4. Management Discussion & Analysis**Operational and Financial Performance during the year-**

The performance in respect of production, sales & financial parameters for the Financial Year 2023-2024 in comparison to last year is as follows:

₹ in lacs

SR. No.	Particulars	Year Ended 31st March, 2024	Year Ended 31st March, 2023
1.	Production (in Metric Tonnes)	43496	43652
2.	Sales (in Metric Tonnes)	47229	45219

5.	Net Profit/(Loss) after tax & other adjustments	1092.92	921.38

Industry structure and development-

Your Company operates in the packaged food segment mainly comprising of all processed & packaged foods viz, macaroni, pasta, vermicelli, dalia and other pasta products, Soya chunks, Wheat flour and instant food products like Instant Soups, Instant food mixes, Ginger garlic paste etc.

The food industry was impacted by weak demand sentiment throughout the year, especially in rural areas. Further, pricing pressures and changing consumer preferences also contributed to the overall decline in demand. Softening of commodity prices led to increased competition from local players and effects of geopolitical tensions continued to be felt extensively.

Despite the volatile business environment prevailing during the year, your Company emerged with more resilience. The investments made in distribution, brands, judicious price increases, sharp focus on managing input costs and greater competitiveness enabled the company to successfully navigate challenges.

Your Company was able to ensure availability of products and overcome volatility in prices of essential commodities through good procurement decisions. Moreover, the Company expanded its distribution footprint in rural areas of the country which enabled good growth in focus states despite the generally weak demand.

The industry responded dynamically to evolving consumer preferences, especially the rising demand for healthier food options which is not just an urban trend now, but is also slowly emerging in Tier 2-3 cities. Concurrently, the digital transformation of the sector, marked by increased investments in E-commerce platforms and digital marketing, facilitated enhanced customer engagement and optimized distribution channels, contributing to sales growth and market expansion.

India continued to be one of the fastest growing economies of the world last year. The government's spending on creation of physical and digital infrastructure over the years, rising incomes of people and a strong domestic market augurs well for the economy.

Your Company is optimistic about its growth prospects and continues to build the capabilities to meet the needs of present as well as the future.

Opportunities and threats-**Pasta and Vermicelli-**

Due to increasing levels of household penetration in pasta category, the potential for growth in this category is immense. The per capita consumption of Pasta in India continues to lag behind those in developed countries.

The possibilities for increasing consumption through innovative and superior offerings in this category are numerous, which positions your company for future growth and expansion. We will focusing on this segment in the years to come.

While your company continues to maintain leadership in Vermicelli, it has seen intense competition in Pasta. We are looking at addressing this with a concrete and disruptive strategies.

There are several new entrants of private lables but we are proud to inform you our Spaghetti product is doing very well in Modern Trade and Quick Commerce markets. In the category with its superior distribution, increased focus on innovation as well as new offerings your company was able to increase its share of market.

Soya-

Your company has further strengthened its distribution and will continue to grow its market share in this healthy staple-food, segment.

Dalia-

Your company has made good progress in this healthy breakfast option that compliments its expertise in wheat products. We attained significant success in North India and will continue developing more products in this segment.

Instant Foods-

Your company continues business in Instant foods space that align with its distribution and brand strength. The opportunities in this space continue to grow and we will continue to maintain selectively focus on its in coming years.

Future Outlook-

Despite apprehensions about global recession, businesses in India are optimistic about demand conditions. The trajectory of inflation during the coming year will depend on a host of domestic and global factors. The outlook for the food prices and rural growth will significantly depend on climatic factors and inflation that impacts the demand.

Wheat prices are expected to remain high on account of high input costs, geopolitical issues and good demand. We expect a significant increase in input costs of raw material which shall be offset by prudent price increases. Global weather conditions and policy on wheat exports/imports can play a crucial role on input cost of this crucial commodity. Prices of other essential inputs like edible oil, fuel, sugar and milk powder continue to be subject to high uncertainty. However, it is expected that a good crop will keep prices in check and strengthen rural demand. The government's focus on capital expenditure, private sector manufacturing and service activity should also support income generation and boost economic activities.

Despite this challenges in your Company expects to continue its good performance on the strength of its hardworking and creative team, strong brand and large distribution network. These factors will continue to fuel growth and expansion. The company has taken a major initiative towards improvement in packaging and designs and is positioned to rebrand itself as preferred brand for the youth; which will continue to drive the Indian consumption story for over the next 3 decades. You will see many initiatives by the company in this direction.

Your company investment and upgradation in its manufacturing facilities will get catalyse the growth and strength of its balance sheet over the next few years.

