Changes intimated to the Depository Participant will then be automatically reflected in the records of the Registrars and Transfer Agents which will help the Company and its Registrars and Transfer Agents to provide efficient and better service to the Members.
- 12. In accordance with the amendments to Regulation 40 of the Listing Regulations, Securities and Exchange Board of India (SEBI), decided that requests for effecting transfer of listed securities shall not be processed unless the securities are held in dematerialized form with a Depository (National Securities Depository Limited or Central Depository Services (India) Limited). Members holding shares in Physical Form are requested to consider converting their holding to dematerialized form in order to eliminate all risks associated with physical shares. Members can contact the Registrar and Share Transfer Agent (RTA) in this regard. Members holding shares in electronic form are requested to intimate immediately any change in their address or bank mandates to their Depository Participants with whom they are maintaining their Demat accounts.
- 13. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their Demat accounts. Members holding shares in Physical Form can submit their PAN details to the Company.
- 14. Additional Information required to be furnished under Regulation 36 (3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 and Secretarial Standards-2 with respect of the Director(s)/Manager seeking appointment/re-appointment at the AGM (Annual General Meeting) has been furnished and forms a part of the notice. The director(s)/manager have furnished the requisite consents/declarations for their appointment/re-appointment.
- 15. We will be publishing a Public Notice by way of advertisement in Free Press Gujarat and Lokmitra Newspaper (English edition and Gujarati edition respectively) with the suitable details of the ensuing Annual General Meeting.
- 16. M/s. Jigar Trivedi & Co., Company Secretaries, (COP No.18483) Ahmedabad, has been appointed as the Scrutinizer to scrutinize the remote e-Voting process and casting vote through the e-Voting system during the meeting in a fair and transparent manner.
- 17. The Scrutinizer shall after the conclusion of e-Voting at the 54th AGM, first download the votes cast at the AGM and thereafter unblock the votes cast through remote e-

Voting and shall make a consolidated Scrutinizer's Report of the total votes cast in favour or against, invalid votes, if any, and whether the resolution has been carried or not, and such Report shall then be sent to the Chairman or a person authorized by him, within 48 (forty eight) hours from the conclusion of the 54th AGM, who shall then countersign and declare the result of the voting forthwith.

18. The Results declared along with the report of the Scrutinizer shall be placed on the website of the Company at <u>www.premiersyntheticsltd.com</u> and on the website of CDSL at <u>www.evotingindia.com</u> immediately after the declaration of results by the Chairman or a person authorized by him. The results shall also be immediately forwarded to the BSE Limited, Mumbai.

19. Instructions for attending the AGM through E-Voting are as under:

- (i) The voting period begins on 23/09/2024 (09:00 A.M.) and ends on 25/09/2024 (05:00 P.M.). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 19/09/2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 January 25, 2022 has mandated listed Companies to issue securities in dematerialised form only while processing service requests pertaining to viz. issue of duplicate securities certificate, claim from unclaimed suspense account, renewal/ exchange of securities certificate, endorsement, sub-division/ splitting of securities certificate, consolidation of securities certificates/folios, transmission and transposition. Accordingly, Members are requested to make service requests by submitting duly filled and signed Form ISR-4, the format of

which is available on the website link of Company's RTA at: https://www.skylinerta.com/ and on Company's website link at: https://premiersyntheticsltd.com/letter-toshareholder.php

(iv) In terms of SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

MAJOR EVENTS OCCURRED DURING THE YEAR AND SUBSEQUENT TO THE DATE OF FINANCIAL STATEMENT

* In ICRA's recently published research note on the domestic cotton spinning industry, the rating agency expects demand for the industry to improve by close to 12-14% in volume terms in FY2024 on a yearly basis, with yarn exports likely to increase by a sharp 85% to 90%, on the back of a shift in sourcing preference away from China, and the expectations of demand improving for the spring/summer season in the US and the EU regions that will drive domestic demand from apparel and home textile manufacturers. However, a sharp moderation in cotton prices, leading to lower yarn realisations, is likely to translate to a 9-10% year-on-year (YoY) decline in revenues to ~Rs. 33,465 crore in FY2024.

