send a duly signed request letter to the Company's RTA, Link Intime India Private Limited mentioning the name, folio no., bank details, self-attested PAN card and original cancelled cheque leaf. In case of absence of name of the first Shareholder on the original cancelled cheque or initials on the cheque, bank attested copy of first page of the Bank Passbook/ Statement of Account along with the original cancelled cheque shall be provided.

15. In case the Company is unable to pay the dividend to any Shareholder by the electronic mode, due to non-availability of the details of the bank account, the Company shall retain the same till KYC is completed, unless otherwise prescribed by the SEBI.
16. A separate email communication is being sent to the shareholders, informing the relevant procedure to be adopted by them/documents to be submitted for availing the applicable tax rate. The said communication and draft of the exemption forms and other documents are available on the Company's website at www.amines.com. The resident and non-resident shareholders should send the scanned copies of the requisite documents at gogreen@amines.com on or before September 16, 2024 to enable the Company to determine the appropriate TDS/withholding tax rate, as may be applicable.
17. In terms of Section 152 of the Act, Mr. Yashvardhan Ruia (DIN:00364888), Director, shall retire by rotation at the ensuing AGM and being eligible, offers himself for re-appointment.
18. The Company had appointed M/s SARA & Associates, Chartered Accountants (FRN:120927W), Mumbai as the Statutory Auditors of the Company at the 47th AGM of the Company held on September 28, 2022 for a term of 5 years.
19. A brief profile of Directors retiring by rotation, proposed to be appointed and re-appointed at this AGM, nature of their expertise in specific functional areas, names of companies in which they hold directorships and membership/chairmanship of Board Committee(s), shareholding and relationship between directors inter-se as stipulated under Regulation 36 of SEBI Listing Regulations and other requisite information as per Clause 1.2.5 of Secretarial Standards – 2 on General Meetings are provided in Annexure – A & B to this Notice.
20. Relevant documents as required by law and referred to in the accompanying Notice and in the Explanatory Statement shall be available for inspection through electronic mode. Members may inspect the same by sending email to legal@amines.com at mutually convenient time.

All documents referred to in the Notice will also be available for electronic inspection by the Members without payment of any fee from the date of circulation of this Notice up to the date of AGM, i.e. September 27, 2024.

21. SEBI vide its Master Circular dated May 17, 2023 and subsequent notifications thereto, had made it mandatory for holders of physical securities to furnish details of PAN, KYC (Postal Address, Mobile Number, E-mail, Bank Details, Signature) and Nomination / Optout of Nomination. In order to mitigate unintended challenges on account of freezing of folios and referring frozen folios to the administering authority under the aforesaid Acts, SEBI, vide its Circular dated November 17, 2023, has done away with the provision regarding freezing of folios lacking PAN, KYC, and Nomination details or referring them to the administering authorities.

Further SEBI has mandated that with effect from April 1, 2024, dividend to security holders (holding securities in physical form), shall be paid only through electronic mode. Such payment shall be made only after furnishing the PAN, choice of nomination, contact details including mobile number, bank account details and specimen signature. In view of the above, we urge Members holding shares in physical form to submit the required forms along with the supporting documents at the earliest.

The relevant forms are available on the website of Company and RTA. Further, relevant FAQs published by SEBI on its website can be viewed at the following link : https://www.sebi.gov.in/sebi_data/fagfiles/jan-2024/1704433843359.pdf

Shares held in dematerialised form:

Members holding shares in demat form are requested to submit/update their KYC details with their respective depository participant.

Members holding shares in physical form are again requested to register/update their KYC details including email address by submitting duly filled and signed Form ISR-1 at rnt.helpdesk@linkintime.co.in along with other documents as stipulated in the said circular. To encourage the shareholders holding shares in physical mode, towards updating their e-KYC details and in line with the SEBI circulars issued from time to time in this aspect, the facility of allowing the shareholders to temporarily register their email address and contact details for casting their votes through remote e-voting, has been dispensed with.

Members, holding shares in physical mode, who wish to receive the Annual Reports and Notice of AGM in hard copy are requested to complete their e-KYC by updating their details in Form ISR-1. Members holding securities in demat mode are requested to register/update their address, contact details, email address, etc., with their respective DPs to enable us to dispatch the same at their registered address. As per applicable SEBI Circular, PAN details are to be compulsorily linked to Aadhaar details by the date specified by the Central Board of Direct Taxes.

- 22 SEBI vide its Circular no. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the listed companies to issue securities in dematerialized form only while processing certain prescribed service requests. Accordingly, members who still hold shares in physical form are advised to dematerialize their holdings. Further, the members are requested to make service request by submitting a duly filled and signed Form No. ISR-4, the format of which is available on the Company's website at www.amines.com and on the website of LIPL at <https://web.linkintime.co.in>. Members are requested to note that any service request would only be processed after the folio is KYC Compliant.
- 23 In accordance with the provisions of Section 72 of the Act and SEBI circulars, the facility for nomination is available to the members of the Company in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting the Form No. SH-13. If a Member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/she may submit the same in Form No. ISR-3 or Form No. SH-14, as the case may be. The said forms are available on the Company's website at www.amines.com. Members are requested to submit the said details to their respective DP, in case the shares are held by them in dematerialized form and to the Company/LIPL, in case the shares are held by them in physical form. The Company has sent reminders on May 29, 2023 and August 1, 2024 for updation of KYC as prescribed SEBI to all the shareholders holding shares in physical form.
- 24 Members may note that, in terms of the Listing Regulations, equity shares of the Company can only be transferred in dematerialized form.

The following explanatory statement sets out all the material facts relating to businesses mentioned at Item Nos.4 to 10 of the accompanying Notice convening the 49th Annual General Meeting of the Members of the Company.

Item Nos 4 to 6:-

The Members of the Company at its 44th Annual General Meeting (AGM) held on September 29, 2019, reappointed Dr. Pandurang Hari Vaidya, Mr. Brijmohan Jindel and Mr. Arun Shanker Nagar as Independent Directors on the Board of the Company pursuant to the provisions of Section 149 of the Companies Act, 2013 read with the Companies (Appointment and Qualification of Directors) Rules, 2014 for a period of Five (5) consecutive years ("Second term") in line with the explanation to Sections 149 (10) and 149 (11) of the Act and their term is ending on September 28, 2024.

The Nomination and Remuneration Committee of the Board of Directors, on the basis of their analysis of qualification, experience and suitability of new incumbent Independent Directors, has recommended to the Board, appointment of Mr. Nikunj Sureshchandra Seksaria (DIN: 07014263), Mr. Pragyan Vivek Pittie (DIN: 10735025) and Ms. Dhanyashree Abhay Jadeja (DIN: 10732864) as Independent Directors for a first term of Five (5) consecutive years on the Board of the Company.

Mr. Nikunj Seksaria is graduated from The University of Texas, Austin in 1997 with a double degree Bachelor in Business with a major in Finance and a Bachelor in Arts with a major in Economics. He has over 25+ years of investment banking experience across geographies including India, USA, UK, Singapore and the GCC. He is proficient in corporate finance advisory roles including domestic, cross-border sell- and buy-side, portfolio restructuring, buy-outs, contested and distressed situations and financing.

Mr. Pragyan Pittie is a Bachelor of Management Studies and has also completed the International Baccalaureate program. He is engaged in his family businesses including in Harinagar Sugar Mills Ltd and has been instrumental in execution of several high value projects including setting up a 5MW captive Power Plant with a 35TPH Bagasse fired Steam Boiler and setting up a 16 MW Steam Turbine. In the family businesses, he also oversees real estate aspects of the group including investments, development of landholdings and has worked on large transactions for assets across Hyderabad, Kolkata, Mumbai and Yavatmal.

Ms. Dhanyashree Jadeja is the Co-founder and Partner at Jadeja & Satiya, Advocates. She is widely acknowledged for her skills and expertise as a Lawyer. Her practice focuses on complex Commercial Civil Litigations, Alternate Dispute Resolution, Mergers & Acquisitions, General Corporate Advisory and Securities Laws. She has successfully spearheaded various high-profile litigations, both civil and criminal, before various courts, tribunals and arbitrations. As part of her practice, she advises clients on sensitive and complex issues and also advises her clients in critical situations. She has regularly represented and advised diverse and prestigious clientele including public companies and multinational corporations. Ms. Dhanyashree Jadeja has been practising law since 2008. Before founding Jadeja & Satiya, Advocates, Dhanyashree was associated with Desai & Diwanji, Advocates. She is a professional member of Bar Council of Maharashtra & Goa, Bombay Bar Association and Supreme Court Bar Association.

Mr. Nikunj Seksaria (DIN: 07014263), Mr. Pragyan Pittie (DIN: 10735025) and Ms. Dhanyashree Jadeja (DIN: 10732864) are not disqualified from being appointed as Directors in terms of Section 164 of the Act and have given their consent to act as Directors and declarations to the effect that they meet with the criteria of independence as prescribed under Section 149 (6) of the Act and the SEBI (LODR) Regulations, 2015 and the Company has received notices in writing from members as per Section 160 of the Act proposing their candidature for the office of Independent Directors of the

Company and they are not debarred from holding the office of director by virtue of any order passed by the Securities and Exchange Board of India / Ministry of Corporate Affairs or any such statutory authority.

In the opinion of the Board, Mr. Nikunj Seksaria (DIN: 07014263), Mr. Pragyana Pittie (DIN: 10735025) and Ms. Dhanyashree Jadeja (DIN:10732864) fulfil the conditions for appointment as Independent Directors as specified in the Act and the SEBI (LODR) Regulations, 2015. All the proposed appointees are independent of the management. The Board, based on the expertise and suitability evaluation of these appointees considers that, given their background, experience and contributions made by them in the corporate field, their association would be beneficial to the Company. Accordingly, it is proposed to appoint them as Independent Directors of the Company, not liable to retire by rotation and to hold office for a First Term of Five (5) consecutive years with effect from September 27, 2024 upto September 26, 2029.

Details of proposed Independent Directors are provided in the "Annexure A" to this Notice pursuant to the provisions of (i) the SEBI (LODR) Regulations, 2015 and (ii) Secretarial Standard on General Meetings ("SS-2"), issued by the Institute of Company Secretaries of India.

The copy of documents relating to the above business items is available for inspection without any fee by the members at the Registered Office of the Company during normal business hours on any working day till the date of AGM.

In accordance with the provisions of Sections 149, 150, 152 read with Schedule IV of the Act and other applicable provisions of the Act, appointment of Mr. Nikunj Seksaria (DIN: 07014263), Mr. Pragyana Pittie (DIN: 10735025) and Ms. Dhanyashree Jadeja (DIN: 10732864) as Non-Executive Independent Directors require approval of members of the Company. Further, in terms of Regulation 25(2A) of the Listing Regulations, their appointment as a Non-Executive Independent Director requires approval of members of the Company by passing a special resolution.

