1. We have reviewed the standalone unaudited financial results of Siemens Limited (the “Company”) for the quarter ended December 31, 2024, which are included in the accompanying ‘Statement of standalone unaudited financial results for the quarter ended 31 December 2024’ together with notes thereon (the “Statement”). The Statement has been prepared by the Company pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the “Listing Regulations, 2015”), which has been initialled by us for identification purposes.
2. This Statement, which is the responsibility of the Company’s Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “Interim Financial Reporting” (“Ind AS 34”), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity” issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Sunil Mathur, Managing Director and Chief Executive Officer, Siemens Limited, said, “Our Smart Infrastructure and Mobility businesses, which are largely linked to Government spending in Capex, continued to grow profitably. However, our Revenue and consequently also our Profit from Operations for this quarter were impacted by a slowdown in the short cycle private sector Capex spending and the normalization of demand in our Digital Industries business. With the announcements in the recent Union Budget, we expect a positive impact on our businesses from the Government's continued emphasis on building a world-class infrastructure, measures to boost consumption and the increased focus on manufacturing.”
