PRECARIOUS SITUATION

GUJARAT EDUCATIONAL Tour Operators Association has said that the Harni boat capsize incident in Vadodara that led to the death of 12 students and two teachers in January and resulted in schools being banned from taking students on boat trips, has forced numerous schools and tour operations to a "precarious situation". It claimed that while many schools had already made arrangements with tour agencies for school trips between October and December, the "sudden halt has caused significant concern among parents, educators and the agencies involved", even leading to "heavy financial burden on parents", who have to pay cancellation fees to the operators.

FACTIONS AT WAR AT TRUST THAT RUNS THE NGO

A banner has been placed at the entrance of Khet Bhavan

a unanimous decision.

On the other hand, Batua and former Congress MP Amarsinh Z Chaudhary refuted Dave's claims saving they are the secretary and president, respectively.

On September 5, the Ahmedabad Collector took possession of Khet Bhavan, which housed the office of GKVP - a registered public trust founded by veteren Congress leader late Zinabhai Darji and linked to many political and social movements in the state, on behalf of MGSAMT that is implementing the Rs 1,200crore Sabarmati Ashram redevel-

The collector's move followed Batua's application on June 16 Bhavan to MGSAMT.

Following this, on July 22, Charity Commissioner Vyas issued a public notice in newspaper inviting suggestions/representations from concerned interested parties in the form of an affidavit by August 7. The hearing on those suggestions/representations was kept on August 8.

Eventually. Vvas issued an order on August 27 allowing Batua's application to gift Khet Bhavan to MGSAMT. A copy of Vyas' order was officially sent to various people, including Batua and Dave.

The Ahmedabad Collector took possession of Khet Bhavan on September 5 following the order. A government official confirmed that they have taken over

Thursday evening.

A banner has also been placed at the entrance of Khet Bhavan stating that the building has been gifted to MGSAMT as per the order dated August 27, 2024. "Its possession has been taken by Collector, Ahmedabad on behalf

of the Trust (MGSAMT)," the

poster reads, warning of legal ac-

tion against trespassing.

However, Dave has taken objection to "gift deed". "I was appointed GKVP president on November 5 last year. As per the rules of our trust (GKVP), the resolution of gifting Khet Bhavan has to be done unanimously. I was not even consulted. Batua does not have the authority to move the application before the Charity Commissioner seeking permission to gift Khet Bhavan to MGSAMT." Dave told The Indian Express. Questioning the motive behind gifting Khet Bhavan to MGSAMT, he said, "The MGSAMT officials had spoken to us to acguire Khet Bhavan for the Sabarmati Ashram Redevelopment project by awarding compensation. Why should the trust give the building for free?"

He also questioned the manner in which the application seeking permission to gift Khet Bhavan to MGSAMT was decided by the Charity Commissioner. He accused Vyas of deciding the matter in "great haste".

However, rejecting Dave's claims, Batua said the decision to gift the building was taken by the board of trustees. "Our organisation was founded by Zinabhai Darii who was committed to Gandhian values. We are his disciples. Our (trust's) president is Amarsinh Z Chaudhary, who is also committed to Gandhian values. This Mahatma Gandhi National Memorial is a national project and so, to join it our board

Date: 05.09.2024

decided to gift (Khet Bhavan). Accordingly, we got permission from the Charity (Commissioner). We have gifted it and given its possession as well "

Refusing to comment on the allegations levelled by Dave, Batua said, "Pradipbhai is no authorised person. He is neither president nor trustee of the trust. Amarsinh Chaudhary is the president and I am a trustee and secretary."

Chaudhary, who was also a former Congress MP, echoed Batua's claims. "The decision (to gift Khet Bhavan) was taken by the board of trustees. Two-three people had objections to it. The decision was taken by majority. I rebut the claim that we did not have the power (to pass resolution to gift Khet Bhavan). I am president of the trust and there are decisions of the Charity Commissioner."

But Dave alleged that the "gifting" was a move to retain control over GKVP. "My predecessor, Amarsinh Z Chaudhary (former Congress MP), was removed from the post of president on November 5, 2023 in a meeting of the trust. As a result, Batua, too, lost the post of secretary. I was appointed the president. So, they have managed to do this to retain their control over GKVP," he said.

On allegations of corruption leveled against him by Dave, Chaudhary said, "I am associated with Khet Bhavan for the past 50 years. I have been in public life for the past 50-60 years. Till date, no finger has been pointed against me. I am also the president of Gandhi Vidhyapith, Vedchhi for the past 25 years. I have been associated with around 100 educational organisations across Gujarat. It is for the people to decide who is what."

The High Court is expected to take up the petition for hearing on September 9, said Dave.
