Dear Sir / Madam,

**Sub: Clarification on count of Westside stores**

We wish to inform that there was an inadvertent error in updating the total count of Westside stores on our website [www.westside.com](http://www.westside.com) store locator page.

We confirm that as on date there are 240 operational Westside stores. The status on the website has been duly updated.

This is for your information and records.

Thanking you,

Yours faithfully,
