MANAGEMENT DISCUSSION AND ANALYSIS

INDIAN ECONOMY OVERVIEW

India stood out with GDP growth significantly surpassing expectations while retaining the tag of fastest growing major economy. The robust growth in fiscal 2023 to 2024 and the continuity of the government at the center after the elections have increased confidence in the domestic economic fundamentals and buoyed India's outlook. The country ended fiscal year 2023 to 2024 with a big bang, surpassing all market estimates of GDP, with 8.15% year-over-year (YoY) growth. For three consecutive years, India's economy has exceeded growth expectations (averaging 8.3% annual growth over this period) despite global uncertainties and headwinds, driven by strong domestic demand and continuous government efforts toward reforms and capital expenditure. Indian economy is projected to grow at 6.5% - 7% in FY 25. Strong growth in India is supported by robust domestic demand and growth in the manufacturing and services sectors. Inflation Rate likely to decline from 5.4% in FY 2024-25 to 4.5% in FY 25. Capital expenditure for FY 2023-24 stands at 3% of GDP, indicating the Government's commitment to invest in the country's growth. However, Indian economy still faces a major challenge emanating from external environment and geopolitical fragmentation, as India is reliant on its trade partners for its energy and commodity needs (Sources : Economics Survey, Deloitte Insights, Press Information Bureau (PIB), GOI, etc.)

INDIAN REAL ESTATE SECTOR REVIEW

India's real estate market saw a surge in Q2 2024, attracting USD 2.77 billion in investments, according to Cushman & Wakefield. This boosted H1 2024 investments to a record USD 3.9 billion, a 39% year-on-year increase. The growth, led by infrastructure-related sectors, reflects strong investor confidence and robust market demand.

A recent report by the Confederation of Real Estate Developers' Association (CREDAI) states the real estate sector is expected to touch the market size of \$1.3 trillion (13.8% of projected GDP) by FY 2034 and \$5.17 trillion (17.5% of projected GDP) by 2047. Organized retail real estate stock is expected to increase by 28% to 82 million sq. ft. by 2023. The Government has allowed FDI of up to 100% for townships and settlements development projects. The realtors' association CREDAI has welcomed the new framework for Small and Medium Real Estate Investment Trusts (SM REITs), stating that it will enhance the flow of funds into the Indian real estate market.

Government's recent budget announcements, reflects a comprehensive approach to fostering growth in the real estate sector. In her Budget speech, Finance Minister Mrs. Nirmala Sitharaman announced a boost for India's affordable housing sector by adding 2 crore more houses to the flagship scheme PMAY-U. The government's decision to allocate 10 lakh crore under the PMAY Urban Scheme, targeting 3 crore houses and key focus on rationalising stamp duty for Home buyers especially for women, underscores a robust vision for urban development and will help homebuyers would save the significant amounts, making home ownership more accessible. At macro level sustained infrastructure impetus, reflected in the 11.11 lakh crore Capex allocation. All these would create a multiplier impact and significant boost in the overall housing sector.

The government's continued focus on infrastructure development, affordable housing, and sustainable urbanization is commendable. Additionally, the Government's plan to build two crore more houses in the next five years is a big step to help low and middle-income people in India find homes. Furthermore, relaxation of regulatory provisions is a positive step toward improving the ease of doing business in the real estate sector.

Digitizing land records, GIS mapping, and urban housing initiatives, alongside workforce skilling, will boost the real estate sector. Due to evolving consumer dynamics and a surge in projects with enhanced built-up experiences coupled with expanding technology adoption and priority to sustainability, the desire for homeownership remains undeterred among consumers, as residential sales continue to crack previous highs. The commercial segment has also grown steadily, powered by domestic demand, and increasing investor confidence in the Indian market. Significant infrastructure investments and simplified FDI rules will drive private investment, fostering economic growth and stability.

Additionally, sustainability gained momentum through the government's push for clean energy, may also be reflected in the real estate sector. All in all, the focus on infrastructure development will directly or indirectly have a positive impact on the real estate sector too.

OUTLOOK

The rising demand for residential properties, along with the growing infrastructural development that provides enhanced connectivity via roads, air, and railways, is primarily driving the India real estate market. The Indian real estate market is expected to exhibit a CAGR of 9.2% during 2023-2028. Moreover, the increasing need for contemporary office spaces and the emerging trend of urban and semi-urban lodging are acting as other significant growth inducing factors. Furthermore, the expanding ecommerce sector in the country is catalyzing the demand for warehousing facilities, which is providing a positive thrust to the market. Besides this, with the growing use of telecommunication services and the implementation of 5G and data localization norms, there is a rise in the need for data storage facilities. This, in turn, is positively influencing the demand for resilient data center infrastructure and consequently bolstering the market growth.

Independent Auditor's Report

To the Members of M/s. Athena Constructions Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **M/s. Athena Constructions Limited** (hereinafter referred to as "the Company"), which comprises the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss, and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its loss and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Standalone Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations. We have nothing to report in this regard.

