RateGain Secures Dual Recognition for Excellence in Growth & Innovation

Noida, 03 December 2024: RateGain Travel Technologies Limited, a leading global provider of AI-powered SaaS solutions for travel and hospitality, today announced that it has been recognized by The Economic Times as the Best B2B Travel Technology Provider and ranked among the Top 10 by Forbes India and DGEMS Select 200.

Being named the Best B2B Travel Technology Provider at The Economic Times Travel and Tourism Awards highlights RateGain's impact in unifying distribution, optimizing pricing, and delivering actionable insights through real-time data. Furthermore, out of 200 companies evaluated by Forbes India and DGEMS, RateGain secured a place in the Top 10, reaffirming its leadership in driving growth and redefining travel technology.

Bhanu Chopra, Founder and Managing Director of RateGain, expressed his gratitude for these accolades, stating, *"These awards are a testament to the passion and ingenuity of our team. At RateGain, innovation is one of our core values, driven by GenAI initiatives that fuel our growth journey. This recognition inspires us to continue empowering businesses globally to adapt and thrive in an ever-evolving digital landscape."*

These honors underscore RateGain's unwavering commitment to revolutionizing the travel technology landscape with cutting-edge solutions that enable businesses worldwide to excel in a rapidly changing ecosystem. Earlier this year, RateGain's growth was also recognized by the NYU School of Professional Studies Jonathan M. Tisch Center of Hospitality (NYU SPS) as a case study for students exploring hospitality, technology, and marketing.

With presence in over 100 countries, RateGain continues to lead innovation, delivering transformative solutions that ensure long-term success for its global partners.
