Commenting on the results announcement, Ramesh Gopalan, Managing Director and Group CEO said, “Sagility occupies a critical position in the US healthcare services space, supported by domain expertise and long-standing client relationships. Over the years we have built tech enabled solutions and services to deliver best-in-class business outcomes for Payers and Providers, resulting in continued accretion to size and duration of our client engagements. Our runway for growth is long and is backed by a combination of favorable industry dynamics, our strategic investments in advanced technologies including AI and a strong orientation towards creating value for our clients.”

Sarvabhoushan Srinivasan, Group Chief Financial Officer added, “Our EBITDA margin is consistent with our historical performance, and we will continue to make investments in technology, AI use cases to deliver superior outcomes and create value for our stakeholders.”

About Sagility India Limited.

Sagility is a technology-enabled, healthcare-focused solutions and services provider that supports U.S.-based payers, providers, and their partners in delivering best-in-class operations, enhancing member and provider experiences, and improving the quality of care, all while ensuring cost-effective financial and clinical outcomes. With over two decades of experience, Sagility’s dedicated experts address complex healthcare challenges through deep domain expertise and innovative thinking. The company serves five of the top ten health insurance companies in the U.S., utilizing its advanced technology, processes, and solutions to ensure efficient operations and minimize additional administrative costs. The Company delivers these services through its skilled talent pool across five global service delivery centres located in India, the Philippines, the U.S., Jamaica, and Colombia.
