CHAIRMAN'S MESSAGE

Dear Shareholders,

I hope this letter finds you in good health.

This has been another important year for us. FY21-22 was a turnaround year, which had been significantly impacted for the past few years due to COVID-19 pandemic, changes in regulatory norms, global geo political issues, liquidity crunches and overall GDP slow down. In spite of these challenges in the business, promising signs of growth in FY22 was evident in every segment supplemented by a set of strong fundamentals with a steady sign of recovery in the overall economy, rising industrial outputs and increased infrastructure spending. Not only have we managed the ongoing impact of the COVID-19 pandemic, we have also demonstrated strong resilience by overcoming significant challenges that the Company experienced. Thanks to extensive planning and agile response coupled with the relentless commitment and dedication of every member of the Kirloskar Electric family in these challenging and unprecedented difficult times.

On the business front, we have developed plans that will enable our next chapter in the years to come. We have continuously monitored & studied how the market is moving and what we need to do for serving our customers in better way. The result of this exercise was the evolving of new set of strategic priorities for the Company and a performance framework to help track our progress. We are pleased to inform that the right plans are in place, and our colleagues have embraced them wholeheartedly.

Further, the Indian power and distribution transformer market is undergoing a wide-scale transformation and infrastructure segment is anticipated to witness continuous growth over the coming years. Favorable government policies in India made in accordance with the increasing energy demand, the shift in focus of the government of the country towards renewable energy sources and the growing need to improve its existing grid infrastructure are anticipated to drive the market growth in the coming years which will substantially contribute for the growth of your Company.

The EV push in India opens a plethora of business opportunities for your Company and therefore we are extensively studying and exploring opportunities in the EV business. The global electric vehicle market was estimated at USD 170 billion in 2021 and is expected to reach over USD 1103.17 billion by 2030, poised to grow at a compound annual growth rate (CAGR) of 23.1% during the forecast period 2022 to 2030. Regardless of the country's ambitious targets, India's EV space is at a nascent stage which offers the world's largest untapped market and your Company being one of the foremost manufacturers of Motors for Electrical vehicles stands to benefit on many fronts in the years to come

As the world transitions to a managed phase of the COVID-19 pandemic, we are seeing improvement in overall economic sentiments and in market conditions. While the Company saw heightened level of volatility this year, our focus continues to be in strengthening our business, restoring our financial position, earning power and driving for long-term profitable growth to the Company.

Despite the unprecedented challenges that the Company faced, we remain confident in our business model and are well-placed to take advantage of the new business opportunities and shall continue to accelerate our growth for the coming year and beyond.

With this in mind, I would like to place on record our whole hearted appreciation to all our employees for their immense contributions in these trying times. The work we have done this year and the progress we have made with our customers gives me confidence that we are on the right path to achieve sustainable growth in the future.

Together, we will build on our success over the past year, sustain our position, deliver against our strategic priorities and in doing so accelerate our momentum and drive to keep growing.

On behalf of Board, I would like to thank all our bankers, financial institutions, vendors, suppliers and other stakeholders for their continued encouragement, support and trust in us. Most importantly, I would like to thank you, our valued shareholders, for supporting us and reposing your confidence in your company. We look forward to your continued support as we take on the challenges in the future.

