THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- i. The voting period begins on 27th September, 2024 at 09:00 A.M. and ends on 29th September 2024 at 05: 00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 21st September 2024 may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER:-

The remote e-voting period begins on 27th September, 2024 at 09:00 A.M. and ends on 29th September 2024 at 05: 00 P.M. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. 21st September 2024, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being 21st September 2024.

Explanatory Statement Pursuant to Section 102 of the companies Act, 2013

Item No. 4 & 5:

In order to meet the future requirements of funds, which may arise on account of the plans/programs/business, the Company may require further loans/borrowings from time to time from financial institutions, banks, and other entities. Further, to secure such borrowings, the Company may be required to create charge/mortgage/hypothecation on all or any of its movable and/or immovable assets, both present and future as may be required from time to time.

In terms of the provisions of Section 180(1)(c) & 180(1)(a) of the Companies Act, 2013, the Company needs to take approval of members of the Company for increasing the borrowing powers and authority to create charge / mortgage on the assets of the Company to secure such borrowings from financial institutions, banks, and other entities from time to time, Hence it is proposed to take your approval for a limit upto Rs. 300 Crores.

None of the other Directors, Key Managerial Personnel of the Company or their relatives are concerned or interested, financially or otherwise, in the passing of the Resolution.

Item No. 6:

As per the provisions of Section 186 of the Companies Act, 2013, a Company, without approval of the shareholders by passing a Special Resolution, cannot give any loan to any person or other body corporate/give any guarantee or provide security in connection with a loan taken by it or other body corporate or person or acquire by way of subscription, purchase or otherwise, securities of anybody corporate exceeding)

- 1) Sixty per cent of its paid up capital, free reserves and securities premium account; or
- 2) One hundred per cent of its free reserves and securities premium account, whichever is more.

Your Company has embarked upon a growth path and is constantly reviewing opportunities for expansion of its business operations either directly or through its subsidiaries / joint ventures / associate companies and therefore it may require to provide financial support to meet long term and working capital requirements by way of loan(s) and/or guarantee(s) and/or security(ies) / investment in securities of such subsidiaries / joint ventures / associate companies / other bodies corporate.

It is, therefore, proposed that the Board of Directors of the Company be authorized to invest by way of subscription and/or purchase of securities, grant of loan(s), giving of guarantee(s) and/or providing of security (ies) for an amount not exceeding Rs. 500 Crores from time to time in/to one or more of the persons/entities i.e. subsidiaries / joint ventures / associate companies / other bodies corporate. The source of funds for making these investments would be surplus funds generated by the Company through operations or from such other sources as the Board may deem appropriate. Since the above investments, loans, guarantees and/or securities proposed together with the loans and investments already made, guarantee and securities already given may exceed the limit as specified in Section 186 of the Companies Act, 2013 read with Companies (Meetings of Board & its Powers) Rules, 2014 and Rule 22 of Companies (Management and Administration) Rules, 2014, approval of the members is required for the same.

The Board of Directors accordingly recommends the Special Resolution as set out at Item No. 06 of the Notice for your approval.

None of the Directors, Key Managerial Personnel of the Company or their relatives are concerned or interested in the said resolution.

MANAGEMENT DISCUSSIONS AND ANALYSIS REPORTS

Your Directors are pleased to present the Management Discussion and Analysis Report for the year ended 31st March, 2024.

The Management Discussion and Analysis have been included in consonance with the Code of Corporate Governance as approved by The Securities and Exchange Board of India (SEBI). Investors are cautioned that these discussions contain certain forward looking statements that involve risk and uncertainties including those risks which are inherent in the Company's growth and strategy, information or developments, events or otherwise.

The management of the company is presenting herein the overview, opportunities and threats, initiatives by the Company and overall strategy of the company and its outlook for the future. This outlook is based on management's own assessment and it may vary due to future economic and other future developments in the country.

Segment-wise Performance

The Company operates in two reportable segments i.e. Textile Business and Finance Business. The Business Segments has been identified as separate segment in accordance with Accounting Standard 17 'Segment Reporting'.

