based on their interim financial information, which have not been reviewed by their auditors, and have been furnished to us by the Company's management. Our conclusion on the Statement and our report, in so far as it relates to the aforesaid joint operations are based solely on such unreviewed management certified interim financial information. According to the information and explanations given to us by the management, such interim financial information is not material to the Company. - 5 Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Consolidated Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant Rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6 Attention is invited to

Note 3 to the Consolidated Statement in respect of Srinagar Banihal Expressway Limited, a subsidiary company whereby the Statutory Auditors of the said subsidiary have drawn attention that deductions of ₹ 2,522.94 million were made by NHAI from the annuities towards substandard steel, deviation of embankment and other deductions in current and earlier years to the subsidiary company and against which the independent engineer has recommended for release of ₹ 1,872.75 million. The said subsidiary has initiated arbitration proceedings for all the recoveries from NHAI and is confident that the amount is fully recoverable. Pending the ultimate outcome of these matters, which is presently unascertainable, no adjustments have been made in the accompanying financial results.

Note 4 to the Consolidated Statement in respect of Hospet Chitradurga Tollways Limited, a subsidiary company whereby the Statutory Auditors of the said subsidiary have drawn attention in respect of the termination of the project by the subsidiary company and National Highways Authority of India (NHAI), “the Concessioneing Authority” with mutual consent in the financial year 2014-15. Since the subsidiary company is a project specific company, termination of project affects the going concern nature of the said subsidiary. The consequential financial impact was provided in the financial statements during the earlier year and was emphasised in that earlier year’s audit report also.

Note 5 to the Consolidated Statement in respect of Sehore Kosmi Tollways Limited, a subsidiary company whereby the Statutory Auditors of the said subsidiary have drawn attention that the preparation of these financial results is on liquidation basis of accounting, assuming the subsidiary company is no longer a going concern. The said subsidiary has recorded receivable from Madhya Pradesh Road Development Corporation Limited (MPRDC) of ₹ 582 million i.e., to the extent of intangible and financial asset as on termination date of the project, although the said subsidiary has claimed an amount of ₹ 968.60 million from MPRDC. Further, during the FY 2021-22 the subsidiary company has received ₹ 346.35 million as full and final settlement of all the dues from MPRDC, which is disputed by the subsidiary company. The realisation of the balance amount of ₹ 235.65 million is subject to decision / negotiation between the subsidiary company and MPRDC. Further, the subsidiary company has also referred the matter for Arbitration. Pending the ultimate outcome of these matters, which is presently unascertainable, no adjustments have been made in the accompanying financial results.

Our conclusion on the Consolidated Statement is not modified in respect of these matters with respect to our reliance on the work done and the reports of other auditors.

- 7 We did not review the interim financial results in respect of 19 subsidiaries included in the consolidated unaudited financial results, whose interim financial results reflect total revenues of ₹ 1,460.96 million and ₹ 4,905.49 million, total net loss after tax of ₹ 86.05 million and ₹ 207.57 million and total comprehensive income of ₹ (86.01) million and ₹ (207.57) million for the quarter ended December 31, 2024 and for the period from April 01, 2024 to December 31, 2024, respectively, as considered in the consolidated unaudited financial results. These interim financial results have been reviewed by other auditors, whose reports have been furnished to us by the management and our conclusion on the Consolidated Statement, in so far as it relates to the amounts and disclosures in respect of these subsidiaries is based solely on the report of the other auditors and procedures performed by us as stated in paragraph 3 above. The above financial results are before giving effect to any consolidation adjustments.

The accompanying Consolidated Statement includes the Company's share of revenues of ₹ 9.32 million and ₹ 28.29 million, net profit / (loss) after tax of ₹ 1.08 million and ₹ (0.88) million and total comprehensive income of ₹ 1.08 million and ₹ (0.88) million for the quarter ended December 31, 2024 and for the period from April 01, 2024 to December 31, 2024, respectively, in respect of nine joint operations, based on their interim financial information, which have not been reviewed by their auditors, and have been furnished to us by the Parent. Our conclusion on the Consolidated Statement and our report, in so far as it relates to the aforesaid joint operations are based solely on such unreviewed management certified interim financial information. According to the information and explanations given to us by the management, such interim financial information is not material to the Parent.

Further the Consolidated Statement also does not include Company's share of profit in respect of one associate in which Parent has investment aggregating to ₹ 1.15 million as at December 31, 2024. The financial results have not been furnished to us by the Parent Company's management. According to the information and explanations given to us by the management, these financial results are not material to the Group.

Our conclusion on the Consolidated Statement is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

Notes:

1. The unaudited consolidated financial results for the quarter and nine months ended December 31, 2024 of the Ramky Infrastructure Limited ("the Parent") and its subsidiaries (together referred to as "the Group") have been prepared in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013, read with relevant Rules issued thereunder.
2. The above unaudited consolidated financial results were reviewed by the Audit Committee and approved by the Board of Directors of the Parent in their respective meetings held on February 11, 2025. The statutory auditors have carried out limited review of these unaudited consolidated financial results and expressed an unqualified review conclusion.
3. Srinagar Banihal Expressway Limited, a subsidiary company, during previous years deductions were made by NHAI for ₹ 2,522.94 million from the annuities towards substandard steel, deviation of high embankment and other deductions to the subsidiary company against which the independent engineer had recommended for the release of ₹ 1,872.75 million. The subsidiary company has initiated arbitration proceedings for all the recoveries from NHAI and is confident that the entire amount is fully recoverable. Pending the ultimate outcome of these matters, which is presently unascertainable, no adjustments have been made in the accompanying financial results.
4. Hospet Chitradurga Tollways Limited, a subsidiary company, ceased to be a going concern as the project was terminated on mutual consent during the financial year 2014-15 by the subsidiary and National Highways Authority of India (NHAI), "the Concessing Authority". The consequential financial impact was provided in the financial statements during the earlier financial year.
5. Sehore Kosmi Tollways Limited, a subsidiary company, has issued termination notice dated March 12, 2021, to the M.P. Road Development Corporation Limited (MPRDC) in terms of Article 37 of the Concession Agreement, calling upon MPRDC to release the aggregate amount of ₹ 968.60 million due, which is based on its internal assessment and legal advice. Management is confident that it will be able to recover the entire amount from MPRDC. The Concession Agreement being the sole agreement executed by the subsidiary, termination of the same has now resulted into liquidation basis accounting which has been adopted in preparation of the financial statements of the subsidiary. Under the liquidation basis of accounting, all assets and liabilities are measured at their net realisable value. However, on a prudent basis, the subsidiary has accounted for receivable from MPRDC to the extent of ₹ 582.00 million only i.e., Intangible and Financial assets in books as on termination date of the project.

During the financial year 2021-22 the subsidiary has received a sum of ₹ 346.35 million from MPRDC towards full and final settlement of all dues. However, the subsidiary has not agreed for the same and initiated arbitration proceedings against MPRDC.

6. The Board of Directors of the Parent have approved in their meeting held on January 23, 2025, a scheme of amalgamation for the merger of two Wholly Owned Subsidiaries, namely Sehore Kosmi Tollways Limited and Ramky Elsamex Hyderabad Ring Road Limited with the Parent.
7. Previous period figures have been regrouped wherever necessary to conform to the current period's presentation.