Commenting on this, Mr. Jayanta Roy, Senior Vice President & Group Head, Corporate Sector Ratings, ICRA, said: "Despite the increase in cotton yarn volumes, ICRA expects the operating income of Indian cotton spinning companies to decline by 9-10% and operating margins to shrink by 200-240 bps in FY2024 amid a significant drop in realisation and lower gross contribution levels. Nevertheless, in-house power generation capacities recently added by select players are likely to alleviate margin pressures in the medium term".

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNING AND OUTGO

The Information under Section 134 (3) (m) of the Companies Act, 2013 read with Rule 8 (3) of the Companies (Accounts) Rules, 2014 for the year ended on **31st March, 2024** is given below and forms the part of the Boards Report.

A. CONSERVATION OF ENERGY:

The Company continues to meet the growing energy demand, while working towards minimizing the environmental footprint of its ongoing operations, as well as future projects. The Company is continually exploring new ways to make its operations more efficient by putting technology to use for direct energy savings and increasing renewable energy sources.

• Improving efficiency of electricity use

Lighting: Due to its nature of operations, the share of lighting in electricity use is relatively high. It is important to re- examine whether the light source is utilized in the most efficient way and take electricity saving measures.

Electric motor: The textile industry uses a vast number of relatively small electric motors. While a conventional machine was driven by a single motor with the generated mechanical power transmitted to various parts of the machine in a collective manner, many modern machines utilize multiple motors with a control board controlling the movement of each motor, which is directly coupled to a machine part to drive it independently from others.

Electric heating: In the textile industry, electric heating has largely been replaced by other methods (steam, gas heating, or direct or indirect fired heating) for some time in order to achieve cost reductions

• Non-conventional sources of energy

The different alternative renewable sources of energy are biomass, tidal energy, geothermal energy, solar energy and wind energy. The technology is easy and straightforward to control, with nearly very little maintenance cost. There will not be any drawback of air pollution.

• The Capital investment on energy conservation equipment

During the year under review, Company has not incurred any capital expenditure on energy conservation equipment.

B. TECHNOLOGY ABSORPTION:

• Efforts, in brief, made towards technology absorption, adaptation & innovation:

The Company is taking necessary steps to replace certain existing equipment's by installing new equipments having better technology. In addition to this, the company has installed plant for re-processing for its waste material.

• Benefit derived as a result of above efforts:

The benefits of technology upgraded equipments will be visible in future working. Further, the Company has imported machinery spare parts to maintain the products quality and life of machine.

• Expenditure incurred on Research and Development:

During the year under review, Company has not incurred any Expenditure on Research and Development.

C. FOREIGN EXCHANGE EARNINGS AND OUTGO:

During the year under review, the Company has foreign exchange outgo as mentioned below:-

		(Rs. In Lakhs)
Particulars	2023-24	2022-23
Foreign Exchange Earned	NIL	NIL
Foreign Exchange Used	2.24	0.31

INTERNAL CONTROL SYSTEMS AND ITS ADEQUACY:

The Company has an effective internal control and risk mitigation system, which is reviewed and constantly updated. The internal controls including the internal financial control of the Company are managed and reviewed by the Audit Committee and apart from the staff employed by the Company, the Company has also appointed Internal Auditors (M/s. Sanket S. Shah & Associates, Chartered Accountants, Ahmedabad) of the Company to review and monitor the internal financial controls and their adequacy. The Internal Financial Controls of the Company are adequate and commensurate with the size and nature of business of the Company.

RISK MANAGEMENT

Your Company has a well-defined Risk Management System in place, as a part of good governance practice. The risks are identified at various departmental levels and suitable mitigation measures are thereafter adopted. The business risk framework defines the risk management approach across the enterprise at various levels including documentation and

reporting. These are further subjected to a quarterly review. The framework has different risk models which help in identifying risk trends, exposure and potential impact analysis at a Company level as also separately for business segments. Risk management forms an integral part of the Company's planning cycle. At present the Company has not identified any element of risk which may be of threat to the existence of the Company.

