Review Report to, Resolution Professional

#### **BLOOM DEKOR LIMITED**

We have reviewed the accompanying statement of unaudited financial results of **BLOOM DEKOR LIMITED** (the "company") for the quarter ended 30<sup>th</sup> June, 2024. (the "statement") attached herewith, being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing obligations & Disclosure Requirements) Regulation, 2015, as amended (the listing Regulations).

This Statement, which is the responsibility of the Company's Management and has been signed by the managing director of the company and taken on records by the RP, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34, "Interim Financial Reporting" ("Ind AS 34") prescribed under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulations 33 and 52 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India (ICAI). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free from material misstatement. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### **Basis of Qualified Opinion**

- 1. The Company has trade payables in foreign currency outstanding for more than three years as at 30<sup>th</sup> June, 2024 amounting to Rs. 131.72 lakhs payable to its foreign Suppliers. As explained to us, Currently the Management/ Resolution Professional (RP) is in the process of evaluating appropriate course of action for compliance with Foreign Exchange Management Act, 1999 and any other applicable law on account of delay in payment of above dues. However, we are unable to comment on the likely outcome and its consequential impact on the financial statements for the quarter ended 30<sup>th</sup> June, 2024 for non-compliance with any provisions under FEMA Act, 1999 or any other law applicable.
- 2. For the Quarter ended on 30<sup>th</sup> June, 2024, the company has not made provision for Interest on Inter Corporate Deposit (ICD) Taken from Non-Banking Financial Company (NBFC) in the books of accounts. Had the company made the provision for ICD taken from NBFC for the quarter ended on 30<sup>th</sup> June, 2024, the Loss for the quarter ended would have been higher by Rs 1.12 lakhs and current liabilities would have been higher to that extent. The above is in violation of Effective Interest Method to the finance cost as per the requirement of Ind AS 109 'Financial Instruments.

Based on our review conducted as above, *except as mentioned in qualified opinion*, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard ("Ind AS") specified under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulations 33 and 52 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

#### **EMPHASIS MATTER:**

1) The company is having accumulated losses (after taking into account the balance of reserves) of Rs 1256.95 lakhs as at 30.06.2024 and the net worth of the company is negative. This Indicates that material uncertainty exists that may cast significant doubt on the company's ability to continue as going concern and therefore the company may be unable to realize its assets and discharge its liabilities in the normal course of business. The ultimate outcome of this matter is at present not ascertainable. Accordingly we are unable to comment on the consequential impact, if any on the accompanying standalone financial statement. The above factors cast a significant uncertainty on the company's ability to continue as going concern.

Our Conclusion is not modified in respect of other matters.

#### OTHER MATTER

Refer Note 1 to the financial results which states about the Order of Hon'ble National Company Law Tribunal (NCLT) Ahmedabad Bench dated 11<sup>th</sup> October, 2023 in CP(IB)/127/AHM/2020 which has admitted the Corporate Debtor ('the Company') into Corporate Insolvency Resolution Process (CIRP) under section 9(5)(i) of the Insolvency and Bankruptcy Code and appointed CA. Vineeta Maheshwari Interim Resolution Professional (IRP) and thereafter she was confirmed as Resolution Professional (RP) in the 1<sup>st</sup> meeting of Committee of Creditors.
