AT LEAST 5 TRILLIONAIRES SEEN WITHIN A DECADE FROM NOW

Billionaire wealth soars 3x faster by \$2 trillion in 2024

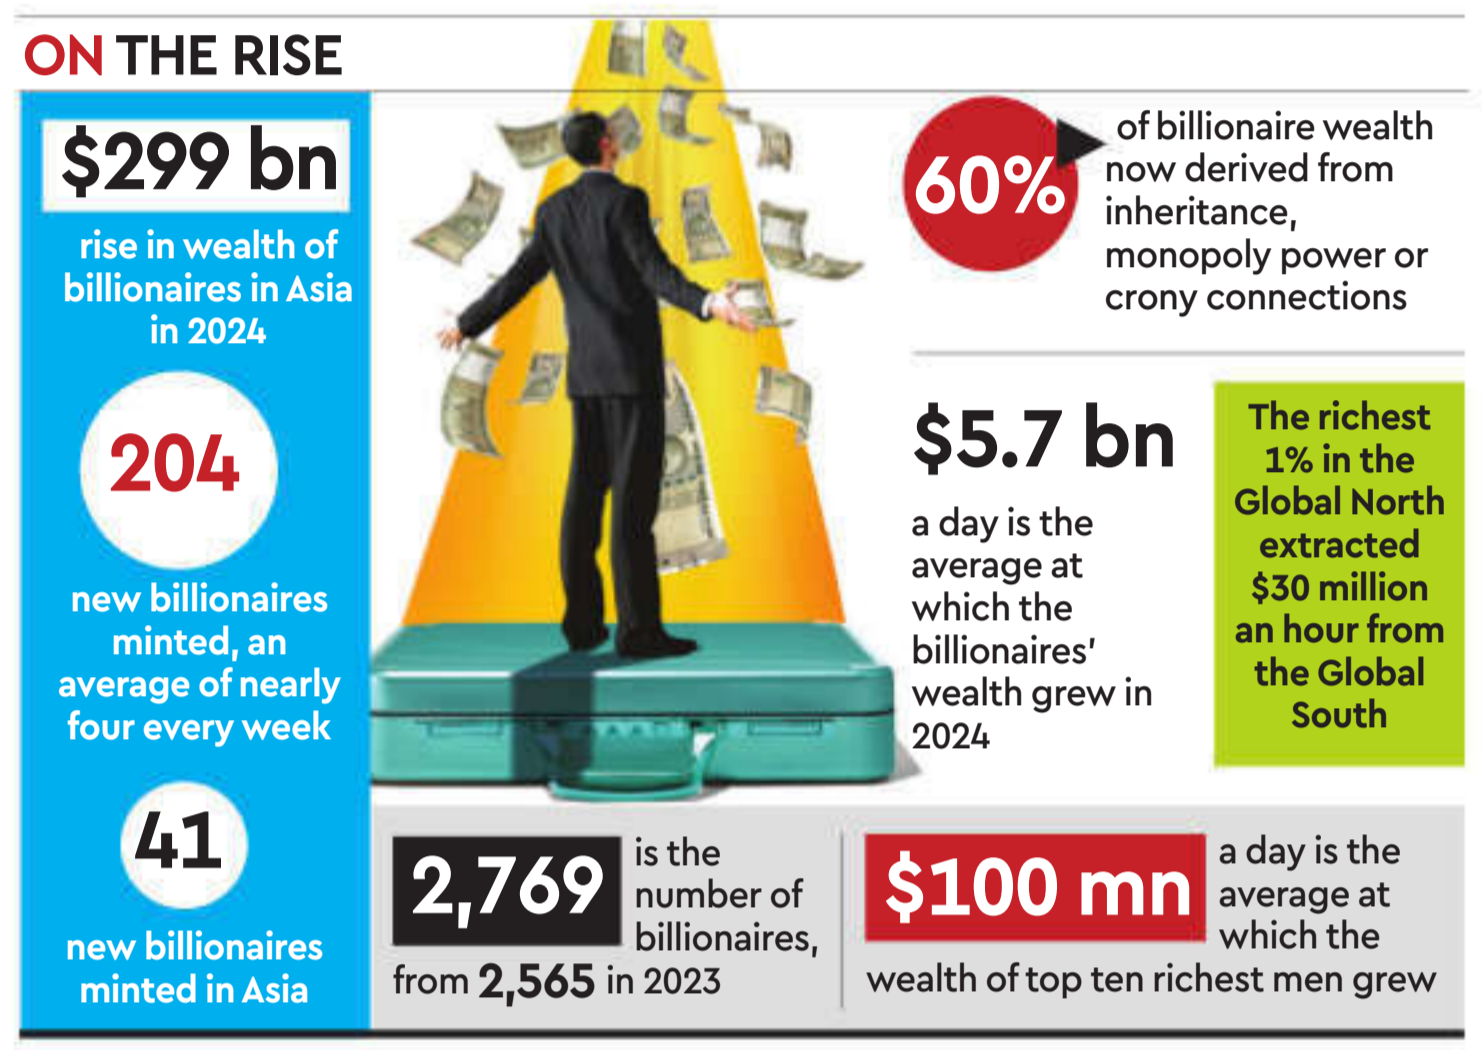

PRESS TRUST OF INDIA
Davos, January 20

BILLIONAIRE WEALTH ACROSS the globe surged by \$2 trillion in 2024 to \$15 trillion at a rate three times faster than the previous year, a study showed on Monday as the richest of the world began to assemble for their annual jamboree in this ski resort town.

