Ref: DroneAacharya Aerial Innovations Limited (Scrip Code: 543713; Security ID: DRONACHRYA)

Dear Sir/Madam,

DroneAacharya Aerial Innovations Ltd. is pleased to announce a major milestone in its partnership with **American Blast Systems (ABS)**, California, USA, as it has secured a master contract worth **USD 1.75 million (INR 14.80 Crores)** for specialized drone consultancy services. This contract demonstrates DroneAacharya's commitment to penetrating the U.S. market with customized solutions and marks a new chapter in cross-continental collaboration.

The contract encompasses a primary agreement and four key project-specific Purchase Orders (POs), reflecting the ambition and scale of the partnership:

1. U.S. Drone Market Study:

This study will offer crucial insights into the U.S. drone market landscape and enable strategic alignment of DroneAacharya products to meet U.S. market needs.

2. Business Plan and Roadmap Consultancy Services:

This consultancy phase will develop a robust business strategy and roadmap to enter and expand within the U.S. market effectively.

3. Product Design Services for 8 Specialized Drones:

DroneAacharya will design eight drones targeting distinct applications, including toy drones for children (5+ years), law enforcement drones for crowd monitoring, AI and thermal scanning, agricultural drones for spraying and seed bombing, FPV (First Person View) drones, and survey drones equipped with GPS.

4. Manufacturing Setup Consultancy Services:

This phase will involve a comprehensive guide on establishing manufacturing infrastructure in the U.S., facilitating local production and meeting stringent certification standards.

The partnership between DroneAacharya and ABS will see **co-production and certification of these eight products in the U.S.**, thereby reinforcing the market position of both companies in the American drone landscape.

Mr. Prateek Srivastava, Founder & Managing Director of DroneAacharya, remarked on this milestone, stating, "This contract represents a significant step forward in our mission to establish a presence in the U.S. drone industry. By aligning our services with ABS's vision, we are materializing our partnership and bringing our plans into actionable outcomes. We look forward to contributing our expertise to shape a range of drone products specifically designed to meet U.S. market needs."

This contract reaffirms DroneAacharya's commitment to providing high-quality, Made-in-India innovation on a global stage and represents a strategic leap towards market leadership in North America.
