- 5. During the previous year ended March 31, 2024, the Company has changed its accounting policy for presentation of government grants related to research and development expenditure credit which are directly linked to employee benefit expenses. The Company previously accounted for government grants separately under 'Other Income', and in the previous year ended March 31, 2024, such government grants are presented net of employee benefit expenses which results in reliable and relevant presentation of the financial statements. Accordingly, the changes have also been made in the quarter ended June 30, 2023, However, this change does not result in any impact on profit for that period (including basic/ diluted earnings per share) and on the opening retained earnings as at April 1, 2023.
