The deemed venue for the AGM shall be the Registered Office of the Company.
2. As per the Act, a Member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself and the proxy need not be a member of the Company. Since this AGM is being held through VC/ OAVM pursuant to the MCA Circulars, the physical attendance of the Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for this AGM and hence, the Proxy Form and Attendance Slip are not annexed hereto. However, body corporates are entitled to appoint authorised representatives to attend the AGM through VC/ OAVM and participate thereat and cast their votes through e-voting.
3. Since the AGM will be held through VC/ OAVM, the route map of the venue of the Meeting is not annexed hereto.
4. Members who desire a change/ correction in the Bank account details, should intimate the same to their concerned depository participants (“DPs”) and not to the Company’s Registrar and Share Transfer Agent (“RTA”). Members are also requested to give the MICR Code of their banks to their DPs. The Company or its RTA will not be able to entertain any direct request from Members for change of address, transposition of names, deletion of name of deceased joint holder and change in the bank account details. The said details will be considered as would be furnished by the DPs.
5. As per the circulars issued by the MCA and SEBI, the Business Responsibility and Sustainability Report (“BRSR”) for the Financial Year 2023-24 does not apply to the Company.
6. Members may note that the Notice of this AGM and the Annual Report will also be available on the Company’s website i.e. www.gitarenewable.com, websites of the Stock Exchanges i.e. BSE Limited (“BSE”) at www.bseindia.com and also on the website of National Securities Depository Limited (“NSDL”) i.e. www.evoting.nsdl.com.
7. The voting results will be declared within 2 (Two) working days from the conclusion of the AGM. The results declared along with the Scrutinizer’s Report shall be uploaded on the website of the Company i.e. www.gitarenewable.com and on the website of NSDL e-voting i.e.

ECONOMIC REVIEW

Global Economy

About \$7 trillion was spent on subsidizing the fossil fuel industry in 2022, including through explicit subsidies, tax breaks, and health and environmental damages that were not priced into the cost of fossil fuels.

In comparison, about \$4.5 trillion a year needs to be invested in renewable energy until 2030 – including investments in technology and infrastructure – to allow us to reach net-zero emissions by 2050.

The upfront cost can be daunting for many countries with limited resources, and many will need financial and technical support to make the transition. But investments in renewable energy will pay off. The reduction of pollution and climate impacts alone could save the world up to \$4.2 trillion per year by 2030.

Moreover, efficient, reliable renewable technologies can create a system less prone to market shocks and improve resilience and energy security by diversifying power supply options.

Indian Economy

India's renewable energy sector is expected to grow significantly in the coming years, with the country's renewable energy market projected to reach \$46.7 billion by 2032. India's renewable energy capacity has increased by 128% since 2014, and the country is the world's third largest producer of renewable energy. India's renewable energy goals include:

2030

India committed to producing 50% of its electricity from non-fossil fuel sources by 2030. The country's energy mix is expected to increase from 19% renewable energy in 2016 to 39% in 2030.

2040

India expects to generate 49% of its electricity from renewable energy by 2040, with more efficient batteries reducing solar energy costs by 66%.

Gita Renewable Energy Limited *14th Annual Report 2023 - 24*

India's renewable energy sector is expected to attract \$80 billion in investment over the next four years. The country is also taking steps to promote the use of renewable energy, including:

Vertical axis wind turbines

These turbines can be integrated into urban infrastructure like buildings and bridges, and are better suited to turbulent urban wind patterns than traditional wind turbines. They also reduce noise pollution and visual impact, making them more acceptable in densely populated areas.

Solar-powered EV batteries

These batteries can reduce emissions by 12–25% in different scenarios. Deploying 16 million EVs could also save \$2.1 million per vehicle in health costs from reduced on-road emissions.

Outlook

Despite the challenges, India is gaining power in the world order and is on track to become the world's third largest economy by 2027, surpassing Japan and Germany, and have the third largest stock market by 2030, thanks to global trends and key investments the country has made in technology and energy. India's GDP is likely to more than double from US\$ 3.5 trillion today to surpass US\$ 7.5 trillion by 2031. A Morgan Stanley report predicts that India will be one of the only three economies in the world that can generate more than US\$ 400 billion annual economic output growth from 2023 onwards, and this will rise to more than US\$ 500 billion after 2028.