CHANGE IN NATURE OF BUSINESS:

The Company is engaged in the manufacturing of Cotton Yarn used by denim industry. The raw material prices i.e. Cotton is highly fluctuating whereas demand of denim yarn has reduced substantially due to lower demand in export market. In addition to this, the credit period demanded by buyers is more than 90-120 days while raw material is only available on immediate payment basis. This requires large working capital which is not available with the Company and shortage of finance resulted in to big losses on working of plant and also reduction in number of working days. In this situation, it is very difficult to compete with the large units since our Company is MSME Unit and looking to this situation we have decided to close the unit. The workers were also getting reduced amount of wages and therefore the workers have resigned from time to time and Company has settled all dues of workers including gratuity and retrenchment compensation as and when they have resigned.

ANNEXURE –III

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

(a) INDUSTRY STRUCTURE AND DEVELOPMENTS

India's cotton yarn industry has seen considerable growth in recent years due to rising demand, export opportunities, and government support. In 2024, India's cotton yarn production increased by 9% year-over-year, with exports rising by 83% and accounting for 32% of total production. This was a recovery from the previous year, when exports declined due to lower demand, but ICRA expects exports to continue to grow in 2025.

(b) COTTON YARN INDUSTRY AND EXPORT

India's total production of cotton in the year 2023-24 (until November 2023) is 31.6 million bales (bales of 170 kg each). Total production of cotton in the year 2022-23 was 34.3 million bales and in 2021-22, it stood at 31.1 million bales. The Central Zone (which comprises states like Gujarat, Maharashtra, and Madhya Pradesh) was the biggest producer of cotton in India in 2022-23, with Gujarat being the highest producer of the Central Zone, contributing 9.49 million bales (bales of 170 kg each). Saurashtra constitutes about 70% of Gujarat's cotton production, with farmers in Amreli - the state's largest cotton district – playing a key role. Yavatamal, Buldhana, Akola Amravati Nagpur Washim, and Wardha are the districts of Vidarbha which are Maharashtra's major cotton-producing areas.

(c) OPPORTUNITIES AND THREATS

1) Opportunities in Cotton Yarn Segment:

With 50 Million Spindles and 0.75 Mn Open-End Rotors, India has the world's second largest spinning capacity, commanding a share of the global Cotton Yarn market – currently producing over 4700 Mn.Kgs of spun yarn of which over 3,400 Mn.Kgs is cotton yarn. Cotton Yarn accoaunts for nearly 73% of total spun yarn production. Indian Spinning Industry is the most modern and efficient in the world.

India produces a comprehensive range of yarns for every conveyable end use – non-spun or openend; combed or carded, basic, compact, mélange or fancy. India's 1943 spinning mills produce them all for requirements ranging from a fine 200 count to a coarse 2 count.

The world's most renowned Indian Cotton Yarns are available as greige, bleached, mercerized, gassed, twisted, dyed or an endless range of fashion yarns like mélange, stretch, blends, high twist and so on to meet the different applications in fashion, clothing, home textiles, hosiery and industrial fabrics. India can meet every customer requirement whether large or small, regular or customized, premium or basic.

Constant induction of state-of-the-art technologies like compact spinning, using the most advanced yarn – processing technology and high-precision process controls tools like electronic

cleaners, auto slavers, splicers, two-for-one twisters and auto-coners give Indian mills a competitive advantage.

Today, Indian yarn is widely accepted in International markets as the exporters here regularly meet the needs of importers with unmatched efficiency and economy in countries like USA, Italy, Spain, Japan, China, South Korea, Taiwan, Bangladesh, Vietnam etc.

2) Threats in Cotton Yarn Segment:

- 1. Raw Material Fluctuations
- 2. The cotton yarn industry is highly sensitive to fluctuations in raw material prices. Changes in global cotton prices and domestic production can significantly impact the cost structure for manufacturers, posing a constant challenge in maintaining profitability.
- 3. Technological Upgradation Costs
- 4. Staying competitive in the Cotton Suppliers industry demands continuous technological upgrades. However, the costs associated with implementing advanced machinery and processes can be a significant barrier for smaller manufacturers, posing a challenge to their ability to keep pace with larger counterparts.
- 5. Global Competition:
- 6. Indian cotton yarn manufacturers face intense competition on the global stage. Competing with other cotton-producing countries requires a delicate woven fabric manufacturers balance of cost-effectiveness, quality assurance, and agility in responding to market trends.
- 7. Supply Chain Disruptions:
- 8. The industry is susceptible to supply chain disruptions, whether due to geopolitical tensions, natural disasters, or unforeseen events. These disruptions can lead to delays in production and increased operational costs.

