Mumbai, 27 December, 2024: Disney+ Hotstar is thrilled to bring back the much-loved **Gunaah** with its highly anticipated second season, premiering exclusively from **3rd January, 2025 onwards**. This season takes the intensity up a notch, delving deeper into a gripping tale of revenge, betrayal, and love. With more twists, emotional drama, and shocking revelations, it promises to keep viewers on the edge of their seats. Starring **Abhimanyu (Gashmeer Mahajani), Tara (Surbhi Jyoti), Shiva (Zayn Iqbal Khan), JK (Darshan Pandya)** and Michael (Shashank Ketkar) amongst others, the show releases from **3rd January, 2025 onwards**.

Director Anil Senior said, *“I’m beyond excited to bring Gunaah Season 2 to our audience. After the overwhelming success of Season 1 on Disney+ Hotstar, we knew we had to raise the stakes even higher. This season isn’t just about revenge and betrayal; it’s about exploring the raw, unfiltered emotions of each character. Their journeys are more complex, and I believe viewers will truly connect with the depth of their struggles. It’s been a thrilling challenge to push the boundaries of storytelling and create an even more intense and immersive experience. I can’t wait for everyone to see what we’ve put together.”*

Mautik Tolia, Producer and Managing Director at Bodhitree Multimedia, added, *“The return of Gunaah with its second season is a reflection of the incredible response and love the audience has given to this series. At Bodhitree Multimedia, we strive to create stories that resonate deeply and Gunaah is no exception. This season delves into the complexities of human relationships, blending intense drama with emotions that are both raw and real. It has been an awarding journey bringing this story to life and we are thrilled to take audiences on another unforgettable ride.”*

Surbhi Jyoti, who plays Tara, expressed, *“Season 1 introduced everyone to Tara’s world—her struggles, her relationships, and the weight of her choices. But Season 2 is on a whole new level. Tara is thrown into situations that challenge everything she stands for, pushing her strength and emotions to their very limits. The twists in her relationship with Abhimanyu are heart-wrenching and raw, and I think anyone who has ever wrestled with love, guilt, or redemption will deeply connect with her story. I’m so excited for audiences to see this side of her—it’s emotional, intense, and full of surprises!”*

Gashmeer Mahajani, who plays Abhimanyu, shared, “Abhimanyu’s journey in Gunaah Season 2 is nothing short of extraordinary. This time, his choices are more difficult, his struggles are more profound, and his vulnerabilities are laid bare. It was both challenging and rewarding to portray his evolution, especially as he navigates the tumultuous relationships and high-stakes decisions that define this season. I’m confident that viewers will resonate with the complexities of his character and the emotional depth of his story.”
