(DIN:00171976)

Encl: As above

FY 2024-25 Performance:

Value growth over 12% from previous quarter

Mumbai, November 13, 2024

Commenting on the performance Mr. Makrand Appalwar, Chairman & Managing Director, Emmbi Industries Limited said, “Reprocessing in isolation will not be a solution to the Challenge of Disposal of polymer waste. Larger Challenge lies in creating financially viable Supply Chain to Collect – Segregate –Clean and reuse. We at Emmbi are working our way to develop this Global initiative to make it happen successfully.”

Performance Highlights:
STANDALONE

About Emmbi Industries Limited:

Emmbi Industries Limited is a well-established brand in polymer processing and a niche player with advance applications in the areas of water management, agriculture, packaging, advanced composites, geo-textiles, and various other polymer-based materials. Emmbi is one of the largest exporters of the polymer products manufactured from Recycled polymer resin under the brand Reclaim 30. Around 18 % of the total raw material consumed by Emmbi comes from the sources post -consumer and post- industrial polymer waste. Emmbi has consistently built a great reputation amongst all stakeholders operating in over 70 countries for over 25 years.

About Avana:

Avana is aimed at developing affordable technologies to empower farmers to grow out of poverty. Avana's flagship technology, Jalasanchay, is the world's most cost-effective end-to-end water conservation solution. Through this department, Emmbi has reached 20000 plus farmers across Maharashtra, Rajasthan and Karnataka. Apart from bringing a fresh perspective, Avana is tasked with creating a purpose-led, inspiring workplace that attracts the right kind of talent to deliver on their vision.
