INDEPENDENT AUDITORS' REPORT

To

The Board of Directors of INTERNATIONAL COMBUSTION (INDIA) LIMITED Infinity Benchmark, 11th Floor, Plot No. G-1, Block EP & GP, Sector V, Salt Lake Electronics Complex, Kolkata 700 091

Report on the Audit of the Financial Results

Opinion

We have audited the accompanying quarterly financial results of INTERNATIONAL COMBUSTION (INDIA) LIMITED ("the Company"), for the quarter ended 31st March 2024 and the year-to-date financial results for the period from 1st April, 2023 to 31st March, 2024 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations').

In our opinion and to the best of our information and according to the explanations given to us, these financial results:

i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and

ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards and other accounting principles generally accepted in India of the net profit and other comprehensive income and other financial information of the Company for the quarter ended 31st March 2024 as well as the year-to-date results for the period from 1st April, 2023 to 31st March, 2024.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ('the Act'). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Results* section of our report. We are independent of the Company in accordance with the

RAY & RAY CHARTERED ACCOUNTANTS

Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Board of Directors' Responsibility for the Financial Results

The quarterly financial results as well as the year-to-date financial results have been prepared on the basis of the interim financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34, "Interim Financial Reporting" (Ind AS 34), prescribed under section 133 of the Act, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

RAY & RAY CHARTERED ACCOUNTANTS

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to
 design audit procedures that are appropriate in the circumstances but not for the
 purpose of expressing an opinion on effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The Statement includes the results for the quarter ended 31st March 2024 and the corresponding quarter ended in the previous year being the balancing figure between audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the relevant financial year which were subject to limited review.

Our report is not modified in respect of this matter.
