CHAIRMAN'S LETTER

Dear Shareholders,

Across the nation, we are celebrating 'Azadi Ka Amrit Mahotsav'. It has been a journey of glorious 75 years after Independence and India is emerging as an incredible global force with an impressive development marks on the socio-economic front. I take this opportunity to congratulate all of you for your contribution as citizens in this journey of pride and privilege!

The past two years were under the shadow of uncertainty due to pandemic. It had a severe impact on the Indian Economy and Automobile segment was no exception to it. There are several factors related to demands, supply and retail finance which affected the growth scenario. But FY22-23, flagged off with positive signs as we have witnessed greater relaxations in the Covid norms. Public life getting back on normalcy and this has been instrumental in reviving the market scenario.

Key factors that affected the 3W Segment

Retail Finance is the lifeline of 3W Segment. During FY2021-22, due to Covid situation, NBFCs faced unprecedented challenges in the loan recovery.

Rising number of defaulters led to restrictions on new loans. In addition to this, the market witnessed a huge

chunk of resale vehicles that affected the sales of new 3 wheelers. There had been a shift from BS4 to BS6. Production and System revamp to meet the BS6 norms resulted into price hikes across the product range. These factors across the demand and supply fronts took a heavy toll on the overall growth of the 3W Segment across the country.

Important Measures & Initiatives

After taking a meticulous review of the pandemic and post-pandemic scenarios, we undertook vital measures and initiatives to address the challenges. The manufacturing units have been updated to meet the BS6 norms. We have prepared the widest range of Car and Passenger 3 wheelers across 350KG & 500KG Platforms. In addition to this, we have also crafted a unique range of 24 Business Application Vehicles which is customized to the rising demands of the retail and institutional consumers. Khusbhu Finance Ltd. which used to be a partially owned NBFC, is now a 100% owned Subsidiary of Atul Auto. This is a major policy decision, which will help us boost the sales with our own NBFC wing.

As EV has become the fast growing segment, we have undertaken crucial strategic initiatives to explore this vertical with greater might. We have done a tie-up with a renowned European Manufacturing Brand, which will help us manufacture the Lithium Ion batteries on our own. The MOU has been signed in order to acquire the technological support on turnkey basis. This will help us achieve our own BMS on the fixed batteries. We are also joining hands with Honda to produce Swappable Batteries in the near future. These initiatives will help us produce highly advanced and cost effective EV Solutions in the time ahead.

All Set to triumph together in FY22-23

We are now ready to ride on the promising growth prospects in the FY22-23. Be it technological upgrades, flawless product development, application vehicles development, retail finance measures and strategic roadmap on the EV front...we have taken all the necessary corrective measures. Our sales and service network across India has been streamlined to take on an aggressive, consolidated and sustainable growth journey ahead. Together, we shall not only recover and revive but shall also proceed towards laying new benchmarks of success and growth. I am sure; you will always be a stronger force behind us as we embark upon this new journey!

I look forward to a glorious way ahead!

Notes:

1. The Ministry of Corporate Affairs ("MCA") vide circular no. 20/2020 dated May 05, 2020 read with circular No. 14/2020 dated April 08, 2020, circular No. 17/2020 dated April 13, 2020, circular No 02/2021 dated January 13, 2021 and circular No 02/2022 dated May 05, 2022 (collectively referred to as 'MCA Circulars'), inter alia, permitted the holding of the Annual General Meeting ("AGM") through Video Conferencing ("VC") or through Other Audio-Visual Means ("OAVM"), without the physical presence of the Members at a common venue. In compliance with the provisions of the above MCA Circulars, the Companies Act, 2013 ("Act"), the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the AGM of the Company is being held through VC / OAVM on platform of National Securities Depositories Limited ("NSDL") for which detailed instructions are annexed to this Notice. Members attending the AGM through VC/OVAM shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013. Since the AGM will be held through VC/ OAVM, the route map is not provided.
2. In compliance with the provisions of Section 108 of the Companies Act, 2013, Rules issued thereunder and the SEBI Listing Regulations, 2015, the business may be transacted through electronic voting system and the Company is providing facility for voting by electronic means ("e-voting") to its members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with NSDL for facilitating voting through electronic means, as the authorized agency. The person whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on closing of September 20, 2022 i.e. cut-off date only shall be entitled to avail the facility of remote e-voting. The members may cast their votes on electronic voting system from place other than the venue of the meeting ("remote e-voting"). The Members attending AGM through VC/ OAVM who have not cast their vote by remote e-voting shall be eligible to vote through the same system during AGM till 15 minutes after the AGM is over. The detailed instructions for e-voting (including remote e-voting) are annexed to this notice.

The remote e-voting period will commence at 9.00 AM (IST) on Saturday, September 24, 2022 and will end at 5.00 PM (IST) on Monday, September 26, 2022. The remote e-voting module shall be disabled by NSDL for voting thereafter.
3. The deemed venue for thirty fourth AGM shall be the registered office of the Company at Survey No. 86, Plot No. 1 to 4, 8B National Highway, Near Microwave Tower, Shapar (Veraval), Dist. Rajkot, Gujarat, India 360024 for all secretarial compliance and other purpose.
4. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/ OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
5. Corporate/Institutional Members are entitled to appoint authorised representatives to attend the AGM through VC/OAVM on their behalf and cast their votes through remote e-voting or at the AGM. Corporate/ Institutional Members intending to authorize their representatives to participate and vote at the Meeting are requested to upload necessary documents as per instructions for remote e-voting.
6. Members of the Company under the category of Institutional Shareholders are encouraged to attend and participate in the AGM through VC/OAVM and vote thereat.
7. An Explanatory Statement pursuant to Section 102(1) of the Act, in respect of businesses to be transacted at AGM, as set out under Item No(s). 4 and 5 above along with the relevant details of the Directors as mentioned under Item No(s). 4 and 5 above as required by Regulations 26(4) and 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015 ("the SEBI Listing Regulations") and as required under Secretarial Standards - 2 on General Meetings issued by the Institute of Company Secretaries of India, is annexed thereto.
8. The Board of Directors have considered and decided to include the Item No(s). 4 and 5 given above as Special Business in the forthcoming AGM, as they are unavoidable in nature.
9. The Register of Directors and Key Managerial Personnel and their shareholding maintained under section 170 of the Act and Register of Contracts or arrangements in which directors are interested maintained under section 189 of the Act and relevant documents referred to in this Notice of AGM and explanatory statement, will be available electronically for inspection by the members during the AGM. EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 ("THE ACT")

Item No. 3:

This explanatory statement is in terms of Regulation 36(5) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), however, the same is strictly not required as per Section 102 of the Act.

The members of the Company at twenty ninth Annual General Meeting ("AGM") of the Company held on September 29, 2017 approved the appointment of M/s. Kamlesh Rathod & Associates, Chartered Accountants (ICAI Firm Registration No. 117930W) as statutory auditors of the Company for a term of five consecutive years from the conclusion of the said AGM to the conclusion of thirty fourth AGM. Accordingly, the term of M/s. Kamlesh Rathod & Associates will end on the conclusion of this AGM.

The Board of Directors on the recommendation of the Audit Committee has proposed the appointment of M/s. Maharishi & Co, Chartered Accountants (Firm Registration No. 124872W), as the Statutory Auditors of the Company for a term of five consecutive years from the conclusion of thirty fourth AGM till the conclusion of the thirty ninth AGM, for the approval of the Members. The fee for audit services for financial year 2022-23 will be Rs.5.65 Lakh plus applicable taxes and out-of-pocket and other incidental expenses in connection with the audit. The remuneration for the subsequent year(s) of their term shall be determined based on the recommendation of the Audit Committee and as approved by the Board of Directors of the Company. In addition to the audit services, the Company would also obtain certifications from the statutory auditors under various statutory regulations and certifications required by banks, statutory authorities, etc. and other permissible non-audit services as required from time to time, for which they will be remunerated separately on such terms as may be recommended by the Audit Committee and approved by the Board of Directors. There is no material change in the audit fee payable to M/s. Maharishi & Co. from that paid to M/s. Kamlesh Rathod & Associates.

The Audit Committee and the Board has considered factors like vast audit experience of the firm in various segments, market standing of the firm, qualifications and experience of the partners of the firm, engagement team's experience, clientele served, sound technical knowledge, experience with the firm in its earlier appointment etc. and found credentials of M/s. Maharishi & Co. suitable to handle the statutory audit of the Company.

They have given their consent to act as the Auditors of the Company and have confirmed that the said appointment, if made, will be in accordance with the conditions prescribed under Sections 139 and 141 of the Companies Act, 2013 and that they are not disqualified to be appointed as statutory auditor in terms of the provisions of the Companies Act or the Chartered Accountants Act, 1949 and the rules or regulations made thereunder. As required under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, M/s. Maharishi & Co, has confirmed that they hold a valid certificate issued by the

Peer Review Board of ICAI.