INDUSTRY OVERVIEW

Global Renewable Energy Industry

Amid the major changes taking place, a new energy security paradigm is needed to ensure reliability and affordability while reducing emissions. The declining fossil fuel and expanding clean energy systems co-exist, since both systems are required to function well during energy transitions in order to deliver the energy services needed by consumers. And as the world moves on from today's energy crisis, it needs to avoid new vulnerabilities arising from high and volatile critical mineral prices or highly concentrated clean energy supply chains.

The environmental case for clean energy needed no reinforcement, but the economic arguments in favour of cost-competitive and affordable clean technologies are now stronger and so is the energy security case. Today's alignment of economic, climate and security priorities has already started to move the dial towards a better outcome for the world's people and for the planet.

India Renewable Energy Market

In 2023-24, India's renewable energy market experienced significant growth, adding a record 18.48 GW of capacity, a 21% increase from the previous year. This brought the total installed renewable energy capacity to approximately 190 GW, including large hydropower projects. However, India still needs to add around 50 GW annually to meet its ambitious goal of 500 GW by 2030 (Business News) (S&P Global).

Solar energy led this expansion, with installations reaching 85.47 GW by mid-2024, making India the fifth-largest solar power producer globally. Wind energy also contributed substantially, with a total capacity of 46 GW (Outlook Business).

Despite these achievements, the renewable sector faces challenges such as project delays due to supply chain issues and financing difficulties for large-scale projects like offshore wind (S&P Global). Nevertheless, India's commitment to clean energy continues to drive its transition, with

14th Annual Report 2023 - 24

the government increasing its budget and focusing on developing new technologies like green hydrogen (Outlook Business).

COMPANY OVERVIEW

GITA Renewable Energy Limited (GREL/ the Company) is a global pure-play, end-to-end renewable engineering, procurement and construction (EPC) solutions provider. Its key focus is to provide project design and engineering and to manage all aspects of project execution – from conceptualising to commissioning. It also provides Operations & Maintenance (O&M) services for own projects and those constructed by third parties.

Internal Control Systems

Internal control systems continued to function as effectively as in the past. Top management and the Board of Directors and the Committees thereof continue to be actively involved in ensuring that all controls work as intended.

Financial and Operations Performance

The Company's revenue from operations for the year under review is Rs. 8,40,000 during the period 2023-24 signifying a decrease of more than 80%. The decrease in revenue during the year under review is attributed to the decrease in the Investment activities. The operating profit has also been lower for the year under review.

INDEPENDENT AUDITORS' REPORT

To

The Members of Gita Renewable Energy Limited

Report on the audit of the Ind AS financial statements

Opinion

We have audited the accompanying Ind AS financial statements of Gita Renewable Energy Limited ("the Company"), which comprise the balance sheet as at March 31, 2024, and the Statement of Profit and Loss including statement of other comprehensive income, statement of cash flows and the statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit (or Loss)* including other Comprehensive income its cash flows and the changes in equity for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the Ind AS financial statements and our auditor's report thereon.

Gita Renewable Energy Limited
14th Annual Report 2023 - 24

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the financial statements

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting standards (Ind-AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules, 2015 as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for

Gita Renewable Energy Limited
14th Annual Report 2023 - 24

our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Ind AS financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we

Gita Renewable Energy Limited

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 2 (f) under ‘Report on other legal and regulatory requirements’ section of our report to the Members of Gita Renewable Energy Limited of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub - section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Gita Renewable Energy Limited (“the Company”) as at March 31, 2024, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s responsibility for internal financial controls

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial control system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the year ended March 31, 2024

Note 1:

Notes attached to and forming part of the Balance Sheet as at 31-3-2024 and the Profit and Loss account for the year ended on that date:

1. Corporate Information:

Gita Renewable Energy Limited (the company) incorporated under the Companies Act, 1956, in the year 2010, is engaged in generation of electricity from Non-conventional sources. The company's shares are listed on the Bombay Stock Exchange Limited and the shares are traded regularly.

