Auditor’s Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

KALYANI CAST TECH LIMITED

our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Annexure VIII

Independent Auditor’s Report

**To the Members of
KALYANI CAST-TECH LIMITED
Report on the Audit of the Consolidated Financial Statements**

Opinion

We have audited the accompanying Consolidated Financial Statements of **M/s Kalyani Cast-Tech Limited** (hereinafter referred to as the Parent Company) and its subsidiary **M/s KMT Engineering Private Limited** (the Parent Company and its subsidiary together referred to as “the Group”) which comprise Balance Sheet as at March 31, 2024, the Consolidated Statement of Profit and Loss, including other comprehensive income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the Consolidated Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of consolidated affairs of the Company as at March 31, 2024, their consolidated profit including other comprehensive income, their consolidated cash flows and statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the ‘Consolidated Financial Statements’ section of our report. We are independent of the Group in accordance with the ‘Code of Ethics’ issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of

the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Parent Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, including other total comprehensive income, changes in equity and consolidated cash flows of the group in accordance with accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities;

KALYANI CAST TECH LIMITED

(Formerly Known As; “Kalyani Cast Tech Private Limited”)

selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are also responsible for overseeing the Group’s financial reporting process.

Auditor’s Responsibility

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Group to cease to continue as a going concern.

KALYANI CAST TECH LIMITED

(Formerly Known As; “Kalyani Cast Tech Private Limited”)

- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges of expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

- **Borrowing Costs**

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets up to the date when such assets are ready for its intended use. All other borrowing costs are recognised in profit and loss in the period in which they are incurred. (b) Defined Benefit Plan:

For Defined Benefit Plans in the form of Gratuity Fund, the cost of providing benefit is determined using the Projected Unit Credit Method, with Actuarial Valuations being carried out at the end of each Balance Sheet Date. Actuarial gains and losses are recognized in the Statement of Profit and Loss in the period in which they occur.

- **Tax Expenses**

a) Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Deferred tax asset and deferred tax liability are calculated by applying tax rate and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

c) Deferred tax liabilities are recognized for all timing differences. Deferred tax assets in respect of unabsorbed depreciation or carried forward losses are recognised, if there is virtual certainty that there will be adequate future taxable income against which such deferred tax assets can be realised. Deferred tax assets are recognized for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realized. Notes to the Consolidated Financial Statements for the period ended as on 31st March, 2024

- **Provisions, contingent liabilities and contingent assets**

Provisions involving a substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events, for which a reliable estimate can be made and it is probable that there will be an outflow of resources. Provision is not discounted to its present value and is determined based on the best estimate required to settle an obligation at the year end. These are reviewed every year end and adjusted to reflect the best current estimate. Contingent liabilities are not recognised but are disclosed in the Notes to Accounts of the Financial Statements. Contingent assets are neither recognised nor disclosed in the Financial Statements.

- **Impairment of Assets**

The carrying amounts of assets are reviewed at each Balance Sheet date to assess if there is any indication of impairment based on internal/external factors. An impairment loss on such assessment will be recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount of the assets is net selling price or value in use, whichever is higher. While assessing value in use, the estimated future cash flows are discounted to the present value by using weighted average cost of capital. A previously recognised impairment loss is further provided or reversed depending on changes in the circumstances and to the extent that the assets carrying amount does not exceeds the carrying amount that would have been determined if no impairment loss had previously been recognised.

- **Cash and cash equivalents**

Cash and cash equivalents include cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of 12 months or less.

- **Current / non-current classification**
