While one of the lenders had initiated recovery proceedings under section 138 of the Negotiable Instrument Act, wherein non-bailable warrants were issue against the erstwhile directors and officials of the Holding Company, which is being contested at the appropriate forum. Against a criminal complaint filed by one of the lenders, the Enforcement Directorate had passed an Attachment Order on certain assets of the Holding Company to the extent of ₹ 109.80 Crore, against which the Holding Company had preferred an appeal before with the appropriate authority and an Interim Stay had been granted by the Hon'ble Appellate Tribunal

Pursuant to an application filed by Oriental Bank of Commerce (now Punjab National Bank) before Hon'ble National Company Law Tribunal, Allahabad Bench, Prayagr ("NCLT") under section 7 of the Insolvency and Bankruptcy Code, 2016 read with the rules and regulations framed thereunder ("Code"), the NCLT had admitted the application and ordered the commencement of Corporate Insolvency Resolution Process ("CIRP") of Simbhaoli Sugars Limited ("Corporate Debtor" or "Holding and the sugars Limited ("Corporate Debtor") and Limited ("Corporate Debto Company) vide its order dated July 11, 2024. NCLT had appointed Mr. Anurag Goel, as Interior Resolution Professional (IRP) to carry the functions as mentioned under the Code. Since then, Mr. Anurag Goel has in his capacity as IRP took control and custody of the management and operations of the Corporate Debtor. One of the Promoters of the Holding Company, Ms. Gursimran and one of the farmers Mr. Surender Pal Singh Mangat, who has been supplying cane to the Holdin Company have filed an appeal before the Hon'ble National Company Law Appellate Tribunal, New Delhi ("NCLAT") against the order passed by NCLT on July 11, 2024 The NCLAT vide its interim order dated July 24, 2024 allowed time in view of giving opportunity to the financial creditors of the Holding Company to take a de regards to the settlement proposals received by them and given directions that no further steps shall be taken in pursuant of the impugned order passed by NCLT ar allowed IRP of the Holding Company to continue to manage the operations of the Holding Company and fixed the next date of hearing on January 16, 2025.

Considering the above stated factors, including admitting the Company to CIRP and pending decision of NCLAT, no provision of interest payable to the commerci lenders of Holding Company has been made in the accounts for the Quarter and Six months ended on September 30, 2024 and earlier periods. The estimated intere expenses on credit facilities pertaining to the commercial lenders, for the Quarter and Six months ended on September 30, 2024 amounting to ₹41,226,89 Lakbs an ₹47,755.72 Lakhs respectively (Previous Quarter and Six months ended ₹2,199.46 Lakhs and ₹7,304.09 Lakhs respectively) has not been recognized in the financi results. An estimated accumulated amount of ₹ 1,58,848.30 Lakhs towards accrued estimated interest has not been provided for in the books of accounts as o September 30, 2024. The auditors have included this matter while drawing adverse opinion on the financial results in their Limited Review Report for the quarter ende $Quarter\,and\,Six\,months\,ended\,September\,30, 2024.$

On finalization and implementation of the CIRP through Hon'ble NCLT the Holding Company shall assess the impairment in the carrying amount of Property Plant ar Equipment and other assets and accordingly will provide it. Further, write back of accounted for accrued interest payable to lenders, outstanding liabilities of lenders are other operational liabilities shall also be accounted for after finalization and implementation of CIRP. The above consolidated unaudited financial results are drawn of the control of th the basis of September 30, 2024 figures as per books of accounts of the Holding Company. The auditors have included this matter while drawing adverse opinion on the financial results in their Limited Review Report for the Quarter and Six months ended September 30, 2024.

Considering these developments, including, in particular, the IRP taken over the management and control of the Holding Company with the objective of running them a going concern, the financial results continue to be prepared on going concern basis. However, since the Holding Company continues to incur loss, current liabilitie exceed current assets and Holding Company has defaulted in payment of dues to lenders, cane farmers and other dues, these events indicate that material uncertaint exists that may cast significant doubts on Holding Company's ability to continue as a going concern. The auditors have included this matter while drawing adversopinion on the financial results in their Limited Review Report for the Quarter and Six months ended September 30, 2024.