None of the Directors and Key Managerial Personnel of the Company or their relatives is, in any way, concerned or interested in the Resolution set out at Item No. 3 of the Notice.

The Board recommends the Ordinary Resolution set out at Item No. 3 of the Notice for approval by the Members.

Item No. 4 & 5:

Mr. Mohan Jit Walia and Mr. Jaichander Swaminathan have been appointed as Independent Directors of the Company at Thirty First Annual General Meeting of the Company for a first term of 3 (Three) years from August 10, 2019 and August 26, 2019 respectively and these terms expires on August 09, 2022 and August 25, 2022 respectively.

Considering the performance and contribution of Mr. Walia and Mr. Swaminathan during those first term as Independent Directors, the Nomination and Remuneration Committee has recommended the Board to re-appoint both as Independent Directors for a second term of three years i.e. upto August 08, 2025 and August 24, 2022 respectively. The Board of Directors by passing the resolution through circulation on August 08, 2022 and at its Meeting held on August 13, 2022, re-appoint agreed to both the directors for three more years i.e. upto August 08, 2025 and August 24, 2025 respectively as per recommendation of the Nomination and Remuneration Committee subject to approval of shareholders in AGM by passing special resolution as required under section 149(10) of the Companies Act, 2013.

Both the Directors are not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given those consent to act as an Independent Director. The Company has received a declaration from Mr. Walia and Mr. Swaminathan that they meets the criteria of independence as prescribed under sub-section (6) of Section 149 of the Act and under the SEBI Listing Regulations. In the opinion of the Board, they fulfills the conditions for their re-appointment as an Independent Director as specified in the Act and the SEBI Listing Regulations. Both the Directors are independent of the management and possesses appropriate skills, experience and knowledge.

The details of Mr. Walia and Mr. Swaminathan are provided in the "Annexure" to the Notice pursuant to the provisions of the Listing Regulations and the Secretarial Standard on General Meetings ("SS-2"), issued by the Institute of Company Secretaries of India.

The copy of draft letter of appointment setting out the terms and conditions of those appointment are made available for inspection by the members at the registered office of the Company.

None of the Directors/ Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested in the resolution set out at Item No. 4 & 5 of the Notice.

The Board recommends the Special Resolutions set out at Item No. 4 & 5 of the Notice for approval by the members.

CREDIT RATING

CRISIL Limited, the Credit Rating Agency, has assigned CRISIL BBB+/ Negative (Downgraded from CRISIL A-/ Stable) to long term bank facilities and CRISIL A2 (Downgraded from CRISIL A1) to short term bank facilities of the Company vide its letter dated May 05, 2022.

The rating action reflects the moderation in the Company's business profile with slower recovery in demand for three wheels amidst pandemic situation. Over the last couple of years, three wheeler industry has been worst affected automobile segment and AAL's total reliance on the segment has translated into sharply reduced scale and operating losses. The Company's volume recovery to pre-covid levels may take a couple of years and restrain the business profile over medium term. However, the credit profile is supported by healthy capital structure with estimated net worth around ₹270 Crore and gearing around 0.3 times March 31, 2022. AAL's liquidity is supported by healthy cushion in bank limits, controlled working capital cycle and ongoing term loan moratorium period.

CONSERVATION OF ENERGY, RESEARCH AND DEVELOPMENT, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

The particulars of conservation of energy, research and development, technology absorption and foreign exchange earnings and outgo in terms of Section 134 of the Companies Act, 2013 read with the Companies (Accounts) Rules, 2014 for the year ended March 31, 2022 are annexed to this report as Annexure [E].

Opp. Town Hall, Jamnagar,
Gujarat, INDIA 361001

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Khushbu Auto Finance Limited (CIN: U74999GJ1994PLC022816) (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has during the audit period covering the financial year ended March 31, 2022 ("Audit Period"), complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2022 according to the provisions of:

- i) The Companies Act, 2013 (the Act) and the rules made there under;
- ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under (Not Applicable during the audit period);
- iii) The Depositories Act, 1996 and the Regulations and bye-laws framed there under;
- iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings (Not Applicable during the audit period);

I further report that having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, the Company has complied with the following laws applicable specifically to the Company:

- i) Reserve Bank of India Act, 1934
- ii) Master Directions issued by RBI

I have also examined compliance with the applicable clauses of the following:

- i) Secretarial Standards (SS-1 and SS-2) issued by the Institute of Company Secretaries of India.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that -

Against the requirement of appointment of two Independent Directors as per Section 149 of the Companies Act, 2013 read with Rule 4 of the Companies (Appointment and Qualification of Directors) Rules, 2014, the Company has appointed only one Independent Director on February 22, 2022. The Company has not appointed Managing Director or Chief Executive Officer or Manager or Whole-time Director as Key Managerial Personnel which is required under section 203 of the Companies Act, 2013. The Board and the Committees are not duly constituted upto that extent. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all the Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committees of the Board, as the case may be.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, the company become wholly owned subsidiary of Atul Auto Limited after acquisition of 70% equity share capital of the Company from September 01, 2021. ANNUAL REPORT ON CSR ACTIVITIES

FOR FINANCIAL YEAR ENDED MARCH 31, 2022

[Pursuant to Section 135 of the Companies Act, 2013, read with the Companies (Corporate Social Responsibility Policy) Rules, 2014 [Including any statutory modification(s) or re-enactment(s) for the time being in force]]

1) Brief outline on CSR Policy of the Company.

The guiding principle behind our approach to see Corporate Social Responsibility is "Together We Grow". Through the CSR initiatives, the Company strives to provide equitable opportunities for sustainable growth, thereby aligning with our goal to build Atul Auto into an organization which maximizes Stakeholder Value. The Company engages in activities whereby business further contributes to make a positive and distinguishing impact on the environment, customers, employees, suppliers, and society at large.

Our CSR Policy focuses on Education, Health, Promotion of National Culture, Environment Sustainability and Eradicating Hunger and Poverty.

Education

In the area of education, the Company continues to focus on providing good infrastructure and equipment of learning whereby creating the platform to grow. The Company aims at making a positive impact on society through educational development directly and through its partners.

Health

With the growing population, sanitation and healthcare have become central to India's development agenda. By directing resources towards access to healthcare and hygiene, we look to support interventions that include Primary Healthcare Support, Free Medical Camps for Rural Communities, Setting up of Rehabilitation Centres, Yoga Centres, Development of Hospitals, Provision of Mobile Medical Units and Ambulances, providing access to Safe Drinking Water, healthcare support through Localized Medical Camps, etc.

Promotion to Culture/ Art

Arts and culture do not only form our frames of reference, our ways of thinking and our relationships to the past, the present and the future but form also the pivot upon which humankind's development revolves. The Company contributes to setting up of handicrafts units, award ceremony which encourages people for promotion of their art and culture.

2) The Composition of CSR Committee:

Sr. No.	Name of Director	Designation / Nature of Directorship	Number of meetings of CSR Committee held during the year	Number of meetings of CSR Committee attended during the year

2	Aarti J Juneja	Member/ Independent Director	1	1
3	Mohanjit Singh Walia	Member/ Independent Director	1	1
4	Vijay Kumar Goel	Member/ Independent Director	1	1

Mr. Paras Viramgama acts as Secretary to the Committee.

Environmental Sustainability

Environmental sustainability has now turned into the key issues for corporate economic growth, environmental management and community development. Ignoring environmental problems can lead to degradation and depletion of natural resources which could prove detrimental to both the corporate sector business and the society. The Company put their attempts to plant more and more tree nearby its vicinity and cleanliness.

Eradicating Hunger and Poverty

India is the fastest growing large economy in the world today. Despite this, one in every five Indians is poor. The first consequence of being poor is hunger. The Company has aim to minimize hunger and poverty at best possible level. The Company's activities include distribution of free meals and other household things to poor people mostly children and women. It also includes support in disaster preparedness and rehabilitation activities like Reconstruction efforts through retrofitting, improvements, shelter construction and distribution of foods, clothes etc.

Women Empowerment

Almost every country, no matter how progressive has a history of ill-treating women. In other words, women from all over the world have been rebellious to reach the status they have today. The Company focuses on betterment of women involved in prostitution. It is need of the day to create awareness against this in public, creating employment opportunities, providing education, giving guidance and counselling, establishing rehabilitation centre etc. so that they can become part of the society.

The Company belongs to the Saurashtra Region of Gujarat State. Saurashtra region comprises eleven districts of the state, Rajkot district is one of them where the Company is situated. The Company gives priority to this Saurashtra Region for CSR Expenditure.

The Company is maintaining a wind turbine (KW 600) at village Gandhvi (Lamba), Ta. Kalyanpur in Jamnagar District for utilizing renewable energy.

The Company makes investment of revenue nature for conservation of energy on regular basis. No separate capital investment has been made for energy conservation during the year.