Mr. Nikunj Seksaria (DIN: 07014263), Mr. Pragyana Pittie (DIN: 10735025) and Ms. Dhanyashree Jadeja (DIN: 10732864) shall be deemed to be concerned or interested in the resolution set out at Item no. 4, 5 and 6 respectively of the Notice to the extent of their shareholding interest, if any, in the Company and compensation that may be received by them in the future. Relatives of Mr. Nikunj Seksaria (DIN: 07014263), Mr. Pragyana Pittie (DIN: 10735025) and Ms. Dhanyashree Jadeja (DIN: 10732864) may be deemed to be interested in the resolution to the extent of their shareholding interest, if any, in the Company.

Save and except the above, none of the other Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution.

The Board of Directors recommends the Special Resolutions set out at Item nos. 4, 5 and 6 of this Notice for approval by the members.

Item No. 7:-

Mr. Yashvardhan Ruia (DIN:00364888) was re-appointed as Whole Time Director designated as Executive Director of the Company at the 45th Annual General Meeting of the Company for a period of Five years with effect from June 01, 2020 till May 31, 2025 at remuneration as approved in the said AGM. The Board of Directors in their meeting held on August 08, 2024 on the recommendation of the Nomination and Remuneration Committee (NRC), has proposed the re-appointment of Mr. Yashvardhan Ruia for a further term at a revised remuneration considering his growing contribution and pivotal role in the growth and performance of the Company.

Pursuant to the provisions of (i) SEBI (LODR) Regulations, 2015 and (ii) Secretarial Standard on General Meetings (“SS-2”), issued by the Institute of Company Secretaries of India, the details of Director whose appointment as Executive Director is proposed is provided in “Annexure B” to this Notice. The statement as required under Section II of Part II of the Schedule V of the Companies Act, 2013 with reference to Special Resolution at Item No. 7 is annexed hereto as Annexure-C.

The resolution seeks the approval of the members in terms of Sections 190, 196, 197, 200 & 203 read with Schedule V and other applicable provisions of the Companies Act, 2013 (including any statutory modifications or re-enactment(s) thereof, for the time being in force) for reappointment of Mr. Yashvardhan Ruia, Executive Director for a period of Five years with effect from June 01, 2025 till May 31, 2030 at a revised remuneration for a period of 3 years i.e. from June 01, 2025 till May 31, 2028.

As per regulation 17(6)(e) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, approval of the shareholders by way of special resolution in a general meeting would be required if the annual remuneration (fees or compensation) exceeded the limits prescribed under that regulation. Since the remuneration to be paid to Mr. Yashvardhan Ruia together with the remuneration being paid to Mr. Hemant Kumar Ruia, Chairman and Managing Director of the Company (both executive directors who are promoters of the Company) is exceeding five per cent of the net profits of the Company, the Board of the Company thought it fit and appropriate to seek the approval of the shareholders by passing a special resolution.

No director, key managerial personnel or their relatives, except Mr. Yashvardhan Ruia and Mr. Hemant Kumar Ruia, are interested or concerned in the resolution. The Board of Directors recommends the Special Resolution set forth in Item no.7 for approval of the Members.

Item No.8:-

The Board of Directors of the Company, on the recommendation of the Audit Committee, approved the appointment and remuneration of M/s A G Anikhindi & Co., (Firm Registration No. 100049) Cost Accountants, Kolhapur, Maharashtra to conduct the audit of the cost records of the Company for the Financial Year ending March 31, 2025.

In terms of provisions of Section 148 of the Companies Act, 2013 read with Rules made thereunder, the remuneration payable to the Cost Auditor has to be ratified by the Shareholders of the Company. The Board has approved the remuneration of ₹ 2,40,000/- plus Goods and Service tax and out of pocket expenses if any, of M/s A G Anikhindi & Co., Cost Auditors and the ratification by the shareholders is sought for the same by an Ordinary Resolution at Item No. 8 of the Notice.

None of the Directors and/or Key Managerial Personnel of the Company and/or their relatives are in any way concerned or interested in the said resolution. The Board of Directors recommends the Ordinary resolution set out at item No.8 of the Notice for approval by the Members.

Item No.9:-

Your Company routinely enters into transactions including contracts and/or arrangements, repetitive in nature and in the ordinary course of business at arm’s length basis with related parties from time to time, including but not limited to availing or rendering of services, granting loans / making investments etc. Based on the transactions hitherto undertaken with related parties in India and its subsidiaries, transactions to be undertaken for FY 2024-2025 are given

in Table below, in respect whereof Audit Committee of Board of Directors of your Company have accorded Omnibus approval following provisions of Section 177 of the Companies Act, 2013.

Nature of Transaction	Amount (₹ in Lakh)
Amines & Plasticizers FZLLC :	
Sale of Goods	15000.00
Purchase of Goods	15000.00
Loans @ 9% per annum	1000.00

Although in respect of aforesaid related party transactions, not being related parties referred to in fifth proviso of Section 188(1) of the Act, no express permission is required. Your Directors recommend passing of proposed Ordinary Resolution as an abundant precaution and good corporate governance practices.

None of the Directors/Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in proposed resolution to the extent it is applicable.

The Board of Directors recommends the Ordinary resolution set out at item No. 9 of the Notice for approval by the Members.

Item No. 10:-

Pursuant to Section 73 of the Companies, Act 2013 (the Act) read with the Companies (Acceptance of Deposits) Rules, 2014, approval of Shareholders by way of Ordinary Resolution is a prerequisite to accept or renew unsecured deposit by your Company and thus approval of the members is sought for accepting / renewing unsecured deposits from members of the Company. The funds raised will be utilised for general corporate purposes of the Company.

None of the Directors of the Company, Key Managerial Personnel or their relatives are in any way concerned or interested in the proposed resolution.

The Board of Directors recommends the Ordinary resolution set out at item No. 10 of the Notice for approval by the Members.

Unclaimed Dividends and underlying Shares – Pursuant to Section 124(5) of the Companies Act, 2013 ('the Act') read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) rule, 2016 ('the Rules') the Companies are required to transfer the dividend together with interests accrued, if any that has remained unclaimed for a period of Seven years from the unpaid dividend account to the Investor Education and Protection Fund (IEPF), a fund

established under sub section (1) of section 125 of the Act. The unpaid / unclaimed dividend for the financial year 2015-16 was transferred to the Fund in April, 2023. The details of unclaimed / unpaid dividend are available on the website of the Company viz. www.amines.com.

e) Mandatory Transfer of Shares to Demat Account of Investors Education and Protection Fund Authority (IEPFA) in case of unpaid / unclaimed dividend on shares for a consecutive period of seven years.

Pursuant to Section 124 (6) of the Act read with the Rules all the shares in respect of which dividend has not been paid or claimed for seven consecutive years or more shall be credited to the Demat Account of the IEPFA within a period of 30 days of such shares becoming due to be so transferred. Upon transfer of such shares, all benefits (like bonuses, etc.), if any, accruing on such shares shall also be credited to Demat Account of IEPFA and voting rights on such shares shall remain frozen till the rightful owner claims the shares.

Accordingly, during the year under review, there were Equity shares required to be transferred to the demat account of IEPF Authority, since the Company had declared dividend in the year 2015-16. The details of the shareholders whose shares are transferred to IEPF during the year 2023-24 are available on the Website of the Company www.amines.com. Further, pursuant to the provisions of Investor Education and Protection Fund, uploading of information regarding unpaid and unclaimed amounts lying with the Company as on September 29, 2023 (date of last Annual General Meeting) has been uploaded on the website of the Company (www.amines.com), as also on the website of the Ministry of Corporate Affairs(www.mca.gov.in).

Shares which are transferred to the Demat Account of IEPFA can be claimed back by the shareholders from IEPFA by following the procedure prescribed under the aforesaid rules.

The Company has sent out individual communication dtd. July 01, 2024 to the concerned Members whose shares are liable to be transferred to IEPFA in October 30, 2024, to take immediate action in the matter. As required under the IEPF Rules, the Company has also published a Notice in Financial Express and Dainindin Barta on July 02, 2024 informing the Members who have not claimed their dividend for a period of 7 years to claim the same from the Company before they are transferred to IEPFA. During the year under review the Company has transferred 40630 Shares to IEPF Authority for which dividend is unpaid/unclaimed for a period of 7 consecutive years.

It is in the interest of the shareholders to regularly claim dividends declared by the Company, if it remains unclaimed.

Pursuant to the aforesaid provision, the dividend for the years mentioned below will be transferred to the IEPF on the respective dates, if the dividend remains unclaimed for seven years, and the corresponding shares will also be transferred to IEPF if dividend is unclaimed for seven consecutive years.

k) Share Transfer System:

Trading in equity shares of the Company is permitted only in dematerialized form. In terms of requirements of Regulation 40 of the Listing Regulations w.e.f. April 01, 2019, transfer of securities in physical form, except in case of request received for transmission or transposition of securities, shall not be processed. Accordingly, shareholders holding equity shares in physical form are urged to have their shares dematerialized so as to be able to freely transfer them and participate in various corporate actions. The Company obtains an annual certificate from Practicing Company Secretary as per the requirement of Regulation 40 (9) of Listing Regulations and the same is filed with the Stock Exchanges.

In terms of amended Regulation 40 of the Listing Regulations w.e.f. April 01, 2019, transfer of securities in physical form shall not be processed unless the securities are held in the demat mode with a Depository Participant. Further, with effect from January 24, 2022, SEBI has made it mandatory for listed companies to issue securities in demat mode only while processing any investor service requests viz. issue of duplicate share certificates, exchange/sub-division/ splitting/ consolidation of securities, transmission/transposition of securities. Vide its Circular dated

January 25, 2022, SEBI has clarified that listed entities/ RTAs shall now issue a Letter of Confirmation in lieu of the share certificate while processing any of the aforesaid investor service request.

Simplified Norms for processing Investor Service Request:

SEBI, vide its Circular dated November 03, 2021, has made it mandatory for holders of physical securities to furnish PAN, KYC and Nomination/Opt-out of Nomination details to avail any investor service.

The concerned Members are therefore urged to furnish PAN, KYC and Nomination/Opt out of Nomination by submitting the prescribed forms duly filled by email from their registered email id to rnt.helpdesk@linkintime.co.in in or by sending a physical copy of the prescribed forms duly filled and signed by the registered holders to Link Intime India Pvt. Ltd.

Nomination

Individual shareholders holding shares in physical form either singly or jointly can nominate a person in whose name the shares shall be transferable in case of death of the registered shareholder(s). Nomination facility in respect of shares held in electronic form is also available with the Depository Participants as per the by-laws and business rules applicable to NSDL and CDSL. Nomination forms can be obtained from Link Intime India Private Limited.

