As required by Section 102 of the Companies Act, 2013 ("the Act"), the following Statement sets out all material facts relating to the Special Business mentioned in the accompanying Notice

Item No. 3:

Pursuant to the recommendation of the Nomination and Remuneration Committee, the Board of Directors at its meeting held on 23 July 2024 appointed Mr. Kamlesh Kumar (DIN: 10683157) as an Additional Director who shall hold office till the date of the ensuing Annual General Meeting pursuant to the provisions of Section 161 of the Act and rules made thereunder and the Articles of Association of the Company.

The Company has received a declaration from Mr. Kamlesh Kumar confirming that he meets the criteria of independence as prescribed under Section 149(6) of the Act and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). In terms of Regulation 25(8) of the Listing Regulations, Mr. Kamlesh Kumar has confirmed that he is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties. Mr. Kamlesh Kumar has also confirmed that he is not debarred from holding the office as a Director of the Company by virtue of any SEBI order or any such authority pursuant to circulars dated 20th June, 2018 issued by BSE Limited and the National Stock Exchange of India Limited pertaining to enforcement of SEBI Orders regarding appointment of Directors by the listed companies. Further, Mr. Kamlesh Kumar is not disqualified from being appointed as Director in terms of Section 164 of the Act and has given his consent to act as Director.

The information as required under the Regulation 36 of Listing Regulations and Secretarial Standard (SS 2) on General Meetings, of Mr. Kamlesh Kumar is provided in Annexure "A" to the Notice.

Accordingly, it is proposed to appoint Mr. Kamlesh Kumar as an Independent Director of the Company, who shall not be liable to retire by rotation. In the opinion of the Board, Mr. Kamlesh Kumar fulfils the conditions specified in the Act and the Listing Regulations for appointment as an Independent Director, and that he is independent of the Management. He shall be paid remuneration by way of fee for attending meetings of the Board or Committees thereof as may be decided by the Board, reimbursement of expenses for participating in the Board and other meetings, and profit related commission within the limits stipulated under Section 197 of the Act and other applicable provisions and as may be approved by the shareholders.

Based on the recommendations of the Nomination and Remuneration Committee, given his background, experience and expertise, the Board is of the opinion that Mr. Kamlesh Kumar 's continued association would be of immense benefit to the Company and it is, therefore, desirable to appoint him as an Independent Director.

In compliance with the provisions of Section 149 read with Schedule IV of the Act, Regulation 17 and Regulation 25(2)(A) of the Listing Regulations and other applicable provisions of the Act and Listing Regulations, the appointment of Mr. Kamlesh Kumar as an Independent Director is now placed for the approval of the Members by a Special Resolution. The Board recommends the Special resolution, as set out at item No. 3 of accompanying Notice, for approval by the Members.

None of the Directors and Key Managerial Personnel of the Company and their relatives, except Mr. Kamlesh Kumar and his relative(s), is in any way concerned or interested, financially or otherwise, in the proposed special resolution set out at item No. 3 of the Notice. Mr. Kamlesh Kumar is not related to any other Director or KMP of the Company.

Item No. 4:

In accordance with the provisions of Section 139 of the Companies Act, 2013, read with Rule 3 of the Companies (Audit and Auditors) Rules, 2014, and other applicable rules and regulations, the Company is required to appoint Statutory Auditors for a term of five years and to fix their remuneration.

The Board of Directors has recommended the appointment of M/s H. RAJEN & CO, Chartered Accountants (FRN: 108351W), Jaipur, as Statutory Auditors of the Company. M/s H. RAJEN & CO, Chartered Accountants, are a reputed firm with extensive experience in auditing and are eligible to be appointed as Statutory Auditors in accordance with the provisions of the Companies Act, 2013.

The appointment of M/s H. RAJEN & CO, Chartered Accountants, is proposed for a period of five years, commencing from the conclusion of the 08th Annual General Meeting (AGM) until the conclusion of the 13th AGM to be held in the Financial Year 2028-29. The remuneration to be paid to them, along with applicable taxes and reimbursement of out-of-pocket expenses incurred for the audit, will be determined by the Board of Directors.

The Board of Directors recommends the resolution for approval as a Special Resolution.

