Sub: Inauguration of Shalby Tissue & Bone Bank at Krishna Shalby Hospital, Ahmedabad

Dear Sir / Madam,

We are pleased to announce that **Shalby Launches India's Largest & Gujarat's first Tissue & Bone Bank** at Krishna Shalby Hospital, Ahmedabad **inaugurated by Honourable Shri Amitbhai Shah, Union Minister of Home Affairs & Union Minister of Cooperation, Government of India along with Dr. Vikram Shah and Dr. Darshini Shah** on January 15, 2025.

Bone grafts are used in a variety of surgical procedures to repair bone defects, bone healing, stability of joints, for sports injuries to reconstruct congenital skeleton defects, rebuild the jaw to provide strong foundation for dentures and dental implants, removing the malignant tissue to replace cancerous bone.

A Milestone for Indian Healthcare

"Shalby Tissue & Bone Bank is a testament to our commitment to delivering world-class healthcare," said Dr. Vikram Shah. "This launch signifies that the tissue banking sector in India has now entered a new phase of growth, putting us on a clear track to compete with developed countries, even in niche areas in the healthcare sector. With this new venture we will be able to distribute bone grafts to hospitals, surgeons, and even direct-to-patient on a prescription basis."

"The Shalby Tissue & Bone Bank will be making effective use of biological materials which are routinely discarded, such as bone from joint replacement surgeries, reducing medical waste and providing life-