Deal only with SEBI registered intermediaries

Investors should deal only with the SEBI registered intermediaries so that in case of deficiency of services, investor may take up the matter with SEBI.

Electronic Clearing Service

The Securities and Exchange Board of India (SEBI) has made it mandatory for all companies to use the Bank account details furnished by the Depositories for depositing dividends. Dividend will be credited to the Members' bank account through ECS wherever complete core banking details are available with the Company. Investors should avail the Electronic Payment Services for payment of dividend as the same reduces risk attached to physical dividend warrants. The Investors can update their bank details with the RTA by sending an email on rnt.helpdesk@linkintime.co.in in order to avoid risk attached with physical dividend warrants. In case where the core banking details are not available, dividend warrants will be issued to the Members with bank details printed thereon as available in the Company's records. This ensures that the dividend warrants, even if lost or stolen, cannot be used for any purpose other than for depositing the money in the accounts specified on the dividend warrants and ensures safety for the investors. The Company thus complies with the SEBI requirement in this regard.

Service of documents through electronic mode:

As a part of Green Initiative, the members who wish to receive the notices/documents through e-mail, may kindly update their e-mail addresses with the Company's Registrar and Share Transfer Agent, Link Intime India Pvt. Ltd, by sending a request to rnt.helpdesk@linkintime.co.in

Your Management firmly believes that strong corporate governance is the back bone of our operational excellence and long term success.

ECONOMIC OVERVIEW:

GLOBAL ECONOMY AND OUTLOOK

The global economic outlook for FY 2024-25 presents a mixed picture, reflecting both resilience and challenges across various regions and economic sectors. The IMF's World Economic Outlook projects a global growth at 3.2% for FY 2024-25 which is lower than the historical average of 3.8%. The main reasons attributed to slow pace of economic growth were restrictive monetary policies, reduction in fiscal support and low productivity growth. The IMF also forecasts similar trend to continue for some time in future despite receding risk of a global recession.

Regional insights:

Asia: Growth is expected to pick up slowly, driven by a moderation in India's growth. However other SAARC Countries like Sri Lanka, Bangladesh may experience slower growth influenced by various domestic and external factors.

Africa: Growth is projected to improve to 3.5% in 2024 and around 4% in 2025 driven by retreating inflation, improved private consumption and Investment. However political instability and conflict continue to pose significant risks.

Europe: In European Union, GDP growth is expected to be at 1% and 0.8% in the Euro area which is a slight uptick from the earlier forecast. Inflation is also expected to come down to 2.7% in 2024 and to 2.2% in 2025.

USA: In calendar year 2023, the US Economy grew faster than it did in the year 2022. The economic growth is expected to slow down slightly in 2024 due to increase in unemployment and lower consumption.

The global economy continues to face challenges in the form of high inflation, tighter monetary policies and the slowdown in major developed countries. Geo-political situations in Middle East and Russia continue to destabilize the global economy. Persistent and broadening inflation pressures have triggered tightening of monetary conditions, alongside appreciation of the US dollar against most other currencies. The external environment continues to remain challenging for many emerging market and developing economies. The sharp appreciation of the US dollar adds significantly to domestic price pressures and to the cost-of-living crisis for these countries. The risk of monetary, fiscal and financial policy miscalibration continue to remain when the world economy has become fragile and financial markets are showing signs of stress. Increasing price pressures remain the most immediate threat to current and future growth. Central banks around the world are now focused on restoring price stability and the pace of tightening has moderated.

INDIAN ECONOMY AND OUTLOOK

India remains as one of the fastest growing economies in the world. Although challenges in the form of uncertain global environment, internal fiscal challenges and climate conditions continue, the overall growth remains robust and is estimated to be 7 percent for the full year with real GDP growing 7.5 percent year-on-year. As per IMF report on Indian Economy the factors contributing in GDP Growth are robustness of domestic demand and a rising working age population. The World Bank has also increased its GDP Growth forecast for India to 6.6% for FY 2024-25 supported by strong performance in the services and industrial sectors. Both these Institutions highlight strong domestic demand and favorable demographics as key drivers of India's economic growth.

However rising borrowing costs and slower income growth will weigh on private consumption growth and government consumption is projected to grow at a slower pace.

The Indian economy continues to show strong resilience to external shocks. Notwithstanding external pressures, India's service exports have continued to increase as also the domestic consumption.

Retail Inflation is moderated and it is projected to decline to an average of 5 percent in FY24/25, amid easing global commodity prices and some moderation in domestic demand. The Reserve Bank of India has withdrawn accommodative measures to rein in inflation by maintaining the policy interest rates. India's financial sector also remains strong, buoyed by improvements in asset quality and robust private-sector credit growth.

The Central Government has kept the fiscal deficit target of 5.1 percent of GDP in FY24/25 and combined with consolidation in state government deficits, the general government deficit is also projected to decline. As a result, the Debt-to-GDP ratio is projected to stabilize. On the external front, the current account deficit is projected to be 1 percent of GDP from an estimated 2 percent in FY23/24 on the back of robust service exports and a narrowing merchandise trade deficit.

BUSINESS OVERVIEW & OUTLOOK

The Chemical industry in India is poised for significant growth and is a crucial contributor to the Nation's economic development. This segment is a key driver of India's economic progress aligning with the broader goals of initiatives like "Make in India" and "Atmanirbhar Bharat" to transform the Country into a global manufacturing Hub. The chemical business which is currently valued at \$178 Billion and it is projected to reach \$300 Billion by the year 2025. This growth is driven by several factors including liberal investment policies, diversification of global supply chains and robust economic demand.

The chemical sector plays a vital role in employment generation, innovation and infrastructure development. It employs over 2 Million people and attracts substantial foreign direct investment. In addition, Government's policies and initiatives such as Free Trade agreements are also instrumental in enhancing the sectors global competitiveness.

The Chemical industry also plays a crucial role in sustenance and growth of other industries and thus in economic development of the country. Your Company provides a variety of products required as raw materials in the production of many pharmaceutical products, medical supplies, textiles, petro-chemicals and other chemical industries. As reported earlier, manufacturing of MDEA, Specialty Chemicals, Oilfield Chemicals, Demulsifiers, Acid corrosion inhibitors continue to grow during the year under review. In the field of EA and Alkyl Alkanolamines, the Company continues to cater to approx. 70% of the total demand of the Indian market and has been regularly exporting its products to many Countries. As reported earlier, the Company continues to be associated with many industries which include Oil and Gas, Electronics chip manufacturing, Textile auxiliary Chemicals and Pharmaceutical Companies.

During the year, geo-political uncertainty and slowdown in few major economies continued which has impacted the growth plans of the Company to a certain extent. Your Company continued facing the brunt of the war in Middle- East region, thereby resulting in rise in operational cost such as transportation, freight, energy prices and raw material prices. This increase in cost had adverse impact on the margins of few orders exported by the Company. In addition to this, higher rate of interest on borrowings by banks and higher utilization led to an increase in finance cost as compared to previous year. Your Management in order to mitigate these operational challenges continued focusing on business development by deeper market penetration, introduction of new products and constant upward revision in prices to improve the profitability of the Company which is evident from an increase in bottom line of the Company during the year under review. Your Directors are confident that the Company will continue to do well during the FY 2024-2025.

Our Customers: -

The Company's major customers are all Public Sector Oil Companies / Refineries and Petrochemical Industries. In addition Company exports its products to many top Fortune 500 Companies. As reported earlier, the Company's products continue to be used in the Textile and manufacturing of Electronic chips and in pharma companies.

SUBSIDIARY COMPANIES PROGRESS:

AMINES AND PLASTICIZERS FZ LLC:

The Company's wholly owned subsidiary 'Amines and Plasticizers FZ LLC' in Ras Al Khaimah, Free Trade Zone in UAE continues to deal in the products manufactured by the Company and by other manufacturers. Detailed procedure for the same is mentioned in the Notes to the Notice of the 49th Annual General Meeting of the Company.

INDUSTRY STRUCTURE AND DEVELOPMENT:

The Chemical Industries, in particular specialty chemicals segment in India is experiencing significant growth, driven by several key factors. These factors not only contribute to the expansion of the industry but also positioned India as a major player in the global chemicals market.

The increasing demand for chemicals across various industries, such as pharmaceuticals, petro-chemicals, agro-chemicals and textiles is a major driver of growth. They play a critical role in enhancing the performance and functionality of products in these industries, driving their adoption.

The Government of India's focus on promoting domestic manufacturing through initiatives like 'Make in India' and "Atmanirbhar Bharat" promotes investments in the chemicals sector. Policies aimed at ease of doing business, tax incentives and single window clearance are attracting both domestic and foreign investments in the chemical industry.

Continuous in house research and innovation in chemical products are driving the development of advanced and high-value chemical products. Indian companies are investing in R&D to develop innovative solutions customized to the specific needs of customers.

The growing demand for specialty chemicals globally presents significant export opportunities for Indian manufacturers. India's competitive advantage in terms of cost-effectiveness, skilled workforce, and minimum regulatory compliance enables exports of specialty chemicals to various international markets.

Increasing awareness about environmental sustainability and regulatory requirements drives the demand for eco-friendly and sustainable specialty chemicals. Indian companies are investing in green chemistry and sustainable manufacturing practices to meet the evolving needs of customers and regulatory standards.

The expanding population in India is driving demand for a wide range of consumer products, and health products including personal care, medical and home care products and the chemicals are being used in these products. This demographic trend fuels growth in the chemicals industry as manufacturers cater to consumers' diverse needs and preferences.

After a strong operational performance in the previous years, specialty chemicals manufacturers have seen slight slowdown in calendar year 2024, led by high raw material prices, high finance cost, high power and logistics prices. Caution prevails on global demand considering uncertain geo political situation and recessionary trend in few developed countries. Specialty chemicals manufacturers reported a mixed performance with the portfolio related to discretionary sectors remained under pressure. Certain product prices declined sequentially, impacting the margin & performance of domestic manufacturers.

According to recent projections, the value added in the chemicals market is expected to reach USD 29.7 billion in 2024, with a compound annual growth rate (CAGR) of 3.26 per cent from 2024 to 2029. The chemicals market in India is set to witness substantial growth across various metrics.