(d) SEGEMENT-WISE OR PRODUCT-WISE PERFORMANCE

The Company operates in only Single segment; hence segment-wise performance is not applicable.

(e) OUTLOOK

Indian government has taken a series of positive steps to support the textile industry in this country. Government has launched PM MITRA, Production Linked Incentive Scheme, Samarth Initiative and National Technical Textile Mission (NTTM) to boosting the Indian Textile Industry.

(f) RISKS AND CONCERNS

Some of the risks and problems for the Cotton Yarn industry may be High volume of waste material, exposure to chemical hazards, Paucity of Quality raw materials, rising costs, Overdependence on manual effort, infrastructure problems, Heavy noise pollution and rising environmental concerns, Inadequate attention paid to technology upgradation and regular R & D, Fragmentation and skill shortage are affecting the Indian Textile Industry.

(g) INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Pursuant to the provisions of section 134(5) (e) Companies Act, 2013, every listed company has to lay down Internal Financial Controls and ensure that these are adequate and are operating effectively. Internal Finance Controls means the policies and procedures adopted by the company for ensuring the following:

- Orderly and efficient conduct of its business
- Adherence to company's policies

- Safeguarding of its assets
- Prevention and detection of frauds and errors

• Accuracy and completeness of the accounting records and timely preparation of reliable financial information

The Company has adequate and suitable internal control systems that are continuously monitored and updated to ensure that its assets are safeguarded. These systems also ensure that established regulations are complied with and pending issues are addressed promptly. The adequacy of the internal control systems are audited by the internal auditors and the reports are reviewed quarterly by the Audit Committee.

Based on the report of Internal Audit, the Committee makes note of the audit observations and undertakes corrective actions, where necessary. It maintains a constant dialogue with the statutory and internal auditors to ensure that internal control systems are operating effectively.

(h) MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/ INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

During the Financial Year 2023-24 the raw material prices i.e. Cotton is highly fluctuating whereas demand of denim yarn has reduced substantially due to lower demand in export market. In addition to this, the credit period demanded by buyers is more than 90-120 days while raw material is only available on immediate payment basis. This requires large working capital which is not available with the Company and shortage of finance resulted in to big losses on working of plant and also reduction in number of working days. In this situation, it is very difficult to compete with the large units since our Company is MSME Unit and looking to this situation we have decided to close the unit. The number of working days for labours in the month was only 20 days and therefore the workers were also getting reduced amount of wages and therefore the workers have resigned from time to time and Company has settled all dues of workers including gratuity and retrenchment compensation as and when they have resigned.

(k) DETAILS OF ANY CHANGE IN RETURN ON NET WORTH AS COMPARED TO THE IMMEDIATELY PREVIOUS FINANCIAL YEAR ALONG WITH A DETAILED EXPLANATION THEREOF:

Current year RONW is (8.15) % as compared to previous year RONW 0.09 %, the dilution in RONW is on account of lower profitability during the year.

(I) CAUTIONARY STATEMENT

Certain statements in the Management Discussion and Analysis describing the Company's objectives, predictions may be "forward-looking statements" within the meaning of applicable laws and regulations. Actual results may vary significantly from the forward-looking statements contained in this document due to various risks and uncertainties. These risks and uncertainties include the effect of economic and political conditions in India, volatility in interest rates, new regulations and Government policies that may impact the Company's business as well as its ability to implement the strategy.

Independent Auditors' Report

To The Members of PREMIER SYNTHETICS LIMITED Report on the Financial Statements

Opinion

We have audited the accompanying Ind As Financial Statements of **PREMIER SYNTHETICS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), and the Statement of Changes in Equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, and its profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis Report, Board's Report including Annexures to Board's Report, and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. The above-mentioned reports are expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If based on work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance including other Comprehensive Income, cash flows and Changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- **2.** As required by section 143(3) of the Act, we further report that:
- (i) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.