Risk & Concerns:

In today's complex business environment, almost every business decision requires executives and managers to balance risk and reward. Effective risk management is therefore critical to an organization's success. Globalization with increasing integration of markets, newer and more complex products and transactions and an increasingly stringent regulatory framework has exposed organizations to and integrated approach to risk management. Timely and effective risk management is of prime importance to our continued success. The sustainability of the business is derived from the following:

- Identification of the diverse risks faced by the company.
- The evolution of appropriate systems and processes to measure and monitor them.
- Risk Management through appropriate mitigation strategies within the policy framework.
- Monitoring the progress of the implementation of such strategies and subjecting them to periodical audit and review.
- Reporting these risk mitigation results to the appropriate managerial levels.
- There is the risk of loss from inadequate or failed systems, processes or procedures. These may be attributed to human failure or technical problems given the increase use of technology and staff turnover. Your company has in place suitable mechanisms to effectively reduce such risks. All these risks are continuously analysed and reviewed at various levels of management through an effective information system.

Opportunities and Threats:

Some of the key trends of the industry that are favourable to the company to exploit these emerging opportunities are:

- Clients are more comfortable with uniform high quality and quick service and process across the enterprise.
- There are good prospects for expanding further activities in this direction.
- The company is also facing server competition from other travel companies

Some of the key changes in the industry unfavourable to the company are:

- Heightened competition
- Increasing Compliances
- Attraction and retention of human capital.
- Regulatory changes.

Internal Control Systems and their Adequacy:

Internal control systems are embedded in the processes across all functions in the Company. These systems are being regularly reviewed and wherever necessary are modified or redesigned to ensure better efficiency and effectiveness. The systems are subjected to supervision by the Board of Directors and the Audit Committee, duly supported by Corporate Governance.

Company Complies with all Applicable statutes, policies, procedures, listing requirements and management guidelines. It Adheres to applicable accounting standards and polices.

Human Resources:

- The Management believes in maintaining cordial relations with its employees. The management recognizes the importance of Human Resources and effective steps will be taken to strengthen the same depending on the requirements.
- The Company provided excellent working environment so that the individual staff can reach his/her full potential.
- The Company is poised to take on the challenges and march towards accomplishing its mission with success.
- The Company maintained good Industrial/Business relation in market which enhanced the Creditworthiness of the Company.

Cautionary Statement:

Statement in the Management Discussion and Analysis describing the Company's objectives exceptions or predications may be forwards looking within the meaning of applicable securities, laws and regulations. Actual results may differ materially from those expressed in the statement. Several factors could make significant difference to the company's operation. These include climatic conditions and economic conditions affecting demand and supply, government regulations and taxation, natural calamities etc. over which the company does not have any control.

Independent Auditor's Report

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF BINAYAK TEX PROCESSORS LIMITED

Report on the standalone Financial Statements

Opinion

We have audited the financial statements of **BINAYAK TEX PROCESSORS LIMITED**("the **Company**"), which comprise the balance sheet as at March 31, 2024, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (Collectively referred to as 'standalone financial statements').

in our opinion and to the best of our information and according to the explanations given to me, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at March 31, 2024, and its profit (financial performance including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

- a. In the case of the balance sheet, of the state of affairs of the company as at 31st March 2024, and
- b. In the case of the statement of profit and loss, of the profit (financial performance including other comprehensive income), changes in equity and
- c. In the case of the cash flow statement, of the cash flow statement for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for our opinion.

Basis for Qualified Opinion

The Company has not accounted for liability for gratuity and leave encashment for the year ended 31 March 2024 this is not in accordance with the requirements of Ind AS 19 – Employee Benefits which requires the Company to account for actuarial liability of gratuity and leave encashment, we are unable to quantify the amount adjustments to these Ind AS financial statements as the Company has not carried out actuarial valuation of gratuity and leave encashment.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31 March 2024, its loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance. In our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon,

We have determined that there are no key audit matters to communicate in our report.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we have required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Boards of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing ('SAs'), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) of the Act, We are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, We are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluated the effect of any identified misstatements in the financial statements.
- We communicate with those charged with governance regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- From the matters communicated with those charged with governance, we determine those matters that were of mist significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstance, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
- Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of accounts for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion proper books of account as required by law have been kept by the company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes In Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts;
 - d. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standard), Rules 2020.
 - e. On the basis of the written representations received from the directors as on 31 March 2024, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024, from being appointed as a director in terms of section 164(2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial Reporting of the Company and the operating effectiveness of such controls, Refer to our separate Report in "Annexure B".
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us :
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long term contract including derivative contract as such the question of commenting on any material foreseeable losses thereon does not arise;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company except payment of Rs. 8,368/- which was due in F.Y.2023-24 & paid on 08/05/2024.