India continues to hold a strong position in chemicals globally. India is the 6th largest producer of chemicals in the World and 3rd in Asia, that has a diversified portfolio of basic and specialty chemicals and has moved way beyond the shadows of merely an input or ancillary industry. The Chemical industry is expected to grow at 9% to reach US \$304 billion by the year 2025. The growth is predicted on the back of rising demands for specialty chemicals, agrochemicals and petrochemicals products. India is uniquely positioned to benefit as MNCs continue to adopt the 'China+1' strategy owing to its competitive cost advantage, focus on quality and sustainability, conducive business environment led by reforms, and incentivized government policies. The Indian chemical industry has got numerous opportunities considering the supply chain disruption in China and trade conflict among the US, Europe, and China. Additional support, in terms of fiscal incentives, such as tax breaks and special incentives through Petroleum, Chemicals and Petrochemicals Investment Regions (PCPIRs) or Special Economic Zones (SEZs) to encourage downstream units has enhanced production and development of the industry. In the face of various global challenges, the Indian chemical industry continued to be resilient in 2023-24 and has shifted gears in the right direction of becoming a noteworthy global player. However, numerous challenges still persist including limited domestic feedstock availability, delayed regulatory approvals, and scarcity of skilled R&D talent. India has significant presence in the production of basic organic chemicals, fertilizers, pesticides, paints, dyestuffs and intermediates and fine and specialty chemicals. The chemical sector in India faces key challenges such as inadequate infrastructure facilities, high costs of basic raw materials like natural gas and crude oil, high cost of capital and need for technological modernization of its facilities. The key success factors for the chemicals industry in India are the use of advanced technology, strong research capabilities, backward and forward linkages and development of domestic capacity to reduce dependence on imported raw materials. It has also become imperative for the Indian chemical industry to address safety, health and environmental protection issues in an organized manner. A consistent value creator, India's chemical sector remains an attractive hub of opportunities. Robust demand across end-user industries led by rising domestic consumption, strong export growth, and rising import substitutions are expected to be primary growth drivers for the chemical sector. Growing strong domestic demand and increased exports will continue to fuel the growth of the Indian specialty chemicals industry. The robust performance of the sector is prompting specialty chemical manufacturers for more capex to ramp up their production capacities to meet the growing demand for its products.

COMPANY'S OPERATIONAL PERFORMANCE:

During the year under review, the Total Revenue of the Company was ₹ 64739.47 Lakh as compared to ₹ 59407.02 Lakh in the previous year. The Company's Profit after Tax stood at ₹ 3930.29 Lakh as compared to ₹ 2086.15 Lakh in the previous year. The Chart depicts the export sales as compared to total sales of the Company over the last 3 years.

PRODUCTWISE PERFORMANCE :

During the year under review, the Company focused more on executing big ticket size orders. Its efforts on expanding sale of Ethanolamine / Alkanolamines & Derivative products bore fruits in the form of improved sales in quantity and value terms. The major products had contributed around 70% of total sales while Morpholine Derivatives and Ethylene Oxide / Propylene Oxide Derivative had contributed around 24%. Both these products have different variants based on their utility and composition. Your Company has generated good revenue from export of TEG which has contributed around 5% in total sales. As reported earlier, your Company continued trading of molecular sieves which has contributed around 1% in total sales.

As evident from the results, the growth in the sales volume of Ethanolamine / Alkyl Alkanolamines continued and the realization was better as compared to the previous year and quantitative and value increase of NMMO in the exports sales also reported better numbers.

RESEARCH AND DEVELOPMENT:

The Research and Development (R&D) division plays an important role in ensuring the Company's growth, innovation and competitiveness. Key functions and role of the R&D division in your Company can be summarized herein below:

1. Innovation and new product development: responsible for developing new chemical products and processes which includes formulating new compounds, improving existing products and finding innovative applications for chemicals.
2. Process optimization: optimizing manufacturing processes to improve efficiency, reduce costs and minimize environmental impact which includes developing new catalysts, improving reaction conditions and scaling up laboratory processes.
3. Quality control and Assurances: ensuring all products meet stringent quality standards and developing testing methods and protocols to ensure consistency and reliability in Company's products.
4. Regulatory Compliances: ensuring all products and processes comply with national and international regulations. This involves conducting safety assessment, obtaining necessary certifications and approvals.
5. Sustainability and Environmental Impact: Green Chemistry helps in developing environment friendly chemicals and processes and minimizes waste.

Your Company's in-house Research and Development Division consisting of highly experienced professionals who follow the above principles in true letter and spirit and continuing its efforts to mitigate the impact on environment and climate change by focusing on carbon capture & utilization and green chemistry.

Research & Development efforts are focused on:

- a) Development of new synthetic route strategies, keeping the present scenario of Green Chemistry in focus to already developed processes in our various products,
- b) Up-gradation of existing production technology in order to reduce effluents-load with the aim of zero discharge and reduction in manufacturing cost,
- c) Improvement in efficient raw material consumption,
- d) Development of Gas Treating Solvents and carbon capture solvents with new additives and the formulations are tailor made for customers,
- e) Development of oil field chemicals, focusing on demulsifiers of various crudes of different countries.

- f) Concentrating in the development of import substitutes mostly for products related to Batteries of Electric vehicle, Hydrolyser for the new energy entrant, hydrogen and Semiconductors.
- g) Continual efforts in adaptation of renewable resources for energy fuel and water savings

As a result of the sustained efforts on R&D activities, the Company has been able to derive a number of benefits which are enumerated herein below:

- a) Developed and commercialized Coco amine based ethoxylates,
- b) Developed and commercialized Glycerin based propoxylate,
- c) Developed customized Mould Releasing agents for rubber auxiliary applications in automobile industry,
- d) Substantial Growth in newly added specialty products formulations for gas plants benefiting local and global market in refinery, natural gas fertilizer and ammonia plants.

The demand for high quality, high purity, Cosmetic ingredients, metal working fluids, Drug intermediates, Textile auxiliaries, electronic chemicals (all EO/PO- based), rising continuously in the domestic as well as in global markets and we are able to fulfill the stringent requirements of our clients, with our concentrated R&D efforts. The Company also plans to design and develop range of surfactants based on Tridecyl alcohol ethoxylate.

As reported earlier, R&D efforts continue to contribute immensely to various industries including Construction, Automobile, Paints & Coating industries in India as well as across the World.

REACH COMPLIANCE:

During the year, some of your Company's products were registered under EU Reach Regulations and some substances have received pre-registered recognition under K- Reach Regulations (Korea). In addition to this, the Company has also received Inventory notified recognition under Eurasia Reach Regulations for some of its substances and Pre-registered recognition for some of its substances under Turkey KKDIK Regulations. As reported earlier, the Company is in process for China Reach for one its products.

The table below provides the details of our different REACH Compliances of different Countries:

Sr. No	REACH Regulations	Number of Substance	Status of Substance
1	EU REACH	3	Registered
2	K REACH (Korea)	9	Pre- registered
3	Eurasia Reach	2	Inventory notified
4	Turkey KKDIK	5	Pre- registered

OPPORTUNITIES, THREATS, RISKS & CONCERNS:

The chemical industry is the backbone of industrial and agricultural development in India. It plays a vital role in the economic development by virtue of its role in aiding other industries too. However, the chemical industry by its inherent nature and structure is a highly unstable industry and needs to constantly evolve and adept to the current business scenario, advancement in technology in order to survive and sustain in the economic set up. Your Company has completed 5 decades of operations and has created a brand name for itself and is one of the reputed Chemical Company in its sector. This was possible due to capacity expansion, product diversification and constantly looking for business opportunities in various markets. In every business and in every new initiative, there are inherent risks and it is the duty of the Management to manage such risks. The Chemical industry in which your Company operates is one of the most diversified industries in its business segment.

During the year under review, the Company continued its focus on development of new products to meet the dynamic demands from different sectors which has been put to various different uses. In house Research and Development facility and adoption of latest technological changes have helped in introducing new specialty custom made products having better margins. Diversification being a major factor for opportunities it also gives mounting pressure to satisfy the ever changing needs of customers.

Opportunities:

1. **Growing Demand:** Increasing urbanization and rising middle class boost demand for various chemicals. Sectors like pharmaceuticals, textiles and agriculture are driving higher chemical consumption. High demand for specialty chemicals used in electronics, personal care and cosmetics.
2. **Export potential:** Positioned well for exports due to cost advantage and improved quality of our products. Also free trade agreements and strategic geographic location enhance export prospects. Growing global emphasis on sustainability opened door for green chemistry solutions.

Threats:

1. **Raw Material Availability:** Ethylene oxide is the major raw material and cannot be imported due to its inflammable nature. It has to be procured locally and fluctuations in raw material prices can affect profitability.
2. **Competition:** Intense competition from global players particularly from China for our exports. Need for continuous improvement in cost efficiency and product quality to stay competitive.
3. **Safety concerns:** Incidents related to chemical spills, pollution and occupational hazards can lead to legal liabilities and reputation damage.
4. **Economic volatility:** Economic downturns can lead to reduced industrial activity and lower demand for chemicals. Currency fluctuations and global trade tensions due to geo political uncertainty
5. **Technological disruptions:** Rapid technological advancement can make existing processes and products obsolete.

Risk management:

Operational Risk –

The Company continues to maintain sufficient stock of raw materials as per the order book and enjoys good business relations with its Suppliers. It ensures required flow of raw material at any given time. The Company has started receiving power at a concessional rate due to its long term arrangement with a Solar Power Company to meet its energy requirements. Your Company has a professional R&D Team with optimum composition of experience and young talent. The Company continues to develop many products through innovation and research. The management is constantly exploring new markets for its products.

Economic Risk –

The Management is taking every possible step in order to mitigate the effects of unstable geo-political situation through exploring new chemical markets, reaching out to new customers and constant efforts by its R&D Team in developing unique and innovative Specialty products. The Company has strong relations with many customers and continues to penetrate its presence in domestic and global markets

Ecological Risk –

As mentioned in detail in the paragraph on Research and Development, the R&D team is focusing on carbon capture & utilization and Green Chemistry. The team is also working on gas treating Solvents used in hydrogen and carbon capture solvents with new additives and the formulations are tailor made for customers.

Finance Risk –

The Company has consortium of Bankers and SBI is the lead Banker which have sanctioned credit facilities that ensures smooth flow of finance whenever needed. The Company has also raised money by inviting and accepting unsecured deposits at lesser rate of interest for meeting general corporate requirements.

INTERNAL CONTROL SYSTEM & ADEQUACY:

Your Company has an effective internal control and risk-mitigation system, which is constantly assessed and strengthened with new/revised standard operating procedures. The Company's internal control system is commensurate with its size, scale and complexities of operations. M/s. N. J. Mahtani & Co., a Firm of Chartered Accountants is the internal auditors of the Company. The main focus of internal audit is to review business risks, test and review controls, assess business processes besides bench marking controls with best practices in the industry. During the year under review, there were no elements of risk which in the opinion of the Board of Directors threaten the going concern status of the Company. Risks are an inherent part of any business which are mitigated in accordance with the Risk Management framework. With the ever changing conditions on economic and global front, your Company's internal control system is reviewed from time to time keeping in check the internal financial controls, compliances with applicable provisions of laws, policies and statutory compliances.