2. Significant Accounting Policies:

2.1 Basis of Preparation

The financial statements of the company have been prepared in accordance with Indian accounting standards (Ind AS) as notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013

2.2 Use of Estimates

The preparation of the financial statements in conformity with IND AS requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. The Company believes that the estimates used in the preparation of the financial statements as prudent and reasonable. Accounting estimates could change from period to period. Actual results could differ from those estimates.

2.3 Revenue Recognition:

- i) Revenue is recognized to the extent that is probable that the economic benefits will flow to the company and the revenue can be reliably measured.
- ii) Sale of products is recognized when the significant risk and reward of ownership of the goods have been passed to the buyer. Revenue is measured at fair value of the consideration received or receivable, after deduction of any taxes or duties collected on behalf of the government which are levied on sales such as VAT, GST, etc.
- iii) Dividend income, if any, is recognized when the company's right to receive dividend is established by the reporting date.
- iv) Interest income from financial assets is recognized at the effective interest rate applicable on initial recognition.
- v) Scrap sales is recognized at the fair value of consideration received or receivable upon transfer of significant risk and rewards. It comprises of invoice value of goods and after deducting applicable taxes on sale.

Gita Renewable Energy Limited
14th Annual Report 2023 - 24

2.4 Depreciation:

Depreciation on Tangible assets is provided on the straight-line method over the useful lives of assets as per the rates specified under Schedule II of the Companies Act, 2013 on pro-rata basis.

2.5 Property, Plant and Equipment (PPE) :

i) Property, Plant and Equipment are stated at cost of acquisition net of accumulated depreciation/amortization and impairment losses if any, except free hold land which is carried at cost less impairment losses if any. The cost comprises purchase prices, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

ii) The Company identifies the significant parts of plant and equipment separately which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives. The cost of replacement of significant parts are capitalized and the carrying amount of replaced parts are de-recognized. When each major inception/ overhauling is performed, its cost is recognized in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any remaining carrying amount of the cost of the previous inspection/ overhauling (as distinct from physical parts) is de- recognized.

iii) Other expenses on fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts that does not meet the capitalization criteria in accordance with IND AS 16 are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

iv) PPEs are eliminated from the financial statements on disposal or when no further benefit is expected from its use or disposal. Gains or losses arising from disposal of plant, property and equipment are measured as the difference between the net disposal proceeds and the carrying amount of such assets are recognized in the statement of profit and loss.

2.6 Impairment of Non - Financial Assets:

i) The carrying values of non-financial assets are reviewed for impairment at each Balance Sheet date, if there is any indication of impairment based on internal and external factors.

ii) Non-financial assets are treated as impaired when the carrying amount of such asset exceeds its recoverable value. After recognition of impairment loss, the depreciation /amortization for the said assets is provided for remaining useful life based on the revised carrying amount, less its residual value if any, on straight line basis.

iii) An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired.

iv) An impairment loss is reversed when there is an indication that the impairment loss may no longer exist or may have decreased.

Gita Renewable Energy Limited
14th Annual Report 2023 - 24

2.7 Foreign Exchange Transactions:

Foreign Currency Transactions are translated into the functional currency using exchange rates at the date of the transaction. Foreign exchange gains and losses from settlement of these transactions and from translation of monetary assets and liabilities at the reporting date exchange rates are recognized in the statement of Profit and Loss. Non- monetary items which are carried at historical cost denominated in foreign currency are reported using the exchange rates at the time of transaction.

During the year, the company has not entered into any foreign exchange contract under review.

2.8 Borrowing Cost:

All borrowing costs are charged to revenue except to the extent they are attributable to qualifying assets, which are capitalized. During the year under review, there was no borrowing attributable to qualifying assets and hence no borrowing cost was capitalized.

2.9 Segment Accounting:

The Company is principally engaged in generation of electricity from Non-conventional sources

2.10 Current versus non-current classification:

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve

Months after the reporting period.

All other liabilities are classified as non-current.

Gita Renewable Energy Limited
14th Annual Report 2023 - 24

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has evaluated and considered its operating cycle as 12 months.

Deferred tax assets/ liabilities are classified as non-current assets/ liabilities.