None of the Directors or Key Managerial Personnel of the Company or their relatives are concerned or interested in this resolution, except to the extent of their shareholding, if any.

Item No. 5:

The resolution proposed aims to seek the approval of the Members of the Company for amending the Objects Clause of the Memorandum of Association ("MoA") of the Company. Specifically, the resolution proposes the deletion of a particular paragraph under Clause III (A) of the MoA.

Rationale for the Amendment

The deletion of this paragraph is being proposed in response to regulatory and public advisories concerning Multi-Level Marketing (MLM) activities. Notably, the Reserve Bank of India (RBI) issued a cautionary press release (Press Release No. 2014-2015/1383 dated January 1, 2015) highlighting concerns related to MLM schemes. According to the RBI, MLM and similar schemes, which promise quick financial returns through the enrolment of new members rather than through the sale of genuine products, pose significant risks to the public. These schemes often involve complex structures where income is primarily derived from enrolling new members rather than from product sales, leading to potential financial losses for those at the lower levels of the pyramid structure.

The RBI's caution underscores that participation in MLM activities can lead to direct financial losses and legal implications under the Prize Chits and Money Circulation (Banning) Act, of 1978. Therefore, aligning with the RBI's advice and to avoid any association with such potentially problematic business practices, the Company has decided to remove the aforementioned clause from its MoA.

The Board of Directors recommends the resolution for approval as a Special Resolution.

None of the Directors or Key Managerial Personnel of the Company or their relatives are concerned or interested in this resolution, except to the extent of their shareholding, if any.

Item No. 6:

The resolution proposed is to address the rectification of the Company's name in compliance with the directions issued by the Hon'ble High Court of Delhi. This action is necessitated by the Court's Order dated August 22, 2022, in the matter CS(COMM) 575/2022 & I.A. 4874/2023 titled *Indiabulls Housing Finance Limited & ANR. v/s. - **Domain Name:** The Court has further directed the Company to take down the domain name www.naturoindiabull.com and any other domain name that contains a mark identical or deceptively similar to the Plaintiffs' mark "INDIABULLS."

Proposed Resolution

In response to the Court's Order, the Company proposes to change its name from "NATURO INDIABULL LIMITED" to "NATURO AGROTECH INDUSTRIES LIMITED" or such other name as may be approved by the Board of Directors and the Registrar of Companies. This name change is essential for compliance with the Court's directives and to avoid further legal issues.

Auditor Remarks: We draw attention to uncertainty relating to recoverability from Trade Receivables Rs. 1153.84 Lakhs due to no direct confirmation received from debtors.

Board Remarks: *The management stated that we acknowledge the uncertainty surrounding the recoverability of our Trade Receivables totaling Rs. 1153.84 Lakhs, primarily due to the absence of direct confirmations from our debtors. This lack of confirmation presents a significant challenge in assessing the likelihood of recovering the outstanding amounts owed to us. In response to this issue, we have intensified our efforts to obtain confirmations from our debtors through various means, including direct communication, follow-up requests, and reminders. Additionally, we are implementing measures to enhance our procedures for documentation and confirmation processes in the future. This includes revising our communication strategies, setting up automated reminder systems, and streamlining our record-keeping practices to ensure that all relevant information regarding trade receivables is accurately documented and readily accessible. By strengthening our confirmation procedures and documentation practices, we aim to mitigate the uncertainty surrounding the recoverability of our Trade Receivables and ensure more reliable financial reporting in the future.*

The management is currently reviewing the loan agreements and assessing the need for provisions for doubtful debts. We will ensure that appropriate measures are taken to address this issue and necessary provisions are made where required.*

Auditor Remarks: We regret to inform you that we are unable to provide commentary on the valuation of our inventory. The management has solely valued the inventory at cost, and we have encountered challenges in obtaining sufficient documentation regarding the physical condition of our inventory. This limitation stems from a lack of comprehensive records or reports detailing the condition, location, or status of our inventory items. Without adequate documentation on the physical condition of the inventory, it becomes difficult to assess its true value accurately. To address this issue, we are taking several steps to enhance our inventory management practices. First, we are implementing improved documentation procedures to ensure that all relevant information regarding inventory physical conditions is systematically recorded and maintained. This will involve conducting regular physical inspections and assessments of our inventory, with detailed reports generated to document any observed discrepancies or damages. Additionally, we are exploring the adoption of inventory management software that offers advanced tracking and reporting features, allowing us to maintain real-time visibility into our inventory levels and conditions. By enhancing our inventory management processes and documentation practices, we aim to provide a more comprehensive and accurate valuation of our inventory in future reporting periods.