The Audit Committee of the Board of Directors actively reviews the adequacy and effectiveness of the internal control systems. The Audit Committee suggests improvements and utilizes the reports generated from a Management Information System integral to the control mechanism.

The Management has laid down adequate procedures and policies to guide the operations of our business. Unit/Functional Heads are responsible for ensuring compliance with the policies and procedures laid down by the Management. Our internal control systems are periodically reviewed by the Management, Statutory Auditors and Internal Auditors.

HUMAN RESOURCE MANAGEMENT:

The Human Resources is an essential part of any business. The Industry in which your Company operates not only demands skill but also in-depth technical knowledge. Your Company has by focussing on its core values of Trust, Quality, and Excellence built an agile, enthusiastic, and energized work force which defines the organization culture.

Report on the Audit of Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of **Amines & Plasticizers Limited** ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2024, the Standalone Statement of Profit and Loss (including other comprehensive income), Standalone Statement of Changes in Equity and Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'Standalone Financial Statements').
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at March 31, 2024, and its profit (financial performance including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined the matter described below to be the key audit matters determined to be communicated in our report on standalone financial statements.

Key Audit Matters	Auditor's Response (Audit Procedures followed)
<p>Valuation, Accuracy, Completeness and disclosures pertaining to Inventories with reference to Ind AS 2</p> <p>Inventories constitutes material component of financial statement. Correctness, completeness and Valuation are critical for reflecting true and fair financial results of operations. Further due to continuous nature of plant operations and the raw materials which are basically chemical, management has to exercise its judgment in assessing stage of the product and its valuation.</p>	<p>Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:</p> <p>(a) We assessed the Company's process regarding maintenance of records, Valuation and accounting of transactions relating to Inventory as per the Indian Accounting Standard 2.</p> <p>(b) We have evaluated the design of Internal Controls relating to recording and valuation of Inventory.</p> <p>(c) We have carried out substantive audit procedures to verify the allocation of overhead to Inventory.</p> <p>(d) We have done physical verification on sample basis in respect of few locations. We have relied on physical verification conducted by management and management representation.</p> <p>(e) We have verified consistency in respect of valuation process and methodology followed.</p>

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

6. The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to the Board Report, Corporate Governance report and Shareholder's information, but does not include the standalone financial statements and our auditor's report thereon.
7. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
8. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Standalone Financial Statements

9. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
10. In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
11. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
13. As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - ◆ Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - ◆ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls;
 - ◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;

- ◆ Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
 - ◆ Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

17. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
18. As required by Section 143(3) of the Act, we report that:
 - i. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the accompanying standalone financial statements;
 - ii. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matter stated in paragraph 18 (viii)(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);
 - iii. The standalone financial statements dealt with by this report are in agreement with the books of account;
 - iv. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014;
 - v. On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024 from being appointed as a director in terms of section 164(2) of the Act;
 - vi. With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company as on 31 March 2024 and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**" wherein we have expressed an unmodified opinion; and
 - vii. As required by section 197(16) of the Act based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act
 - viii. With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - a. The Company has disclosed the impact of pending litigations on its financial position as at 31 March 2024 in the Standalone Financial Statements– [Refer Note 30 to the Standalone Financial Statements];
 - b. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.

- c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31 March 2024;
- d.
- i. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
- ii. The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- iii. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- e.
- i. The final dividend paid by the Company during the year ended 31 March 2024 in respect of such dividend declared for the previous year is in accordance with section 123 of the Act to the extent it applies to payment of dividend.
- ii. As stated in note 43 to the accompanying standalone financial statements, the Board of Directors of the Company have proposed final dividend for the year ended 31 March 2024 which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend recommended by the Board is in accordance with Section 123 of the Act to the extent it applies to the recommendation of dividend.
- f.
- a) As stated in note no. 48 to the standalone financial statements and based on our examination which included test checks, the Company, in respect of financial year commencing on 1 April 2023, has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software. except that, audit trail feature is not enabled for direct changes to data in the underlying database and in the application when using certain privileged access rights. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with in respect of the accounting software.
- (b) As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

INDEPENDENT AUDITORS' REPORT

Annexure 'A' referred to in Report on Other Legal and Regulatory Requirements section of our Report to the members of Amines & Plasticizers Limited for the year ended March 31, 2024

1. In respect of the Company's Property, Plant and Equipment (PPE) and Intangible Assets :
 - (a) (A) The Company has maintained proper records, showing full particulars, including quantitative details and situation of Property, Plant and Equipment, Capital Work-in -progress and relevant details of right of use assets.
 - (B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a phased program of physical verification of Property, Plant and Equipment (PPE) so to cover all the assets, in our opinion, the frequency of verification is reasonable having regard to the size of the Company and the nature of its PPE. Pursuant to the program of physical verification of PPE, physical verification of the assets has been carried out no material discrepancies were noticed on such verification.
 - (c) The title deeds of all the immovable properties (which are included under the Note 3 'Property, plant and equipment') are held in the name of the Company.
 - (d) The Company has not revalued its Property, Plant and Equipment (including Right of-Use assets) or Intangible assets or both during the year and hence reporting under clause 3(i)(d) of the Order is not applicable to the Company.
 - (e) No proceedings have been initiated or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder hence reporting under clause 3(i)(e) of the Order is not applicable to the Company
2. (a) The management has conducted physical verification of inventory at reasonable intervals during the year. In our opinion the coverage and the procedure of such verification by the management is appropriate. No discrepancies of 10% or more in aggregate for each class of inventory were noticed on physical verification of inventories as compared to book records.
 - (b) As disclosed in Note 18.1 to the standalone financial statements, the Company has been sanctioned working capital limits in excess of five crores in aggregate from banks during the year on the basis of security of current assets. The quarterly returns/statements filed by the Company with such banks are generally in agreement with the books of accounts of the Company.
3. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company during the year, the Company has not made any investments, or provided any security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties or to promoters or related parties, except as stated hereunder.
 - (b) The Company had in earlier year granted loans of Rs. 48.81 Lakhs to its wholly owned subsidiary. The Balance outstanding of the loan is same.
 - (c) In our opinion, the terms and conditions of the loans are prima facie, not prejudicial to the Company's interest.
 - (d) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are generally been regular as per stipulation.
 - (e) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date to other entities.
 - (f) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
 - (g) Based on our verification of records of the Company and information and explanations given to us, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment, to Promoters or related parties as defined in clause (76) of section 2 of the Companies Act, 2013.
4. The Company has not granted any loans or provide any guarantees or securities to parties covered under Section 185 of the Act. Further, provisions of sections 186 of the Companies Act, 2013 in respect of loans, investments, guarantees and security have been complied with by the Company.
5. In our opinion and according to the information and explanations given to us, Company has complied with the provision of Section 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the Companies (Acceptance of Deposit) Rules, 2014 as amended, with regard to the deposits accepted. According to the

information and explanation given to us, no order has been passed by the Company Law Board or the National Company Law Tribunal or the Reserve Bank of India or any Court or any Tribunal.

6. We have broadly reviewed the books of account maintained by the Company pursuant to the Companies (Cost Record and Audit) Rules, 2014, as specified by the Central Government under sub-section (1) of 148 of the Companies Act, 2013, in respect of its products and are of the opinion that prima facie, the specified accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether these are accurate and complete.
7. In respect of statutory dues:
 - a) According to the information and explanations given to us and on the basis of our examination of the records, the Company is generally regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Custom Duty, Excise Duty, Value Added Tax, Cess, Goods and Services Tax and any other statutory dues to the appropriate authorities. No undisputed amounts payable in respect of the aforesaid statutory dues were outstanding as at the last day of the financial year for a year of more than six months from the date they became payable.
 - b) According to the information and explanations given to us, there are no dues as referred in clause 7(a) above which have not been deposited on account of any dispute except the following :

Name of the Statute	Nature of Dues	Period to which it relates	Amount (₹ in Lacs)	Amount Paid/ adjusted (₹ in Lacs)	Forum where dispute is pending
Central Excise Act, 1944	Service Tax Cenvat Input Credit	2010 to 2015	385.60	28.92	CESTAT
Income Tax Act, 1956	Income Tax	AY 2013-14 to AY 2015-16	571.21	NIL	CIT (Appeals)

8. According to the information and explanations given to us and on the basis of our examination of the records of the Company, there were no transaction relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) and hence reporting under clause 3(viii) of the Order is not applicable to the Company.
9. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to the lenders and hence reporting under clause 3(ix)(a) of the Order is not applicable to the Company.
 - (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
 - (c) During the year the Company has not availed of or has been disbursed any Term loans.
 - (d) On an overall examination of the standalone financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.
 - (e) On an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries and hence reporting under clause 3(ix)(e) of the Order is not applicable to the Company.
 - (f) During the year the Company has not raised any funds on the pledge of securities held in its subsidiaries and hence reporting under clause 3(ix)(f) of the Order is not applicable to the Company.
10. (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable to the Company.
 - (b) During the year, the Company has not made any preferential allotment, private placement of shares or fully or partly convertible debentures and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.
11. (a) During our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of fraud by or on the Company, noticed or reported during the year, nor have we been informed of such case by the management.

- (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) Based on our audit procedures performed and according to the information and explanations given to us, no whistle blower complaints have been received during the year by the Company and hence reporting under clause 3(xi)© of the Order is not applicable to the Company.
12. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable to the Company.
13. All the transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the standalone financial statements, as required by the applicable accounting standards.
- 14.(a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit reports for the year under audit issued to the Company during the year and till date, in determining nature, timing and extent of our audit procedure.
15. The Company has not entered into any non-cash transactions prescribed under Section 192 of the Act with its directors or persons connected with them during the year.
16. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and reporting under clause 3(xvi) (a), (b) and (c) of the Order is not applicable to the Company.
- (b) In our opinion, there is no core investment company within the “Companies in the Group” as defined in the Core Investment Companies (Reserve Bank) Directions, 2016 and hence reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.
17. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
18. During the year there is no resignation of Auditors in the company, hence reporting under Clause 3(xviii) of the Order is not applicable to the Company.
19. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- 20.a) According to the information and explanations given to us, the Company does not have any unspent amount in respect of any ongoing or other than ongoing project as at the expiry of the financial year and hence reporting under Clause 3(xx) of the Order is not applicable to the Company.
21. The reporting under clause 3(xxii) of the Order is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

INDEPENDENT AUDITORS' REPORT

Annexure B to Independent Auditors' Report

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Report on internal financial controls over financial reporting

1. In conjunction with our audit of the standalone financial statements of **Amines & Plasticizers Limited** ('the Company') as at and for the year ended 31 March, 2024, we have audited the internal financial controls with reference to standalone financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Standalone Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with Reference to Standalone Financial Statements

6. A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements include those policies and

procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Standalone Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such controls were operating effectively as at 31 March, 2024, based on internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Note:2 SIGNIFICANT ACCOUNTING POLICIES

a. Basis of Preparation of Financial Statements

Compliance with Ind As

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All financial information presented in Indian rupees have been rounded-off to two decimal places to the nearest lakhs as per the requirement of Schedule III, except share data or as otherwise stated.

