- 8. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
- 9. The Register of Members and the Share Transfer books of the Company will be closed from Sunday, September 22, 2024 to Saturday, September 28, 2024 both days inclusive.
- 10. Benefits of Dematerialization:

Shares held in dematerialized form have several advantages like immediate transfer of shares, faster settlement cycle, faster disbursement of non-cash corporate benefits like rights, etc., lower brokerage, ease in portfolio monitoring, etc. Besides risks associated with physical certificates such as forged transfer, fake certificates, bad deliveries, loss of certificates in transit, get eliminated. Since there are several benefits arising from dematerialization, we sincerely urge you to dematerialize your shares at the earliest, if you are still holding the shares in physical form.

In accordance with Regulation 40 of the SEBI Listing Regulations, as amended, transfer of securities of listed entities can be processed only in dematerialized form. Further, pursuant to SEBI circular dated 25th January 2022, securities of the Company shall be issued in dematerialized form only while processing service requests in relation to issue of duplicate securities certificate, renewal / exchange of securities certificate, endorsement, sub-division / splitting of securities certificate, consolidation of securities certificates/folios, transmission and transposition. Members can contact the Company or Company's Registrars and Transfer Agents, "Link Intime India Private Limited." for assistance in this regard.

11. Members holding shares in dematerialized form are requested to intimate all changes pertaining to their bank details, mandates, nominations, power of attorney, change of address, change of name and email address, etc., to their Depository Participants only and not to Company's Registrar and Transfer Agent. Changes intimated to the Depository Participant will then be automatically reflected in the Company's records. Members holding shares in physical form are requested to intimate such changes to the Company's Registrar & Share Transfer Agents, Link Intime India Private Limited.

SEBI has mandated the submission of PAN by every participant in securities market. Members holding shares in electronic form are, therefore requested to submit the PAN to their Depository Participant with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to Link Intime India Private Limited.

Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to Link Intime India Private Limited, the details of such folios together with the share certificates and self-attested copies of PAN card of the holders for consolidating their holding in one folio. Requests for consolidation of share certificates shall be processed in dematerialized form.

12. SEBI has mandated furnishing of PAN, KYC details (i.e. postal address with pin code, email address, mobile number, bank account details) and nomination details by all shareholders holding shares in physical form. - 25. Instructions for attending the AGM through VC/OAVM and remote e-voting (before and during the AGM) are given below:

INSTRUCTIONS FOR SHAREHOLDERS ATTENDING THE AGM THROUGH VC/OAVM ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Wednesday, September 25, 2024 (9.00 a.m. IST) and ends on Friday, September 27, 2024 (5.00 p.m. IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Saturday, September 21, 2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. MANAGEMENT DISCUSSION AND ANALYSIS (MDA)

As per the provisions of the Corporate Governance under the Listing regulations, the Management Discussion and Analysis (MDA) Report form part of the Boards' Report and reflects current state of the business.

Your Company is making Printed Circuit Boards (PCBs) and has its manufacturing facilities in Seepz- SEZ, Mumbai. It continues to remain a SEZ Unit.

1) INDUSTRY STRUCTURE AND DEVELOPMENT

PCBs are basic Electronic Building Block components used in all Electrical and Electronic Products. As a SEZ Exporter, the main Competition comes from China. The product is a complex one with several aspects of technology intricacy and above all continuously increasing customer expectations.

Electronics Manufacture in India has a disability relative to China & the Government has recognized this and to boost & Support the Electronics manufacturing has formulated & announced the National Policy on Electronics having various incentives to affect the disabilities faced by Indian Electronics Manufacturer with this Electronics Manufacture is sure to grow.

Our own focus after exports to over 14 countries is now also on the domestic Market, hence we are well positioned to ride this growth phase.

2) MODERNISATION, OPPORTUNITY AND THREATS

The Company continuously updates its manufacturing processes focused towards yield, capability and capacity improvements. The improvements are on all fronts, equipment, processes / systems and personnel Training.

The opportunities are in the small to medium volume, faster delivery and with broad range of surface finishes and various laminate materials focused for the European markets.