Vijay R. Kirloskar
Executive Chairman

Members holding shares in physical form can submit their PAN details to the Company.
- (o) Voting through electronic means in compliance with the provisions of section 108 of the Companies Act, 2013, Rule 20 of Companies (Management and Administration) Rules, 2014, as substituted by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015, the Company has provided a facility to its members to exercise their votes electronically through e - voting service arranged through Central Depository Services (India) Limited ("CDSL"). The facility to cast votes through e-voting will also be made available during the AGM and members attending the AGM through Video Conference, but who have not cast/ exercised their rights to vote by remote evoting shall be able to exercise their right to vote through e-voting during the AGM. Members who have cast their votes through remote evoting prior to the AGM may attend the AGM through Vide Conference but shall not be entitled to cast their votes again during the AGM. The instructions for remote evoting are provided herein.
- (p) Mr. Sudheendra Ghali, Practicing Company Secretary (ACS No. 7037 / PCS No. 7537), has been appointed as scrutinizer to scrutinize the e-voting process during the AGM and remote e-voting process in a fair and transparent manner.
- (q) **THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:**
 - (i) The voting period will begin on Tuesday, August 09, 2022 (from 9.00 A.M) and will end on Thursday, August 11, 2022 (at 5.00 P.M). During this period members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
 - (ii) The cut-off date for e-voting facility is Friday, August 05, 2022 and members whose names appear in the register of members shall be entitled to avail the service. Any person who becomes a member of the Company after dispatch of the notice of the AGM and holding shares as on the cut-off date is requested to contact Company's RTA to get the details relating to his/her user-id and password. Members may call the RTA through telephone number +91-80-23460815-818 or send an email request to irg@integratedindia.in.
 - (iii) Members who have already voted prior to the meeting date would not be entitled to vote during the meeting.
 - (iv) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its Members, in respect of all Members' resolutions. However, it has been observed that the participation by the public non-institutional Members/retail Members is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the Members.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable evoting to **all the Demat account holders, by way of a single login credential, through their Demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
 - (v) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual Members holding securities in Demat mode are allowed to vote through their Demat account maintained with Depositories and Depository Participants. Members are advised to update their mobile number and email Id in their Demat accounts in order to access e-Voting facility.

SEVENTY FIFTH ANNUAL REPORT 2021-22

- (vi) Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual Members holding securities in Demat mode is given below:

| Type of Members | Login Method |
|--|---|
| Individual Members holding securities in Demat mode with CDSL | <ol style="list-style-type: none"> 1) Users of who have opted for CDSL's Easi / Easiest facility, can login through their existing user id and password. - (t) Information about directors seeking appointment / reappointment given in the annexure appended hereto and forms part of this report

By the order of the Board of Directors
For **Kirloskar Electric Company Limited**

Place: Bengaluru
Date: 12.07.2022

Vijay R Kirloskar
Executive Chairman
DIN: 00031253

The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, relating to Special Business is annexed hereto.

Item no. 3

Based on the recommendation of the Nomination and Remuneration Committee ('NRC') and subject to approval by the members, the Board has appointed Mr. Ravi Ghai (DIN: 08715119) as an Additional Director of the Company in the capacity as an Independent Director of the Company not liable to retire by rotation, for a term of five (05) consecutive years with effect from July 12, 2022.

Pursuant to the provisions of Section 161(1) of the Act and Articles of Association of the Company, Mr. Ravi Ghai shall hold office as an additional director up to the date of this AGM and is thereafter eligible to be appointed as a Director. The Company has, in terms of Section 160(1) of the Act, received in writing a notice from a member, proposing Mr. Ghai's candidature for the office of Director. The profile and specific areas of expertise of Mr. Ravi Ghai are provided as **Annexure 1** to this Notice.

Mr. Ravi Ghai has given his declaration to the Board, inter alia, that (i) he meets the criteria of independence as provided under Section 149(6) of the Act and Regulation 16(1)(b) of the SEBI Listing Regulations, (ii) he is not restrained from acting as a Director by virtue of any Order passed by SEBI or any such authority and (iii) he is eligible to be appointed as a Director in terms of Section 164 of the Act. He has also given his consent to act as an Independent Director. In the opinion of the Board, Mr. Ravi Ghai is a person of integrity, possesses relevant expertise / experience and fulfills the conditions specified in the Act and the SEBI Listing Regulations for appointment as an Independent Director and he is independent of the management.

Given his experience, the Board considers it desirable and in the interest of the Company to have Mr. Ravi Ghai on the Board of the Company and accordingly the Board recommends the appointment of Mr. Ravi Ghai as an Independent Director as proposed in the Resolution set out at Item No. 3 of the accompanying Notice for approval by the Members. Electronic copy of the terms and conditions of appointment of the Independent Directors is available for inspection.

