## MANAGEMENT DISCUSSION & ANALYSIS REPORT

### OVERVIEW

Non-banking finance companies (NBFCs) play an important role in an economy like India, as they provide credit facilities to individuals, small and medium-sized enterprises (SMEs), and other entities that may not have access to traditional banking services. They often cater to niche segments or specific industries that banks may overlook.

The NBFC sector is witnessing a resurgence post-pandemic, with anticipated credit growth rates of 13–14% for FY 2024. The industry is also seeing the emergence of new NBFCs focusing on niche customer segments, a trend likely to continue in the foreseeable future. The pandemic has accelerated technology adoption and changed consumer behaviors, making it feasible for NBFCs to operate without extensive physical networks, reducing the capital requirements traditionally associated with setting up financial services institutions. As of 30th September 2023, there were a total of 9,356 NBFCs registered with the Reserve Bank of India (RBI).

The RBI continued to tighten regulatory norms to enhance resilience, focusing on capital adequacy, liquidity, and governance. Digitalization gained momentum, with initiatives promoting digital lending and fintech collaborations. However, NBFCs faced challenges in liquidity management and rising interest rates, affecting borrowing costs and loan demand. Despite these challenges, NBFCs played a crucial role in financial inclusion and supporting MSMEs, positioning themselves well for future growth through digital innovation and regulatory support. The outlook for FY 2024-25 remains positive, underpinned by continued economic recovery and government support for key sectors.

### INDUSTRY STRUCTURE AND DEVELOPMENTS

#### **Diversified Presence and Market Segmentation**

The NBFC sector in India showcased a well-diversified structure in FY 2023-24, with a broad range of financial services catering to different market segments. Large NBFCs, leveraging their extensive branch networks and technological advancements, maintained a dominant position in the industry. These entities focused on retail lending, offering products such as personal loans, vehicle loans, and home loans. Mid-sized and smaller NBFCs carved out niches by providing specialized financial products tailored to the needs of underserved markets, including small and medium enterprises (SMEs) and rural customers. This diversification helped in mitigating risks and ensuring a balanced growth trajectory across the sector.

#### **Regulatory Enhancements and Compliance**

The regulatory framework governing NBFCs saw significant enhancements during the year, driven by the Reserve Bank of India's (RBI) efforts to fortify the sector's resilience and stability. Key regulatory developments included stricter capital adequacy requirements, aimed at ensuring that NBFCs maintain a robust capital base to absorb potential losses. Enhanced liquidity norms were introduced to manage short-term funding risks more effectively. Pursuant to Circulars issued by the Reserve Bank of India (RBI) dated 22.10.2021 with the captioned subject - "Scale Based Regulation (SBR) : A revised regulatory framework

for NBFCs" -NBFCs have been segregated into four layers, namely, a Base Layer (NBFC-BL), a Middle Layer (NBFC-ML), an Upper Layer (NBFC-UL) and a Top Layer (NBFC-TL), based on size, activity, and the perceived level of riskiness. Our Company falls under the category of NBFCs - Base Layer (NBFC - BL) entity.

In conclusion, FY 2023-24 was a transformative year for the Indian NBFC sector, marked by a diversified industry structure, robust regulatory enhancements, a strong push towards digitalization, and increased consolidation.

## COMPANY OUTLOOK

### Strategic Focus and Growth

As we look ahead to FY 2024-25, our company is well-positioned for continued success and strategic growth. Operating within the base layer category, we specialize in lending loans to corporate clients, a focus that has proven to be both stable and profitable. Our strategic initiatives will center around deepening this relationship, ensuring that we meet our client's evolving financial needs while maintaining the high standards of service and reliability that have become our hallmark.

### Regulatory Compliance and Governance

We remain committed to adhering to the highest standards of regulatory compliance and corporate governance. Aligning with the stringent norms set by the Reserve Bank of India (RBI), we will continue to ensure robust capital adequacy and effective liquidity management. Our focus on compliance and governance will not only protect the interests of our stakeholders but also enhance our credibility and reputation in the financial industry.

### Future Prospects and Strategic Initiatives

The future holds promising prospects for our company as we continue to build on our strong foundation. The supportive economic environment and our strategic initiatives provide a conducive backdrop for sustained growth. We plan to explore new opportunities within our niche, leveraging our expertise to deliver superior financial solutions and drive further profitability. Our unwavering commitment to excellence and innovation will be the driving force behind our continued success.

### Financial performance

The financial performance of the company for the year under review is discussed in detail in the Directors Report.

## OPPORTUNITIES AND THREATS IN THE CURRENT MARKET ENVIRONMENT AND FUTURE PROSPECTS

Non-banking financial companies (NBFCs) have the potential to seize growth opportunities by catering to underserved segments of the population, such as small businesses and low-income households.

Regulatory support and government efforts towards financial inclusion, especially in rural and semi-urban areas, also offer an opportunity for NBFCs to expand their reach where traditional banking channels may not have reached.

However, NBFCs must also contend with several threats, such as borrower defaults, competitive pressure from traditional banks and fintech, startups and regulatory changes that can impact their operations and profitability. Moreover, rising interest rates and inflation leading to an increase in the cost of funds for NBFCs poses pressure on margins.

