A review of interim financial information consists of making inquiries, primarily of personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in

scope than an audit conducted in accordance with the Standards on Auditing specified under Section 143(10) of the Companies Act 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as stated in paragraph 3 , nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards (“Ind AS”) specified under Section 133 of the Companies Act ,2013 as amended, read with relevant rules issued thereunder and other recognized accounting practices and policies, generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations read with the relevant circulars issued by the SEBI, including the manner in which it is to be disclosed, or that it contains any material misstatement.