Except for Mr. Ravi Ghai and/or his relatives, none of the other Directors, Key Managerial Person(s) of the Company including their relatives are, in any way concerned with or interested, financially or otherwise, in the resolution at item no. 3 of the accompanying notice. The Board recommends the resolution at Item No. 3 to be passed as a special resolution.

Item no. 4:

Mr. Anand Balaramacharya Hunnur (DIN: 06650798) was appointed by the Board as an Additional Director with effect from July 12, 2022 in terms of provisions of Section 161 of the Companies Act, 2013, and rules made thereunder. As per the provisions contained under Section 161 of the Companies Act, 2013, the "Additional Director" so appointed shall hold office upto the date of the next Annual General Meeting or the last date on which the Annual General Meeting should have been held, whichever is earlier.

Accordingly, Mr. Anand Balaramacharya Hunnur, as an Additional Director, holds office upto the date of this Annual General Meeting. The Board has received a notice from a member proposing candidature of Mr. Anand Balaramacharya Hunnur, for the office of Director in terms of Section 160 of the Companies Act, 2013. A brief profile covering the details of his age, qualification, experience, terms and conditions of appointment, etc. as required pursuant to the Secretarial Standards on General Meetings, is annexed to this Notice as **Annexure 1**.

The Board considers that on account of vast knowledge and experience of Mr. Anand Balaramacharya Hunnur, his appointment will be in the interest of the Company. Mr. Anand Balaramacharya Hunnur is interested in this resolution and relatives of Mr. Anand Balaramacharya Hunnur may be deemed to be interested in this resolution, to the extent of their shareholding interest, if any, in the Company.

Save and except the above, none of the other Directors, Key Managerial Person(s) of the Company including their relatives are, in any way concerned with or interested, financially or otherwise, in the resolution at Item no. 4 of the accompanying notice. The Board recommends the resolution at Item no. 4 to be passed as an ordinary resolution.

Item no. 5

The Board of directors has, subject to the approval of members, appointed Mr. Anand B Hunnur as Managing Director of the Company for a period of three (3) years effective from July 12, 2022. Hence, it is proposed to seek member's approval to the appointment and payment of remuneration to Mr. Anand B Hunnur as Managing Director. Broad particulars of terms of appointment and remuneration payable to Mr. Anand B Hunnur are mentioned in the resolution. The remuneration proposed to Mr. Anand B Hunnur is ₹ 1,02,00,000/- per annum, which is within the limits specified in schedule V to the Companies Act, 2013.

Brief resume, nature of his expertise in specific functional areas, names of companies in which Mr. Anand B Hunnur holds directorships, memberships, chairmanships of Board Committees, his shareholding in the company and relationships amongst directors' inter-se as stipulated under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, are provided in the annexure appended to the notice.

The terms of the appointment of Mr. Anand B Hunnur are contained in the agreement dated July 12, 2022 executed with the Company. The same is available for inspection at the registered office of the company.

Except Mr. Anand B Hunnur, none of the Directors or Key Managerial Person (KMP) or relatives of Directors and KMP, are in any way concerned with or interested, financially or otherwise, in the proposed Resolution under Item no. 5 of the accompanying notice.

The Board of Directors of your Company recommends that the Resolution under Item no. 5 be passed in the interest of your Company. The documents, if any, referred above, will be made available for inspection in electronic mode.

III. Other information:

(1) Reasons of loss or inadequate profits:

As the members are aware that the Lloyd Dynamowerke Gmbh & Co.KG (LDW) is a step down subsidiary of the Company set up in Germany. LDW was facing serious financial and operational challenges since the financial year 2011-12 after the economic slowdown in Europe. The Company infused capital from time to time and in the process its Balance Sheet exposure in the form of investment in LDW increased substantially upto ₹ 224.47 crores. LDW recorded huge losses in the year 2012-13 and 2013-14 and ultimately filed for insolvency in a German court of law. As a result of the investment in LDW, KEC experienced gradually incremental severe shortage of working capital, which led to low capacity utilization and thereby resulting into losses for the last two financial years.