The threats are on account of volatile exchange rate movements and rising input and overhead costs.

3) SEGMENTWISE PERFORMANCE

Printed Circuits Boards (PCBs) is the only business segment in which the Company is dealing.

4) OUTLOOK

a) BUSINESS SCENARIO

RF Microwave PCBs with special materials with special surface finishes and of special designs has resulted in good business growth and continues to show promise for the future. Further the Company has put in place a New Product pipeline and this will augur well in the coming years. Also your Company has identified fertile new markets to penetrate which will also augur well in the coming years whilst still being well rooted in its main markets of USA, Germany and India.

Space (Domestic and Global) and Defence (Domestic) are growth drivers for the Company's legacy of PCB supplies to ISRO will hold good stead in penetrative other related markets.

b) HIGH TECHNOLOGY MULTILAYER UNIT

The High Technology Multilayer Unit (HTMU) continued to progress well.

5) RISK AND CONCERNS

The financial status of the Company is stable. The cash flow is judiciously managed to get the best exchange rate gains. Slow growth in the global markets, high power cost, volatile exchange rate movements and consistently rising personnel costs are risks that the Company is facing and tackling.

6) INTERNAL CONTROL

The Company has Internal Auditors who conducts internal audit that assesses the internal control systems. The Statutory Auditors and the Audit Committee review these controls regularly. Any change in the internal control that is recommended is studied and implemented based on the Company needs and feasibility of implementation.

7) FINANCIAL PERFORMANCE

The Company rationalized the products line considering the price levels to remain competitive in the volatile Exchange Rate, Higher material and power cost scenario. The Company expects to improve on all these counts in the coming year.

8) HUMAN RESOURCE DEVELOPMENT AND BUILDING LEADERSHIP QUALITIES

The personnel of the Company are vital part of the organization. The Company continues its policy to train them inhouse, provide opportunity for external training and challenges them to exert and rewards superior performance. The Company is pleased to state that this has made the 2nd level supervisory personnel to show encouraging performance and to rise up. The Company has engaged contractor's workmen for support services and follows the same policy of training and rewarding the good performers.

The number of employees of the Company as on 31st March 2024 was 146. (Previous year 145).

9) There were significant changes in the following ratios as compared to the immediately previous financial year:

Details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios, along with detailed explanations therefore, including:

(a) Return on equity Ratio (%)
(b) Inventory Turnover ratio (times)
(c) Net Profit Ratio (%)
(d) 47.42%
(e) 58.90%
(f) 68.88%

Reasons for change in ratios by more than 25 % as compared to the previous Year :

- 1. Return on Equity reduced mainly because of lower sales and lower realisation.
- 2. Inventory Turnover ratio (times)
- 3. Net Profit ratio reduced mainly because of lower sales and lower realisation.
- 10. Details of any change in Return on Net Worth as compared to the immediately previous financial year along with a detailed explanation thereof: The details of return on net worth as follows:

(Rs. In Lakhs)

Particulars	Year		
	2024	2023	
Return on net worth (%)	1.25	0.84	

Return on net worth is computed as net profit by average net worth. Net profit has increased to Rs. 10.71 Lakhs (2024) against Rs. 7.18 Lakhs (2023). Continuous focus on New Products, New Volumes and New Markets, good realization has enabled us to maintain Profitability.

11. FUTURE OUTLOOK

Your Company's outlook is Positive as New Products and New markets have been the focus in the last few years and due to this we have added to our Product offering PCBs with new materials and surface finishes and exported to multiple new markets spread across 14 countries.

Cautionary Statement:

Statement in this Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be "forward-looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include raw material availability and prices, cyclical demand and pricing in the Company's principal markets, changes in Government regulations, tax regimes, economic developments within India and the countries in which the Company conducts business and other incidental factors.

INDEPENDENT AUDITORS' REPORT

Τo

The Members of Fine Line Circuits Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the Financial Statements of Fine Line Circuits Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2024, the Statement of profit and loss, Statement of changes in equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024, and its Profits including Other Comprehensive Income, changes in equity and its cash outflows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the financial year ended March 31, 2024. We have determined that there is no key audit matter to be communicated in our report.