- (ii) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (iii)The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the statements of Cash Flows and the statement of changes in equity dealt with by this Report are in agreement with the books of account.
- (iv)In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2014, as amended.
- (v) On the basis of written representations received from the directors as on March 31, 2024, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024, from being appointed as a director in terms of Section 164(2) of the Act.
- (vi)With respect to adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B",
- (vii) With respect to other matter to be included in the Auditors Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules 2014 as amended. In our opinion and to the best of our information and according to explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any

manner whatsoever by or on behalf of the funding party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- (d) The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with Section 123 of the Act to the extent it applies to payment of dividend.
- (e) Based on our examination which included test checks, the Company has used accounting software for maintaining its books of accounts which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with in respect of this accounting software.
- **3.** With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
- In our opinion and to the best of our information and according to the explanations given to us, the company did not pay any remuneration to its directors during the year in terms of section 197 of the Act.

Annexure – B to Independent Auditors' Report – 31st March 2024

(Referred to in our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

Opinion

We have audited the internal financial controls over financial reporting of **Premier Synthetics Limited** as at 31 March 2024 in conjunction with our audit of the Financial Statements of the Company for the year ended as on 31st March 2024.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under section 143(10) of the Companies Act 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The

procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

(a) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and

(c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

"1" SIGNIFICANT ACCOUNTING POLICES:

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31stMARCH, 2024

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

COMPANY INFORMATION / OVERVIEW

Premier Synthetics Limited (the "Company") is a public limited company domiciled in India. The Company was incorporated on09thOctober, 1970 under the provisions of the Company's Act, 1956. The Company's registered office is at Surana House, B/h. Klassic Chambers, Near Swastik Char Rasta, Navrangpura, Ahmedabad-380009. The shares of the company are listed on BSE Limited (BSE). The Company is engaged in the business of manufacturing of Cotton Yarn.

STATEMENT OF COMPLIANCE

These financial statements have beenprepared in accordance with the Indian AccountingStandards (referred to as "Ind AS") prescribed undersection 133 of the Companies Act, 2013("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment Rules issued thereafter.

The financial statements have also been prepared in accordance with the relevant presentation requirements of theCompanies Act, 2013.

The financial statements were authorised for issue by the Company's Board of Directors on 28thMay, 2024.

BASIS OF PREPARATION OF FINANCIAL STATEMENTS

These financial statements have beenprepared on historical cost basis except for certainfinancial instruments and defined benefit planswhich are measured at fair value or amortized costat the end of each reporting period. Historical cost isgenerally based on the fair value of the consideration in exchange for goods and services. Fair value is the price that would be received to sell an asset orpaid to transfer a liability in an orderly transaction between market participants at the measurement date.

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle. Based on the nature of the products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision toan existing accounting standard require a change in accounting policy hitherto in use.

These Financial Statements are presented in thousands rupee (`), which is also the Company's functional currency and all values are rounded to the nearest rupees, except when otherwise indicated.

The Company follows the mercantile system of accounting and recognizes incomes and expenditures on accrual basis. The accounts are prepared on historical cost basis, as a going concern, and are consistent with accounting principles generally accepted in India.

The statement of cash flows have been prepared under indirect method.

USE OF ESTIMATES

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involvingcomplex and subjective judgments and the use of assumptions in these financial statements have been disclosed below. Actualresults could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes incircumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changesare made and, if material, their effects are disclosed in the notes to the financial statements.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

PROPERTY, PLANT & EQUIPMENT

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, anyimport duties and other taxes (other than those subsequently recoverable from the tax authorities), any directlyattributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifyingassets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment havebeen put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period inwhich the costs are incurred. Major shut-down and overhaul expenditure is capitalized as the activities undertakenimproves the economic benefits expected to arise from the asset.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits areexpected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

Property, plant and equipment except freehold land held for use in the production, supply or administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any.

Advances paid towards the acquisition of Property, Plant & Equipment outstanding at each reporting date is classified as Capital advances under Other Non –Current Assets and assets which are not ready for intended use as on the date of Balance sheet are disclosed as "Capital Work in Progress."

Depreciation on Property, Plant & Equipment is charged on Straight Line Method. Depreciations are charged over the estimated useful lives of the assets as specified in Schedule II of the Companies Act, 2013. Depreciation in respect of additions to/and deletion from assets has been charged on pro-rata basis from/till the date they are put to commercial use.

