**2. NECESSITY FOR THE BUY-BACK**

2.1 Share Buy-Back is the acquisition by a Company of its own shares. The objective is to return surplus cash to the shareholders of the Company. The Board at its meeting held on Friday, 24th May, 2024, considered the free reserves as well as the cash liquidity and decided to allocate a sum of ₹ 31,50,00,000/- (Rupees Thirty-One Crores Fifty Lakhs Only) excluding transaction costs for returning to the shareholders holding ordinary shares of the Company through the Buy-Back Offer.

2.2 After considering several factors and benefits accruing to the shareholders holding ordinary shares of the Company, the Board decided to Buy-Back up to 1,75,000 ordinary shares at a price of ₹ 1,800/- (Rupees One Thousand Eight Hundred Only) per ordinary share for an aggregate amount not exceeding ₹ 31,50,00,000/- (Rupees Thirty-One Crores Fifty Lakhs Only). The Buy-Back is being undertaken, inter-alia, for the following reasons:

- i) the Buy-Back will help the Company to return surplus cash to its shareholders holding ordinary shares broadly in proportion to their shareholding, thereby, enhancing the overall return to shareholders;
- ii) the Company believes that the reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder" as per Regulation 2(i)(n) of the Buy-Back Regulations;
- iii) the Buy-Back would help in improving return on equity by reduction in the share capital base and increasing shareholder's value in the longer term;
- iv) the Buy-Back gives an option to the shareholders holding ordinary shares of the Company, who can choose to participate and get cash in lieu of ordinary shares to be accepted under the Buy-Back offer or they may choose not to participate and be benefitted of a resultant increase in their percentage shareholding, post the Buy-Back offer, without additional investment;
- v) the Buy-Back will help the Company in achieving an optimal capital structure.

13. RECORD DATE AND SHAREHOLDER ENTITLEMENT

- 13.1 As required under the Buy-Back Regulations, the Board has fixed Friday, 14th June, 2024, as the Record Date for the purpose of determining the entitlement and the names of the Eligible Shareholders, who will be eligible to participate in the Buy-Back.
13.2 In due course, Eligible Shareholders will receive a letter of offer in relation to the Buy-Back ("Letter of Offer") along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buy-Back. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buy-Back. In compliance with the Buy-Back Regulations, the dispatch of the Letter of Offer shall be through electronic mode via email only, within two (2) working days from the Record Date and that in case any shareholder requires a physical copy of the Letter of Offer a request has to be sent to the Company or Registrar to the Buy-Back, i.e., Maheshwari Datamatics Private Limited, at the address mentioned as Paragraph 18 to receive a copy of the letter of offer in physical form and the same shall be provided.
13.3 The ordinary shares proposed to be bought back by the Company shall be divided into two categories:
(a) Reserved category for small shareholders (as defined in Regulation 2(i)(n) of the Buy-Back Regulations, a "small shareholder" is a shareholder who holds ordinary shares having market value, on the basis of closing price on stock exchanges in which the highest trading volume in respect of such ordinary shares as on Record Date, is not more than ₹ 2,00,000/- (Rupees Two Lakh Only)); and
(b) general category for all other Eligible Shareholders.
13.4 In accordance with Regulation 6 of the Buy-Back Regulations, 15% (fifteen percent) of the number of ordinary shares which the Company proposes to Buy-Back or the number of ordinary shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buy-Back.
13.5 Based on the shareholding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder, including Small Shareholders, to tender their ordinary shares in the Buy-Back. This entitlement for each Eligible Shareholder will be calculated based on the number of ordinary shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buy-Back applicable in the category to which such Eligible Shareholder belongs. The final number of ordinary shares that the Company will purchase from each Eligible Shareholder will be based on the total number of ordinary shares tendered by such Eligible Shareholder. Accordingly, the Company may not purchase all of the ordinary shares tendered by an Eligible Shareholder in the Buy-Back.
13.6 In accordance with Regulation 9(x) of the Buy-Back Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios do not receive a higher entitlement under the Small Shareholder category, the ordinary shares held by such Eligible Shareholders with a common Permanent Account Number ("PAN") shall be clubbed together for determining the category (Small Shareholder or general) and entitlement under Buy-Back. In case of joint shareholding, the ordinary shares held in cases where the sequence of PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding ordinary shares in physical form, where the sequence of PANs is identical or where the PANs of all joint shareholders are not available, the Registrar to the Buy-Back will check the sequence of the names of the joint holders and club together the ordinary shares held in such cases where the sequence of the PANs and the names of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds/ trusts, insurance companies, foreign institutional investors/ foreign portfolio investors etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these ordinary shares are held for different schemes/ sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar to the Buy-Back as per the shareholder records received from the depositories. Further, the ordinary shares held under the category of 'clearing members' or 'corporate body margin account' or 'corporate body-broker' as per the beneficial position data as on the Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these ordinary shares are assumed to be held on behalf of clients.
13.7 After accepting the ordinary shares tendered on the basis of entitlement, the ordinary shares left to be bought back, if any, in one category shall first be accepted, in proportion to the ordinary shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in other category.
13.8 The participation of Eligible Shareholders in the Buy-Back is voluntary. Eligible Shareholders holding ordinary shares of the Company can choose to participate and get cash in lieu of ordinary shares to be accepted under the Buy-Back or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post Buy-Back, without additional investment. Eligible Shareholders holding ordinary shares of the Company may also tender a part of their entitlement. Eligible Shareholders holding ordinary shares also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.
13.9 The maximum number of ordinary shares that can be tendered under the Buy-Back by any Eligible Shareholder cannot exceed the number of ordinary shares held by the Eligible Shareholder as on the Record Date. In case the Eligible Shareholder holds ordinary shares through multiple demat accounts, the tender through a demat account cannot exceed the number of ordinary shares held in that demat account.
13.10 The ordinary shares tendered as per the entitlement by ordinary shareholders holding ordinary shares of the Company as well as additional shares tendered, if any, will be accepted as per the procedure laid down in the Buy-Back Regulations. If the Buy-Back entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buy-Back entitlement to tender ordinary shares in the Buy-Back. The settlement under the Buy-Back will be done using the "Mechanism for acquisition of shares through Stock Exchange pursuant to Tender-Offers under Takeovers, Buy-Back and Delisting" notified under the SEBI Circulars. Eligible Shareholders will receive a letter of offer along with a tender/ offer form indicating the entitlement of the ordinary shareholder for participating in the Buy-Back.
13.11 The Buy-Back from non-resident members, Overseas Corporate Bodies (OCBs) and Foreign Institutional Investors (FIIs), Foreign Portfolio Investors (FPIs) and members of foreign nationality, if any, shall be subject to such approvals as may be required including approvals from the Reserve Bank of India under the Foreign Exchange Management Act, 1999 and the rules, regulations framed there under, if any.
13.12 The ordinary shares tendered as per the entitlement by Eligible Shareholders as well as additional ordinary shares tendered, if any, will be accepted as per the procedure laid down in Buy-Back Regulations.
13.13 Detailed instructions for participation in the Buy-Back (Tendering of ordinary shares in the Buy-Back) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the Eligible Shareholders.

d) The Demat Shares bought back would be transferred directly to the Demat Escrow Account of the Company opened for the Buy-Back provided it is indicated by the Company's Broker or it will be transferred by the Company's Broker to the Company Demat Account on receipt of the Ordinary Shares from the clearing and settlement mechanism of NSE.
