Independent Auditor's Review Report on Unaudited Financial Results of Sharp India Limited for the quarter and half year ended on September 30, 2024, pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

## The Board of Directors Sharp India Limited

- 1. We have reviewed the accompanying statement of Unaudited Financial Results of Sharp India Limited (the "company") for the quarter and half year ended September 30, 2024 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
- 2. This statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' ("Ind AS 34") prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity," issued by the Institute of Chartered Accountants of India ('the ICAI'). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Basis for qualified conclusion

We draw your attention to Note No. 4 to the Unaudited financial results which states that the Company has ceased business operations from the financial year ended March 31, 2016 and incurred Net Loss of Rs. 478.67 Lakhs for the quarter and of Rs. 963.01 Lakhs for the half year ended September 30, 2024 and accumulated losses aggregate to Rs. 15,692.06 Lakhs as of September 30, 2024. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. However, the management considers the going concern assumption as appropriate in view of certain service agreements with group companies and continued financial and operational support from holding company.

Significant time has been elapsed after cessation of the production activity and in the absence of Board approved business plan and scheme of revival, the impact on the financial results

which have been prepared by the management under going concern assumption, cannot be ascertained.

#### **Emphasis of Matter:**

5. We draw attention to Note No. 5 to the statement of Unaudited Financial Results which states that there was a delay in the submission of results of the Company for quarter and half year ended September 30, 2023 due to delay in filing of results for the quarter and financial year ended March 31, 2023 and quarter ended June 30, 2023. This also resulted in attracting the consequential fines under SEBI Regulations and shifting of the scrip of the Company by stock exchange in Z group (non-compliant companies), freezing the shareholding of the promoters and suspension of trading in the shares of the Company on the stock exchange and subsequent application by the company for the revocation of suspension, inspection by the BSE official pursuant to such application and further communication in this regard from the BSE is awaited.

Our conclusion is not modified in respect of the above matter.

#### Qualified conclusion:

6. Based on our review conducted as above, except for the effects of the matters described in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with the recognition and measurement principles laid down in the aforesaid Ind AS 34 specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

i) Management's estimation on the impact of qualified conclusion:

During the quarter and half year ended on September 30, 2024, the Company incurred a loss of Rs. 478.67 Lakhs and 963.01 Lakhs respectively. The accumulated losses of the Company as at September 30, 2024 are Rs. 15,692.06 Lakhs. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders.

However, the Company continues to receive financial and operational support from Sharp Corporation, Japan, the majority shareholder and holding company and as at September 30, 2024, the Company has received a support letter from Sharp Corporation, Japan for financial and operational support until September 30, 2025. Based on this continued support from the holding company, and:

- the fact that the Company has entered into:
- Basic Services Agreement between Sharp Corporation and Sharp India Limited dated 3rd June 2021;
- Service Agreement between Sharp Business Systems (India) Private Limited and Sharp India Limited dated 1st June 2021 and
- efforts by the management in exploring possible alternatives of generating revenue including leasing of the factory premises;

the management is of the opinion that the Company will be able to continue as a going concern. Nevertheless, the recognition and measurement of assets (except freehold land) has been considered at lower of their carrying value or net realizable value and in the opinion of the management, no further adjustments would be required if going concern assumption is not considered as appropriate.

Independent Auditor's Review Report on Unaudited Financial Results of Sharp India Limited for the quarter and half year ended on September 30, 2024, pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

## The Board of Directors Sharp India Limited

- We have reviewed the accompanying statement of Unaudited Financial Results of Sharp India Limited (the "company") for the quarter and half year ended September 30, 2024 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
- This statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' ("Ind AS 34") prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity," issued by the Institute of Chartered Accountants of India ('the ICAI'). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Basis for qualified conclusion

We draw your attention to Note No. 4 to the Unaudited financial results which states that the Company has ceased business operations from the financial year ended March 31, 2016 and incurred Net Loss of Rs. 478.67 Lakhs for the quarter and of Rs. 963.01 Lakhs for the half year ended September 30, 2024 and accumulated losses aggregate to Rs. 15,692.06 Lakhs as of September 30, 2024. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. However, the management considers the going concern assumption as appropriate in view of certain service agreements with group companies and continued financial and operational support from holding company.

Significant time has been elapsed after cessation of the production activity and in the absence of Board approved business plan and scheme of revival, the impact on the financial results

which have been prepared by the management under going concern assumption, cannot be ascertained.

#### **Emphasis of Matter:**

5. We draw attention to Note No. 5 to the statement of Unaudited Financial Results which states that there was a delay in the submission of results of the Company for quarter and half year ended September 30, 2023 due to delay in filing of results for the quarter and financial year ended March 31, 2023 and quarter ended June 30, 2023. This also resulted in attracting the consequential fines under SEBI Regulations and shifting of the scrip of the Company by stock exchange in Z group (non-compliant companies), freezing the shareholding of the promoters and suspension of trading in the shares of the Company on the stock exchange and subsequent application by the company for the revocation of suspension, inspection by the BSE official pursuant to such application and further communication in this regard from the BSE is awaited.

Our conclusion is not modified in respect of the above matter.

## Qualified conclusion:

Based on our review conducted as above, except for the effects of the matters described in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with the recognition and measurement principles laid down in the aforesaid Ind AS 34 specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