Other Matter

The Financial statements of the Company for the year ended 31st March, 2023, prepared in accordance with Ind As have been audited by the predecessor auditor. The report of the predecessor auditor dated 30th May 2023 expressed an unmodified opinion.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors Report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015, as amended.

CIRCUITS

- (e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
- With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our Report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial controls with reference to the Financial Statements.
- With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Companies Act, 2013, as amended in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - As explained to us, the Company does not have any pending litigations which would impact its financial position.
 - There are no foreseeable losses as required on long term contracts including derivate contracts. ii
- iii The Management has represented to us that, to the best of its knowledge and belief, as disclosed in the notes to the accounts no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any quarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - The Management has represented to us that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that cause us to believe that the representation given by the Management under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatements.
- (a) No dividend has been declared or paid during the year by the company. iv.
 - (b) There was no amount which were required to be transferred, to the Investor Education and Protection Fund by the company.
- Based on our examination which included test checks, the Company has used accounting software to maintain V. (a) books of account for the financial year ended 31st March, 2024 which has a feature of recording audit trail (edit log) facility except for the accounting software for USA branch of the Company. The audit trail features have been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.
 - As proviso to rule 3(1) of the Companies (Accounts) rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended 31st March , 2024.

"ANNEXURE A" TO THE INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS OF Fine Line Circuits Limited

(Referred to in Paragraph 1 under the heading of "Report on other legal and regulatory requirements" of our report of even date)

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - (B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) As explained to us, these Property, Plant and Equipment have been physically verified by the management in a phased periodical manner, which in our opinion is reasonable having regard to the size of the Company and nature of its assets. No material discrepancies were noticed on such physical verification and appropriately dealt with in the books of accounts.
 - (c) The Company does not have immovable property therefore reporting under clause 3 (1) (c) of the Order is not applicable to the Company.
 - (d) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) and intangible assets during the year and hence reporting under clause (i) (d) of paragraph 3 of the Order is not applicable to the Company.
 - (e) According to the information and explanation given to us, there are no proceedings have been initiated and are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder and hence reporting under clause (i) (e) of paragraph 3 of the Order is not applicable to the Company.
- (ii) (a) In our opinion, the inventories have been physically verified during the year by the Management at reasonable intervals, excluding goods in transit, and According to the information and explanation given to us, we are of the opinion that the coverage and procedure of such verification by management is appropriate and no material discrepancies of 10% or more in the aggregate for each class of inventory were noticed on such physical verification of Inventory by the Company.
 - (b) During the year, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks or financial institutions on the basis of security of current assets. The Company has filed quarterly returns and statements with the Bank in respect of the same. The details of material differences in the quarterly statements filed by the Company with the books of accounts are as follows:

(Rs.in Lakhs)

Quarter Ended	Particulars of Security Provided	Amount as per Quarterly statements filed.	Amount as per Books of Accounts	Difference
30-06-2023	Inventory	612.70	686.32	(73.62)
	Trade payables	223.60	251.32	(27.72)
30-09-2023	Inventory	729.49	863.83	(134.34)
	Trade payables	267.19	257.30	9.89
31-12-2023	Inventory	713.29	805.48	(92.20)
	Trade payables	216.04	230.88	(14.84)
31-03-2024	Trade payables	256.79	223.01	33.78

According to the information and explanations given to us, the reason for the differences are that the figures reported to the Bank does not include entries considered in the Books of accounts post submission of information to the Bank.

- (iii) According to the information and explanations given to us, the Company has not provided any guarantee or security or granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties. Accordingly, the provisions of clause 3(iii) (a), (b), (c) and (d) of the Order are not applicable to the Company and hence not commented upon.
- (iii) (e) According to the information and explanations given to us, the Company has not granted any loan or advance in the nature of loan granted during the year and there is no loan or advance in the nature of loan granted which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the over dues of existing loans given to the same parties. Accordingly, the provisions of clause 3(iii) (e) of the Order are not applicable to the Company and hence not commented upon.