IMPAIRMENT OF ASSESTS

Assessment for impairment is done at each Balance Sheet date as to whether there is any indication that a non-financialasset may be impaired. Impairment loss, if any, is provided to the extent, the carrying amount of non-financial assets orcash generating units exceed their recoverable amount.

Recoverable amount is higher of an asset's or cash generating unit's fair value less cost of disposal and its value in use.Value in use is the net present value of estimated future cash flows expected to arise from the continuing use of an assetor cash generating unit and from its disposal at the end of its useful life.

Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment lossrecognised for an asset in prior accounting periods may no longer exist or may have decreased, basis the assessment a reversal of an impairment loss of an asset is recognised in the Statement of Profit and Loss.

FOREIGN CURRENCY TRANSACTIONS

Initial Recognition:

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Subsequent Recognition:

As at the reporting date, non-monetary items which arecarried in terms of historical cost denominated in a foreigncurrency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried atfair value or other similar valuation denominated in a foreigncurrency are reported using the exchange rates that existed when the values were determined. All monetary assets and liabilities in foreign currency arereinstated at the end of accounting period. Exchange differences on reinstatement of all monetary itemsare recognised in the Statement of Profit and Loss.

INVENTORIES

Inventories are valued at lower of cost and net realizable value. Cost of inventories comprises of purchase cost and other costs incurred in bringing the inventory to present location and condition which includes appropriate share of overheads. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks (other than deposits pledged with government authorities and margin money deposits) with anoriginal maturity of three months or less.

CASH FLOW STATEMENT

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

PROVISION, CONTINGENT LIABILITIES ANDCONTINGENT ASSETS

Provisions: Provisions are recognised when there is a present obligation as result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date and are not discounted to its present value.

Contingent Liabilities : Contingent liabilities are not provided for in the books but are disclosed by way of notes in the financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent Assets: Contingent Assets are neither recognized nor disclosed in the financial statements.

RELATED PARTY TRANSACTIONS

Related party transactions are transfer of resources or obligations between related parties, regardless of whether a price is charged. Parties are considered to be related, if one party has the ability, directly or indirectly, to control the other party of exercise significant influence over the other party in making financial or operating decisions. Parties are considered to be related if they are subject to common control or common significant influence.

REVENUE RECOGNITION

Revenue is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment. The Company is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks. However, Goods and Services tax (GST) are not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

The specific recognition criteria from various stream of revenue is described below:

Sale of Goods:

Revenue from sales is recognised when the substantial risks and rewards of ownership of goods are transferred to the buyer and the collection of the resulting receivables is reasonably expected. Revenue from the sale of goods is measured at the fair value of the consideration receivable, net of returns and allowances, trade discounts and volume rebates.

Rendering of Services:

Revenue from services rendered is recognised when the work is performed and as per the terms of agreement.

Interest income:

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

TAXATION

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the relevant prevailing tax laws.

Deferred tax is recognised for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognised and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. At each Balance Sheet date, the Company re-assesses unrecognized deferred tax assets, if any.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

EARNINGS PER SHARE (EPS)

The earnings considered in ascertaining the Company's earnings per share comprise the net profit after tax (and include post tax effect of any extraordinary items.) The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises of the weighted average number of shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises of the weighted average shares considered for deriving basic earning per share, and also the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

EMPLOYEE BENEFITS

Staff benefits arising out of retirement/death comprising contributions to Provident Fund, Gratuity Scheme and other post separation benefits are accounted for on the basis of the schemes or by an independent actuarial valuation at the year-end as the case may be.

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

BORROWING COST

Borrowing costs that are attributable to the acquisition or construction of qualifying assets (assets which require substantial period of time to get ready for its intended use) are capitalized as part of the cost of that asset. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

FINANCIAL ASSETS

Initial recognition and measurement

All financial assets are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial assets are initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

✤ Classification

For the purpose of subsequent measurement, the Company classifies financial assets in following categories:

• Financial assets at amortized cost

Financial assets at amortized cost are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses, if any. Interest income and impairment are recognized in the Statement of Profit and Loss.