## AUDITOR'S REPORT FOR STANDALONE FINANCIALS

To the Members of Assam Entrade Limited

### **Report on the Audit of the Standalone Financial Statements**

#### **Opinion**

We have audited the accompanying standalone financial statements of **ASSAM ENTRADE LIMITED** ("the Company"), which comprise the balance sheet as at 31st March 2024, the statement of Profit and Loss (including Other Comprehensive Income), the Statement of Change in Equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date,

#### **Basis for Opinion**

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### **Emphasis of Matter**

We draw attention to the following matters in the standalone financial statements:

- The Company has classified investments in equity instruments of other body corporates at amortized cost rather than at fair value on the basis that recent information to measure its fair value is not available.
- The Company has not made impairment allowance using Expected Credit Loss (ECL) approach, as required by Ind As 109 in respect of Loans-Financial Assets which constitute 67.38% respectively of the Total Assets and still continuing on incurred loss provisioning method.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as

a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No.	Key Audit Matter	Auditor's Response
1.	Nil	Nil

### **Information Other than the Financial Statements and Auditors' Report Thereon**

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high

level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be

communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

### **Report on Other Legal and Regulatory Requirements**

**Annexure 'B'*****Report on Internal Financial Controls with reference to financial statements*****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of ASSAM ENTRADE LIMITED ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a

material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Holding Company:**

Assam Entrade Limited

#### **Subsidiaries**

- (ii) are presented in accordance with the requirements of regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations ,2015, as amended, and
  - (iii) gives a true and fair view in conformity with the recognition and measurement principles laid down in the Indian Accounting Standards RBI guidelines and other accounting principles generally accepted in India of the net profit and total comprehensive income and other financial information of the Group for the quarter and year to date ended March 31, 2024.

#### **Basis for opinion**

We conducted our audit of the consolidated financial Results in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Results section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial Results under the provisions of the Companies Ac, 2013 and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us, and other auditors in terms of their reports referred to in "Other Matter"

paragraph below, is sufficient and appropriate to provide a basis for our opinion.

### **Emphasis of Matter**

We draw attention to the following matters of the consolidated financial Results:

- The Holding Company has classified investments in equity instrument of other body corporates at amortized cost rather than at fair value on the basis that recent information to measure its fair value is not available.
- The Company has not made impairment allowance using Expected Credit Loss (ECL) approach, as required by Ind As 109 in respect of Loans-Financial Assets which constitute 67.38% respectively of the Total Assets and still continuing on incurred loss provisioning method.

Our opinion and Conclusion is not modified in respect of this matter.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S.no.	Key Audit Matter	Auditor's Response
1.	Nil	Nil

### **Information Other than the Consolidated Financial Statement and Auditors Report thereon**

The Holding Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility s to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated,

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibility of Management and Those Charged With Governance for the Consolidated Financial Results**

The Holding Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial

performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent/Holding Company, as aforesaid.

In preparing the consolidated Results, the respective Board of Directors of the Companies included in the Group are responsible for assessing the ability of Group to continue as a going concern, disclosing, as applicable, matters related to the going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Boards of Directors of the Companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Results**

Our objectives are to obtain reasonable assurance about whether consolidated financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on

the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Companies to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial Results, including the disclosures, and whether the consolidated financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group to express an opinion on the consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the consolidated financial Results of such entities included in the consolidated financial Results of which we are the independent auditors. For the other entities included in the consolidated Financial Results, which have been audited by other auditors, such other auditors are responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial results of which we are independent auditors among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

**Annexure 'A' to the Independent Auditor's Report on the Consolidated financial statements of Assam Entrade Limited for the year ended on 31<sup>st</sup> March, 2024**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of Assam Entrade Limited (the Holding Company) and its subsidiary (the Holding Company and its subsidiary together referred to as 'the Group'), as at and for the year ended 31 March 2024, we have audited the internal financial controls with reference to financial statements of the Holding Company and its subsidiary company, which are companies covered under the Act, as at that date

**Opinion**

In our opinion, the Holding Company & its subsidiaries have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the

internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to consolidated financial statements of the Parent and its subsidiaries, which are companies incorporated in India.

#### **Meaning of Internal Financial Controls Over Financial Reporting with reference to consolidated financial statements**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting with reference to consolidated financial statements**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Other matters**

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to a subsidiary, which is a company incorporated in India, is based solely on the corresponding report of the auditors of that company incorporated in India and our opinion on the internal financial controls with reference to consolidated financial statements, insofar as it relates to the internal financial controls with reference to the financial statements in respect of this subsidiary, is based solely on the corresponding report of the other auditor. Further with respect to a subsidiary company included in the

consolidated financial statements, which is a company incorporated in India, have been audited by M/s P.K. Kukreja & Associates whose reports have been furnished to us by the Management and our opinion on the internal financial controls with reference to consolidated financial statements, in so far as it relates to the internal financial controls with reference to financial statements in respect of this subsidiary, is based solely on the corresponding report of M/s M/s P.K. Kukreja & Associates.

Our opinion is not modified in respect of the above matters.
