The company was officially listed on the stock exchange on July 30th, 2024. However, despite the listing, the Corporate Identification Number (CIN) associated with the company on the Ministry of Corporate Affairs (MCA) portal has not yet been updated to reflect this change. This discrepancy may cause confusion for stakeholders, as the CIN on MCA still reflects the company's pre-listing status. We are actively working with the relevant authorities to ensure the necessary updates are made promptly.