- (iii) (f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment granted to Promoters, related parties as defined in clause (76) of section 2 of the Companies Act, 2013. Accordingly, the provisions of clause 3(iii) (f) of the Order are not applicable to the Company and hence not commented upon.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not given any loans, made investments or provided any guarantee or security as specified under section 185 and 186 of the Companies Act 2013.
- (v) According to the information and explanations given to us, the Company has not accepted any deposits within the meaning of provisions of sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Therefore, the clause (v) of paragraph 3 of the Order is not applicable to the Company.
- (vi) We have broadly reviewed the books of accounts maintained by the Company pursuant to the rules prescribed by the central government for maintenance of the cost records under section 148(1) of the Companies Act, 2013 in respect of manufacture of the products and of the opinion that prima facie, the prescribed amounts and records have been made and maintained. However we have not made detailed examination of the same.
- (vii) In respect of Statutory dues:
 - a. According to the records of the Company, undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Goods and Service Tax, Service Tax, Duty of Custom, Duty of Excise, Value Added Tax, Cess and any other statutory dues have been generally regularly deposited with appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues, were outstanding as at 31st March, 2024 for a period of more than six months from the date they became payable.
 - b. According to the information and explanations given to us, there are no disputed aforesaid statutory dues pending as on March 31, 2024.
- (viii) In our opinion, to the best of our knowledge and according to the information and explanations given to us, there are no such transactions which are not recorded in the books of account, have been surrendered or disclosed as income during the year in tax assessments under the Income Tax Act, 1961 (43 of 1961), which have been previously unrecorded income. Therefore, the clause (viii) of paragraph 3 of the Order is not applicable to the Company.
- (ix) a. In our opinion, to the best of our knowledge and according to the information and explanations given to us, the Company has not defaulted in repayment of loans and other borrowings and interest due thereon.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT ON THEFINANCIAL STATEMENTS OF FINE LINE CIRCUITS LIMITED

(Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Control over financial reporting of **FINE LINE CIRCUITS LIMITED** ("the Company") as of 31st March, 2024 in conjunction with our audit of the Financial Statements of the Company for the year then ended.

Management Responsibility for the Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by ICAI and the Standards on auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely

detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

NOTES FORMING PART OF THE BALANCE SHEET AND STATEMENT OF PROFIT AND LOSS ANNEXED THERETO FOR THE YEAR ENDED 31ST MARCH 2024:

A. CORPORATE INFORMATION

Fine Line Circuits Limited (the "Company") is a public limited Company domiciled and incorporated in India under the Companies Act, 1956. The registered office of the Company is situated at 145, SDF – V, SEEPZ, Andheri East, Mumbai 400096. India.

The Company is engaged mainly in manufacturing of Printed Circuit Boards. The Company has manufacturing facility at SEEPZ. The Company is listed on the Bombay Stock Exchange (BSE)

The Financial Statements were approved and authorized for issue in accordance with resolutions of Company's Board of Directors on 25th May, 2024.

B. SIGNIFICANT ACCOUNTING POLICIES

B.1 Basis for preparation of accounts:

These financial statements are prepared in accordance with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies (Indian Accounting Standards) Rules, 2015.

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at the fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

Company's Financial Statements are presented in Indian Rupees, which is also its functional currency and all values are rounded off to the nearest Lakhs with two decimals, except when otherwise stated.

For the purpose of current / non-current classification of assets and liabilities, the Company has ascertained its normal operating cycle as 12 months. This is based on the nature of the products and the time between the acquisition of assets or inventories for manufacturing and their realization in cash and cash equivalents.

