Andhra Pradesh, Telangana to get ₹3,448-cr flood relief

SANDIP DAS
New Delhi, September 6

THE AGRICULTURE MINISTER Shivraj Singh Chouhan on Friday announced immediate financial assistance of ₹3,448 crore from the state disaster response fund (SDRF) to Andhra Pradesh and Telangana for mitigating the impact of floods in the states.

“Work is being done to provide immediate assistance from SDRF which is already with States which also includes the Centre’s share,” Chouhan said after visiting the floods-affected areas of Andhra Pradesh and Telangana.

After providing immediate financial assistance, the government will think about making available fertilisers and seeds to farmers for the next crop, he said.

Chouhan visited flood-affected Khammam district of Telangana on Friday for assessing the damages. Chouhan said that steps will be taken to ensure that farmers impacted get benefit of crop insurance and help them in taking up the next crop.

“The entire crops of the farmers - banana, turmeric and vegetables have been destroyed,” he said according to an official statement. He said, “we will ask the banks not to recover loans from farmers

in times of crisis.”

While overall monsoon across the country till Friday has been 7.8% above the benchmark - long period average (LPA) or in the above normal range, Andhra Pradesh and Telangana have received 42% and 39% rainfall above the LPA respectively.

On Thursday, Chouhan stated that the initial estimate indicated that floods in Vijayawada district of Andhra Pradesh had impacted 0.18 million hectare of agricultural land and 0.2 million farmers. The home ministry has sent a national disaster response

force (NDRF) team to assess the damage in the state.

Meanwhile a home ministry official said that the Centre has been extending all the requisite and timely assistance to Andhra Pradesh and Telangana for flood relief and rescue efforts and an inter-ministerial central team will soon visit the affected areas in both the states.

The finance ministry has directed public sector insurance companies to provide full support to people affected by the floods in the two states.

Meanwhile, Sonal Badhan, Economist, Bank of Baroda

stated as sowing of kharif crops including paddy, pulses, oilseeds, cotton and sugarcane is almost complete, “harvesting of crops will be critical. Excess or large excess of rainfall or deficient rainfall can be damaging for sown crops.”

At 108.7 million hectare (MH) close to normal sown area of 109.58 MH in the season, the combined sown area of key crops - paddy, pulses, oilseeds, coarse cereals, cotton and sugarcane - was up 1.9% on year, according to latest data by the agriculture ministry earlier this week.

Kerala tops ease of doing biz rankings

FE BUREAU
New Delhi, September 6

KERALA, FOLLOWED BY Andhra Pradesh and Gujarat, were ranked as top performers by the Centre under the Business Reforms Action Plan (BRAP) for promoting ease of doing business, according to the commerce and industry ministry.

Commenting on the development, chief minister Pinarayi Vijayan on Friday said the investment friendly ecosystem and entrepreneurs’ growing confidence in the state has helped it in achieving this status.

Kerala has come first in the ranking of the Union Ministry of Commerce and Industry with top achiever status in nine sectors, Vijayan said.

“Proud that Kerala has come first in Ease of Doing Business reforms in the country, with Top Achiever status in 9 reform areas!”

“Our investment friendly ecosystem and entrepreneurs’ growing confidence in Kerala’s potential has truly been captured. This is a time like no other to invest in and grow from #Ker-

The chief minister also pointed out that the state ranked first this year from the 28th position in 2021. Kerala has reached 15th position in 2022. Industries minister P Rajeev said out of 30 reform areas, Kerala earned top achiever status in nine categories, surpassing Andhra Pradesh, which secured second place with five categories.

Water reservoirs at 81% of capacity, 24 full

‘ABOVE NORMAL’ RAINFALL in the current monsoon season has rapidly replenished the country’s 150 major water reservoirs over the last few weeks, and 81% of their aggregate capacity is now filled.