The accounting policies are applied consistently to all the periods presented in the financial statements.

Historical Cost Convention

The financial statements have been prepared under the historical cost convention except for the followings assets and liabilities which have been measured at their fair value :-

- Certain financial assets and liabilities that are measured at fair value (refer-Accounting policy regarding financials instruments)
- Defined benefit plans – present value of defined benefit obligation unless otherwise indicated.

b. Use of estimates and judgements

The preparation of financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities prospectively. Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

- i.** Measurement of defined benefit obligations - Note No.36
- ii.** Measurement and likelihood of occurrence of provisions and contingencies - Note No.16,21A & 30
- iii.** Recognition of deferred tax assets / liabilities – Note No.17B

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

c. **Property, Plant & Equipment & Intangible Assets :**

i. **Property, Plant & Equipment**

The Company had applied for the one-time transition exemption of considering the carrying cost on the transition date i.e., April 1, 2016 as the deemed cost under Ind AS. Hence regarded thereafter as historical cost.

An item of Property, plant and equipment is recognized as an asset if it is probable that future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. property, plant and equipment are initially recognized at cost after deducting refundable purchase taxes and including the cost directly attributable to bring the asset to the location and conditions necessary for it to be capable of operating in the manner intended by the management, borrowing cost in accordance with the established accounting policy, cost of restoring and dismantling, if any, initially estimated by the management.

Freehold Land is carried at historical cost. All Other items of Property, Plant & Equipment are stated at historical cost less depreciation. Historical Cost includes expenditure that is directly attributable to the acquisition of the items. After the initial recognition the property, plant and equipment are carried at cost less accumulated depreciation and impairment losses.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and its cost can be measured reliably.

All other repair and maintenance costs, including regular servicing are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, allocation of overheads, directly attributable borrowing costs. Cost of Self-constructed assets is determined using the same principles as for acquired assets after eliminating the component of internal profits.

Any gain or loss arising on retirement or disposal of property, plant and equipment is recognized in the Statement of Profit and Loss.

Capital work-in-progress assets in the course of construction for production or/and supply of goods or services or administrative purposes, or for purposes not yet determined, are carried at cost, less any recognised impairment loss. At the point when an asset is operating at management's intended use, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalised where the asset is available for use but incapable of operating at normal levels until a period of commissioning has been completed.

ii. **Intangible Assets**

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization / depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

iii. Depreciation/Amortization

Depreciation on all property, plant and equipment are provided for, from the date of put to use for commercial production on a pro-rata basis on the straight-line method based on at the useful life prescribed under Schedule II to the Companies Act, 2013. Freehold land is not depreciated.

Depreciation commences when the assets are ready for their intended use. Depreciated assets in property and accumulated depreciation accounts are retained fully until they are removed from service.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

Intangible assets with a finite useful life are amortised in a straight-line basis over their estimated useful life.

d. Disposal of Assets

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

e. Leases

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset if it involves the use of an identified asset and the Company has substantially all of the economic benefit from the use of asset and has right to direct the use of the identified asset.

The cost of right-of-use asset shall comprise of amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred.

Right-of-use assets is subsequently measured at cost, less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of lease liabilities.

Right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of the Right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

For short term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

The Company's lease arrangements do not contain an obligation to dismantle and remove the underlying asset, restore the site on which it is located or restore the underlying asset to a specified condition.

f. Impairment

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

g. Research and development expenditure

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are charged to the Statement of Profit and Loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalised.

h. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily takes substantial period of time to get ready for their intended use or sale, are capitalised as part of the cost of such assets, until such time as the assets are substantially ready for the intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is recognized in the Statement of Profit and Loss.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

i. Inventories

Inventories are stated at the lower of cost and net realizable value. The cost of finished goods and work in progress includes raw materials, direct labour, other direct costs and related production overheads.

Raw Materials and other materials including packaging, stores and fuels are valued at lower of cost, based on first-in-first-out method arrived at after including freight inward and other expenditure directly attributable to acquisition or net realizable value. Cost of Stores, Spares and fuels are computed on Moving Weighted Average.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

j. Financial Instruments

I. Financial assets

a. Initial Recognition and Measurement

The Company recognizes financial assets and financial liabilities when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are recognised at fair value initial recognition except for Trade receivables / payables and where cost of generation or fair value exceeds benefits, which are initially measured at the transaction price. Transaction costs directly related to the acquisition or issue of the financial assets and financial liabilities (other than financial assets and financial liabilities through profit and loss account) are added to or deducted from the cost of financial assets and financial liabilities. Transaction costs directly attributable to the acquisition or issue of the financial assets and financial liabilities at fair value through profit and loss account are recognized immediately in the statement of profit and loss.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

b. Classification and Subsequent Measurement

i. Amortised cost :

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. Fair value through other comprehensive income (FVOCI) :

A financial asset is measured at FVOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii. Fair value through profit and loss (FVTPL) :

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

iv. Investments in Subsidiaries

Investments in subsidiaries are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries, the difference between net disposal proceeds and the carrying amounts are recognized in the Statement of Profit and Loss.

v. Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

All equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

vi. Cash and Bank Balances

Cash and cash equivalents – which includes cash in hand, deposits at call with banks and other short-term deposits which are readily convertible into cash and which are subject to an insignificant risk of changes in value and have maturities of less than one year from the date of such deposits.

Other Bank Balances – which includes balances and deposits with banks that are restricted for withdrawal and usage.

vii. Trade Receivables and Loans

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business and reflects company's unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables of the Company, are recognised initially at the transaction price as they do not contain significant financing components. The company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.

viii. Debt Instruments

Debt instruments are initially measured at amortised cost, fair value through other comprehensive

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

C. Impairment of Financial Asset

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

For financial assets other than trade receivables, as per Ind AS 109, the Company recognizes 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to lifetime expected losses i.e. expected cash shortfall.

The impairment losses and reversals are recognised in Statement of Profit and Loss.

II. Financial Liabilities

a. Initial Recognition and Measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Trade and other payable are initially recognized at the fair value of the consideration received less directly attributable transaction cost.

Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

b. Classification and Subsequent Measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

III. Derecognition of Financial Instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

k. Provision, Contingent Liabilities & Contingent Assets

Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events, for which it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation.

If the effect of the time value of money is material, provisions are measured on a discounted basis to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability is a possible obligation that arise from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognised because it is probable that an outflow of resources will not be required to settle the obligation. However, if the possibility of outflow of

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

resources, arising out of present obligation, is remote, it is not even disclosed as contingent liability. The company does not recognize a contingent liability but discloses its existence in the financial assets.

Contingent assets are neither recognized nor disclosed in the financial statements.

I. Revenue Recognition

The Company manufactures and sells a range of chemicals and other products.

Revenue from sale of goods is recognized when significant risks and rewards of ownership are transferred to the buyer, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably, which coincides with the date of dispatch/bill of lading. The Company retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods.

The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.

Revenue is measured at fair value of the consideration received or receivable includes freight, wherever applicable and is net of trade discounts, volume rebates and GST.

Export incentives under various schemes are accounted in the year of export.

Revenue from technical services recognized on the basis of milestones for rendering services as per the agreement.

Interest income is recognized on time apportionment basis. Effective interest rate (EIR) method is used to compute the interest income on long term loans and advances. Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

Dividend income on investments is recognised when the right to receive dividend is established.

m. Employee Benefits

i. Defined Contribution Plans

Contributions to defined contribution schemes such as employees' state insurance, labour welfare fund, superannuation scheme, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Eligible employees receive benefits from a provident fund, which is a defined contribution plan to the Trust/Government administered Trust. Both the employee and the company make contribution to the Amines Plasticizers Limited Employees' provident Fund Trust / Government administered Trust equal to the specified percentage of the covered employee's salary. Company also contributes to a Government administered pension fund on behalf of its employees.

ii. Defined Contribution Plans

The Company also provides for retirement benefits in the form of gratuity and compensated absences to the employees Company.

For defined benefit plans, the amount recognised as 'Employee benefit expenses' in the Statement of Profit and Loss is the cost of accruing employee benefits promised to employees over the year and the costs of individual events such as past / future service benefit changes and settlements (such events are recognised immediately in the Statement of Profit and Loss). Any changes in the liabilities over the year due to changes in actuarial assumptions or experience adjustments within the plans, are recognised immediately in 'Other comprehensive income' and subsequently not reclassified to the Statement of Profit and Loss.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

The defined benefit plan surplus or deficit on the Balance Sheet comprises the total for each plan of the fair value of plan assets less the present value of the defined benefit liabilities (using a discount rate by reference to market yields on government bonds at the end of the reporting period)

All defined benefit plans obligations are determined based on valuations, as at the Balance Sheet date, made by independent actuary using the projected unit credit method. The classification of the Company's net obligation into current and non-current is as per the actuarial valuation report.

Liability for balance leave encashment / entitlement is provided on the basis of actuarial valuation at the year end.

n. **Taxation**

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognized directly in equity or in other comprehensive income.

Current Tax

Current tax is tax expected tax payable on the taxable income for the year, using the tax rate enacted at the reporting date, and any adjustment to the tax payable in respect of the earlier periods. Taxable profit differs from the net profit as reported in the statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

MAT credit entitlement is recognized and carried forward only if there is a reasonable certainty of it being set off against regular tax payable within the stipulated statutory period.

o. **Earnings Per Share**

Basic earnings per share is computed by dividing the net profit for the year attributable to equity shareholders of the Company by the weighted-average number of equity shares outstanding during the year. The weighted-average number of equity shares outstanding during the year and for all years presented is adjusted for events such as bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted-average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

p. Foreign Currency Transactions and Translation

The financial statements are presented in Indian Rupees (INR), which is the functional currency of the Company and the presentation currency for the financial statements.

Transactions in foreign currencies are recognized at the prevailing exchange rates on the transaction dates. Realized gains and losses on settlement of foreign currency transactions are recognized in the Statement of Profit and Loss.