B.2 Summary of Significant Accounting Policies

a) Property, Plant and Equipment, depreciation and amortization:

- Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation and accumulated impairment losses, if any. All costs, net of recoverable taxes, including cost of financing till commencement of commercial production are capitalized.
- Intangible assets software are stated at cost of acquisition less accumulated amortization and accumulated impairment losses if any. Intangible assets technical knowhow Expenditure incurred on technical knowhow in its development phase, where it is reasonably certain that the outcome of development will be commercially exploited to yield future economic benefits to the Company, is considered as an intangible asset. Such developmental expenditure is capitalized at cost including a share of allocable expenses. Other expenditure on intangibles are not capitalised and the related expenditure is reflected in the Statement of Profit & Loss for the period in which expenditure is incurred.
- Gains or losses arising from de-recognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.
- Capital work in progress and Capital advances: Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. Advances given towards acquisition of property, plant and equipment outstanding at each Balance Sheet date are disclosed as Other Non-Current Assets.
- Depreciation on Property, Plant and Equipment is provided using written down value. Depreciation is provided based on the useful life of the Assets as prescribed in Schedule II to the Companies Act 2013.
- Intangible assets are amortised over a period of three years on straight line basis.

b) Investments

The Company has elected to recognize its non-current investments at cost.

c) Inventories:

Inventories are stated at lower of cost and net realizable value after providing for obsolescence, if any.

Cost of inventories comprises cost of purchase and all other costs incurred in bringing the Inventories to their present location and are accounted as follows:

I. Raw Materials, Chemicals, Consumables, Spares and Tools:

Cost includes cost of purchases and all other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

II. Work in Progress:

Work in Progress is valued at estimated cost, based on the stages of completion or net realizable value, whichever is lower. Cost includes raw material costs and related production overheads.

III. Finished Goods:

Finished goods are valued at cost or estimated net realizable value whichever is lower.

d) Employee Benefits:

Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Expense in respect of other short-term benefits is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

Post Employment Employee Benefits:

(i) Defined Contribution Plans:

(a) Provident fund:

The Company makes specified monthly contribution to statutory provident fund in accordance with the Employees Provident Fund & Miscellaneous Provisions Act, 1952, which is a defined contribution plan and contribution paid or payable is recognized as an expense in the period in which services are rendered by the employee.

(ii) Defined Benefit Plans:

(a) Gratuity:

The Company pays gratuity to the employees who have completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @15 days salary for every completed year of service as per the Payment of Gratuity Act, 1972.

The gratuity liability amount is contributed to the approved gratuity fund formed exclusively for gratuity payment to the employees. The gratuity fund has been approved by respective Income Tax authorities.

The liability in respect of gratuity and other post-employment benefits is made based on actuarial valuation done by an independent agency of notified actuaries calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employee's services. Liability in respect of employees not covered under the group gratuity scheme, provision is made as per the payment of Gratuity Act, 1972.

(b) Leave Encashment:

Provision for leave encashment, which is a defined benefit, is made based on actuarial valuation done by an independent agency of notified actuaries by using the projected unit credit method.

Re-measurement of defined benefit plans in respect of post-employment and other long-term benefits are charged to the Other Comprehensive Income.

e) Tax Expense:

The tax expense for the period comprises current tax and deferred income tax. Tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognized in the Other Comprehensive Income or in equity. In this case, the tax is also recognized in Other Comprehensive Income and Equity.

Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax Authorities, based on tax rates and laws that are enacted at the Balance Sheet date.

Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

f) Revenue Recognition:

Revenue from sale of goods is recognized when the goods are dispatched to the customers, all significant contractual obligations have been satisfied and the collection of the resulting receivable expected. The sales are stated net of returns and related taxes.

- Income from Export Incentives is recognized on submission of claims to respective agencies and there is a reasonable certainty.
- Interest Income is recognized on time proportion basis taking into account the amount outstanding and the interest rate applicable.
- Dividend Income is recognized when the Company's right to receive the amount has been established.

g) Provisions, Contingent liabilities and Contingent assets:

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation, discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are not recognized, but are disclosed in the Notes. Contingent assets are neither recognized nor disclosed in the financial statements.

h) Impairment of Non-Financial Assets- Property, Plant and Equipment and Intangible Assets:

The Company assesses at each reporting date as to whether there is any indication that any Property, Plant and Equipment and intangible assets or group of assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognized in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of their value of the time value of money and risk specific to the assets.

The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

i) Finance costs:

Borrowing costs consists of interest cost and other borrowing costs that an entity incurs in connection with the borrowing of funds.

