Making the most of the resort's stunning location, guests can also immerse themselves in the rich cultural heritage and traditions of the neighborhood by visiting local attractions including Devghat, Jalbire Waterfall (Lamo Jharana), Chitwan Tharu Village, Bishazari Tal, and Elephant Breeding Center that are just a short drive away.

Chander K. Baljee, Chairman and Managing Director, ROHL, commented, “India and Nepal have long-standing connection of history, culture, tradition, religion and more. We extend our deepest gratitude to the welcoming communities of Nepal for their unwavering support. We are on a rapid expansion spree, having added 481 keys this calendar year alone, taking the total keys under operations to 6300+. We look forward to capitalize on this extraordinary location to elevate the hospitality landscape of Nepal and leave a lasting impression on our visitors and the communities.”

Spanning an expansive 4.6 acres, Regenta Resort and Spa, Chitwan offers a serene sanctuary amidst the natural environment and reflects the tapestry of local architecture and culture. The property houses a total of 51 well-appointed rooms including Plunge Pool Suite Rooms, unique Quad Rooms for backpackers and Premium Family Rooms with sweeping view of the jungle and Narayani River. Alongside featuring the spacious and elegantly crafted rooms, the newly launched hotel features a wide range of facilities for business and leisure travellers alike. ROHL’s in house multi cuisine restaurant “PINXX” offers guests an authentic gastronomical experience with Nepalese cuisines and cocktails alongside continental, Indian and Chinese food.