Board Remarks:

The inventory has been valued at cost as per our current policy. We are aware of the need for proper documentation of the physical condition of the inventory. Steps are being taken to improve our inventory management system to provide sufficient documentation and ensure accurate valuation.

Auditor Remark: We draw your attention to the fact that the closing balances for both debtors and creditors have been relied upon as per our books of accounts where direct confirmations from debtors and creditors were unavailable. To enhance the reliability of our financial reporting, we are implementing a comprehensive plan that includes sending out confirmation requests well in advance, enforcing rigorous follow-up procedures, maintaining detailed records, and using a dedicated tracking system. Discrepancies will be promptly investigated and resolved. Internal reviews and regular audits will ensure ongoing accuracy, while strengthened internal controls will detect and correct errors. Management representations will be backed by robust documentation, with regular auditor meetings to address issues in real-time. We will adopt automated accounting software for efficient tracking, and conduct staff training on best practices and compliance with auditing standards. Transparent communication with stakeholders will include regular updates on the status of confirmations. These measures aim to improve the accuracy and reliability of our balances, ensuring they are based on verified data rather than solely on management representations, thereby upholding the highest standards of financial integrity and transparency.

Board Remarks: *We rely on the balances as per our books of accounts in cases where confirmations from debtors and creditors are not available. Necessary documentation and disclosures will be provided in accordance with the statutory requirements.*

This requirement ensures that all financial transactions are recorded in a manner that allows for comprehensive tracking and auditing, thus enhancing the overall integrity and reliability of our financial reporting.*

To address this, the company has initiated a project to upgrade our current accounting software to a more advanced system that includes robust audit log capabilities. This upgrade will enable us to capture a complete and unalterable record of all transactions, including details of any modifications or deletions, along with the identity of the user making such changes and the time at which they occurred.

As a consequence of this non-compliance, the Exchange imposed a penalty of ₹59,000 on the Company for the delayed submission. The Exchange also requested a clarification regarding the reasons for the delay. In response, the Company submitted an explanation on February 14, 2024. The Company indicated that the delay was unintentional and due to factors beyond its control, including an inadvertent delay in finalizing the books of accounts, which was caused by a temporary shortage of staff during the Diwali period.
- 3.4 The Company received a letter dated May 7, 2024, regarding discrepancies in the Shareholding Pattern XBRL for the period ended March 31, 2024, as per Regulation 31 of SEBI (LODR) Regulations, 2015. In response, the Company submitted a clarification dated June 18, 2024. The delay was due to the financial statements not being finalized and duly signed by the Director of the Company. Consequently, the Company was compelled to postpone the board meeting. Once the financial statements were finalized and signed, the Company convened the

3.9 The Company has not maintained its website in compliance with Regulation 46 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Company's website does not currently reflect the required disclosures, and the content has not been updated in accordance with the specified timelines. The Statutory Auditor noted that these transactions may constitute a contravention of Sections 185 and 186 of the Companies Act, 2013. Specifically, it was observed that the Company had granted loans and advances to various parties without defined terms or conditions, and had not obtained shareholder approval through resolutions, nor had it intimated the Registrar of Companies (ROC) as required. Furthermore, the half-yearly audit report indicated an inability to ascertain the recoverability of these balances and, as such, the potential impact on the profit and loss statement remains undetermined. The Company wishes to clarify that it has

Furthermore, the Company duly filed the necessary documentation with the Registrar of Companies in Form MGT-14, under Service Request Number T88668942, on March 16, 2022.

- 4.2** It has come to our attention that the Company has not maintained several statutory registers as required under applicable legal and regulatory provisions. Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statements as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for purpose of expressing an opinion on the effectiveness of the Company's internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

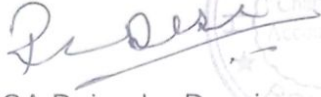

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