Foreign currency monetary items (assets and liabilities) at the year- end are translated at the year-end exchange rates and the resultant exchange differences are recognized in the Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or Statement of Profit and Loss are also recognised in OCI or Statement of Profit and Loss, respectively).

q. Recent pronouncements

There is no such notification applicable from April 1, 2024.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

The defined benefit plans expose to the Company to a number of actuarial risk

- a) **Investment Risk :** The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to government/high quality bond yields; if the return on plan asset is below this rate, it will create a plan deficit.
- b) **Interest Risk :** A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.
- c) **Salary Risk :** The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.
- d) **Longevity Risk :** The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Sensitivity analysis of 1% change in assumption used

41 Financial Instruments and Risk Review

Financial Risks Management Framework

The Company's business activities are exposed to a variety of financial risks, namely Liquidity Risk, Currency Exchange Risk, Interest Rate Risk, Credit Risk and Commodity Price Risk. The Company's management and the Board of Directors has the overall responsibility for establishing and governing the Company's risk management framework. The risk management framework works at various levels in the enterprise. The organization structure of the Company helps in identifying, preventing and mitigating risks by the concerned operational Heads under the supervision of the Chairman & Managing Director. The risk management framework is reviewed periodically by the Board and the Audit Committee keeping a check on overall effectiveness of the risk management of the Company.

Credit Risk

Credit Risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations. Financial instruments that are subject to credit risk principally consist of trade receivables, investments, loans, cash and cash equivalents, other balances with banks and other financial assets. None of the financial instruments of the Company result in material credit risk.

Credit risk with respect to trade receivables are limited, due to the Company has a policy of dealing only with credit worthy counter parties, where appropriate as a means of mitigating the risk of financial loss from defaults. All trade receivables are reviewed and assessed for default on a quarterly basis. Our historical experience of collecting receivables is that credit risk is low. Hence, trade receivables are considered to be a single class of financial assets.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. based on the historical data, loss on collection of receivables is not material hence no additional provision considered.

Interest Rate Risk

Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rates. Any movement in the reference rates could have an impact on the Company's cash flows as well as costs. The Company is subject to variable interest rates on some of its interest bearing liabilities. The Company's interest rate exposure is mainly related to borrowing obligations.

Commodity Price Risk

The main raw materials which the Company procures are to a great extent linked to the movement of crude prices directly or indirectly. The pricing policy of the Company final product is structured in such a way that any change in price of raw materials is passed on to the customers in the final product however, with a time lag which mitigates the raw material price risk.

Liquidity risk

Liquidity Risk arises when the company is unable to meet its short term financial obligations as and when they fall due. The company maintains adequate liquidity in the system so as to meet its all financial liabilities timely. In addition to this, the company's overall financial position is very strong so as to meet any eventuality of liquidity tightness.

Consolidated Financial Statements

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF AMINES & PLASTICIZERS LIMITED

Report on the Audit of Consolidated Financial Statements

Opinion

1. We have audited the accompanying consolidated financial statements of **Amines & Plasticizers Limited** (herein after referred to as "the Holding Company"), its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") which comprise the Consolidated Balance Sheet as at March 31, 2024, the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'Consolidated Financial Statements').
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the consolidated state of affairs (consolidated financial position) of the Group as at 31 March, 2024, their consolidated profit (consolidated financial performance including other comprehensive income), their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. There were no key audit matters determined to be communicated in our report on consolidated financial statements.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

6. The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's annual report but does not include the Standalone and Consolidated Financial Statements and our auditor's report thereon.
7. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
8. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the

consolidated financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Consolidated Financial Statements

9. The Holding Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its subsidiary in accordance with the Ind AS specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India. The Holding Company's Board of Directors are also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. Further, in terms of the provisions of the Act the respective Board of Directors of the companies included in the Group, and its subsidiary companies covered under the Act are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.
10. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group management is responsible for assessing the ability of the group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the group or to cease operations, or has no realistic alternative but to do so.
11. The respective Board of Directors of the companies included in the group are also responsible for overseeing the group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
13. As part of an audit in accordance with Standards on Auditing specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - ◆ Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and have obtained audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - ◆ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Holding Company has an adequate internal financial controls system in place and the operating effectiveness of such controls.

- ◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - ◆ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group to cease to continue as a going concern.
 - ◆ Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - ◆ Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors, to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
14. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

17. We did not audit the financial statements of one subsidiary Amines & Plasticizers FZ LLC (Wholly Owned Subsidiary Company), whose financial statements reflect total assets of ₹ 1010.39 lakhs and net assets of ₹ 232.94 lakhs as at March 31, 2024 and total revenues (before eliminating intercompany transactions) of ₹ 4508.03 lakhs for the year ended 31st March, 2024. The consolidated financial results also include the Group's share of net profit (including other comprehensive income) of ₹ 55.34 lakhs (before eliminating intercompany transactions) for the year ended March 31, 2024, as considered in the consolidated financial results, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial results, in so far as it relates to the amounts and disclosures included in respect of these subsidiary, and our report opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the reports of the other auditor.

18. Further, subsidiary is located outside India whose financial statements and other financial information has been prepared in accordance with accounting principles generally accepted in United Arab Emirates and which have been audited by another auditor under generally accepted auditing standards applicable in United Arab Emirates. The Holding Company's management has converted the financial statements of such subsidiary located outside India from accounting principles generally accepted in United Arab Emirates to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion, in so far as it relates to the financial information of such subsidiary located outside India, is based on the report of other auditor and the conversion adjustments prepared by the management of the Holding Company and audited by us.
19. Our opinion on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matter with respect to our reliance on the work done by and the reports of the other auditors and financial information certified by the management.

Report on Other Legal and Regulatory Requirements

INDEPENDENT AUDITORS' REPORT

Annexure A to Independent Auditors' Report

Referred to in paragraph 20(vi) of the Independent Auditors' Report of even date to the members of Amines & Plasticizers Limited for the year ended March 31, 2024.

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. In conjunction with our audit of the consolidated financial statements of Amines & Plasticizers Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group') as at and for the year ended 31 March 2024, we have audited the internal financial controls with reference to financial statements of the Holding Company, its subsidiary companies, which are companies covered under the Act, as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Board of Directors of the Holding Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Consolidated Financial Statements

3. Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained, and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements of the Holding Company, its subsidiary companies, as aforesaid.

Meaning of Internal Financial Controls with Reference to Consolidated Financial Statements

6. A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with the generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Consolidated Financial Statements

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note: 2 SIGNIFICANT ACCOUNTING POLICIES

a. Basis of Preparation of Consolidated Financial Statements

Compliance with Ind As

Consolidated financial statements of the Group have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act 2013 (the Act), read with Companies (Indian Accounting Standards) Rules 2015, the provisions of Companies Act 2013, and guidelines issued by the Securities and Exchange Board of India (SEBI).

Functional and presentation currency

These financial statements are presented in Indian Rupees (INR). All financial information presented in Indian rupees have been rounded-off to two decimal places to the nearest lakhs as per the requirement of Schedule III, except share data or as otherwise stated.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Historical Cost Convention

The consolidated financial statements of the Group are prepared under the historical cost convention on accrual basis except for the followings assets and liabilities which have been measured at their fair value:-

- Certain financial assets and liabilities that are measured at fair value (refer-Accounting policy regarding financials instruments)
- Defined benefit plans – present value of defined benefit obligation unless otherwise indicated.

b. Use of estimates and judgements

The preparation of consolidated financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities prospectively. Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes :

- i. Measurement of defined benefit obligations - Note No.36
- ii. Measurement and likelihood of occurrence of provisions and contingencies - Note No.16,21A & 30
- iii. Recognition of deferred tax assets / liabilities – Note No.17B

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

c. Principles of Consolidation

- i. The financial statements of the Holding Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.
- ii. Profits or losses resulting from intra-group transactions that are recognized in assets, such as Inventory and Property, Plant and Equipment, are eliminated in full.
- iii. Goodwill / Capital Reserve, if any, represents the difference between the Holding Company's share in the net worth of subsidiaries and the cost of acquisition at each point of time of making the investment in the subsidiaries.
- iv. The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.
- v. The carrying amount of the parent's investment in subsidiaries are offset (eliminated) against the parent's portion of equity in subsidiaries.
- vi. Non-Controlling Interest's share of profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to shareholders of the Holding Company.
- vii. Non-Controlling Interest's share of net assets of consolidated subsidiaries are identified and presented in the Consolidated Balance Sheet.

d. Property, Plant & Equipment & Intangible Assets :

i. Property, Plant & Equipment

An item of Property, plant and equipment is recognized as an asset if it is probable that future economic benefits associated with the item will flow to the Group and its cost can be measured reliably. property, plant and equipment are initially recognized at cost after deducting refundable purchase taxes and including the cost directly attributable to bring the asset to the location and conditions necessary for it to be capable of operating in the manner intended by the management, borrowing cost in accordance with the established accounting policy, cost of restoring and dismantling, if any, initially estimated by the management. Freehold Land is carried at historical cost. All Other items of Property, Plant & Equipment are stated at historical cost less depreciation. Historical Cost includes expenditure that is directly attributable to the acquisition of the items. After the initial recognition the property, plant and equipment are carried at cost less accumulated depreciation and impairment losses.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when and the cost of the item.

All other repairs and maintenance costs, including regular servicing are recognized in the Statement of Profit and Loss as incurred.

In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, allocation of overheads, directly attributable borrowing costs. Cost of Self-constructed assets is determined using the same principles as for acquired assets after eliminating the component of internal profits.

Any gain or loss arising on retirement or disposal of property, plant and equipment is recognized in the Statement of Profit and Loss.

Capital work-in-progress assets in the course of construction for production or/and supply of goods or services or administrative purposes, or for purposes not yet determined, are carried at cost, less any recognised impairment loss. At the point when an asset is operating at management's intended use, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalised where the asset is available for use but incapable of operating at normal levels until a period of commissioning has been completed.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

ii. Intangible Assets

Intangible Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization / depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognized.

iii. Depreciation/ Amortization

Depreciation on all property, plant and equipment are provided for, from the date of put to use for commercial production on a pro-rata basis on the straight-line method based on at the useful life prescribed under Schedule II to the Companies Act, 2013. Freehold land is not depreciated.

Depreciation commences when the assets are ready for their intended use. Depreciated assets in property and accumulated depreciation accounts are retained fully until they are removed from service.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

Intangible assets with a finite useful life are amortized in a straight-line basis over their estimated useful life.

e. Disposal of Assets

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

f. Leases

The Group, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset if it involves the use of an identified asset and the Group has substantially all of the economic benefit from the use of asset and has right to direct the use of the identified asset.

The cost of right-of-use asset shall comprise of amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred.

Right-of-use assets is subsequently measured at cost, less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of lease liabilities.

Right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of the Right-of-use asset.

The Group measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Group uses incremental borrowing rate.

For short term and low value leases, the Group recognises the lease payments as an operating expense on a straight-line basis over the lease term.

