APPENDIX

- The Key Management Personnel and Management teams at GCPL are given Employee Stock Options under Company Scheme(s) as part of the total rewards.

March' 25	0%	0%
March' 26	<30%	<30%
March' 27	<15%	<30%
March' 28	<15%	<30%

- Mr. Aasif Malbari, Chief Financial Officer, has indicated that he intends to cumulatively sell less than 35% of his cumulative allotted Equity Shares basis his personal cash flow planning
- Please note that these plans are indicative in nature and may be subject to adjustments based on their individual requirements and circumstance.
