**Subject: Major Expansion 5 New CNG Stations in Bengaluru, Bringing Total to 40.**

With great pleasure, we are thrilled to announce the launch of 5 new CNG stations in Bengaluru, increasing our total network to 40 stations. This significant expansion, achieved in collaboration with GAIL, underscores CPIL's unwavering commitment to transforming Bangalore into a green city.

This milestone not only demonstrates our dedication to advancing towards a cleaner and more sustainable future but also reinforces our leadership in setting industry benchmarks. Reaching 40 CNG stations in such a short timeframe highlights our determination to drive Bangalore's transition to cleaner fuel alternatives. Our vision is to replicate this successful model with other City Gas Distributors across the nation.

This development is provided for your records.

Thank you for your attention.