B) Technology Absorption

Your Company continues to derive sustainable benefit from the strong foundation and long tradition of R&D which differentiates it from others. New models, variants, processes and benefits flow from work done in R&D Centre. The R&D of the Company based at Pune work closely with the business to create exciting innovations that help us win with our consumers. During the year under review, your Company continued to work on technology upgradation and capability development in the critical areas of Powertrain, Gasoline Engines, Transmission, CED, Simulations, Emission, Safety, Weight reduction, Alternate fuels, Automotive electronics and Connected Vehicles. These technology focus areas are important to stay competitive in the market today and in the times to come.

To serve the customers with better, innovative and latest technology product, the Company has invested the amount in R&D activities in financial year 2021-22 as under:

Particulars	(₹ in Lacs)

MANAGEMENT DISCUSSION AND ANALYSIS

ECONOMY DURING FISCAL 2022

Global

The world economy grew by 6.1 percent in 2021, posting one of the strongest post-recession recoveries in decades, as vaccination coverage gathered steam and pandemic-related restrictions eased. Private investments returned in response to a more robust demand, as governments and central banks of major economies maintained policy support. Global trade improved progressively, surpassing pre-pandemic levels.

A tentative recovery in 2021 has been followed by increasingly gloomy developments in 2022. The recovery was accompanied by an increase in inflation as commodity and energy prices shot up amid global supply chain disruptions. The prices started increasing further in the last quarter of FY 2021-22 on account of Russia-Ukraine crisis, and the subsequent imposition of economic sanctions. Economic slowdown in two major economies of the world i.e. China and United States has added negativity. This world over political crisis lead to reduction in global economy growth forecast for 2022 from 4.9 percent to 3.2 percent as per world economic outlook in July 2022. Due to all this, the global economy growth forecast for 2023 further downward to 2.9 percent. All these macro-economic situations make the current outlook extraordinarily uncertain.

Indian

The Indian economy reported an attractive recovery in FY 2021-22, its GDP rebounding from a de-growth of 7.3% in FY 2020-21 to a growth of 8.7% in FY 2021-22. This is the strongest pace among major economies. The economic expansion has been supported by a strong national vaccination drive that enabled easing of COVID-19 related restrictions. India administered more than 200 crore doses of vaccine during the financial year. With global inflation, India also faced the high inflation during FY 2022. The wholesale price index (WPI) based price rise surged to a 30-year high of 12.96% in FY22, on rising commodity prices and a low base of 1.3% in FY21.

Though the second wave of COVID-19 shaken the Indian Economy in early FY 2021-22, urban demand remains strong with improved mobility and debit and credit card spending. Overall fuel consumption grew by 4% in FY 2021-22. Debit and credit card spending increased by 26% Y-o-Y in March 2022. However, overall auto sales have been weak on the back of persistent supply chain shortages around the world.

Industrial indicators continued to remain robust, with manufacturing and services PMI in expansion zone for most of the year. Electricity demand for FY 2021-22 grew by 8% Y-o-Y, even after the economy witnessed coal shortages in early part of December 2021 quarter. Government revenue generation remained robust with GST collections averaging more than Rs.1.2 lakh crore per month, increasing 31% Y-o-Y. Digital adoption gathered further pace with growth in UPI payments during FY 2021-22 rising more than 100% Y-o-Y. RBI maintained its accommodative monetary stance, keeping reference rates unchanged during FY 2021-22.

Subsequently, with rising inflationary pressure, RBI raised repo rate by 90 bps and further 50 bps, withdrawing its accommodative stance. India's merchandise exports crossed US\$400 billion during the year, growing at more than 40% Y-o-Y led by engineering goods, petroleum products and gems & jewelry.

India's foreign exchange reserves remained above \$600 billion by the end of FY 2021-22, providing a cushion against external shocks. Indian government's financial policy is centered around growth and gradual fiscal consolidation. With a budgeted fiscal deficit of 6.4% for FY 2022-23, focus remains on capital expenditure. Major policy initiatives during the year included continuation of COVID19-related relief measures and a focus on Production linked incentive (PLI) schemes in various key sectors to provide impetus to investment, growth and employment. As per IMF India is expected to remain the fastest growing economy in FY 2022-23, growing at 7.4% led by expected improvement in credit growth, investment and consumption growth.

AUTO INDUSTRY

The domestic auto Industry witnessed a de-growth of (-) 6% in FY 2021-22 whereas the exports grew by around 36%, combined numbers are almost in line with the numbers of last year. All segments are facing supply side challenges and the industry is yet to see complete recovery following the disruptions it has been facing since early 2020.

Considering the post-COVID recovery in other segments of the industry, the worst recovery is seen in three-wheeler segment particularly on domestic front.

Domestic Market

Total domestic sales of three-wheeler industry was 2,60,995 units in FY 2022 in compare to 2,19,446 units in FY 2021. Though it shows the growth of 18.93% on low base year of FY 2021, it is down by almost 60% in compare to pre-COVID FY 2020.

Atul sold 14,456 three wheelers in domestic market in FY 2022 against 15,349 units last year. Among this, the sales of passenger and cargo three wheelers de-grew by (-) 20.45 % and (-) 3.36 % respectively whereas E-Rickshaw sales grew by 108.07%. Atul's market share decreased to 5.51% in FY 2022 from 6.99% in FY 2021. This decrease is due to sudden change in industry product mix. The share of CNG 3Ws in domestic industry raised 51% whereas the decrease by 29% is shown in diesel 3Ws in FY 2021-22 where the Company is having good strength.

International Market

The international market for three wheeler industry showed a healthy growth of 27.16% in FY 2022 in compare to FY 2021. It succeeded to reach near pre-COVID level.

Atul's export increased from 946 vehicles in FY 2022 to 1605 vehicles in FY 2021. Though there is an increase, it is away to achieve pre-COVID level.

RESEARCH AND DEVELOPMENT

The Company has been strategically making required investment in Research and Development Activities. The main focus of the Company in sphere of R&D is on electric vehicle capable of providing the comfort that is being given by the alternate fuel three wheelers. The Company has also in the process of launching more models and variants in Alternate Fuel Three Wheelers with a capacity of 0.50 tonne on the back of a strong support of R&D.

The R&D team continues their efforts in developing cutting-edge technologies that are relevant for the near and long-term requirements of the Company's business plans. These developments are centered on customers, emerging mobility needs, providing advanced safety systems and sustainability. The Company continues to leverage global talent through several co-operations with Indian and global expert organizations.

Alternate Fuel 3W

The Company has been moving progressively into Alternate Fuel 3W (Petrol/ CNG/ LPG) space. As part of Company's commitment to make constant embellishments in its Alternate Fuel 3W space, the Company has been focused on improving its Alternate Fuel 3W in terms of comfort and economy in 0.35 tonne as well as 0.50 tonne segment.

Electric Vehicles (EV)

Backed with the rich experience in the three wheeler industry, the Company understands the need of the day, value of environment and importance of sustainability. The Board considers the introduction of Green 3Wheeler a new era for the industry as well as for the Company. Considering the benefits provided under FAME II (Faster Adoption and Manufacturing of Hybrid & Electric Vehicles) and rising fuel costs, the Boards believes in bright future of electric three wheeler and necessary developments are going into this segment. Considering the importance of EV, the Board has made Atul Greentech Private Limited ("AGPL"), a dedicated subsidiary company to do the EV L5 category business. Recently, AGPL has raised the fund of Rs.15 Crore by issue of equity shares on private placement basis at the price of ₹60/- (Including a premium of ₹50/- per share).

The Company has a tested and homologated model in 3W EV L5 category with fixed Lithium-ion Battery Packs. The launch of which is expected in fiscal 2023. Further, AGPL has tied-up with Honda Power Pack Energy India and Valeo to develop the prototype Cargo and Passenger three wheeler with the most reliable Honda Mobile Power Pack e: Swap & Valeo powertrain system. This is considered as a remarkable step towards providing swappable battery solution in 3W segment.

ACQUISITION OF KHUSHBU AUTO FINANCE LIMITED, AN NBFC

It is inadvertent to have a sufficient retail finance facility for growth of any automaker. The Company has strategically completed the acquisition of an NBFC namely Khushbu Auto Finance Limited by acquiring its remaining 70% stake with an investment of ₹44.57 Crore. Now, it's a Wholly Owned Subsidiary. This strategic move would surely fill the gap for retail financing facilities to the customers of Atul vehicles. It would act as a spirit to expand or strengthen the reach of the Company where the dealers were in need of the retails financiers to boost the business. This is a forward integration which will further give their results in long run with integration of business policies and synergetic steps. It would be further beneficial while launch of electric vehicles of AGPL.

OPPORTUNITIES AND THREATS

The whole automobile industry has been transforming towards greater safety and greener environment. Considering the importance of automobile industry to the economy, its potential for generating employment opportunities and its backward and forward linkage with several sectors, the Government is keen to support its development.

