2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of parent's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. accompanying statement prepared in accordance with the recognition and measurement principles laid down in aforesaid Indian Accounting Standard and other accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended including the manner in which it is to be disclosed or that it contains any material misstatement.

We did not review the financial results of certain subsidiaries included in the Statement whose interim financial results, before consolidation adjustments, reflect total revenues of Rs.273 lakhs and Rs. 1,133 lakhs, total net profit/(loss) of Rs. 151 lakhs and Rs. 603 lakhs, and total comprehensive income / (loss) of Rs. (51) lakhs and Rs. 557 lakhs as considered in the unaudited consolidated financial results for the quarter and the nine months ended December 31, 2024, respectively after adjusting net income of Rs. 698 lakhs for the nine months ended December 31, 2024, from discontinued operations of a subsidiary Amrit Environmental Technologies Pvt Ltd. These interim financial results have been reviewed by other auditors whose reports have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the report of the other auditors and the procedures performed by us as stated in paragraph 3 above.

6. We draw attention to the following matters as stated in the Notes to the Financial Results:
- (i) Considering the stay granted by the Supreme Court of India on the order issued by Central Electricity Regulatory Commission ('CERC') on reduction of floor price, and based on the legal opinion obtained, the company is confident of favourable decision on the appeal with Hon'ble Supreme Court against the APTEL (Appellate Tribunal for Electricity at New Delhi) order and realization of difference of Rs. 500 per REC aggregating to Rs. 2,071 Lakhs in respect of the receivables as on 31st March 2017. However, for the delay in recovering the said receivables, the Group made provision of Rs. 715 lakhs for expected credit losses till December 31, 2024.
 - (ii) Defaults were made by Amrit Environmental Technologies Pvt. Ltd. (AETPL) in repayment of term loan obligations from IL&FS Financial Services Limited (IL&FS). As the company provided a corporate guarantee against this loan availed by AETPL, IL&FS moved the National Company Law Tribunal against the company. The Company submitted a One-Time Settlement (OTS) proposal for Rs. 3,000 lakhs which was approved by the National Company Law Tribunal, Mumbai on June 04, 2024. Pursuant to the approval, the Holding Company, IL&FS and AETPL have entered into a settlement agreement dated June 13, 2024 for repaying the settled amount of Rs. 3,000 lakhs to IL&FS in stipulated instalments. Out of this, the holding company has paid IL&FS Rs. 2,600 lakhs till December 31, 2024, while the entire remaining balance of Rs. 400 lakhs has been paid subsequently. The excess of carrying value of the loan over the OTS amount was Rs. 1,605 lakhs which has been written back and recognized as other income by AETPL during the quarter ended June 30, 2024. AETPL had also accounted for impairment provision to the extent of Rs. 900 lakhs during

Our responsibility is to express a conclusion on the statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would have become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement prepared in accordance with recognition and measurement principles laid down in aforesaid Ind AS 34 and other accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed or that it contains any material misstatement.
5. We further draw attention to following matters as stated in the Notes to the Statement:
 - i. Considering the restrictive loan covenants by the lending financial institution on the subsidiary viz. Beta Wind Farm Private Limited and the uncertainty associated with the recovery, the company has on a prudent basis not recognized the finance income of Rs. 1,259 Lakhs during the

quarter ended December 31, 2024 on loan measured at amortized cost, consequent to fair valuation of investment in preference shares.

- ii. Defaults were made by one of the Subsidiaries, Amrit Environmental Technologies Private Limited (AETPL) in repayment of term loan obligations from IL&FS Financial Services Limited (IL&FS). As the company provided a corporate guarantee against this loan availed by AETPL, IL&FS moved the National Company Law Tribunal against the company. The Company submitted a One-Time Settlement (OTS) proposal for Rs. 3,000 lakhs which was approved by the National Company Law Tribunal, Mumbai on June 4, 2024. Pursuant to the approval, the Company, IL&FS and AETPL have entered into a settlement agreement dated June 13, 2024 for repaying the settled amount of Rs. 3,000 lakhs to IL&FS in stipulated instalments. The company has recognized a provision of Rs. 3,000 lakhs under discontinued operations towards its obligations of the corporate guarantee for repayment of the loan during quarter ended June 30, 2024 and paid IL&FS Rs. 2,600 lakhs during the nine months ended December 31, 2024, while the entire remaining balance of Rs. 400 lakhs has been paid subsequently.

Our conclusion on the statement is not modified in respect of the above matters.