2.11 Taxes on Income:

- Provision for current tax is made in accordance with the Income Tax Act, 1961.
- In accordance with the IND AS 12, Deferred Tax Liability / Asset arising from timing differences between book and income tax profits is accounted for at the current rate of tax to the extent these differences are expected to crystallize in later years. However, Deferred Tax Assets are recognized only if there is a reasonable / virtual certainty of realization thereof.

2.12 Provisions and Contingencies:

Provisions involving a substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognized but are disclosed in the accounts by way of a note. Contingent assets are neither recognized nor disclosed in the financial statements contingencies are recorded when it is probable that a liability will be incurred and the amounts can reasonably be estimated.

Differences between the actual results and estimates are recognized in the year in which the results are known materialized.

2.13 Financial Instruments:

A financial instrument is a contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value.

Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

2.14 Financial Asset

i) Financial assets comprise of investments in Equity, Trade Receivables, Cash and Cash Equivalents and Other Financial Assets.

ii) Depending on the business model (i.e) nature of transactions for managing those financial assets and its contractual cash flow characteristics, the financial assets are initially measured at fair value and subsequently measured and classified at:

- a) Amortized cost; or
- b) Fair value through Other Comprehensive Income (FVTOCI); or
- c) Fair value through Profit or Loss (FVTPL)

Gita Renewable Energy Limited
14th Annual Report 2023 - 24

d) Amortized cost represents carrying amount on initial recognition at fair value plus or minus transaction cost.

iii) The Company classifies its financial assets for measurement as below:-

Basis of Measurement	Financial Assets
Amortized Cost	Trade Receivables, Loan and advances given to employees and related parties, deposits and other advances recoverable in cash or kind.
FVTOCI	Investment in Equity instruments
FVTPL	Forward exchange contracts

iv) The company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset or part thereof, the difference between the carrying amount measured at the date of recognition and the consideration received including any new asset obtained less any new liability assumed shall be recognized in the statement of profit and Loss.

v) The company assesses at each balance sheet date whether the financial asset or group of financial assets is impaired. IND AS 109 requires expected credit losses to be measured through a loss allowance. The company recognizes lifetime expected losses for trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to lifetime expected losses, if the credit risk on the financial asset has increased significantly since initial recognition.

2.15 Financial Liability

i) Financial liabilities comprise of Borrowings from Banks, Trade payables, Derivative financial instruments, financial guarantee obligation and other financial liabilities.

ii) The Company measures its financial liabilities as below:

Basis of measurement	Financial Liability
Amortised Cost	Borrowings, trade payables, interest accrued, unclaimed / disputed dividends, security deposits and other financial liabilities not for trading.
FVTPL	Foreign exchange forward contracts being derivative contracts do not qualify for hedge accounting under IND AS 109.

iii) Financial liabilities are derecognised when and only when it is extinguished (i.e) when the obligation specified in the contract is discharged or cancelled or expired.

iv) Upon de-recognition of its financial liabilities or part thereof, the difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid including any non-cash assets transferred or liabilities assumed is recognized in the Statement of Profit and Loss.

2.16 Fair value measurement

i) Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

ii) The fair value of an asset or a liability is measured / disclosed using the assumptions that the market participants would use when pricing the asset or liability, assuming that the market participants act in the economic best interest.

iii) All assets and liabilities for which fair value is measured are disclosed in the financial statements are categorised within fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as below:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities

Level 2: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are unobservable.

iv) For assets and liabilities that are recognised in the Balance sheet on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation at the end of each reporting period (i.e) based on the lowest level input that is significant to the fair value measurement as a whole.

v) For the purpose of fair value disclosures, the company has determined the classes of assets and liabilities based on the nature, characteristics and risks of the assets or liabilities and the level of the fair value hierarchy as explained above.

vi) The basis for fair value determination for measurement and / or disclosure purposes is detailed below:

a. Investments in Equity

The fair value is determined by reference to their quoted prices at the reporting date. In the absence of the quoted price, the fair value of the equity is measured using generally accepted valuation techniques.

b. Forward exchange contracts

The fair value of forward exchange contracts is based on the quoted price if available; otherwise, it is estimated by discounting the difference between contractual forward price and current forward price for the residual maturity of the contract using government bond rates.

c. Non-derivative financial liabilities

The fair value of non-derivative financial liabilities viz, borrowings are determined for disclosure purposes calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date.
