Item No. 3: Review of performance of the company and approve the Unaudited Quarterly financial result for the quarter ended on 30th June 2024, based on the recommendation from the Board.

QUARTER ENDED	PRODUCTION QUANTITY	SALES QUANTITY	SALES VALUE (RS)	LOSS/PROFIT BEFORE INT. & DEPRECIATION	INTEREST	DEP/ AMORTISATION EXPENSES	PROFIT (LOSS)
June 2024	----	-----	----	(12.85)	-----	0.82	(13.67)
June 2023	-----	-----	-----	(15.87)	-----	0.80	(16.67)
March 2024	-----	-----	-----	(12.59)	-----	0.80	(13.39)
Year Ended March 2024	-----	-----	-----	(51.24)	0.02	3.20	(54.46)

Loss before interest and depreciation during the quarter ended 30th June, 2024 has been decreased to Rs 3.02 lakhs in comparison with year on year figure of June 2023 due to lower Legal & professional charges. There is no major change in loss before interest and depreciation between quarter ended June 2024 and March 2024.

Answer:-

a) Treatment of gratuity and leave salary on the basis of management estimates instead of actuarial valuation, management affirms that impact is immaterial due to meager work force.

b) Treatment of depreciation on components of different items of fixed assets:

As the factory is under suspension of works, there is no Technical personnel. Due to prohibitive cost, in the context of existing financial base of the company, identification of components and Technical evolution of their residual life span could not be done by deputing any outside agency.

Certificate issued by the Managing Director & CEO and CFO of the company addressed to the Board of Directors through audit committee for compliance in terms of Regulation 32(2) of SEBI (LODR) Regulations, 2015 was placed before the members which was perused

The Unaudited financial statement along with Auditor's Limited review report thereon for the Quarter ended 30th June 2024 of the company was placed before the Board after receipt of recommendation from the audit committee.

After some discussion "Resolved that the Unaudited financial results along with Limited Review Report for the quarter ended 30th June 2024, as recommended by the Audit Committee is approved."

"Further Resolved that, Shri Sunil Khetawat Managing Director or Shri Sandeep Khetawat Executive Director authorized to sign the financial results along with notes and to submit where the Company's shares are listed."

There is no other business meeting concluded with a vote of thanks to the chair.

**INDEPENDENT AUDITORS' REVIEW REPORT ON
REVIEW OF INTERIM FINANCIAL RESULTS
TO THE BOARD OF DIRECTORS OF BWL LIMITED**

1. We have reviewed the accompanying statement of unaudited Financial Results of **BWL Limited** ('the Company') for the Quarter ended June, 30th, 2024 (the "Statement"), being submitted by the company pursuant to the requirement of Regulation-33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34") prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015, as amendment ..(Listing Regulations). Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Attention is invited to following:

- (i) Treatment of gratuity and leave encashment are not in conformity with IND-AS-19 and impact thereof are not readily ascertainable.
 - (ii) Depreciation in components as laid down in foot note no 4 of schedule-II of Companies Act, 2013 for implementation from financial results 31st March, 2016 has not been accounted for.
4. Attention is drawn to the fact that the figures for the three months ended 31 March, 2024 as reported in the Statement are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

5. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

NOTES TO FINANCIAL RESULTS:-

1. In view of working capital constraint, manufacturing operation is still under suspension. The management is exploring the possibilities to restart the unit with new product line.

2. Impact of Audit Qualification;

a) Treatment of gratuity and leave salary are not in conformity with Ind As – 19, Impact there in is not readily ascertainable.

Management Reply;

The work force of the company is only Five including two Whole Time Directors. Gratuity Liability has been accounted for based on Annual Premium paid to LIC as per their advice. Liability on account of leave salary also is meager. Ascertainment of actuarial liability as laid down under Ind AS – 19 involves considerable cost which is difficult for this company to with stand. In view of this the company has accounted for this liability as per Management estimate. It may be mentioned here that under any circumstances existing book liability towards leave salary is bound to be higher than actuarial valuation.

b) Depreciation on components laid down in Foot Note 4 of Schedule – II of the Companies Act,2013 from Financial Year of 31st March,2016 has not been accounted for.

Management Reply;

Since the factory is under suspension of works, devoid of Technical Personnel it is practically not possible to identify components relevant to different items of Fixed Assets and identify their residual life span based on technical evaluation except for deputing outside agency for the purpose at prohibitive cost in the context of existing financial base of the company.

These came in the way of implementing Foot Note 4 of Schedule II of the Companies Act, 2013 dealing with Depreciation Accounting. In any case WDV of total fixed assets is only Rs 19.55 Lakhs on 30.06.2024.

3) The Figures for the quarter ended 31st March,2024 is the balancing figures in respect of full financial year and the figure reviewed up to third quarter of the relevant financial year.

4) the figures for the previous year/ Quarter has been re grouped and re arranged where ever necessary.

Shankar

5. The above Unaudited Financial Results were reviewed by the Audit Committee and approved by the Board of Directors at their respective meeting held on 27th July , 2024.