• Financial assets at fair value through other comprehensive income (FVTOCI)

These assets are subsequently measured at fair value through other comprehensive income (OCI). Changes in fair values are recognized in OCI and on de-recognition, cumulative gain or loss previously recognized in OCI is reclassified to the Statement of Profit and Loss. Interest income calculated using EIR and impairment loss, if any, are recognized in the Statement of Profit and Loss.

• Financial assets at fair value through profit or loss (FVTPL) These assets are subsequently measured at fair value. Net gains and losses, including any interest income, are recognized in the Statement of Profit and Loss.

Financial assets are not reclassified subsequent to their recognition except if and in the period the Company changes its business model for managing for financial assets.

De-recognition

The Company de-recognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not de-recognised.

Any gain or loss on de-recognition is recognised in the Statement of Profit and Loss.

Impairment of financial assets

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, lease receivable, trade receivable other contractual rights to receive cash or other financial assets. For trade receivable, the Company measures the loss allowance at an amount equal to life time expected credit losses. Further, for the measuring life time expected credit losses allowance for trade receivable the Company has used a practical expedient as permitted under Indian AS 109. This expected credit loss allowance is computed based on provisions, matrix which takes into account historical credit loss experience and adjusted for forward looking information.

FINANCIAL LIABILITIES

Initial recognition and measurement

All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial liabilities are initially measured at amortized cost unless at initial recognition, they are classified as fair value through profit or loss. In case of trade payables they are initially recognize at fair value and subsequently, these liabilities are held at amortized cost, using the Effective interest method.

Classification and subsequent measurement

Financial liabilities are classified as measured at amortized cost or FVTPL.

A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in the Statement of Profit and Loss.

Financial liabilities other than classified as FVTPL, are subsequently measured at amortized cost using the effective interest method. Interest expense is recognised in Statement of Profit and Loss. Any gain or loss on de-recognition is also recognised in the Statement of Profit and Loss.

De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on subsequently different terms, or the terms of an existing liability are subsequently modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of the new liability. The difference in the respective carrying amount is recognize in the Statement of Profit & Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the assets and settle the liabilities simultaneously.

Non-Current Assets held for Sale and Discontinued Operations

The Company classifies assets and operations as held for sale / distribution to owners or as discontinued operations if their carrying amounts will be recovered principally through a sale / distribution rather than through continuing use. Classification as a discontinued operations occurs upon disposal or when the operation meets the below criteria, whichever is earlier.

Non-Current Assets are classified as held for sale only when both the conditions are satisfied -

1. The sale is highly probable, and

2. The asset or disposal group is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such assets.

Non-current assets which are subject to depreciation are not depreciated or amortized once those classified as held for sale.

A discontinued operation is a component of the Company's business, the operations of which can be clearly distinguished from those of the rest of the Company and

i) is part of a single coordinated plan to dispose of a separate major line of business or geographical area of operations; or

ii) is a subsidiary acquired exclusively with a view to resale.

Non-current assets held for sale / distribution to owners and discontinued operations are measured at the lower of their carrying amount and the fair value less costs to sell / distribute. Assets and liabilities classified as held for sale / distribution are presented separately in the balance sheet. The results of discontinued operations are excluded from the overall results of the Company and are presented separately in the statement of profit and loss. Also, the comparative statement of profit and loss is represented as if the operations had been discontinued from the start of the comparative period.

The management assessed that fair value of cash and short-term deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

 Long-term fixed-rate receivables/borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, individual creditworthiness of the customer and the risk characteristics of the financed project. Based on this evaluation, allowances are taken into account for the expected losses of these receivables.

ii) Fair values of the Company's interest-bearing borrowings and loans are determined by using DCF method using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period. The own non- performance risk as at March 31, 2024 was assessed to be insignificant.

iii) The fair values of the unquoted equity shares, if any have been estimated using a discounted cash flow model. The valuation requires management to make certain assumptions about the model inputs, including forecast cash flows, discount rate, credit risk and volatility, the probabilities of the various estimates within the range can be reasonably assessed and are used in management's estimate of fair value for these unquoted equity investments.