ANNEXURE – B TO THE AUDITORS' REPORT

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (i) OF SUB-SECTION 143 OF THE COMPANIES ACT, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Binayak Tex Processors Limited ('the company'), as of 31 March 2024, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that are operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on my audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in

accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company ; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting are operating effectively as at 31 March 2024, based on the information and explanation of the company provided to us, Internal Financial Control framework and the report of the Internal Auditors on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

BINAYAK TEX PROCESSORS LIMITED

Corporate Information

BINAYAK TEX PROCESSORS LIMITED is Public Company domiciled in India and incorporated under the provisions of the Companies Act, 1956 having Corporate Identity Number **L17110MH1983PLC030245**. Its shares are listed on Bombay Stock Exchange in India. The Company is engaged in the business of manufacturing / processing of textile fabrics. The principal place of business of the company is at Mumbai, Maharashtra. The Company caters to both domestic and international markets.

1. Significant Accounting Policies:-

Basis of Preparation of Financial Statements:-

The Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (“Act”) read with Companies (Indian Accounting Standards) Rules, 2015; and the other relevant provisions of the Act and Rules thereunder.

The Financial Statements have been prepared under historical cost convention basis, except for certain assets and liabilities measured at fair value.

The Company has adopted all the Ind AS and the adoption was carried out in accordance with Ind AS 101 ‘First time adoption of Indian Accounting Standards’. The transition was carried out from Generally Accepted Accounting Principles in India (Indian GAAP) as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, which was the “Previous GAAP”.

The Company’s presentation and functional currency is Indian Rupees (Rs.). All figures appearing the financial statements are rounded off to the Rupee, except where otherwise indicated.

1.1 Authorization of Financial Statements:-

The preparation of Company’s financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets, liabilities and the accompanying disclosures along with contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require material adjustments to the carrying amounts of the assets or liabilities affected in future periods. The Company continually evaluates these estimates and assumptions based on the most recently available information.

⇒ Assessment of functional currency;

⇒ Financial instruments;

- ⇒ Estimates of useful lives and residual value of Property, Plant and Equipment and Intangible assets;
- ⇒ Valuation of Inventories
- ⇒ Provisions;
- ⇒ Evaluation of recoverability deferred tax assets; and
- ⇒ Contingencies.

Revisions to accounting estimates are recognized prospectively in the Statement of Profit and Loss in the period in which the estimates are revised and in any future periods affected.

1.2 Property, Plant and Equipment

- 1.2.1 Property, Plant and Equipment are stated at cost net of accumulated depreciation and accumulated impairment losses, if any.
- 1.2.2 The initial costs of an asset comprises its purchase price or construction costs (including import duties and non-refundable taxes), any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any, and borrowing cost for qualifying assets (i.e. assets that necessarily take a substantial period of time to get ready for their intended use).
- 1.2.3 Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.
- 1.2.4 Expenditure on assets not exceeding threshold limit are charged to revenue.
- 1.2.5 Spare parts which meet the definition of Property, Plant and Equipment are capitalized as Property, Plant and Equipment in case the unit value of the spare part is above the threshold limit. In other cases, the spare part is inventorised on procurement and charged to Statement of Profit and Loss on consumption.
- 1.2.6 An item of Property, Plant and Equipment and any significant part initially recognized separately as part of Property, Plant and Equipment is de-recognized upon disposal; or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in the Statement of Profit and Loss when the asset is de-recognized.
- 1.2.7 The residual values and useful lives of Property, Plant and Equipment are reviewed at each financial year end and changes, if any are accounted in line with revisions to accounting estimates.

- 1.2.8 The Company has elected to use exemption available under Ind AS 101 to continue the carrying value for all its Property, Plant and Equipment as recognized in the financial statements as at the date of transition to Ind ASs, measured as per previous GAAP and use that as its deemed cost as at the date of transition (1st April, 2016).

1.3. Depreciation

Depreciation on Property, Plant and Equipment are provided on straight line basis, over the estimated useful lives of assets (after retaining the estimated residual value of 5%). These useful lives determined are in line with the useful lives as prescribed in the Schedule II of the Act.