Borrowing costs directly attributable to the acquisition and construction of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the respective assets up to the date when such assets are ready for their intended use. The borrowing cost eligible for capitalization is being netted off against any income arising on temporary investment. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

j) Foreign currency transactions and Translation:

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognized in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets which are capitalized as cost of assets.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss also recognized in Other Comprehensive Income or Statement of Profit and Loss, respectively).

In respect of Foreign Branch, all the transactions are translated at the rates prevailing at the time of transactions or that approximates the actual rate as at the date of transaction. Branch monetary assets and liabilities are restated at the year-end rates.

k) Research and Development Expenditure:

Revenue expenditure on Research and Development is charged to the Statement of Profit and Loss in the period in which it is incurred. Development costs of products are charged to the Profit and Loss Statement unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalized.

I) Cash flow statement:

Cash flows are reported using Indirect method as set out in IND AS -7 "Statement of Cash Flows". The Cash flows from operating, Investing and financing activities of the Company are segregated based on the available information.

m) Earning per Share:

The Company presents basic and dilluted earning per share ("EPS") data for its Equity Shares. Basic EPS is calculated by dividing the profit or loss attributable to the equity Shareholder of the Company by the weighted average number of equity shares outstanding during the period. Dilluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted number of equity shares outstanding for the effect of all dilutive potential equity shares. The company has choosen to make additional disclosure of EPS calculated considering other Comprehensive Income.

n) Financial Instruments:

I) Financial Assets

1. Initial Recognition and Measurement

All Financial Assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of Financial Assets, which are not at Fair Value through Profit or Loss, are added to the fair value on initial recognition.

2. Subsequent Measurement

i. Financial Assets Measured at Amortised Cost (AC)

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets Measured at Fair Value Through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii. Financial Assets Measured at Fair Value Through Profit or Loss (FVTPL)

A Financial Asset which is not classified in any of the above categories are measured at FVTPL.

3. Impairment of Financial Assets

The Company recognizes loss allowance for expected credit losses on:

- Financial assets measured at amortised cost:

At each reporting date, the Company assesses whether financial assets carried at amortised cost has impaired and provisions are made for impairment accordingly. A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

The Company measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- Other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.

12 months expected credit losses are the portion of expected credit losses that result from default events that are possible within 12months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

When determining whether the credit risk of a financial assets has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward looking information.

II) Financial Liabilities

1. Initial Recognition and Measurement

All Financial Liabilities are recognized at fair value and in case borrowings, net of directly attributable cost. Cost of recurring nature are directly recognized in the Statement of Profit and Loss as finance cost.

2. Subsequent Measurement

Financial Liabilities are carried at amortized cost using the effective interest method.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

III) Derecognition of Financial Instruments

The company derecognizes a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset and the transfer qualifies for derecognition under Ind AS 109. A Financial Liability (or a part of a Financial Liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expired.

IV) Offsetting

Financial Assets and Financial Liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to set off the recognized amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future event and must be enforceable in the normal course of business.

o) Fair Value:

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

- Level 1 quoted prices for identical instruments in an active market.
- Level 2 -Directly or Indirectly observable market inputs other than level 1 inputs.
- Level 3 inputs which are not based on observable market data.

For asset and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

C) KEY ACOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the Company's Financial Statements requires management to make judgments, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in next financial year.

1. Depreciation/Amortisation And Useful Life of Property Plant and Equipment/ Intangible Assets

Property, Plant and Equipment / Intangible assets are depreciated/ amortised over their estimated useful life, after taking into account estimated residual value. Management reviews the estimated useful life and residual values of the assets annually in order to determine the amount of depreciation/ amortization technological changes. The depreciation/ amortization for future periods is revised if there are significant changes from previous estimates.