The Company's lease arrangements do not contain an obligation to dismantle and remove the underlying asset, restore the site on which it is located or restore the underlying asset to a specified condition.

g. Impairment

The Group assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

h. Research and development expenditure

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are charged to the Statement of Profit and Loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalised.

i. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily takes substantial period of time to get ready for their intended use or sale, are capitalised as part of the cost of such assets, until such time as the assets are substantially ready for the intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is recognized in the Statement of Profit and Loss.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

j. Inventories

Inventories are stated at the lower of cost and net realizable value. The cost of finished goods and work in progress includes raw materials, direct labour, other direct costs and related production overheads.

Raw Materials and other materials including packaging, stores and fuels are valued at lower of cost, based on first-in-first-out method arrived at after including freight inward and other expenditure directly attributable to acquisition or net realizable value. Cost of Stores, Spares and fuels are computed on Moving Weighted Average.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

k. Financial Instruments

l. Financial assets

a. Initial Recognition and Measurement

The Group recognizes financial assets and financial liabilities when the Group becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are recognised at fair value initial recognition except for Trade receivables / payables and where cost of generation or fair value exceeds benefits, which are initially measured at the transaction price. Transaction costs directly related to the acquisition or issue of the financial assets and financial liabilities (other than financial assets and financial liabilities through profit and loss account) are added to or deducted from the cost of financial assets and financial liabilities. Transaction costs directly attributable to the acquisition or issue of the financial assets and financial liabilities at fair value through profit and loss account are recognized immediately in the statement of profit and loss.

b. Classification and Subsequent Measurement

i. Amortised cost:

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. Fair value through other comprehensive income (FVOCI):

A financial asset is measured at FVOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii. Fair value through profit and loss (FVTPL) :

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Group changes its business model for managing financial assets.

iv. Investments in Subsidiaries

Investments in subsidiaries are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries, the difference between net disposal proceeds and the carrying amounts are recognized in the Statement of Profit and Loss.

v. Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

All equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Group has elected to present the value changes in 'Other Comprehensive Income'.

vi. Cash and Bank Balances

Cash and cash equivalents – which includes cash in hand, deposits at call with banks and other short-term deposits which are readily convertible into cash and which are subject to an insignificant risk of changes in value and have maturities of less than one year from the date of such deposits.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

Other Bank Balances – which includes balances and deposits with banks that are restricted for withdrawal and usage.

vii. Trade Receivables and Loans

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business and reflect company's unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables of the Company are recognised initially at the transaction price as they do not contain significant financing components. The company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.

viii. Debt Instruments

Debt instruments are initially measured at amortised cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

C. Impairment of Financial Asset

In accordance with Ind AS 109, the Group uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

For financial assets other than trade receivables, as per Ind AS 109, the Group recognizes 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Group's trade receivables do not contain a significant financing component and loss allowance on trade receivables is measured at an amount equal to lifetime expected losses i.e. expected cash shortfall.

The impairment losses and reversals are recognised in the Statement of Profit and Loss.

II. Financial Liabilities

a. Initial Recognition and Measurement

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Trade and other payable are initially recognized at the fair value of the consideration received less directly attributable transaction cost.

Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

b. Classification and Subsequent Measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

III. Derecognition of Financial Instruments

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Group's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

i. Provision, Contingent Liabilities & Contingent Assets

Provisions are recognized when the Group has a present obligation (legal or constructive), as a result of past events, for which it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made for the amount of the obligation.

If the effect of the time value of money is material, provisions are measured on a discounted basis to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability is a possible obligation that arise from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognised because it is probable that an outflow of resources will not be required to settle the obligation. However, if the possibility of outflow of resources, arising out of present obligation, is remote, it is not even disclosed as contingent liability. The Group does not recognize a contingent liability but discloses its existence in the financial assets.

Contingent assets are neither recognized nor disclosed in the financial statements.

m. Revenue Recognition

The Group manufactures and sells a range of chemicals and other products.

Revenue from sale of goods is recognized when significant risks and rewards of ownership are transferred to the buyer, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably, which coincides with the date of dispatch/bill of lading. The Group retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods.

Revenue is measured at fair value of the consideration received or receivable includes freight, wherever applicable and is net of trade discounts, volume rebates and GST.

Export incentives under various schemes are accounted for in the year of export.

Revenue from technical services recognized on the basis of milestones for rendering services as per the agreement.

Interest income is recognized on a time apportionment basis. Effective interest rate (EIR) method is used to compute the interest income on long term loans and advances. Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably.

Dividend income on investments is recognised when the right to receive dividends is established.

n. Employee Benefits

i. Defined Contribution Plans

Contributions to defined contribution schemes such as employees' state insurance, labour welfare fund, superannuation scheme, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Eligible employees receive benefits from a provident fund, which is a defined contribution plan to the Trust/Government administered Trust. Both the employee and the Group make a contribution to the Amines Plasticizers Limited Employees' provident Fund Trust / Government administered Trust equal to the specified percentage of the covered employee's salary. Group also contributes to a Government administered pension fund on behalf of its employees.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

ii. Defined Contribution Plans

The Group also provides for retirement benefits in the form of gratuity and compensated absences to the employees.

For defined benefit plans, the amount recognised as 'Employee benefit expenses' in the Statement of Profit and Loss is the cost of accruing employee benefits promised to employees over the year and the costs of individual events such as past / future service benefit changes and settlements (such events are recognised immediately in the Statement of Profit and Loss). Any changes in the liabilities over the year due to changes in actuarial assumptions or experience adjustments within the plans, are recognised immediately in 'Other comprehensive income' and subsequently not reclassified to the Statement of Profit and Loss.

The defined benefit plan surplus or deficit on the Balance Sheet comprises the total for each plan of the fair value of plan assets less the present value of the defined benefit liabilities (using a discount rate by reference to market yields on government bonds at the end of the reporting period)

All defined benefit plans obligations are determined based on valuations, as at the Balance Sheet date, made by an independent actuary using the projected unit credit method. The classification of the Group's net obligation into current and non-current is as per the actuarial valuation report.

Liability for balance leave encashment / entitlement is provided on the basis of actuarial valuation at the year end.

o. Taxation

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognized directly in equity or in other comprehensive income.

Current Tax

Current tax is tax expected tax payable on the taxable income for the year, using the tax rate enacted at the reporting date, and any adjustment to the tax payable in respect of the earlier periods. Taxable profit differs from the net profit as reported in the statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

MAT credit entitlement is recognized and carried forward only if there is a reasonable certainty of it being set off against regular tax payable within the stipulated statutory period.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024

p. Earnings Per Share

Basic earnings per share is computed by dividing the consolidated net profit or loss for the year attributable to equity shareholders by the weighted-average number of equity shares outstanding during the year. The weighted-average number of equity shares outstanding during the year and for all years presented is adjusted for events such as bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the profit or loss for the year attributable to equity shareholders and the weighted-average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

q. Foreign Currency Transactions and Translation

In preparing the financial statements of each individual group entity, transactions in currencies other than the entity's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated at the rates prevailing at that date. Realized gains and losses on settlement of foreign currency transactions are recognized in the Statement of Profit and Loss.

For the purpose of presenting these consolidated financial statements, the assets and liabilities of the Group's foreign operations are translated into Indian Rupees using exchange rates prevailing at the end of each reporting period. Income and expense items are translated at the average exchange rates for the period. Exchange differences arising, if any, are recognized in other comprehensive income and accumulated in equity (and attributed to non-controlling interests as appropriate).

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or Statement of Profit and Loss are also recognised in OCI or Statement of Profit and Loss, respectively).

r. Recent accounting pronouncements

The defined benefit plans expose to the Company to a number of actuarial risk

- a) Investment Risk:** The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to government/high quality bond yields; if the return on plan asset is below this rate, it will create a plan deficit.
- b) Interest Risk:** A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.
- c) Salary Risk:** The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.
- d) Longevity Risk:** The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Sensitivity analysis of 1% change in assumption used

Significant Actuarial Assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and employee turnover. 41 Financial Instruments and Risk Review

Financial Risks Management Framework

The Group's business activities are exposed to a variety of financial risks, namely Liquidity Risk, Currency Exchange Risk, Interest Rate Risk, Credit Risk and Commodity Price Risk. The Group's management and the Board of Directors has the overall responsibility for establishing and governing the Group's risk management framework. The risk management framework works at various levels in the enterprise. The organization structure of the Group helps in identifying, preventing and mitigating risks by the concerned operational Heads under the supervision of the Chairman & Managing Director. The risk management framework is reviewed periodically by the Board and the Audit Committee keeping a check on overall effectiveness of the risk management of the Group.

Credit Risk

Credit Risk is the risk of financial loss to the Group if a customer or counter-party fails to meet its contractual obligations. Financial instruments that are subject to credit risk principally consist of trade receivables, investments, loans, cash and cash equivalents, other balances with banks and other financial assets. None of the financial instruments of the Group result in material credit risk.

Credit risk with respect to trade receivables are limited, due to the Group has a policy of dealing only with credit worthy counter parties, where appropriate as a means of mitigating the risk of financial loss from defaults. All trade receivables are reviewed and assessed for default on a quarterly basis. Our historical experience of collecting receivables is that credit risk is low. Hence, trade receivables are considered to be a single class of financial assets.

The Group measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. based on the historical data, loss on collection of receivables is not material hence no additional provision considered.

Credit risk on cash and cash equivalents, other bank balances with bank are insignificant as the Group generally invest in deposits with banks. Investments primarily investments in government securities.

The Group maximum exposure to credit risk as at March 31, 2024 and 2023 is the carrying value of each class of financial assets.

Interest Rate Risk

Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rates. Any movement in the reference rates could have an impact on the Group's cash flows as well as costs. The Group is subject to variable interest rates on some of its interest bearing liabilities. The Group's interest rate exposure is mainly related to borrowing obligations.

The exposure of the company's borrowing to interest rate changes at the end of the reporting period are as follows.

Commodity Price Risk

The main raw materials which the Group procures are to a great extent linked to the movement of crude prices directly or indirectly. The pricing policy of the group final product is structured in such a way that any change in price of raw materials is passed on to the customers in the final product however, with a time lag which mitigates the raw material price risk.

Liquidity risk

Liquidity Risk arises when the Group is unable to meet its short term financial obligations as and when they fall due. The Group maintains adequate liquidity in the system so as to meet its all financial liabilities timely. In addition to this, the Group's overall financial position is very strong so as to meet any eventuality of liquidity tightness.

Financial Instruments

Fair value measurement hierarchy

The fair value of financial instruments as below have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The categories used are as follows

Level 1 : Quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2 : Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 : Inputs which are not based on observable market data

The following tables presents the carrying value and Fair value measurement hierarchy of each category of financial assets and liabilities