Though the world is being normalized and coming out of COVID-19 pandemic, the fear of another wave or another variant are yet not gone considering the new COVID cases are detected on regular basis. People are still reluctant to use of shared/ large public transport. This changed preference would lead to enhanced need for a separate mobility solution like three wheeler automobiles than travelling by local train/ buses in the wake of more steps moving towards schools, colleges and offices.

The Government is actively pursuing the plan for electrification of

the vehicle fleet and has announced the benefits under FAME II (Faster Adoption and Manufacturing of Hybrid & Electric Vehicles) policy. The industry is gearing up for meeting this challenge on the technology and product fronts. Having required technology support and R&D strength, the Company is satisfactorily progressing to launch electric three wheeler with Lithium-ion battery.

With new range of Alternate Fuel 3W (Petrol/ CNG/ LPG) and recovery of economic activities in the world amongst COVID-19 pandemic, the Company expect to have deeper penetration in existing markets and entering into new countries to expand the international business.

RISKS AND CONCERNS

The second wave of COVID which hit India in first quarter of the fiscal 2022 disrupted business because of its intensity. Global supply chain was affected, impacting logistics cost and lead time due to port congestions and container unavailability.

Global automotive industry was badly affected due to semiconductor unavailability and as a result, the Company lost significant volumes in the first two quarters of FY 2022. Countermeasures taken to mitigate the risk helped in and increasing volumes in the second half of the year and efforts are continuing to de-risk the supply chain to meet the business demand.

Geopolitical issues are putting the uncertainty in every sphere of the economy. Last quarter of FY 2022 saw another risk emanating due to the Russia-Ukraine conflict which led to soaring commodity prices and impact on availability of material. The Company took appropriate steps to counter the problem to minimize the impact including the effect of fresh wave of COVID in China threatening global supply chain. In FY 2022, the Company initiated various countermeasures to minimize any short-term impact and mitigate any long-term impact on the Company. This included comprehensively looking at cost structures and optimizing them, cash flow management, and sustained investment in new products.

After BS-VI implementation in 2020, the Indian auto industry will now be looking at the next tranche of emission norms to follow in quick succession, with CAFE 2 (Corporate Average Fuel Economy) and RDE (Real Driving Emissions) planned for 2022-23. Your Company is working on various Powertrain and Vehicle level technologies such as friction reduction and electrification for further CO2 improvement needed to achieve the emission targets.

While more than 90% sales of three wheelers are dependent on finance by NBFCs & financial institutes like bank etc., the availability of retail finance has become the major concern. After the high NPAs last year, the financiers will be highly selective for disbursal of fresh loan. This would result in higher cost of finance in the form of higher interest rate to the customers, reduction in LTV and less availability of the loans.

A surge in post-pandemic global demand, outbreak of Russia-Ukraine war; coupled with severe supply side constraints resulted in a sharp rise in commodity prices. It reverses the gains in margins accrued to the industry in the past few years from benign commodity and energy prices.

The Company has initiated various measures to mitigate the above risks including realigning the cost structure in line with the scale of activities, limited credit sales, getting retail finance support through KAFL etc., With existing expertise-experience in the three wheeler business, robust management, minimum debt, sufficient finance availability, the Company is equipped to pass through the challenging year.

OUTLOOK

There are various positive and negative factors affecting the automobile industry. Basis these recent developments, Automobile Industry has the potential to contribute about 12% of the total GDP of the nation and create around 65 million employment opportunities, as per the original Automotive Mission Plan 2016-26.

A report by India Energy Storage Alliance estimated the EV market to increase at a CAGR of 36% until 2026. The EV battery market is also expected to expand at a CAGR of 30% during the same period. Cumulative investment of ₹12.5 trillion (US\$ 180 billion) in vehicle production and charging infrastructure would be required until 2030 to meet India's EV ambitions. With the government's aim to move towards a completely Aatmanirbhar Bharat, the Ministry of Heavy Industries has sanctioned 2877 public EV charging stations in 68 cities all over India, under the Scheme for Faster Adoption and Manufacturing of Electric Vehicles in India Phase-II (FAME India Phase II) to be set up by Oil Marketing Companies in prominent cities and highways. The government also announced a battery-swapping policy in the Union Budget 2022-23, which will allow drained batteries to be swapped with charged ones at designated charging stations, thus making EV's more viable for potential customers.

To help the automotive industry overcome the cost disabilities, economies of scale, and facilitate growth of the industry by building a robust supply chain, in areas of Advanced Automotive Technologies [AAT], government has launched the PLI scheme for automobile and the auto component industry, for the next 5 years-starting FY 2022-23 with an outlay of 26,000 crores. This scheme will facilitate the automotive industry to move up the value chain into higher value-added products, apart from generating employment. The scheme will also provide incentive of up to 18 per cent, to encourage industry to make fresh investments in indigenous supply chain of AAT products.

In FY 2021, the pandemic and lockdown resulted in de-growth of the Indian economy for the first time in 41 years. In H2FY21, the economy saw a sharp revival due to gradual re-opening and pent-up demand for personal vehicles. But the three wheeler industry was exception to it. In April 2021, we have witnessed a second COVID-19 wave spreading across the country resulting in localised lockdowns. This has resulted in temporary slowdown in the economy.

Growth in fiscal 2023 and coming years is expected to be holistic, supported by following factors:

- i) Strong rural demand by favorable agri season
- ii) A pickup in urban consumption demand due to increasing vaccination coverage, ease of restrictions.
- iii) Improving consumer sentiment
- iv) Normal monsoon as per the initial forecast of the India Meteorological Department
- v) Increase in CNG dispensing units
- vi) Extension of FAME Incentives
- vii) Possibility of fuel prices getting moderated as India imports from Russia
- viii) Uptick in capex spends by the Central and State governments as also private corporates
- ix) Stability in commodity prices

The Company has been analyzing what has been happening in the economy specifically concerning the supply and demand, and taking steps to align the business with it to overcome the risk and grab the opportunity wherever it is available. The Company is also eyeing over the opportunity lying in three wheeler EV segment across the globe.

INDEPENDENT AUDITOR'S REPORT

On the Standalone Indian Accounting Standards (Ind AS) Financial Statements

To the Members of
ATUL AUTO LIMITED

Opinion

We have audited the accompanying Ind AS Standalone financial statements of **ATUL AUTO LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss which also includes Other Comprehensive Income and Cash Flow Statement and the statement of Changes in Equity for the year ended, and notes to financial statements including summary of significant accounting policies and other explanatory information (hereinafter referred to as 'Standalone Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of

Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on standalone Ind AS financial statements.

Emphasis of Matter

Attention is drawn to the following Notes to the Ind AS financial statements:

We would like to draw your attention to Note No. 47 of the Standalone Financial Statements which states the management's estimation of impact of COVID-19 on financial statements of the company for the year ended March 31, 2022.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters to be communicated in our Report:-

Sr. No.	Key Audit Matter	Auditor's Response
1.	Going Concern Matter- Evaluation of Going Concern	Principal Audit Procedures- The evaluation of going concern basis of accounting performed by the management of the Company is identified as a key audit matter because as at March 31, 2022, the Company had incurred Cash Losses in preceding 2 Financial Years. We have been provided by management with a detailed future plan of the company involving Future Ratios and expected realisation of its Financial assets and payment of financial liabilities and other accompanying financial and Non Financial Information as to justify the future viability of the business. Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. However, we have nothing to report in this matter.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Management is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements,

management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from an error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the

standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore reported as key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure-A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE B TO INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls for financial reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the act')

We have audited the internal financial control over financial reporting of ATUL AUTO LIMITED ('the company') as of March 31, 2022 in conjunction with our audit of the standalone Ind AS financial statement of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, and accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining and understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Control over Financial Reporting

A company's internal financial control over financial reporting

is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of the management and directors of the company; and
- Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022 based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

However, looking to the expansion of the company in terms of volume & capital expenditure. An appointment of external audit professional is suggested. Our opinion is not modified for this matter.

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2022

Background

Atul Auto Limited (the company) is a public company domiciled in India and situated at Shapar(Gujarat), incorporated on 18-06-1986. Its shares are listed on two stock exchanges in India - Bombay Stock Exchange Limited (BSE) and National Stock Exchange of India Limited (NSE). The Company manufactures and sales Auto rickshaws in domestic and overseas market.

