Mastek Secures Multi-Year, Multi-Million Dollar Contracts from the UK Public Service Department

Mumbai, India, 26th February, 2025: Mastek (NSE: MASTEK; BSE: 523704), a trusted digital engineering and cloud transformation partner, today announced that it has secured multiple contracts with an estimated value of USD 85 million from a UK public service department, spread over a period of 2 years. The contracts are an extension and expansion of the ongoing collaborations that support the transformation of the department's Digital, Data, and Technology services, aligned to its strategic priorities.

Mastek has a strong track record of driving digital transformations and delivering data-driven impact to citizens in the UK public service domain. With deep expertise in GovTech, Mastek enables government departments with greater autonomy, efficiency, and resilience. Through continued investment in the UK's Critical National Important Services, Mastek plays a vital role in supporting essential services, including case management, data integration and management, in citizen services on secure AWS cloud infrastructure.

Mastek is committed to upholding the compliance standards and regulatory frameworks set by the UK government, ensuring confidentiality and integrity in critical public service programmes.

Abhishek Singh, President of UKI & Europe, Mastek said *"At Mastek, we are dedicated to providing secure and high-impact digital solutions that empower our customers to be self-resilient and future-ready. As a trusted technology partner, we remain committed to supporting citizen-centric critical services that align with evolving national priorities."*