In its flagship inequity report released every year on the first day of the World Economic Forum Annual Meeting, Oxfam International contrasted the huge jump in the billionaire wealth with the number of people living in poverty barely having changed since 1990.

World of billionaires in Asia increased by \$299 billion in 2024, Oxfam said while predicting that there will be at least five trillionaires within a decade from now. The year 2024 saw 204 new billionaires getting minted — an average of nearly four every week. Asia itself got 41 new billionaires in the year.

In its report titled 'Takers, not Makers', Oxfam said the richest

1% in the Global North extracted \$30 million an hour from the Global South through the financial systems in 2023.

It further said that 60% of billionaire wealth is now derived from inheritance, monopoly power or crony connections, showing that "extreme billionaire wealth is largely unmerited". The rights group urged governments across the world to tax the richest to reduce inequality, end extreme wealth, and dismantle the new aristocracy. It

also sought that the former colonial powers must address past harms with reparations.

Oxfam International's executive director Amitabh Behar said the new inequality report shows there is an enormous explosion in the billionaire wealth and this is more worrisome due to the growing number of people living with hunger.

This only flags the issue of modern day colonialism in the form of multinational corporates grabbing a huge portion of

wealth being created, he said.

Behar said Oxfam is strongly pitching for taxing super-rich more and welcomed the growing traction across the world. Even bodies like IMF and World Bank are expressing concern about this level of inequality, he added.

On the inauguration of the second presidency of Donald Trump, he said it is a wake-up call that a billionaire President is coming in with the world's richest person as his top advisor.

Bachchan's ₹83-crore deal: Mumbai property market sizzles again

RAGHAVENDRA KAMATH
Mumbai, January 20

CONTINUING WITH THE trend seen in 2024, Bollywood stars are keeping the Mumbai property market, especially the western suburbs, abuzz with a number of big-ticket deals in the new year. The latest to strike a high-value deal is industry icon Amitabh Bachchan, who sold a 5,704 sq ft property (on a built-up basis) for ₹83 crore in the city's Oshiwara area. The duplex apartment was purchased by Bachchan for ₹31 crore in April 2021, reflecting a remarkable 168% increase in value.

The transaction incurred a stamp duty payment of ₹4.98 crore and registration charges of ₹30,000, according to registration documents accessed through Square Yards. The property also has a terrace measuring 4,800 sq ft and includes six mechanised car parking spaces.

Actress Kriti Sanon rented this Oshiwara apartment in November 2021 for ₹10 lakh a month with a security deposit of ₹60 lakh, according to documents reviewed by Square Yards.

In 2024 alone, the family purchased a commercial property in Oshiwara and four residential properties across Magathane and Mulund West, with a total property value exceeding ₹106.74 crore. Bachchan could not be reached for comments.

Varun Dhawan and family have recently bought two luxury apartments worth ₹86.92 crore in Mumbai's Juhu area. The actor has bought the first apartment along with wife Natasha Dhawan on the 7th floor of Twenty, an under-construction building in Juhu, for ₹44.52 crore, documents accessed by Zapkey show.

In a separate transaction, Dhawan purchased a second luxury apartment with his mother, Karuna Dhawan, for ₹42.40 crore, on the 6th floor of the same building.

Recently, actor Hrithik Roshan rented out his office space in Mumbai for ₹5.62 lakh per month. Meanwhile, Shahid Kapoor in November last year leased his opulent apartment at

The actor had bought this property, spanning 5,395 sq ft of carpet area and 6,175 sq ft of built-up space, with his wife, Mira Kapoor in May 2024 for ₹60 crore.

In September last year, it was reported that actor and BJP MP Kangana Ranaut sold her bungalow in Mumbai's Bandra area for ₹32 crore. She bought the property in September 2017 for ₹20.7 crore and converted it into the office for Manikarnika

Films, the actor's production house. The actor made returns of 55% on the 7-year investment. Last year, Ranaut bought an under construction property in Andheri area for ₹1.56 crore.

Actor Manoj Bajpayee and his wife Shabana Bajpayee have sold their property in Mumbai's Mahalaxmi locality for ₹9 crore. They had purchased the apartment in April 2013 for ₹6.40 crore with a stamp duty of ₹32 lakh and a registration fee of ₹30,000.