Financial and Operational Performance-

7. Net Profit Margin (%)	3.28	3.03	Increased on account of better margins
8. Return on Net worth(%)	13.65	11.5	Improvement of net profit

Risks & Concerns-

The global economy is becoming uncertain due to turmoil in financial markets, geo-political tensions, persistently high inflation and recessionary trends. These factors along with tight global financial conditions, protectionist trade policies and climatic changes due to global warming pose significant risks to growth.

While the Indian economy has shown remarkable resilience and growth so far, it may not be immune to a long term global slowdown or recession in advanced economies.

Availability and prices of input materials like wheat and edible oil could be affected, thereby posing severe risks to the business growth.

Your Company's continued performance and growth will depend largely on the effective management of commodity inflation and volume growth while optimally managing the price increases in a subdued demand environment.

Consumer sensitivity to price increases in our core categories, migration to low cost products, intense competition, and changing consumer preferences could pose challenges.

Internal Control Systems and their adequacy-

The Company has adequate internal control systems that are commensurate with its size and working. The Company has undertaken a comprehensive review of its current and future needs. Therefore it is in the process of implementing a new business management software. The company has invested in an Enterprise Resource Planning (ERP) that is economical and perfectly tailored. Its further streamlines and improves are operations and efficiency.

Human relations/Industrial relations-

The Company continues to provide training to its sales team to improve their product knowledge and selling skills. We are making changes to our Human Resources policies to promote work life balance, a healthy work space. The Company employed 351 employees during the year. The relations among workers and employees during the year under review and necessary rewards and recognition.

Cautionary Statement-

The statement in this "Management Discussion & Analysis" may be considered as "forward looking statements" within the meaning of applicable security laws or regulations. Actual results differ materially from those expressed or implied, Factors that could affect the Company's operations include Indian's demand-supply conditions, raw materials availability and prices, agricultural yield, Government regulations and or litigations and court cases.

L. Registrar & Share Transfer Agents and Share Transfer System-

The Company has appointed KFin Technologies Limited as the Registrar and Transfer Agents for both physical and electronic shares. The ISIN No. of the Company's shares is INE 921D01013. The address of the Registrar and Transfer Agent is as follows:

KFin Technologies Limited-

Kavy Selenium Tower B, Plot 31-32, Gachibowli Financial District, Nanakramguda, Hyderabad - 500 032, TelNo.040-6716 2222, e-mail: einward.ris@kavy.com

Shareholders are requested to address all correspondence related to transfer, transmission, Electronic Clearing Service, DEMAT related queries etc, to the Registrar and Transfer Agent.

Share Transfer System-

The SEBI and MCA have mandated that existing members of the Company who hold securities in physical form and intend to transfer their securities after 1st April, 2019, can do so only in dematerialised form. Therefore, Members holding shares in physical form were requested to consider converting their shareholding to dematerialized form. Share transactions in electronic form can be effected in a much simpler and faster manner. After a confirmation of a sale/purchase transaction from the broker, shareholders should approach the Depository Participant ("DP") with a request to debit or credit the account for the transaction. The DP will immediately arrange to complete the transaction by updating the account. There is no need for a

separate communication to the Company to register these share transfers. Shareholders should communicate with Kfin Technologies Limited, the Company's Registrars and Transfer Agent (RTA) quoting their folio number or Depository Participant ID ('DP ID') and Client ID number, for any queries to their securities.

M. Dematerialization of Shares and Liquidity-

The Company's share have been mandated for compulsory trading in demat form. Valid demat requests received by the Company's Registrar are confirmed within the statutory period. International Securities Identification Number (ISIN) allotted for the Company by NSDL and CDSL is INE921D01013. In case a member wants his/her shares to be dematerialized, he/she may send the shares along with the request through his Depository Participant (DP) to the Registrar and Share Transfer Agent, M/s. KFin Technologies Limited.

The Company's Registrars promptly intimate the DPs in the event of any deficiency and shareholders are also kept abreast. Pending demat requests in the records of the Depositories, if any, are continually renewed and appropriate actions are initiated. As on 31st March, 2024, 95.78% of the equity shares were in demat mode.

N. Reconciliation of Share Capital Audit-

The Securities and Exchange Board of India (SEBI) vide its circular No.D & CC/FITTC/CIR-16/2002 dated 31st December 2002 has been made it mandatory that a secretarial audit by a practising Company Secretary be carried out to reconcile the total admitted capital with NSDL and CDSL and the total issued and listed capital.

