The following statement sets out all material facts relating to Special Business mentioned in the accompanying Notice:

Item No.1. & 2:

In this era of globalization and competition, it is important for the organization to maintain and improve its employees' performance to ensure progress and competitiveness. The Company believes that to attract skilled employees and to improve performance of the employees, it is essential to motivate them as it brings in higher productivity and energy to achieve other organizational goals. This has necessitated in bringing out a meaningful reward strategy for attraction of new talents and retention of both existing and new critical resources instrumental for sustained corporate growth.

The Company believes that equity-based compensation schemes are effective tools to motivate and reward the talents working exclusively with the Company. With a view to achieve the aforesaid objectives and to create an employee co-ownership and to encourage them in aligning their individual goals with that of the Company, the Company intends to implement an employee stock option scheme, namely, '**RML Employee Stock Option Plan, 2024**' ("**RML ESOP 2024**" / "**Plan**") seeking to cover eligible employees of the Company and its subsidiary companies.

In this context, the Scheme contemplates that the exercise price shall be determined on the date of the grant as may be decided by the Compensation Committee at its discretion from time to time. However, the Exercise Price shall not be less than the face value of the Shares.

As per the provisions of Regulation 6 of the Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 ("SEBI SBEB Regulations"), the Company seeks your approval for:

All questions of interpretation of the Plan shall be determined by the Compensation Committee and such determination shall be final and binding upon all the persons having an interest in the Plan. The Company shall issue equity shares upon exercise subject to payment of exercise price and satisfaction of consequential tax obligations.

The liability of paying taxes, if any, in respect of the Options granted pursuant to the Plan and the Shares issued pursuant to the exercise of the Options shall be on the Option grantee and / or the Company, in such cases where the Company decides to pay on behalf of the Option grantee, and shall be in accordance with the provisions of the Income Tax Act, 1961 read with rules issued there under and / or Income Tax Laws of respective countries as applicable to eligible employees of the Company / its subsidiary companies working abroad, if any.