The standalone financial statements were approved for issue in accordance with a resolution of the Board of Directors of the Company on May 27, 2022

1 Basis of Preparation

These financial statements are prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and relevant provisions of the Companies Act, 2013

The financial statements are presented in Rs, which is also the Company's functional currency and all values are rounded to the nearest lacs (Rs,00,000), except when otherwise indicated.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III (Division II) to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Summary of Significant Accounting Policies followed by the Company

1.1 System of Accounting

- (i) The Company follows the mercantile system of accounting and recognises income and expenditure on an accrual basis except in case of significant uncertainties. This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

Use of Estimates, Judgement & Assumptions

- (ii) Estimates, judgements and assumptions used in the preparation of these financial statements and disclosures made therein are based upon Management's evaluation of the relevant facts and circumstances as of the date of the financial statements, which may differ from the actual results at a subsequent date. The following are items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about basis of calculation for each affected line item in the financial statement.
- (a) Provision for warranty claims
- (b) Valuation of employee benefits
- (c) Provision for tax expenses
- (d) Provision for expected credit loss
- (e) Provision for after sales activities

Estimates and judgments are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the company.

(iii) Estimation of uncertainties relating to the global pandemic from COVID-19

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables, and investment in associate. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information including credit reports, economic forecasts and related information. Based on current estimates company expects the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements.

1.2 Revenue Recognition

(A) Sales

- (i) Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue is presented exclusive of Goods & Services tax. Post the applicability of GST with effect from 1st July 2017, Sales are required to be disclosed net of GST. The Company recognises revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Company.

(ii)	Domestic sales are accounted for on dispatch from the point of sale corresponding to transfer of significant risks and rewards of ownership to the buyer. The nature of contracts of the Company are such that no material part performance obligations would remain unfulfilled at the end of any accounting period.
(iii)	Export sales are recognised on the date of the shipped on board signifying transfer of risks and rewards of ownership to the buyer as per terms of sale and initially recorded at the relevant exchange rates prevailing on the date of the transaction.
(iv)	<p>Sale of Products:</p> <p>The Company earns revenue primarily from sale of automotive vehicles, parts and accessories.</p> <p>Payment for the sale is made as per the credit terms in the agreements with the customers. The credit period is generally short term, thus there is no significant financing component.</p> <p>The Company's contracts with customers do not provide for any right to returns, refunds or similar obligations. The nature of contracts of the Company are such that no material part performance obligations would remain unfulfilled at the end of any accounting period</p> <p>The Company provides warranties for general repairs of defects as per terms of the contract with ultimate customers. These warranties are considered as assurance type warranties and are accounted for under Ind AS 37- Provisions, Contingent Liabilities and Contingent Assets Refer Note 16.</p> <p>Revenue is recognised when the performance obligations are satisfied and the control of the product is transferred, being when the goods are delivered as per the relevant terms of the contract at which point in time the Company has a right to payment for the goods, customer has possession and legal title to the asset, customer bears significant risk and rewards of ownership and the customer has accepted the asset or the Company has objective evidence that all criteria for acceptance have been satisfied.</p> <p>The Company, on behalf of its customers (dealers and distributors), dispatch the goods to agreed locations for an agreed fee. The Company has determined that the performance obligation of the Company is to arrange for those goods and services (Company is an agent) to the dealers and hence the amount charged to the customer offset by freight charges paid to the freight service providers is shown as revenue and disclosed as other operating income or other operating expenses, depending upon the results of the offsetting.</p>
(B)	Export Incentives
(i)	Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are reasonably expected to be fulfilled.
(C)	Other Income
	The Company recognises income (including rent etc.) on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent of uncertainty.
1.3	Property, Plant and Equipment and Depreciation
(i)	Capital work in process, Property, plant and equipment except land are carried at historical cost of acquisition, construction or manufacturing cost, as the case may be, less accumulated depreciation and impairment thereon if any. Freehold land is carried at cost of acquisition. Cost represents all expenses directly attributable to bringing the asset to its working condition capable of operating in the manner intended.
(ii)	Costs incurred to manufacture property, plant and equipment and intangible are charged to particular property plant & equipment. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.
(iii)	Land and buildings acquired/constructed, not intended to be used in the operations of the Company and held for earning long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, are categorised as investment property.
(iv)	Other Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre-operative expenses and disclosed under Capital Work-in-Progress.
(v)	Assets in the course of construction are capitalised in the assets under construction account. At the point when an asset is operating at management's intended use, the cost of construction is transferred to the appropriate category of property, plant and equipment and depreciation commences. Costs associated with the commissioning of an asset are capitalised where the asset is available for use.
(iv)	Depreciation and Amortisation methods, estimated useful lives and residual value
	On Tangible Assets
(a)	Depreciation is provided on a pro rata basis on the straight line method to allocate the cost, net of residual value over the estimated useful lives of the assets.
(b)	Useful life of assets are determined by the Management by internal technical assessments and such useful life is in conformity with Schedule - II of companies act. Depreciation on additions is being provided on pro rata basis from the month of such additions.

(c)	<p>Depreciation on assets sold, discarded or demolished during the year is being provided up to the month in which such assets are sold, discarded or demolished.</p> <p>The property taken under operating lease is depreciated over the lease term if there is no reasonable certainty that the Company will obtain ownership at the end of the lease term.</p>
(v)	<p>Impairment of Assets</p> <p>Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash generating units).</p>
1.4	<p>Intangible Assets</p>
	<p>Product Development Cost</p> <p>Product Development Cost incurred on new vehicles platforms, variants on existing platforms and new vehicles aggregates are recognized as intangible assets and are included under fixed assets. These amounts are amortized over sixty months from the commencement of commercial production.</p>
	<p>SAP Implementation Charges</p> <p>Expenses incurred for implementation of SAP are recognized as intangible assets and are included under fixed assets. The amounts are amortized over sixty months from the implementation of SAP.</p>
1.5	<p>Investment Property</p> <p>Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.</p> <p>Depreciation on investment property is provided on a pro rata basis on straight line method over the estimated useful lives. Useful life of assets, as assessed by the Management, corresponds to those prescribed in Part 'C' Schedule II of companies act.</p>
1.6	<p>Investments, Financial Assets and Financial Liability</p>
(a)	<p>Investment in Associate</p> <p>Interest in Associate is recognised at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments. The Company assesses at the end of each reporting period, if there are any indications that the said investments may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.</p>
(b)	<p>Investment in Subsidiary</p> <p>Interest in Subsidiary is recognised at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments. The Company assesses at the end of each reporting period, if there are any indications that the said investments may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.</p>
(c)	<p>Step Acquisition as per Ind AS 27</p> <p>The company has adopted the accumulated cost approach for step acquisition of subsidiaries. The company accounts for Investments in Associates at historical cost and not adjusted to fair values at end of each reporting period. Further Investments, whenever made in such companies are accounted for at historical cost and is added to the existing cost of Investments.</p>
(c)	<p>Other Investments and Financial Assets</p>
(i)	<p>Classification</p> <p>The Company classifies its financial assets in the following measurement categories:</p> <p>Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those measured at amortised cost.</p> <p>The classification is done depending upon the Company's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will be recorded in profit or loss.</p>
(ii)	<p>Measurement</p> <p>At initial recognition, the Company measures a financial asset at its fair value.</p> <p>Fair value through Profit or Loss: Assets that do not meet the criteria for amortised cost, are measured at fair value through profit or loss e.g. investments in mutual funds.</p>

(iii)	<p>Impairment of Financial Assets</p> <p>The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk and if so, assess the need to provide for the same in the Statement of Profit and Loss.</p>
(iv)	<p>Derecognition of Financial Assets</p> <p>A financial asset is derecognised only when Company has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised.</p>
(v)	<p>Income Recognition</p> <p>Dividend</p> <p>Company recognises dividend in the statement of profit & loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the company and the amount of the dividend can be measured reliably.</p> <p>Interest Income</p> <p>Interest income from fixed deposits, corporate guarantee and from dealers deposits are recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.</p>
(d)	<p>Financial Liability</p> <p>(i) Classification as Debt or Equity</p> <p>Debt and equity instruments issued by the Company are classified either as financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of a financial liability and an equity instrument.</p> <p>An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.</p> <p>(ii) Initial Recognition and Measurement</p> <p>All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables.</p> <p>(iii) Subsequent Measurement</p> <p>The measurement of financial liabilities depends on their classification, as described below:</p> <p>Trade and Other Payable</p> <p>These amounts represent obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. These payable are classified as current liabilities if payment is due within one year or less otherwise they are presented as non-current liabilities. Trade and payables are subsequently measured at amortised cost using the effective interest rate method.</p> <p>Derecognition</p> <p>Liability is removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/ (losses).</p> <p>When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.</p> <p>Liability is classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.</p>
1.7	<p>Foreign Currency Transactions</p> <p>(i) Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee, which is Company's functional and presentation currency.</p> <p>(ii) On initial recognition, all foreign currency transactions are recorded at foreign exchange rate on the date of transaction.</p>