In keeping with the requirements of the SEBI and the Stock Exchanges, a secretarial audit by a Practising Company Secretary is being carried out to reconcile the total admitted capital with NSDL and CDSL and the total issued and listed capital. The said audit confirms that the total issued/paid up capital tallies with the total number of shares in physical form and the total number of dematerialized shares held with NSDL and CDSL.

Dematerialisation of shares-

SR. No.	Category	No. of Holders	Total Shares	% Equity
1.	PHYSICAL	2683	337711	4.21

6. Certificate Regarding Compliance of Conditions of Corporate Governance

(As per Provisions of Chapter IV of Securities and Exchange Board of India
(Listing Obligation and Disclosure Requirements) Regulations, 2015 as amended from time to time)

To
The Members,
Bambino Agro Industries Limited,
4E, Surya Towers, SP Road,
Secunderabad - 500 003,
Telangana State.

We have examined the compliance of the conditions of Corporate Governance by **Bambino Agro Industries Limited** (hereinafter referred to as "the Company") for the year ended 31st March, 2024, as stipulated in Chapter IV of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

The compliance of the conditions of Corporate Governance is the management's responsibility. Our examination was limited to the review of procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We conducted our examination of the Corporate Governance Report in accordance with the established systems and procedures selected by us depending on our judgment, including assessment of the risks associated in compliance of the Corporate Governance Report with the applicable criteria. The procedures include, but are not limited to, verification of secretarial records and other information of the Company, as we deem necessary to arrive at an opinion.

Based on the procedures performed by us as mentioned above and according to the information and explanations provided to us, we are of the opinion that the Company has complied with the conditions of Corporate Governance as stipulated in the Listing Regulations as applicable for the year ended 31st March, 2024.

This certificate is not an assurance of the Company's future viability or its management's efficiency.

7. Independent Auditor's Report

To the members of **Bambino Agro Industries Limited**

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of **Bambino Agro Industries Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss, the Statement of Changes in Equity and statement of Cash Flows for the year then ended, and Notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024, and its Profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than Financial Statements and Auditors Report

The Company's Board of Directors is responsible for the other information. The other information obtained at the date of this auditor's report comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report and Shareholder's Information but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Financial Statements

The accompanying financial statements have been approved by the companies Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also-

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters those charged with governance, we determine those matters that were of most significance in the audit of financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Annexure – 2 to the Independent Auditor’s Report-

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”):

We have audited the internal financial controls over financial reporting of **Bambino Agro Industries Limited** (“the Company”) as of 31st March, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- 1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Corporate Information & Significant Accounting Policies-

1.1 Corporate Information-

The Company is a public company domiciled in India and incorporated under the provisions of the Companies Act 1956. Its shares are listed on BSE. The Company is engaged in manufacturing and selling vermicelli, macaroni and other pasta products under the brand name "Bambino". The Company also sells the products of its related companies engaged in the manufacture of pasta and instant mixes, spices, namkeens, sweet-meat masalas etc.

Significant Accounting Policies-

The significant accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements, unless otherwise indicated.

1.2 Basis of Preparation of Financial Statements-

a) Statement of compliance & Basis of Preparation-

The financial statements which comprise the Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement, and the Statement of Changes in Equity (financial statements) have been prepared in accordance with Indian Accounting Standards (referred to as "Ind AS") notified under the Section 133 of the Companies Act, 2013 (the Act) Companies (Indian Accounting Standards) Rules, 2015, along with relevant amendment rules issued thereafter and other relevant provision of the Act, as applicable.

The Company has adopted Ind AS 115 'Revenue from Contracts with Customers' With the date of initial application being 1st April 2018. Ind AS 115 established a comprehensive framework on revenue recognition and replaces Ind As 18 – Revenue and Ind AS 11 – Construction Contracts. There are no material adjustments arising on transition.

On 28th March 2018, Ministry of Corporate Affairs ('MCA') notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarified the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid consideration in a foreign currency. The Company has evaluated the effect of this amendment on the financial statements and concluded that the impact is not material.

The financial statements have been prepared on accrual basis under the historical cost convention. The Company generally follows mercantile system of accounting and recognizes significant items of income and expenditure on accrual basis.

b) Functional and presentation currency-

The standalone financial statements are presented in Indian rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the entity operates.

1.3 Use of Estimates and Judgements-

The preparation of standalone financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. The preparation of financial statements require certain estimates and assumptions to be

made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses for the reporting period. Difference between the actual and estimates are recognized in the period in which the actual are known / materialized.