After the administrator was appointed to liquidate LDW, KEC lost total control over LDW and hence the investment was substantially impaired in the year 2014-15. Accumulation of operating losses continued to weaken the business environment and funding of LDW together affected Company's operation. In order to address the whole issue, during the year 2014-15 the company drew up a financial reorganization planning consultation with financial lenders (lenders). The lenders formed a Joint Lenders Forum (JLF) and corrective action plan was drawn up in mutual consultation with JLF members and Company.

Since then the Company has taken several initiatives to increase its profitability and to explore new opportunities of achieving cost reduction and price competitiveness.

(2) Steps taken or proposed to be taken for improvement:

As mentioned earlier, the Company has already taken measures for improving its working, such as cutting costs at all levels, reduction in manpower, product development, improving working capital management etc., and the performance is getting improved. On the other hand, the Company has disposed off those assets of the Company and other vacant lands available which had no value to the operations of the Company. The Company has repaid its term loans and working capital loans borrowed under Joint Lenders Forum (JLF) from consortium banks / financial institutions.

(3) Expected increase in productivity and profit in measurable terms:

With the suggestions above, the Company expects to improve the productivity and margin also.

IV. Disclosures:

Applicable disclosures required under Section II of part II, schedule V to the Companies Act, 2013 are mentioned in the Board's report attached to this annual report. Further, the effective capital of the Company is negative and as required under Section II of part II, schedule V to the Companies Act, 2013, the approval of members of the Company is sought by way of special resolution. COVID-19:

The pandemic continued to be a global challenge, creating disruption across the country. During the first quarter of FY 2021-22, the delta variant had stern impact, as this variant turned out to be more tedious among other variants. The Government had imposed stringent norms and guidelines to curb the spread of Covid variant across the Country.

The third wave i.e., omicron variant seemed to spread much faster than the delta variant, however its impact was placid. None of the factories were shut down during the period under review due to Covid and were operational throughout the year. Multiple response measures have been implemented to ensure our sites are COVID-19 safe working environments. There has been extensive engagement with labour unions and several steps and welfare measures have been taken to ensure safety and well-being of employees. The Company, being responsible and resilient observed all the government advisories/guidelines from time to time thoroughly and in good faith.

At the same time, given the overall uncertainty in business conditions, raw material prices are exhibiting increased volatility. They would need to be critically monitored to cushion the impact on profitability. Standing by its core commitment, the Company is navigating through these unprecedented times by building stronger and deeper relationships with customers and its vendors.

RISK MANAGEMENT POLICY

Risk management is the process of identifying, measuring and minimizing uncertain events affecting resources. Enterprise risk management is about optimizing the process with which risks are taken and managed. The Company needs to assess which method best suits its objectives and its business. Risk management oversees and ensures the integrity of the process with which risks are taken. An attempt has been made by way of this document to identify the risk associated with the Company and the policies required to be adopted to mitigate the same.

Risk Management

- i) The Board, its Audit Committee and its executive management should collectively identify the risks impacting the Company's business and document their process of risk identification, risk minimization, risk optimization as a part of a risk management policy or strategy.
- ii) The Board should also affirm and disclose in its report to members that it has put in place critical risk management framework across the Company, which is overseen once every six months by the Board. The disclosure should also include a statement of those elements of risk, that the Board feels, may threaten the existence of the Company.

It has therefore become mandatory for the listed companies to prepare a comprehensive framework of risk management for assessment of risks and determine the responses to these risks so as to minimize their adverse impact on the organization.

KECL recognizes that risk is an integral and unavoidable component of business and is committed to managing the risk in a proactive and effective manner

The Company believes that the Risk cannot be eliminated. However, it can be:

- Transferred to another party, who is willing to take risk, say by buying an insurance policy or entering into a forward contract;
- Reduced, by having good internal controls;
- Avoided, by not entering into risky businesses;
- Retained, to either avoid the cost of trying to reduce risk or in anticipation of higher profits by taking on more risk, and;
- Shared, by following a middle path between retaining and transferring risk.

