Independent Auditor's Report On Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended

To,
Board of Directors of

GLITTEK GRANITES LIMITED

Opinion

1. We have audited the quarterly financial results of Glittek Granites Limited for the quarter ended 31st March, 2024 and the year to date results for the period 1st April, 2023 to 31st March, 2024 and the Statement of Assets and Liabilities and the statement of Cash Flows as at and for the year ended on that date, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. read with SEBI circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016.
2. In our opinion and to the best of our information and according to the explanations given to us these quarterly financial results as well as the year to date results:

(i) are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard; and

(ii) give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards prescribed under Section 133 of the Companies Act, 2013 (the "Act") and other accounting principles generally accepted in India, of net loss and other comprehensive loss and other financial information of the Company for the year ended March 31, 2024 and the Statement of assets and liabilities and the Statement of cash flows as at and for the year ended on that date.

Basis of Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

4. We draw attention to the following:
 - a. Balances in respect of trade receivables, trade payables and loans and advances are subject to confirmation from respective parties. However, in the opinion of the Management all the Current

Assets and Non-current Financial Assets are approximately of the value stated in books if realized in the ordinary course of business and all the liabilities are payable except where there is dispute regarding quality of services, material or regarding rates.

b. The Company is carrying Stock of Granite Slabs and Tiles for more than 5 years without any movement but no provision has been made for any obsolescence or diminution in the value due to efflux of time.

In the opinion of the management, in Stone industry, unlike other minerals such as iron ore or coal, each color or variety is a product by itself and the demand changes fast in consonance with the "fashion factor" abroad. It is natural product which is imperishable. It is a commoditized business. Maintaining of large inventory is desirable in this business as company has to offer their customers so much in terms of variety, all sorts of colors, designs, textures and types. Slabs and Tiles are extremely resilient when it comes to staining and wear and water resilient. As such the same no provision for diminution in value is required.

c. The Company has not provided and paid interest on delayed payment to MSME as per the Provisions of the MSME Act, 2006. It was informed by the Management that vendors have agreed to accept delayed payment without any interest and have not raised any objection. The impact of the same on the Profit and Loss for the year could not be ascertained as the company has not calculated the amount of interest payable.

Our Audit opinion is not modified for the above matters.

Responsibility of Management for the Financial Statements

5. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Financial results by the Directors of the Company, as aforesaid.
6. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
7. The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably

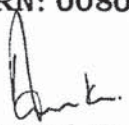

knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

13. The figures for the quarter ended March 31, 2024 and the corresponding quarter ended in the previous year as reported in the Statement are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to the end of the third quarter of the current and previous financial year respectively. Also, the figures up to the end of the third quarter had only been reviewed and not subjected to audit, as required under the Listing Regulations. Our opinion on the Statement is not modified in respect of this matter.
14. The annual financial results dealt with by this report have been prepared for the express purpose of filing with stock exchanges. These results are based on and should be read with the audited standalone financial statements of the Company for the year ended March 31, 2024 on which we issued an unmodified audit opinion vide our report dated May 30, 2024.