1.4 Property, Plant and Equipment-

- a) Recognition and Measurement: All items of property and equipment are initially recorded at cost. Cost of property and equipment comprises purchase price, non-refundable taxes, levies, and any directly attributable cost of bringing the asset to its working condition for the intended use. The company has elected to apply the optional exemption to use this previous GAAP value as deemed cost at 1st April, 2016, the date of transition.
- b) After initial recognition, property and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.
- c) The cost of an item of property and equipment is recognised as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The cost includes the cost of replacing part of the property and equipment and borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying property and equipment.
- d) In the case of imported machinery purchased out of foreign currency loan, the changes in liability due to exchange rate at the time of repayment of loan installment and due to realignment of loan in Indian rupees have been adjusted in the cost machinery.

1.5 Intangible Assets-

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the company and the cost of the asset can be measured reliably.

1.6 Depreciation, Amortization & Impairment-

- a) Depreciation has been provided on straight line method based on life assigned to each asset in accordance with schedule II of the companies act 2013.
- b) Depreciation on additions to property, Plant & Equipment has been calculated on pro-rata basis from the date of addition.
- c) No depreciation has been provided on the fully depreciated assets.
- d) An asset will be treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the profit and loss account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of the recoverable amount.

1.7 Inventories-

- a) Stores and spares are valued at cost and are charged to revenue on the basis of issues.
- b) Raw material and packing material are valued at cost.
- c) Finished goods are valued at cost or market value whichever ever is lower.
- d) Provisions are made if required to cover slow-moving and obsolete items based on historical experience of utilisation on a product category basis, which involves individual businesses considering their product lines and market conditions.

1.8 Cash and cash equivalents-

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

1.9 Employee Benefits-

- i) Short- term employee benefits are recognized as an expense in the profit and loss account of the year in which the related service is rendered.
- ii) Provident fund contributions, a defined contribution scheme, are charged to the profit and loss account
- iii) Gratuity liability, a defined benefit scheme, is provided based on actuarial valuation and funded through the scheme administrated by life insurance corporation of India. The contribution paid/payable under the scheme is recognised during the period in which the employee render the services.

1.10 Provisions, contingent liabilities, and contingent assets-

A provision is recognised when the company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are measured & recognized based on management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non- occurrence of one or more uncertain future events not wholly within the control of the Company. Or a present obligation that arises from past events but is not recognised because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or the amount of the obligation cannot be measured with sufficient reliability. Contingent assets are not recognised in the financial statements. However, it is disclosed only when an inflow of economic benefits is probable.

1.11 Revenue Recognition-

The Company manufactures and sells a range of Food products

Revenue from sale of products is recognised when control of the products has transferred, being when the products are delivered to the customers/dealers. Delivery occurs when the products have been shipped or delivered to the specific location as the case may be, the risks of loss has been transferred, and either the Customers/Dealers has accepted the products in accordance with the sales contract Revenue is measured net of returns, trade discounts and volume rebates.

Export sales are accounted on the basis of Bill of Lading. Export sales are recorded at the exchange rates prevailing as on the transaction date and adjusted for the exchange difference, if any, upon realization.

Lease income on leased assets is recognized and included under the other operating revenue.

1.12 Borrowing Costs-

Borrowing costs includes interest, amortization of ancillary costs incurred in connection with the arrangements of borrowing and exchange differences from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

1.13 Taxes-

Provision for current tax is made on the basis of estimated taxable income for the current accounting period and in accordance with the provisions of the Income tax Act, 1961.

Deferred tax resulting from "timing difference" between book and taxable profit for the year is accounted for using the tax rates and laws that have been enacted or substantially enacted as on the Balance Sheet date. The deferred tax asset is recognized and carried forward only to the extent that there is a reasonable certainty that the assets will be adjusted in future.

1.14 Earnings per Share-

Basic earnings per share is computed by dividing profit or loss for the year attributable to equity holders by the weighted average number of shares outstanding during the year. Partly paid-up shares are included as fully paid equivalents according to the fraction paid-up.

Diluted earnings per share is computed using the weighted average number of shares and dilutive potential shares except where the result would be anti-dilutive.

1.15 Cash Flow Statement-

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

1.16 Government Subsidy-

Subsidy from the Government is recognized when there is reasonable assurance that the company will comply with the conditions attached to them.

1.17 Deferred Revenue Expenditure-

Expenditure incurred on advertisement and other expense for promotion of new products is amortised over a period of five years, having due regard to the nature of expenses and the benefit that may be derived there from. Expenditure on routine product advertisement is expensed off to profit & loss account in the year in which it is incurred.