- 1.3.1 Items of Property, Plant and Equipment costing not more than the threshold limit are depreciated 100% in the year of acquisition.

- 1.3.2 Components of the main asset that are significant in value and have different useful lives as compared to the main asset are depreciated over their estimated useful life. Useful life of such components has been assessed based on historical experience and internal technical assessment.

- 1.3.3 Depreciation on spare parts specific to an item of Property, Plant and Equipment is based on life of the related Property, Plant and Equipment. In other cases, the spare parts are depreciated over their estimated useful life based on the technical assessment.

- 1.3.4 Depreciation is charged on additions/deletions on pro-rata monthly basis including the month of addition/deletion.

1.4 Intangible Assets

- 1.4.1 Intangible assets are carried at cost net of accumulated amortization and accumulated impairment losses, if any.

1.5 Investment Property

- 1.5.1 Investment property is property (land or a building – or part of building – or both) held either to earn rental income or a capital appreciation or for both, but not for sale in the ordinary course of business, use in production or supply of goods or services or for administrative purposes.

- 1.5.2 Any gain or loss on disposal of investment property calculated as the difference between the net proceeds and the carrying amount of the Investment Property is recognized in Statement of Profit and Loss.

1.6 Borrowing Costs

- 1.6.1 Borrowing costs consist of interest and other costs incurred in

connection with the borrowing of funds. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs.

- 1.6.2 Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a substantial period of time to get ready for its intended use) are capitalized as a part of the cost of such assets. All other borrowing costs are charged to the Statement of Profit and Loss.

1.7 Impairment of Non-financial Assets

1.7.1 Non-financial assets other than inventories, deferred tax assets and non-current assets classified as held for sale are reviewed at each Balance Sheet date to determine whether there is any indication of impairment. If any such indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. The recoverable amount is higher of the assets or Cash-Generating Units (CGU's) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets.

1.7.2 When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

1.8 Inventories

1.8.1 The cost for the purpose of valuation of Finished and Semi - Finished goods is arrived at on FIFO basis and includes Cost of conversion and other cost incurred in bringing the inventories to their present location and condition. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the company.

The mode of valuing closing stock is as under:

- ⇒ Raw Materials and General Stores are valued at cost or net realizable value, whichever is less, excluding CENVAT and VAT/GST credit, by FIFO method.
- ⇒ Work-in-Process is valued at raw material cost plus estimated overheads or net realizable value; whichever is less but excluding CENVAT and VAT/GST credit.
- ⇒ Finished Goods valued at cost including estimated overheads or net realizable value whichever is less.
- ⇒ Scrap is valued at realizable value.

- 1.8.2 Raw materials held for use in the production of finished goods are not written down below cost except in cases where raw material prices have declined and it is estimated that the cost of the finished goods will exceed their net realizable value.
- 1.8.3 Obsolete, slow moving, surplus and defective stocks are identified at the time of physical verification of stocks and where necessary, provision is made for such stocks.

1.9 Revenue Recognition

1.9.1 Sale of Goods/Services

Revenue from the sale of goods is recognized when the significant risks and rewards of the ownership of the goods have passed to the buyer, the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold, revenue and the associated costs can be estimated reliably and it is probable that economic benefits associated with the transaction will flow to the Company.

Revenue from sale of goods excludes GST & excise duty & sales tax and is measured at the fair value of the consideration received or receivable (after including fair value allocations related to multiple deliverable and/or linked arrangements), after the deduction of any trade discounts, volume rebates, net of returns, taxes or duties collected on behalf of the government.

When the Company acts as an agent on behalf of a third party, the associated income is recognized on net basis.

- 1.9.2 Claims are recognized on settlement. Export incentives are accounted on accrual basis.
- 1.9.3 Interest income is recognized using Effective Interest Rate (EIR) method.

1.10 Classification of Income/ Expenses

- 1.10.1 Income/ expenditure (net) in aggregate pertaining to prior year(s) above the threshold limit are corrected retrospectively in the first set of financial statements approved for issue after their discovery by restating the comparative amounts and / or restating the opening Balance Sheet for the earliest prior period presented.
- 1.10.2 Prepaid expenses up to threshold limit in each case, are charged to revenue as and when incurred.

