NACDAC INFRASTRUCTURE LIMITED SECURES MULTIPLE PRESTIGIOUS CONTRACTS ACROSS INDIA

New Delhi, India – January 21, 2025 – NACDAC Infrastructure Limited, a leading construction company specializing in multi-story buildings and infrastructure projects, is pleased to announce the acquisition of several significant work orders and the formalization of agreements with esteemed clients nationwide.

New Projects:

- **Birla Estates Private Limited:** NACDAC Infrastructure has been entrusted with the Barmalt Project in Gurugram, Haryana, reflecting the company's expertise in delivering high-quality construction services.
- **CP Systems Pvt. Ltd.:** The Company will undertake HRT/TRT work in Uttarakhand, with THDC India Limited as the primary client, showcasing NACDAC's capability in handling complex engineering projects.
- **Gurukul Taxila Pvt. Ltd.:** NACDAC Infrastructure has secured a contract for the repair and renovation of office premises in Rohini, Delhi, emphasizing the company's proficiency in refurbishment and renovation projects.
- **Minda Instruments Limited:** The Company will provide technical and engineering support services at Minda's plant located in Tal Khed, Pune, Maharashtra, underscoring NACDAC's versatility in offering comprehensive engineering solutions.

These strategic collaborations align with NACDAC Infrastructure's mission to position itself among the elite organizations capable of competitively bidding. Securing these diverse projects across multiple states is a testament to our team's dedication and the trust our clients place in us. We are committed to delivering excellence and contributing to India's infrastructure development.

NACDAC Infrastructure Limited:

NACDAC Infrastructure Limited is a leading construction and infrastructure development company in India, renowned for its expertise in multi-story building projects, steel structures, bridges, allied civil works, and comprehensive electrical services, including low-tension and high-tension systems.

The Company holds ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 certifications, reflecting its commitment to quality, environmental responsibility, and occupational health and safety standards. Established in 2012, NACDAC Infrastructure has built a reputation for delivering high-quality, sustainable, and innovative solutions across diverse infrastructure projects. With a strong focus on customer satisfaction and technical excellence, the company continues to play a pivotal role in India's growing infrastructure sector.