2. Recoverability of Trade Receivable

Judgments are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include assessing the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

3. Provisions

Provisions and Liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

4. Impairment of Non-Financial Assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount is the higher asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transaction are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

5. Impairment of Financial Assets

The impairment provisions for Financial Assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Financial Risk Management

The Company's principal financial liabilities comprise of borrowings, trade and other payable. The main purpose of financial liabilities is to manage finance for the Company's operations. The Company has loan and other receivables, trade and other receivable and cash and short term deposits that arise directly from its operations. The Company's activities exposes it to variety of financial risk as follows:

- i Market Risk
- ii Credit Risk
- iii Liquidity Risk

i Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risks: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments, and derivative financial instruments. Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This is based on the financial assets and financial liabilities held as at March 31, 2024 and March 31, 2023

The sensitivity analysis excludes the impact of movements in market variables on the carrying value of post-employment benefit obligations provisions and on the non-financial assets and liabilities. The sensitivity of the relevant Statement of Profit and Loss item is the effect of the assumed changes in the respective market risks. The Company's activities expose it to a variety of financial risks, including interest rates.

Foreign Currency Risk

The Following table shows foreign currency exposures (unhedged) in USD, EURO, GBP and CHF on financial instruments at the end of the reporting period.

Euro	1%	0.60	0.87	0.60	0.87
Euro	-1%	(0.60)	(0.87)	(0.60)	(0.87)

a Interest rate risk and sensitivity

The Company's exposure to the risk of changes in market interest rates relates primarily to long term debt. The risk is planned to be managed by having a portfolio mix of floating and fixed rate debt. Borrowings issued at variable rates expose the Company to cash flow interest rate risk. With all other variables held constant, the following table demonstrates the impact of borrowing cost on floating rate portion of loans and borrowings and loans on which interest rate swaps are taken.

For the year ended 31st March 2023			
INR Borrowing	+50	-3.16	-3.16
	-50	3.16	3.16

b Commodity price risk and sensitivity

The Company is exposed to the movement in price of key raw materials in domestic and international markets. The Company has in place policies to manage exposure to fluctuations in the prices of the key raw materials used in operations. The Company enter into contracts for procurement of material, most of the transactions are short term fixed price contract and a few transactions are long term fixed price contracts.

c Financial instruments and cash deposits

The Company considers factors such as track record, size of the institution, market reputation and service standards to select the banks with which balances and deposits are maintained. The Company does not maintain significant cash and deposit balances other than those required for its day to day operations.

d Competition and price risk

The Company faces competition from local and foreign competitors. Nevertheless, it believes that it has competitive advantage in terms of high quality products and by continuously upgrading its expertise and range of products to meet the needs of its customers.

ii Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, loans and investment in debt securities. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

The Company's maximum exposure to credit risk as at 31st March, 2024 and 1st April, 2023 is the carrying value of each class of financial assets.

a Trade and Other Receivables

Customer credit risk for printed circuits board sales is managed by entering into sale agreements in the case of sale of finished units, sale agreements are executed only upon/against full payment thereby substantially eliminating the Company's credit risk in this respect.

Impairment

Expected credit loss assessment for customers as at 31st March 2024 and 31st March 23:

Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macroeconomic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses to continue. Further, management believes that the unimpaired amounts that are past due by more than 30

days are still collectible in full, based on historical payment behavior and extensive analysis of customer credit risk. In view of the above, the Company believes that no provision is required as per expected credit loss method.

iii Liquidity Risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company relies on a mix of borrowings, capital infusion and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowing facilities at all times so that the Company does not breach borrowing limits or covenants (where applicable) on any of its borrowing facilities.

The Company is required to maintain ratios (including total debt to EBITDA / net worth, EBITDA to gross interest, debt service coverage ratio and secured coverage ratio) as mentioned in the loan agreements at specified levels. In the event of failure to meet any of these ratios these loans become callable at the option of lenders.

The Company's overall risk management programmed focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance.

Risk management is carried out by the treasury department under policies approved by the Board of Directors. The treasury team identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The Board lays down principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, and credit risk and investment of excess liquidity.

The following table details the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The table has been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the company can be required to pay.

Fair value hierarchy

The fair value of financial instruments as disclosed above have been classified into three categories depending on the inputs used in the

valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1

measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The categories used are as under:

Level 1: Quoted prices for identical instruments in an active market;

Level 2: Directly or indirectly observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data.