1.11 Employee benefits

Gratuity liability is not determined and not provided at the end of the each financial year. however same is accounted on cash basis

1.12 Foreign Currency Transactions

1.12.1 Monetary Items

Transactions in foreign currencies are initially recorded at their respective exchange rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at exchange rates prevailing on the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss either as profit or loss on foreign currency transaction and translation or as borrowing costs to the extent regarded as an adjustment to borrowing costs.

1.12.2 Non – Monetary items:

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

1.13 Provisions, Contingent Liabilities and Capital Commitments

1.13.1 Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

1.13.2 The expenses relating to a provision is presented in the Statement of Profit and Loss net of reimbursements, if any.

1.13.3 If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

1.13.4 Contingent liabilities are possible obligations whose existence will only be confirmed by future events not wholly within the control of the Company, or present obligations where it is not probable that an outflow of resources will be required or the amount of the obligation cannot be measured with sufficient reliability.

1.13.5 Contingent liabilities are not recognized in the financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.

1.13.6 Contingent liabilities and Capital Commitments disclosed are in respect of items which in each case are above the threshold limit.

1.14 Fair Value measurement

1.14.1 The Company measures certain financial instruments at fair value at each reporting date.

1.14.2 Certain accounting policies and disclosures require the measurement of fair values, for both financial and non- financial assets and liabilities.

1.14.3 Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Company has access at that date. The fair value of a liability also reflects its non-performance risk.

1.15 Financial Assets

1.15.1 Initial recognition and measurement

Trade Receivables and debt securities issued are initially recognised when they are originated. All other financial assets are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial assets other than those measured subsequently at fair value through profit and loss, are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

1.15.2 Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial assets. Based on the business model for managing the financial assets and the contractual cash flow characteristics of the financial asset, the Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit and loss.

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:-

The asset is held within a business model whose objective is -

- To hold assets for collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on

the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

Debt instruments at Fair value through Other Comprehensive Income (FVOCI)

A 'debt instrument' is measured at the fair value through Other Comprehensive Income if both the following conditions are met:

The asset is held within a business model whose objective is achieved by both

- collecting contractual cash flows and selling financial assets; and
- contractual terms of the asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

After initial measurement, these assets are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment losses are recognised in the Statement of Profit and Loss. Other net gains and losses are recognised in other comprehensive Income.

Debt instruments at Fair value through Profit or Loss (FVTPL)

Fair Value through Profit or Loss is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation at amortised cost or as FVOCI, is classified as FVTPL.

After initial measurement, any fair value changes including any interest income, foreign exchange gain and losses, impairment losses and other net gains and losses are recognised in the Statement of Profit and Loss.

1.15.3 Impairment of financial assets

In accordance with Ind AS 109, the Company applies Expected Credit Loss ("ECL") model for measurement and recognition of impairment loss on the financial assets measured at amortized cost and debt instruments measured at FVOCI.

Loss allowances on trade receivables are measured following the 'simplified approach' at an amount equal to the lifetime ECL at each reporting date. The application of simplified approach does not require the Company to track changes in credit risk. Based on the past history and track records the company has assessed the risk of default by the

customer and expects the credit loss to be insignificant. In respect of other financial assets such as debt securities and bank balances, the loss allowance is measured at 12 month ECL only if there is no significant deterioration in the credit risk since initial recognition of the asset or asset is determined to have a low credit risk at the reporting date.

1.16 Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet, if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

1.17 Taxes on Income

1.17.1 Current Tax

Income-tax Assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the end of reporting period.

Current Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

1.17.2 Deferred tax

Deferred tax is provided using the Balance Sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

Deferred Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

1.18 Earnings per share

Basic earnings per share are calculated by dividing the profit or loss for the period attributable to equity shareholders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

1.19 Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle (determined at 12 months) and other criteria set out in Schedule III of the Act.

1.20 Cash and Cash equivalents

Cash and cash equivalents in the Balance Sheet include cash at bank, cash, cheque, draft on hand and demand deposits with an original maturity of less than three months, which are subject to an insignificant risk of changes in value.

For the purpose of Statement of Cash Flows, Cash and cash equivalents include cash at bank, cash, cheque and draft on hand. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

1.21 Cash Flows

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

1.22 CORPORATE SOCIAL RESPONSIBILITY

The Company has attracted the provision of section 135 and has contributed in lacs Rs. 14.10/- towards CSR activities for F.Y. 2023-24 as per required Section 135 of the Companies Act, 2013.
