## Commenting on the performance Ms. Suprita Reddy, MD & CEO said

*"I'm pleased to announce another strong quarter, marked by a remarkable year-on-year revenue growth of 27.3%, with a solid 20.2% growth achieved organically. This strong performance was primarily driven by volume across both Pathology and Radiology segments.*

*I am happy to share that we have operationalized our 1<sup>st</sup> centre at Pimple Saudagar, Pune (Spoke) under Vijaya PH Brand in this month, following the PH acquisition.*

*Looking ahead, I am excited to announce that we would be commissioning 6 hubs across Pune, West Bengal and Bengaluru in the coming 3 months, taking our total hub addition to 9 in the 12-month period which marks a significant milestone in the history of Vijaya.*

*We have also made key strategic hires at the mid and senior levels across functions to support the management in driving the next phase of growth."*