The Hon'ble High Court of Ultar Pradesh had directed the state government to determine the interest liability for the period of delayed payments of sugarcane price to cane growers for the sugar seasons 2012-13 to 2014-15 by the UP Sugar Industry. The Company had received a notice for payment of interest on delayed payment of the sugar seasons 2012-13 to 2014-15 by the UP Sugar Industry. cane price for sugar season 2012-13, but considering the past practice of waiver/non-levying of any interest on account of delayed payment of cane price by the State Government, no provision towards the interest on delayed payment of cane price for the aforesaid and subsequent sugar seasons has been made in the accounts Since, no demand notices have been raised on the Company, except for sugar season 2012-13, the amount of interest on account of delayed payment of cane price, no provided for in the accounts, could not be quantified. The auditors have drawn qualification in this regard in their Limited Review Report for the quarter ended September 1.

In the consolidated financial results of the Company for the Quarter and Six months ended September 30, 2024 and other presented periods, the financial results of Simbhaoil Power Private Limited (SPPL), a material subsidiary in which Holding Company owned 51% shareholdings, have not been consolidated after Financial Yea 2021-22. The financial results of SPPL for the financial year ending on March 31, 2024 and for the Quarter and Six months ended September 30, 2024, have not been ye finalized and approved till date. The transactions entered into between the Company and SPPL for the Quarter and Six months ended September 30, 2024, which ha not been eliminated in the consolidated unaudited financial results, have resulted in increase in the total revenue by ₹ 671.04 Lakhs and total expenses by ₹ 342.9 Lakhs. Further, increase in the balances of subsidiary of ₹ 1,623.45 Lakhs as on 30 September, 2024 have been included in the consolidated unaudited financial resul in the respective heads. Had the results of SPPL been consolidated, many elements presented in the accompanying financial results would have been material affected. The effects on the financial results due to the failure to consolidate could not been determined due to non availability of financial results. The auditors have included this matter while drawing adverse opinion on the financial results in their Limited Review Report for the Quarter and Six months ended September 3

The statutory auditor of the SPPL had qualified their opinion on the audited financial statements for the year ended March 31, 2023, in the matter of impairment in the value of property, plant and equipment and also drawn emphasis of matter in respect of existence of material uncertainty in collection of revenue by ₹ 683 Lakhs recognized in earlier years based on tariff rates existing prior to its reduction w.e.f. April 1, 2019, which has been challenged by the SPPL and others before Hon'ble Hig Court, Allahabad having consequential impact on the financial statements. The auditors had further drawn attention on the existence of material uncertainty that ma cast significant doubts about the SPPL's ability to continue as a going concern as SPPL had incurred losses and its current liabilities exceeded its current assets t ₹ 1.756.30 Lakhs as at March 31, 2023. The auditors have included these matters while drawing adverse opinion on the financial results in their Limited Review Repo for the Quarter and Six months ended September 30, 2024.

10 The auditors of Integrated Casetech Consultants Private Limited ('ICCPL'), a subsidiary company have qualified its conclusion on the financial results for the quarter a six month ended September 30, 2024 in respect of following matters: -

ICCPL had recognized revenue of ₹ 462.57 Lakhs as unbilled revenue in the earlier financial years, which had been in disputes with the counter parties. Further th counter parties had also hold back the payment of Earnest Money Deposits of ₹ 100.50 Lakhs, which has been shown as recoverable in the books. Pending fina settlement of the disputes, the unbilled revenue and Earnest Money Deposits balances are continued to be carried forward at the same amount, without making an provision for the expected credit losses and estimated probable losses on account of disputes. The auditors are not made available of appropriate impairment ssessment carried out by the management and accordingly, expressed their opinion that they are unable to comment on the same, including the compliance of the Ind AS 36 and any consequential adjustment that may arise in this regard in the financial results of ICCPL

The auditors had further drawn attention on the existence of material uncertainty due to incurring of losses during the Quarter and Six months ended September 30 2024 including erosion of net worth of the company. Further, the Company's current liabilities exceeded its current assets by ₹ 86.43 Lakhs. These condition indicate the existence of a material certainties that may casts significant doubts about the ICCPL's ability to continue as a going concern. are have included these matters while drawin ninion on the financial regults in their Limited Review