The Risk Management policy of the Company shall primarily focus on identifying, assessing and managing risks in the following areas:

1. Company assets and property
2. Employees
3. Foreign Currency Risks
4. Operational Risks
5. Non-compliance of statutory enactments
6. Competition risks
7. Contractual risks

1. Policy for managing risks associated with Company assets and property

The policy deals with nature of risk involved in relation to assets and property, objectives of risk management and measures to manage risk. The risk management policy relating to assets aims at ensuring proper security and maintenance of assets and adequate coverage of insurance to facilitate speedy replacement of assets with minimal disruption to operations. The role and responsibilities of the departments shall be identified to ensure adequate physical security and maintenance of its assets.

2. Policy for managing risk relating to employees

The employees constitute the most important asset of the Company. The risk management policy relating to employees is therefore necessary to cover all risks related to employees and their acts/omissions.

The policy deals with the nature of risk involved in relation to employees, objectives of risk management and measures to manage risk. In particular, the objectives of employee related risk management policy aims at reducing attrition rate, providing adequate security to employees in relation to life, disability, accident and sickness, providing adequate legal safeguards to protect confidential information, and protecting the Company from any contractual liability due to misconduct/errors/omissions of employees.

3. Policy for managing foreign currency risk

The revenues of the Company are from both domestic and international sources. The Company at times may resorts to long-term and short-term borrowings in foreign currency to finance expansion plans and growth. Any such move would attract the risk associated with frequent changes in valuation of foreign currencies.

The objective of foreign currency risk management is to protect cash flows and profit margins from volatility on account of fluctuations in exchange rates. The Policy for foreign currency risk management ensures that the treasury department continuously tracks movement of foreign currencies, avails services of experts and hedges the risk through appropriate mechanism such as forwarding contracts/options.

4. Operational risks

The Company is constantly working to limit the operational risk that run through all the facets of operations. This requires the combined efforts and support from all units including branches. The startup database of loss events is populated from internal audit

reports. Apparent trends are analyzed and various operating groups combine into task forces to address these. The business continuity plan is reviewed quarterly by each unit.

5. Risks associated with non-compliance of statutory enactments

The Company being a legal entity engaged in manufacturing activity and listed on National Stock Exchange of India Limited (NSE) and Bombay Stock Exchange Limited (BSE). In view of the same, the Company is required to ensure compliance of provisions of various applicable statutory enactments, failure to comply one or more such provisions may render strict penalties as may be prescribed under such statutory enactments.

The Company shall ensure that qualified professionals are employed to comply with various laws. In addition to statutory audits, the Company shall promote undertaking of internal audit/s at different levels periodically to ensure timely check on statutory compliances.

6. Competition risks

Risk of competition is inherent to all business activities. The Company faces competition from the existing players in the domestic and international levels operating in the segment in which the Company operates. There is always an inherent risk that the existing competition may further get acute with the advent of new players and foreign players.

The Company needs to continuously upgrade its technology by conducting in-house research activities and should also have an updated knowledge about the requirement as per the industry standards. The Company is providing tailor made products to its customers so as to be ahead with other competitors. Further, the Company's strategy shall be to leverage its investments in its own high-profile brands, thereby leading to consolidation and value creation.

7. Contractual risks

There may be instances of defaults by customer/s in fulfilling contractual obligations as a result of which the Company may face financial losses. Similarly, defaults by the Company in fulfilling one or more contractual obligations due to reasons such as misrepresentations, breach of warranties etc cannot be ruled out.