"32" Financial Risk Management

The Company's principal financial liabilities, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include loans, trade and other receivables, and cash and short-term deposits that derive directly from its operations.

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk, foreign currency risk and interest rate risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The primary market risk to the Company is foreign exchange risk. The Company uses foreign currency borrowings to mitigate foreign exchange related risk exposures.

The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counter party to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counter parties, taking into account their financial position, past experience and other factors.

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. In addition, receivable balances are monitered on an ongoing basis with the result that the Company's exposure to Bad debt is not significant. Also the Company does not enter into sales transaction with customers having credit loss history. There are no significant Credit risk with related parties of the Company. The Company is exposed to Credit risk in the event of non payment of customers. Credit risk concentration with respect to Trade Receivables is mitigated by the Company's large customer base. Adequate expected credit losses are recognised as per the assessment.

The history of Trade receivables shows an allowance for bad and doubtful debts of Rs Nil (Nil as at March 31,2023). The Company has made allowance of Rs Nil (Nil as at March 31,2024) against Trade receivable of Rs. 297.69 lacs (Rs. 793.67 Lacs as at March 31,2023).

Bank Deposits

The company maintains its cash and cash equivalents and bank deposits with reputed and highly rated bank. Hence, there is no significant credit risk on such deposits.

Investments

The Company limits its exposure to credit risk by generally investing in liquid securities and only with counterparties that have a good credit rating. The company does not expect any losses from non- performance by these counter-parties, and does not have any significant concentration of exposures to specific industry sectors.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk through credit limits with banks.

The Company's corporate treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management.

The working capital position of the Company is given below :		
Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Cash and Cash equivalents	658.62	437.21
Total	658.62	437.21

The table below provides details regarding the contractual maturities of significant financial liabilities as at March 31, 2024 and March 31, 2023.

Particulars	As at	Less than 1	1-2 years	More than 2
1 ai ticulai s	As at	year		years
Borrowings	March 31,2024	28,830.95	-	95,000.00
	March 31,2023	70,844.94	-	95,000.00
Trade Payables	March 31,2024	4,200.08	-	-

Other Financial Liabilities	March 31,2024	-	-	-
	March 31,2023	-	-	-

Foreign Currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. Foreign Exchange risks arise from recognised assets and liabilities, when they are denominated in a currency other than functional currency of the company. To a limited extent, the company imports certain spare parts used in manufacturing and therefore is exposed to foreign exchange risks arising from various currency exposures., primarily with respect to Euro. Company's exposure to foreign currency risk is very limited and Company always ensures that the such exposure is within the approved limit for which company does not require to hedge through derivatives and therefore foreign currency risk is negligible.

Foreign currency sensitivity analysis

As the Foreign Currency risk is negligible and therefore foreign currency sensitivity analysis would not affect the operations of the Company.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates and investments.

Interest rate sensitivity analysis

If interest rates had been 1% higher and all other variables were held constant, the company's profit for the year ended would have impacted in the following manner:

Particulars	For the year ended March 31,	For the year ended March 31,	
	2024	2023	
Increase / (decrease) in the Profit for the year	(407.60)	(311.99)	

If interest rates were 1% lower, the company's profit would have increased by the equivalent amount as shown in the above table.

"33" Capital management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Company monitors the return on capital. The Company's objective when managing capital is to maintain an optimal structure so as to maximize shareholder value.

The capital structure is as follows :				
Particulars	March 31, 2024	March 31, 2023		
Total equity attributable to the equity share holders of the company	258,263.30	282,560.60		
As percentage of total capital	79.71%	72.96%		
Current borrowings	28,830.95	70,844.94		
Non-current borrowings	36,889.77	33,853.33		
Total borrowings	65,720.72	104,698.27		
As a percentage of total capital	20.29%	27.04%		
Total capital (borrowings and equity)	323,984.01	387,258.86		

The Company is predominantly debt financed which is evident from the capital structure table.

"34" Segment Information

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM). The CODM is considered to be the Board of Directors who makes strategic decisions and is responsible for allocating resources and assessing performance of the operating segments.

Textile business is the Company's only business segment ,hence the disclosure of segment wise information as required by Ind AS 108 on "Segment Reporting" is not applicable .

"35" Discontinued Operations
