# **MANAGEMENT DISCUSSION AND ANALYSIS**

---

## **1. Indian economy**

Following a successful moon mission and hosting the G20 Summit, India is positioned to emerge from 2023 with increased stability and optimism for its growth and future prospects. The country's attractiveness as an investment destination remains robust, given the size and scale of operations it has to offer to global companies, abundant skilled talent pool, and prowess in technology and innovation.

India's Nifty 50 index, hit a new high, up 16% this year. It surpassed Hong Kong's Hang Seng index, which fell 18% stock market is now the seventh largest with a market capitalization of US\$3.989 trillion. High performing sectors predicted for 2024 include banking, healthcare, and energy. India's ease of doing business reforms centered on streamlining and digitising regulatory compliance processes throughout the entire business lifecycle, spanning from incorporation to the cessation of operations. Furthermore, the 2023 survey conducted by the United Nations Economic and Social Commission for Asia Pacific (UNESCAP) on digital and sustainable trade facilitation positioned India as a leader in global trade facilitation efforts, achieving an impressive score of 93.55% in 2023 compared to 90.32% in 2021. India's combined exports of merchandise and services for April - October 2023 was estimated at US\$437.54 billion.

## **2. Outlook**

The Reserve Bank of India (RBI) projects India's economic growth to moderate in FY24, settling at 6.5%. This adjustment comes as the International Monetary Fund (IMF) slightly lowers its growth forecast for 2024, and global trade in goods and services is expected to further decelerate, driven by efforts to cool inflation through higher interest rates. Despite these challenges, the G-10 central banks nearing the peaks of their respective rate hike cycles will have a positive impact on the Rupee's stability.

The government's continued focus on capital expenditure will gradually attract private sector investment. However, in line with the broader economic slowdown, bank credit growth is expected to moderate in the coming year, leading to a reduction in the divergence between credit and deposit growth. Nonetheless, deposit growth is likely to improve slightly, encouraged by higher interest rates as an incentive, and an anticipated enhancement in system liquidity conditions during the second half of the year.

## **3. NBFC SEGMENT IN INDIA:**

The Indian economy was among the fastest-growing in the world before the onset of the COVID-19 pandemic. In the years leading up to the global health crisis, the country's economic indicators posted gradual improvements. The twin deficits, namely current account and fiscal deficits, narrowed, while the growthinflation mix showed a positive and sustainable trend. Despite the geopolitical tensions worldwide, India's economy is

expected to grow by 6.21 per cent in FY24, driven by robust domestic demand and strong growth in the manufacturing and services sectors. As the country progresses, demand for credit is likely to remain strong, especially among Micro, Small and Medium Enterprises (MSMEs) and retail, and is projected to grow by 13.5– 14.0 per cent.

NBFCs have emerged as the crucial source of finance for a large segment of the population, including SMEs and economically unserved and underserved people. They have managed to cater to the diverse needs of the borrowers in the fastest and most efficient manner, considering their vast geographical scope, understanding of the various financial requirements of the people and extremely fast turnaround times. Nonbank money lenders have played an important role in the financial inclusion process by supporting the growth of millions of MSMEs and independently employing people. The sector has grown significantly, with a number of players with heterogeneous business models starting operations. The last few years have seen a transformation in the Indian financial services landscape. The increasing penetration of neo-banking, digital authentication, rise of UPI and mobile phone usage as well as mobile internet has resulted in the modularisation of financial services, particularly credit.

#### **4. Trends driving the NBFC sector.**

##### **i. Resource diversification**

- Diversification from heavy dependence on bank borrowings.
- Issuance of NCDs by NBFCs almost doubled in FY24 and surpassed the FY20 levels.
- Within NBFCs, retail focused NBFCs and infrastructure financiers saw healthy growth in NCD issuances.
- Securitization volumes zoomed to ₹1.8 trillion in FY24 on account of an increase in funding requirements to meet the demand.

##### **ii. Product diversification**

- Several NBFCs and HFCs are diversifying their product portfolio or adding new products that could drive growth.
- NBFCs are focusing on under-penetrated segments such as affordable housing, small business loans and used vehicles.

##### **iii. Diversified service models**

- Platform model: Partnerships with fintech to offer loan products on their platform.
- Enabler model: The fintech provides technology solutions to NBFCs.

# **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MEGA FIN (INDIA) LIMITED**

## **Report on the Audit of financial**

### **statements Opinion**

We have audited the accompanying financial statements of **MEGA FIN (INDIA) LIMITED (CIN: L65990MH1982PLC027165)** ("the Company"), which comprise the balance sheet as at March 31, 2024, the statement of profit and loss (including Other Comprehensive Income), the statement of changes in equity and the statement of cash flows for the year then ended and notes to the financial statements, including material accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and its profit, other comprehensive income, changes in equity and its cash flows for the year ended on that date.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

### **Key Audit Matters**

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statement as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

- a. We draw attention to the Financial Results in which the Financial Statements have been prepared by the management on a going concern basis even though the company has substantial accumulated losses. Further as per Section 45-IA of the RBI Act, 1934, no Non-banking Financial company can commence or carry on business of a non-banking financial institution without having a Net Owned Funds of Rs.200 Lakh. In Case of the Company the NOF as come to less than Rs.200 Lakhs, hence the company cannot continue as a Non-Banking Financial Company.

### **Other Information**

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the financial statements and auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **Management's and Board of Directors' Responsibilities for the financial statements**

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using

the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has an adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of Management's and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.

However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT**

(Referred to in paragraph 2A(g) under the heading 'Report on Other Legal and Regulatory Requirements' of our report of even date)

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

#### **Opinion**

We have audited the internal financial controls over financial reporting of **MEGA FIN (INDIA) LIMITED** ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at March 2024, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

## **Management's and Board of Directors Responsibility for Internal Financial Controls**

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

## **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgments, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## **Meaning of Internal Financial Controls with reference to financial statements**

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial

statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls with reference to financial statements**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future years are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to explanation given to us, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