For the last five weeks, these dams’ water levels were above the year-ago marks. On Friday, the water levels were up 31% on year, compared with 24% a week ago. The

reservoir levels now are also 18% above the last-ten-year average. At present, 25 dams are filled to their capacity, of which 16 are located in the western region comprising Gujarat, Maharashtra and Goa. 46 reservoirs are filled up to 90% of their capacity.

Only the reservoirs in the north (11 of them) have water levels below last year (-18%) and last 10 year average (-16%).

Bhaker, Lovlina guests at Adda today

EXPRESS NEWS SERVICE
New Delhi, September 6

PARIS 2024 MIGHT not go down as India’s best-ever Olympics. Yet, it was historic no less. For the first time in the 100-plus years of the country sending its athletes to the biggest sporting event, India had a multiple-medal winner at a single Olympics.

On Saturday, the athlete who pulled off the previously-unthinkable feat, Manu Bhaker, will be the guest at the Express Adda in New Delhi. Joining the 22-year-old will be world champion, Tokyo Olympics bronze winner and Asian Games medallist boxer Lovlina Borgohain, a trail-blazer in her own right. They will be in conversation with Mihir Vasava, Deputy Associate Editor, The Indian Express, who has covered three Olympics apart from three Commonwealth Games and two Asian Games.

The athletes have been at the centre of a change in Indian sport, becoming two of the faces of the rising women power not just in their discipline but the whole ecosystem. Three years ago in Tokyo, Lovlina - inspired by Mohammad Ali - ensured India’s return to the Olympic podium in boxing after a barren Rio Games. In doing so, the 26-year-old became only the second Indian woman to win a boxing medal after the legendary M C Mary Kom.

Lovlina went from strength-to-strength in the years that followed, despite being forced to change her weight category due to the rules of the international federation. She became a world champion on home soil last year and followed it up with a silver medal at the Asian Games in China. At the Paris

Olympics, she came close to repeating her Tokyo show but lost in the quarterfinals. If Lovlina won a medal in Tokyo and could not in Paris, it was the other way round for Manu. The Tokyo Olympics for her ended in tears. Back then, Manu competed in the three events - 10m air pistol, 25m pistol and 10m air pistol mixed team. However, the shooter could not qualify for the final in any of the events.

Heading into the Paris Games, her coach Jaspal Rana vouched that the preparation had been better and she had “matured” as a shooter. That was seen on the shooting ranges of Chateauroux, some

300 km from Paris. Manu not just reached the final of all her events, but she showed it is possible to win not one but two medals in a single campaign. With some luck, it could have been an unprecedented hat-trick. Out of the six medals India won, Manu was responsible for two - both bronze, in the 10m air pistol and 10m air pistol mixed team, along with Sarabjot Singh.

As India’s athletes put the Paris Games beyond them and shift their focus to the Los Angeles Olympics in 2028, Manu and Lovlina will remain the favourites to return to the podium.

The Express Adda is a series of informal interactions organised by The Indian Express Group and features those at the centre of change. Previous guests at the Adda include External Affairs Minister S Jaishankar, Tata Sons Chairman N Chandrasekaran, Olympic gold medallist javelin thrower Neeraj Chopra, cricket icons Virat Kohli, Rohit Sharma and Jasprit Bumrah and chess legend Viswanathan Anand.

UPSIDA to pave way for industrial growth

FE BUREAU
New Delhi, September 6

THE UTTAR PRADESH State Industrial Development Authority (UPSIDA) is addressing all facets of industrial development in the state, paving the way for innovation, growth and opportunity.

The Ex - LIDA Master Plan 2041 will boost industrial growth and development in the region. It has seamlessly integrated the ongoing state level transportation infrastructure projects such as Kanpur Lucknow Expressway, Ganga Expressway and Lucknow Ring Road with the existing NH - 27.

The Lucknow-Kanpur national highway, a stretch of approximately 80 km is emerging as one of the fastest-growing economic corridors in Uttar Pradesh.

The development of the Lucknow-SCR (State -Central Region) is poised to serve as a counter-magnet to major urban centres like Delhi-NCR, attracting private investment and generating a significant multiplier effect for the surrounding hinterland.
