immended earmarking long-term coal linkage of 50 megawart (MW) to Kerala from Coal India, helping the state meet its power deficit and future energy needs.

In a recent meeting of the standing linkage committee (long-term) for power sector, the Kerala State Electricity Board informed that due to unusual growth in power consumption, the state requires 500 MW of power on an immediate basis: The Government of Kerala has said that the cost of power procured by it on a short-term basis is very high and accordingly, the state is willing to tie up for power on a long-term basis. Coal India has agreed to provide coal from its available sources to the state after Singareni Collieries Company Ltd, another government-owned coal mining company, said that it could not offer the required linkage.

According to a resource adequey plan prepared by the Central Electricity Authority, Kerala is equacy plan prepared by the Central Electricity Authority, Kerala is position, the state has 400 MW of thermal capacity.

To meet the deficit and balance its power purchase and financial position, the state government will ink a tie-up for 500 MW of coal-based capacity to meet the deficit and balance its power purchase and financial based capacity on a long-term basis through tariff-based competitive bidding under the SHAKTI policy of the ministry of power.