Responsibility of Management and those charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our

opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. **As required by Section 143(3) of the Act, we report that:**
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss, and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position; as such the question of commenting on disclosing impact of any such litigation in its Standalone Financial Statements does not arise;
 - ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - iii. There was no amount due to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2024.
 - iv. **a)** The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries")

- or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b) The management has represented, that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- c)** Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause a) and b) contain any material mis-statement.
- v. The company has not declared or paid any dividend during the year.
- vi. Based on our examination which included test checks, the company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies Accounts Rule 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

- h.** With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

Annexure - A to Independent Auditors' Report

Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Athena Constructions Limited ("the Company") of even date.

Report on the Internal Financial Controls under Clause (i) of Sub – section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls over financial reporting of **Athena Constructions Limited** ("the Company") as of 31 March 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the Orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial

controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

ATHENA CONSTRUCTIONS LIMITED

Notes to the Financial Statements for the year ended 31st March, 2024

1. Corporate Information

"Athena Constructions Limited" ('the Company') was incorporated in India on March 13, 2011 as "Athena Constructions Private Limited". The name was changed in the year 2014. The Company is incorporated with the main objects of carrying on the business of real estate project advisory, project marketing, maintenance of completed projects, engineering, industrial and technical consultancy, construction and development of real estate properties and other related and ancillary activities. The Company's primary business segment is reflected based on principal business activities carried on by the Company. As per Accounting Standard (AS - 17) Segment Reporting as specified under section 133 of Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended), the Company operates in one reportable business segment i.e. project advisory which inter alia includes real estate/infrastructure/other projects advisory and construction and development of infrastructure/real estate projects and is primarily operating in India and hence, considered as single geographical segment.

2. Basis of preparation of Financial Statements

i. Basis of Accounting

The financial statements have been prepared on a going concern basis under the historical cost basis, in accordance with the generally accepted accounting principles in India and in compliance with the applicable accounting standards as specified under section 133 of Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Companies Act 2013.

ii. Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires judgment's, estimates and assumptions to be made that effect the reported amount of assets and liabilities, disclosure of contingent liabilities and the reported amount of income and expenses during the year. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Difference between the actual results and estimates are recognized in the period in which the results are known / materialise.

3. Significant Accounting Policies

a. Fixed Assets

Recognition and measurement

Tangible Fixed assets are carried at cost of acquisition less accumulated depreciation and/ or accumulated impairment loss, if any. The cost of an item of tangible fixed asset comprises its purchase price, including non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price.

Depreciation on all the assets have been provided at the rates and in the manner prescribed under Part C of Schedule II to the Act on Straight line basis. Depreciation on additions to assets or on sale / disposal of assets is calculated on a pro-rata basis from the date of such addition, sale or disposal.

b. Investments

Investments that are readily realisable and intended to be held for not more than a year from the date of acquisition are classified as current investments. All other investments are classified as long-term investments.

Current investments are carried at lower of cost and fair value. Long term Investments are stated at cost less provision for diminution, other than temporary, in the value of such investments.

c. Revenue Recognition

- i. Income from real estate projects advisory services is recognized on accrual basis. Marketing and lease management income are accounted for when the underline contracts are duly executed, on accrual basis when the services are completed, except in cases where ultimate collection is considered doubtful.
- ii. Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable.
- iii. Revenue from real estate projects under development is computed on the percentage of completion method. Revenue is recognised in the financial year in which the agreement to sell or application forms (containing salient terms of agreement to sell) is executed, on the percentage of completion method which is applied on a cumulative basis in each accounting year to the current estimate of contract revenue and related project costs, when the stage of completion of each project reaches a significant level which is estimated to be at least 25% of the total estimated construction cost of the respective projects. Revenue from real estate projects under development for all projects commenced on or after April 1, 2012 or project where the revenue is recognized for the first time on or after the above date, is recognized in accordance with the Revised Guidance Note issued by the Institute of Chartered Accountants of India ('ICAI') on "Accounting for Real Estate Transactions (Revised 2012)."

The estimates of the saleable area and costs are reviewed periodically and effect of any changes in such estimates is recognized in the period such changes are determined. However, when the total project cost is estimated to exceed total revenues from the project, the loss is recognized immediately.

d. Employee Benefit Expenses

Short Term Employee Benefits

Short-term employee benefits like salaries, wages, bonus and welfare expenses payable wholly within twelve months of rendering the services are accrued in the year in which the associated services are rendered by the employees.

e. Borrowing Cost

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets in accordance with notified Accounting Standard 16 "Borrowing costs". A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss as incurred.

f. Taxes on Income

Current Tax

Current tax is measured at the amount expected to be paid to / recovered from the tax authorities, using the applicable tax rates.

Deferred Tax

Deferred income tax reflect the current period timing differences between taxable income and accounting income for the period and reversal of timing differences of earlier years / period. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future income will be available except that the deferred tax assets, in case there are unabsorbed depreciation and losses, are recognized if there is a virtual certainty that sufficient future taxable income will be available to realize the same. Since the Deferred Tax arrived at a minimal amount it has been ignored in the preparation of financial statements.

g. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

h. Earnings Per Share

The Company reports its basic and diluted earnings per share in accordance with Accounting Standard-20 Earnings per Share. Basic earnings per share are computed by dividing the profit for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit for the year by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares except where the results are anti-dilutive.