(iii)	Monetary items of current assets and liabilities in foreign currency outstanding at the close of financial year are revalued at the appropriate exchange rates prevailing at the close of the year.
(iv)	The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates, in case of monetary current assets and liabilities in foreign currency, are recognised in the Statement of Profit and Loss.
1.8	Inventories
	Cost of inventories have been computed to include all costs of purchases (including materials), cost of conversion and other costs incurred, as the case may be, in bringing the inventories to their present location and condition.
(i)	Finished stocks of vehicles are valued at cost of manufacturing or net realisable value whichever is lower.
(ii)	Raw materials, Stores, Packing Materials, tools and components are valued at cost arrived at on simple average basis or net realisable value, whichever is lower, as circumstances demand. However, obsolete and slow moving items are valued at cost or estimated realisable value whichever is lower.
(iii)	Goods in transit are stated at actual cost incurred up to the date of Balance Sheet.
	Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.
1.9	Research & Development Expenditure
	Research & Development expenditure is charged to revenue under the natural heads of account in the year in which it is incurred. Expenditure on development which does not meet the criteria for recognition as an intangible asset is recognized as an expense when it is incurred.
1.10	Taxation
	Provision for tax is made for the current accounting period (reporting period) on the basis of the taxable profits computed in accordance with the Income-tax Act, 1961 and the Income Computation and Disclosure Standards prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.
	Deferred taxes are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences.
	Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.
1.11	Provisions and Contingent Liabilities
	The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation such as product warranty costs. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.
1.12	Operating lease including on Investment Properties
	As a Lessor
	The company has leased out its assets and such leases where the company has substantially retained all the risks and rewards of ownership are classified as operating leases. Lease income on such operating leases are recognised in the statement of profit & loss on a straight line basis over the lease term in a manner which is representative of the time pattern in which benefit derived from the use of the leased asset is diminished. Initial direct costs are recognised as an expense in the statement of profit & loss in the period in which they are incurred. Under operating lease, the asset is capitalised within property plant & equipment and depreciated over its useful economic life. Therefore, Ind AS 116 does not have an impact for leases where the company is the lessor.
	As a Lessee
	Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease. The Company's lease asset primarily consists of Building. The company assesses whether a contract contains a lease, at inception of contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:
	(i) the contract involves the use of an identified asset
	(ii) the Company has substantially all the economic benefits from use of the asset through the period of the lease and
	(iii) the Company has the right to direct the use of the asset.
	At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases), and lease contract for which the underlying asset is of low value (low-value assets). For these short-term, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial measurement of the lease liability adjusted plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate of cost of capital. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

In calculating the present value of lease payments, the company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable.

Transition

Effective from April 1, 2019, the Company adopted Ind AS 116, Leases and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method, on the date of initial application. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental cost of capital and the ROU asset at its carrying amount as if the standard had been applied since the commencement date of the lease, but discounted at the Company's incremental cost of capital at the date of initial application. Comparatives as at and for the year ended March 31, 2019 have not been retrospectively adjusted and therefore will continue to be reported under the accounting policies included as part of our Annual Report for year ended March 31, 2019. On transition, the adoption of the new standard resulted in recognition of 'Right of Use' asset of 112 lakhs, and a lease liability of 112 lakhs. The effect of this adoption is not significant on the profit before tax, profit for the period and earnings per share. Ind AS 116 has resulted in an increase in cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments. Lease liability and ROU asset have been separately presented in the Balance Sheet.

1.13 Government Grants

Grants and subsidies from the government are recognized when there is reasonable assurance that

- (i) the company will comply with the conditions attached to them, and (ii) the grant/subsidy will be received.

When the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant relates to an asset, it is recognized as deferred income and transfer to income in equal amounts over the expected useful life of the related asset.

Where the company receives non-monetary grants, the asset is accounted for on the basis of its acquisition cost. In case a non-monetary asset is given free of cost, it is recognized at a nominal value.

1.14 Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

1.15 Cash and Cash Equivalents

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, balance with banks.

1.16 Employee benefits

Employee benefits include salaries, wages, contribution to provident fund, gratuity, leave encashment towards un-availed leave, compensated absences, and other terminal benefits.

(i) Gratuity

Payment for present liability of future payment of gratuity is being made to approved gratuity fund, which fully covers the same under Cash Accumulation Policy and Debt fund of the Life Insurance Corporation of India (LIC). However, any deficit in plan assets managed by LIC as compared to the liability based on an independent actuarial valuation is recognised as a liability.

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method in conformity with the principles and manner of computation specified in Ind AS 19.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

- (ii) Provident fund contributions are made to Company's Provident Fund. The contributions are accounted for as defined benefit plans and the contributions are recognised as employee benefit expense when they are due.

(iii)	Defined contribution to superannuation fund is being made as per the scheme of the Company and recognised as expense as and when due.
1.17	Earnings per Share
	Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period. The weighted average number of equity shares outstanding during the period and all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period is adjusted for the effects of all dilutive potential equity shares.
1.18	Segment Reporting
	The company is engaged mainly in the business of automobile products. These, in the context of Indian Accounting Standard 108 on Operating Segment, as specified in the Companies (Indian Accounting Standards) Rules, 2015, are considered to constitute one single primary segment. Operating segments are reported in a manner consistent with the internal reporting provided to the Core Management Committee which includes the Managing Director who is the Chief Operating Decision Maker.
1.19	Recent Pronouncements
	The Ministry of Corporate Affairs has vide notification dated 23rd March 2022 notified Companies (Indian Accounting Standards) Amendment Rules, 2022 which amends certain accounting standards, and are effective 1st April 2022. Below is a summary of such relevant amendments and requirements. No significant impact is expected on adoption of these amendments.
i)	Ind AS 16, Property, Plant and Equipment (PPE):
	The amendment clarified that an entity shall deduct from the cost of an item of PPE any proceeds received from selling items produced while the entity is preparing the asset for its intended use.
ii)	Ind AS 37, Provisions, Contingent Liabilities and Contingent Assets:
	Onerous Contracts - Cost of fulfilling a contract: The amendment explains that the cost of fulfilling a contract comprises the incremental costs and an allocation of other costs that relate directly to fulfilling contracts.
iii)	Ind AS 109 Financial Instruments:
	Ind AS 109 Financial Instruments: The amendment clarifies any cost or fees that an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a Financial Liability.

The best evidence of fair value is current prices in an active market for similar properties. Since investment properties leased out by the Company are cancellable, the market rate for sale/purchase of such premises are representative of fair values. Company's investment properties are at a location where active market is available for similar kind of properties. Hence, fair value

is ascertained on the basis of market rates prevailing for similar properties in those location determined by the valuer vide report dated 27th June, 2017 and consequently classified as a level 2 valuation. For Bhayla (Ahmedabd) Properties the Purchase Value or the value as capitalized in the books of account has been considered as Fair Value.

Note - 40 Employee Benefits

(a) Gratuity

Payment for present liability of future payment of gratuity is being made to approved gratuity fund, which fully covers the same under Cash Accumulation Policy of the Life Insurance Corporation of India (LIC). However, any deficit in plan assets managed by LIC as compared to the liability on the basis of an independent actuarial valuation is recognised as a liability.

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is the present

value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method in conformity with the principles and manner of computation specified in Ind AS 19.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Sensitivity Analysis

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

(b) Provident Fund

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is

recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre payment will lead to, for example, a reduction in future payment or a cash refund. Amount recognised in statement of Profit & Loss is ₹229 lacs (Previous year ₹196 lacs).

Note - 43 Fair Value Measurement

This section explains the judgements and estimates made in determining the fair value of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed the Indian accounting standards. Explanation of each level as follows :-

Level - 1 Hierarchy includes financial instruments measured using quoted price. This includes mutual funds & listed Equity shares that have quoted price. The mutual funds are valued using the closing NAV.

Level - 2 The fair value of financial instruments that are not traded in an active market (for example trade bond, over-the-counter derivatives) is determined using valuation technique which maximise the use of observable market data and rely as little as possible on entity -specific estimates. If all significant inputs required to fair value of instrument are observable, the instrument is included in Level-2.

Level - 3 If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3.

During the year under consideration there is no transfer between level 1, level 2 and level 3 hierarchy.

Financial Assets Measured at Fair Value Measurements Recurring:-

(₹ in Lacs)

Particulars	31-Mar-22	31-Mar-21
Level -I		
Financial Investment at FVTPL		
Investment in Mutual Fund	-	1,050
Level -II	-	-
Level -III	-	-
Total	-	1,050

Valuation Techniques used to Determine Fair Value :-

Mutual funds are valued at the price quoted in active market at the closing of reporting date.

Fair Value of Financial Assets and Liabilities Measured at Amortised Cost :-

The carrying amounts of trade receivables, trade payable, other financial assets/liabilities, loans and cash & cash equivalents are considered to be the same as their fair values.

