Finance Minister Nirmala Sitharaman on Wednesday suggested that the Asian Infrastructure Investment Bank (AIIB) should assist low-income countries in availing financial resources.

The Minister is in Samarkand, Uzbekistan, to attend the 9th Annual Meeting of Board of Governors of AIIB.

A social media post by the Finance Ministry said Sithra-

ing wealth and improving infrastructure connectivity. Further, the Ministry's post noted that the AIIB President appreciated India's contributions to the governance and overall growth of the bank and expressed to explore opportunities to further strengthen ties with India.

Earlier, the FM met Jamshid Khodjaev, Deputy Prime Minister and Minister of Investment and Foreign Trade of Uzbekistan.

The two discussed strategic partnership in IT, education, digital connectivity, renewable energy, civil applications of nuclear energy and healthcare.

"Highlighting the phenomenal growth in the digital payments ecosystem in India, the Union Finance Minister offered the possibility of Uzbek fintech firms' collaboration with Indian firms to develop innovative products. Discussions were also held on the potential investment opportunities in IFSC Gift City," another so-cial media post by the Fin-

ance Ministry added.

hind the provision is to the effect that when an obligation to deposit the tax as in the present case is on the employer and if the employer has defaulted, the liability to pay such tax cannot be shifted so as to be foisted on the employee," the Bombay HC

said in a recent order. Recently, some employees at Tata Consultancy Services were issued demand notices by the Income Tax Department due to discrepancies in

The Bombay High Court, in an order dated September 10, held that the tax department is not permitted to raise any such demand against the petitioners. In April, the Mumbai bench of the Income-Tax Appellate Tribunal stressed that the accountability of proof of TDS against the salary income is within the employee.