Note - 44 Financial Risk Management Objectives and Policies

Financial risk management objectives

The Company's management monitors and manages the financial risks relating to the operations of the Company. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk. The Company's risk management is done in close co-ordination with the board of directors and focuses on actively securing the

Company's short, medium and long-term cash flows by minimizing the exposure to volatile financial markets. The Company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes. The most significant risks to which the Company is exposed are described below

Risk	Exposure Arising From	Measurement	Management
Credit Risk	Cash and cash equivalents, financial assets and trade receivables	Aging analysis/Credit Rating	Analysis of no. of overdue days and track record of debtors. Levy of interest on overdue balances of trade receivables
Liquidity Risk	Other liabilities	Maturity analysis	Maintaining sufficient cash/cash equivalents and marketable investments
Interest Risk	Bank Borrowing	External Benchmark Interest Rate	Maintaining lower lever of leverage and negotiation with banker for interest rates
Market Risk- Foreign Exchange	Trade receivable from export transaction and trade payable for import transaction	Sensitivity analysis	Export of goods shall be made after receiving payments from customer and in other case original Bill of landing is held by company till payment received.

The Board provides guiding principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, credit risk and investment of surplus

liquidity. The Company's risk management is carried out by the finance department as per the policies approved by the Board of Directors.

Credit Risk :-

Credit risk arises from cash and cash equivalents, financial assets measured at amortised cost and fair value through profit or loss and trade receivables.

Credit Risk Management

For other financial assets the Company has an investment policy which allows the Company to invest only with counterparties having credit rating equal to or above AA+ and P1+. The company reviews the creditworthiness of these counterparties on an ongoing basis. Another source of credit risk at the reporting date is from trade receivables as these are

typically unsecured. This credit risk has always been managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to whom credit is extended in the normal course of business. The Company estimates the expected credit loss on the basis of past data and experience. Expected credit losses of financial assets receivable in the next 12 months are estimated on the basis of historical data provided the Company has reasonable and supportable data. On such an assessment the expected losses are nil or negligible, as evidenced in the table below, and hence no further provision than that already made is considered necessary.

Reconciliation of Provision for Expected Credit Loss – Trade Receivable

Particulars	(₹ in Lacs)	
	31-Mar-22	31-Mar-21
Loss allowance at the beginning of the year	524	263
Addition in loss allowance during the year	43	261
Loss allowance as at the end of the year	567	524

Liquidity Risk :-

The Company's principal sources of liquidity are 'cash and cash equivalents' and cash flows that are generated from operations. The Company has no outstanding term borrowings. The Company believes that its working capital is sufficient to meet its current requirements. Additionally, the Company has

sizeable surplus funds invested in fixed income securities or instruments of similar profile ensuring safety of capital and availability of liquidity if and when required. Hence the Company does not perceive any liquidity risk.

Interest Risk

Company has obtained Term Loan from Exim Bank. Interest Risk refers to change in interest rate due to change in benchmark interest rate in case of floating rate loan. As at 31st March, 2022 company's borrowing carries fixed interest rate hence, there will be no impact on the profitability of the company due to change in external benchmark interest rate.

Market Risk :-

Foreign Currency Risk

The Company operates, in addition to domestic markets,

significantly in international markets through its exports and is therefore exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the US\$. Foreign exchange risk arises from highly probable forecast transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency (₹).

- As at 31/03/2021 company has surplus cash available in the form of investment in liquid fund. During the year same has been utilized for Capital Expenditure & Investment in Subsidiary Co. Further, Term Loan obtained for capital expenditure is due for repayment in FY 22-23. Hence, Current Liability of the Co has increased accordingly. This has resulted in reduction of current ratio
- Till 31st March, 21 company has incurred capital expenditure from its own fund and obtained Term Loan only of Rs. 1500 Lacs. However, Company has obtained further Term Loan as reimbursement of capital expenditure and hence, Term Loan of the company is increased up to 7500 Lacs. Further Company has also obtained working capital loan for its working capital purpose. Hence Debt/Equity Ratio increased to 30% in 31st Mar 22 as compared to 31st Mar 21.
- On account of pandemic overall demand in the industry has been dropped and it has impacted the volume of sales of the company.
 - Further the composition within sales mix has changed for the industry as well as for the company
 - During the year commodity prices were volatile
 - Further during the year company has capitalized its Phase-1 of Ahmedabad Plant, Hence depreciation and other fixed expenses has increased.
 - Company has obtained borrowing of ₹ Lacs which has resulted in finance cost of the company
 - Hence due to all the above explained factors the Profitability of the company has been wrongly affected during the FY 21-22.

INDEPENDENT AUDITORS' REPORT

On the Consolidated Indian Accounting Standards (Ind AS) Financial Statements

To the Members of ATUL AUTO LIMITED

Opinion

We have audited the accompanying consolidated Ind AS financial statement of ATUL AUTO LIMITED ('the Holding Company') and its Subsidiary (collectively referred to as 'the Company' or 'the Group') (refer no. 1 to the attached consolidated financial statement) comprising of the consolidated balance sheet as at March 31, 2022, the consolidated statement of profit and loss (including other Comprehensive income), the consolidated cash flow statement and the consolidated statement of change in equity for the year ended, and notes to the consolidated Ind AS financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'consolidated financial statements').

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditor on separate financial statements and other financial information of the subsidiary, the consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS'), accounting principles generally accepted in India, of the consolidated state of affairs of the Company, as at March 31, 2022, consolidated profit, their consolidated cash flow and consolidated change in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the consolidated financial statements section of our report. We are independent

of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matter

- 1) Refer to note no. 43 which states the management's estimation of impact of COVID-19 on financial statements of the company for the year ended March 31, 2022. Our opinion is not modified in respect of this matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the 'Auditor's responsibilities for the audit of the consolidated financial statements' section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

Sr. No.	Key Audit Matter	How our audit addressed the key audit matter
1.	Evaluation of consolidation process The Group's consolidation process is complex on account of its conversion of financial statements of subsidiary (Khushbu Auto Finance Limited) into Ind AS which were prepared under Previous GAAP. The consolidation process includes evaluation of the significant influence, alignment of Subsidiary accounting policies with that of parent, and resultant tax adjustments which may require a high level of judgment.	We performed the following key audit procedures: <ul style="list-style-type: none">• Assessed the design, implementation and operating effectiveness of key controls in respect of Group's process of consolidation and management's procedures for alignment of group accounting policies, consolidation adjustments, and the resultant tax impact;• Read the underlying documents relating to significant group entities, including agreements to review the management's evaluation of significant influence;• Tested the relevant general IT and applications controls over the consolidation process to confirm the appropriateness of the alignment of Subsidiary accounting policies with that of parent; and• Evaluated whether the methodology applied by management for alignment of accounting policies is appropriate by reading the accounting policies of the significant group entities and matching it with the Group's accounting policies.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis Report and Business Responsibility Report, but does not include the consolidated financial statements and our auditor's report thereon.
- Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the subsidiaries and joint ventures audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries is traced from their financial statements audited by the other auditors.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the consolidated financial statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its associates and joint ventures in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associates and its joint ventures and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate or cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are

free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from an error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the business activities within the group and its associates and joint ventures to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such business activities included in the consolidated financial statements of which we are the independent auditors. For the business activities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our

independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- 1) We did not audit the financial statement of subsidiary company, whose financial statement reflect total property, plant & equipment and Intangible Asset of ₹104 Lacs & Capital WIP of ₹1,885 Lacs as at March 31, 2022; total revenue of ₹3,265 Lacs and net profit of ₹137 Lacs for the year ended on that date. These financial statements and other financial information have been audited by other auditor, whose audit report together with the financial statement, and other financial information have been furnished to us by the management. Our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of such subsidiary, and our report in terms of sub-sections (3) of section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the report of other auditor.
- 2) One of the Subsidiary Company is Non - Banking Financial Corporation and as per Rule 4(1)(iv) of The Companies (Indian Accounting Standards) Rules, 2015 read with Companies (Indian Accounting Standards) (Amendment) Rules, 2016 NBFCs shall comply with the Indian Accounting Standards (Ind AS) for accounting periods ending on March 31, 2022 with comparatives for period ending March 31, 2021, but it is not required to comply with Ind AS as company is not covered in criteria provided therein. However as per explanation to Rule 4(1)(iv) of Companies (Indian Accounting Standards) Rules, 2015 read with Companies (Indian Accounting Standards) (Amendment) Rules, 2016 such companies need to provide relevant financial statement data which is in accordance accounting policies followed by parent company. Consolidation of Subsidiary is made on the basis of relevant financial statement data provided by subsidiary which is in accordance with the accounting policies followed by the parent company for consolidation purposes.

Our opinion on the consolidated financial statement and our report on other legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and reports of the other auditor and the financial statement/financial information certified by the management.

Report on other legal and regulatory requirements

As required by section 143 (3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiary, as noted in the 'other matter' paragraph we report, to the extent applicable, that:

- a) With respect to the matters specified in paragraphs 3(xx) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/"CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiaries included

in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

- b) We/the other auditors whose report we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
- c) In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept by the Company so far as appears from our examination of those books and reports of the other auditors;
- d) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account for the purpose of preparation of the consolidated financial statements.
- e) in our opinion, the aforesaid consolidated Ind AS Financial Statement comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- f) On the basis of written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022, from being appointed as a director in terms of Section 164(2) of the Act.
- g) With respect to the adequacy of the internal financial controls over financial reporting with reference to these consolidated financial statements of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure A", and
- h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration paid/provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act, read with Schedule V of the Act.
- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us;
 - i) The consolidated financial statements disclose the impact, if any, of pending litigations on its financial position in its financial statements refer Note No. 33 to the consolidated financial statements;
 - ii) There are no long-term contracts including derivative contracts, hence the question of reporting any material foreseeable losses does not arise;
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the holding company.

- j) The respective Managements of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such subsidiaries to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in

writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

The respective Managements of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or any of such subsidiaries from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls over financial reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the act')

In Conjunction with our audit of the consolidated financial statements of Atul Auto Limited as of and for the year ended March 31, 2022, we have audited the internal financial controls over financial reporting of the group, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Group, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, and accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting of the Parent, its subsidiary, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the

audit evidence obtained by other auditors in terms of their report referred to in other matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Control over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of the management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the company and its subsidiary which are companies incorporated in India have, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022 based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

However, looking to the expansion of the group in terms of volume & capital expenditure either separate audit division or an appointment of external audit professional is suggested. Our opinion is not modified for this matter.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar

as it relates to three subsidiary company, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India

Note - 37 Employee Benefits

(a) Gratuity

Payment for present liability of future payment of gratuity is being made to approved gratuity fund, which fully covers the same under Cash Accumulation Policy of the Life Insurance Corporation of India (LIC). However, any deficit in plan assets managed by LIC as compared to the liability on the basis of an independent actuarial valuation is recognised as a liability.

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method in conformity with the principles and manner of computation specified in Ind AS 19.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Sensitivity Analysis

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

(b) Provident Fund

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre payment will lead to, for example, a reduction in future payment or a cash refund. Amount recognised in statement of Profit & Loss is ₹229 lacs (Previous year ₹196 lacs).

Note - 40 Fair Value Measurement

This section explains the judgements and estimates made in determining the fair value of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed the Indian accounting standards. Explanation of each level as follows :-

Level - 1 Hierarchy includes financial instruments measured using quoted price. This includes mutual funds & listed Equity shares that have quoted price. The mutual funds are valued using the closing NAV.

Level - 2 The fair value of financial instruments that are not traded in an active market (for example trade bond, over-the-counter derivatives) is determined using valuation technique which maximise the use of observable market data and rely as little as possible on entity -specific estimates. If all significant inputs required to fair value of instrument are observable, the instrument is included in Level-2.

Level - 3 If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3.

During the year under consideration there is no transfer between level 1, level 2 and level 3 hierarchy.

Level -I		
Financial Investment at FVTPL		
Investment in Mutual Fund	-	1,050
Level -II	-	-
Level -III	-	-
Total	-	1,050

Valuation Techniques used to Determine Fair Value :-

Mutual funds are valued at the price quoted in active market at the closing of reporting date.

Fair Value of Financial Assets and Liabilities Measured at Amortised Cost :-

The carrying amounts of trade receivables, trade payable, other financial assets/liabilities, loans and cash & cash equivalents are considered to be the same as their fair values.

Note - 41 Financial Risk Management Objectives and Policies

Financial risk management objectives

The Company's management monitors and manages the financial risks relating to the operations of the Company. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk. The Company's risk management is done in close co-ordination with the board of directors and focuses on actively securing the Company's short, medium and long-term cash flows by minimizing the exposure to volatile financial markets. The Company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes. The most significant risks to which the Company is exposed are described below

Risk	Exposure Arising From	Measurement	Management
Credit Risk	Cash and cash equivalents, financial assets and trade receivables	Aging analysis/Credit Rating	Analysis of no. of overdue days and track record of debtors. Levy of interest on overdue balances of trade receivables
Liquidity Risk	Other liabilities	Maturity analysis	Maintaining sufficient cash/cash equivalents and marketable investments
Interest Risk	Bank Borrowing	External Benchmark Interest Rate	Maintaining lower lever of leverage and negotiation with banker for interest rates
Market Risk- Foreign Exchange	Trade receivable from export transaction and trade payable for import transaction	Sensitivity analysis	Export of goods shall be made after receiving payments from customer and in other case original Bill of landing is held by company till payment received.

The Board provides guiding principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, credit risk and investment of surplus liquidity. The Company's risk management is carried out by the finance department as per the policies approved by the Board of Directors.

Credit Risk :-

Credit risk arises from cash and cash equivalents, financial assets measured at amortised cost and fair value through profit or loss and trade receivables.

Credit Risk Management

For other financial assets the Company has an investment policy which allows the Company to invest only with counterparties having credit rating equal to or above AA+ and P1+. The company reviews the creditworthiness of these counterparties on an ongoing basis. Another source of credit risk at the reporting date is from trade receivables as these are typically unsecured. This credit risk has always been managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to whom credit is extended in the normal course of business. The Company estimates the expected credit loss on the basis of past data and experience. Expected credit losses of financial assets receivable in the next 12 months are estimated on the basis of historical data provided the Company has reasonable and supportable data. On such an assessment the expected losses are nil or negligible, as evidenced in the table below, and hence no further provision than that already made is considered necessary.

Reconciliation of Provision for Expected Credit Loss – Trade Receivable

Particulars	31-Mar-22	31-Mar-21
Loss allowance at the beginning of the year	524	263
Addition in loss allowance during the year	43	261
Loss allowance as at the end of the year	567	524

Liquidity Risk :-

The Company's principal sources of liquidity are 'cash and cash equivalents' and cash flows that are generated from operations. The Company has no outstanding term borrowings. The Company believes that its working capital is sufficient to meet its current requirements. Additionally, the Company has sizeable surplus funds invested in fixed income securities or instruments of similar profile ensuring safety of capital and availability of liquidity if and when required. Hence the Company does not perceive any liquidity risk.

Interest Risk

Company has obtained Term Loan from Exim Bank. Interest Risk refers to change in interest rate due to change in benchmark interest rate in case of floating rate loan. As at 31st March, 2022 company's borrowing carries fixed interest rate hence, there will be no impact on the profitability of the company due to change in external benchmark interest rate.

Market Risk :-

Foreign Currency Risk

The Company operates, in addition to domestic markets, significantly in international markets through its exports and is therefore exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the US\$. Foreign exchange risk arises from highly probable forecast transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency (₹).

Open Exposure

The Company's exposure to foreign currency risk at the end of the reporting period is as follows:

Note - 42 Code on Social Security

The Code on Social Security, 2020 which received the President's assent on 28th September 2020 subsumes nine laws relating to Social security, retirement and employee benefits, including the Provident Fund and Gratuity. The effective date of the Code and rules thereunder are yet to be notified. The impact of the changes, if any, will be assessed and recognised post notification of the relevant date.

Note - 43 Impact of COVID-19

The Company has considered the possible effects of COVID-19 on the carrying amounts of Property, Plant and Equipment, Investments, Inventories, Trade Receivable and Other Current Assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the company, as at the date of approval of the financial statement, has used external and internal sources of information/ indicators to estimate the future performance of the Company. Based on current estimates the Company expects the carrying amount of these assets to be recovered. Hence, company has estimated nil impact of COVID-19 in the financial statement for year ended 31st March, 2022. The impact of the COVID-19 on the Company's Audited Financial Statement may differ from that estimated as at the date of approval of these statements.

- Till 31st March, 21 group has incurred capital expenditure from its own fund and obtained Term Loan only of ₹1,500 Lacs in holding company. During the year, group obtained further Term Loan as reimbursement of capital expenditure for expansion project of holding company and obtained term loan for setting up of battery management plant in subsidiary company. Further, during the year group acquired 70% equity shares of KAFL which resulted in KAFL being wholly owned subsidiary of the group. Hence, as at March 31, 2022 balance sheet of KAFL is consolidated on line to line basis which has resulted in increase in debt as compared to previous year. Further group has also obtained working capital loan for its working capital purpose.
- On account of pandemic overall demand in the industry has been dropped and it has impacted the volume of sales of the company.
 - Further the composition within sales mix has changed for the industry as well as for the company
 - During the year commodity prices were volatile
 - Further during the year company has capitalized its Phase-1 of Ahmedabad Plant, Hence depreciation and other fixed expenses has increased
 - Company has obtained borrowing of ₹7500 Lacs which has resulted in finance cost of the company
- As at March 31, 2022 group has consolidated financials of KAFL on line to line basis. KAFL is Non Banking Finance Company and its income from operation is finance income only. Hence, ratios based on sales are not comparable with previous years ratios.