The Company shall ensure that proper drafting of the contract and adequate indemnity clauses are incorporated in the contracts entered into with one or more parties, In addition, internal controls from technical team and strict supervisions and checks on execution of contracts and delivery be undertaken.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Global Economic Outlook

Yet another challenging year for the Indian economy, the COVID-19 pandemic began with the second wave during the beginning of the June quarter had overwhelming socio-economic impact in the Country and subsequently had dropped levels towards the end of the second quarter. Just as the third wave had faded away in India, geopolitical tensions in Europe sparked off a fresh round of uncertainty in the operating environment. Amidst such a challenging backdrop, the Indian economy rebounded during the year growing by 8.9%, albeit on a low base. The Russia-Ukraine conflict leading to extended global disruptions and spiraling of commodity prices have led to downward revisions to the growth forecast for 2022. India's Gross Domestic Product growth was 8.7% for the financial year 2021-22 as compared to 7.7% in 2020-21. GDP is expected to grow between 8 - 8.5% in FY 2022-23

In view of the outbreak of the pandemic, the Company undertook timely and essential measures to ensure the safety and well-being of all its employees and workers at all its plant locations, various branch offices and the corporate office. The Company observed all the government advisories and guidelines thoroughly and in good faith.

Industry outlook

Our Company being one of leading manufacturer of Electrical Capital goods such as AC Motors, Generators, DC Machines, Transformers and switchgears depends on the expansion, fresh CAPEX investment and infrastructure projects for growth and to sustain the same. With India poised to be fastest developing country we expect expansion and investments in core sectors like steel, cement, coal, water, irrigation, hydro carbon, electric mobility, renewable energy including the solar and banking in the country. Your Company caters its products to all these sectors and this growth is expected to have its impact on the increased demand for manufactured goods of the Company.

Your Company has taken several bold steps to remain competitive by optimizing the costs, rationalizing manpower, streamlining and consolidating the manufacturing operations. The Company continues to enjoy strong brand image and acceptance of products and services on account of our constant focus on Product reliability, durability and competitiveness.

Opportunities

Your Company is one of the foremost manufacturers of Motors for Electric cars. India is well poised to register multifold growth in electric mobility space. As per various surveys, the number of electrical vehicles on road will grow from 3 million to 125 million by 2030. Huge growth is expected for electrical vehicles in India which will see increase in demand for Motors. Further we see a sustained

SEVENTY FIFTH ANNUAL REPORT 2021-22

growth for all energy efficient products including Motors, Transformers etc.,

Threats

The Key sectors and end user Industry are going through a very rough business phase more particularly mining, steel, coal and infrastructure including the real-estate industry. Any change in the government policy and projects guidelines concerning new investments in these sectors, may have an adverse impact on demand for your products. Capacity utilization of the Company remains low and actual performance may also vary as it is dependent on several factors beyond the control of your Company.

Your Company continues to face competition from the unorganized sector and also new players making their presence in the country. However, your company has a strong base and brand acceptance for its product in all sectors of the industries.

Segment wise or product wise performance

Your Company has identified the reportable segments as rotating machines group, power generation and distribution group and others, taking into account the nature of products and services, the different risks and returns and the internal reporting systems.

The segment wise turnover of your Company is as follows:

| | (₹ in Lakhs) | |
|---|---------------|---------------|
| Products | 2021-22 | 2020-21 |
| Rotating Machines Group | 12,968 | 11,493 |
| Power Generation and Distribution Group | 18,373 | 15,171 |
| Others | 2,126 | 1,094 |
| Total | 33,467 | 27,758 |

Note: Figures has been regrouped as per IND-AS

Future Outlook

The RBI has stressed that future growth would be conditioned if the supply-side bottlenecks are addressed, and monetary policy is calibrated accordingly to bring down inflation and boost capital spending. Due to the Russia-Ukraine crisis, the world economy is in the doldrums and it was already battered due to the multiple waves of the pandemic which disrupted logistics and supply chain. The crisis also elevated inflation across the globe as the price of metals, crude oil, and fertilisers skyrocketed.

Risks mitigation measures

Your Company recognizes the unstable growth in core sectors as major risks and has initiated the following measures for mitigating the above business related risks.

Your Company continually upgrades its engineering strength and design capabilities by incorporating latest technologies in its products and services. Optimizing manufacturing costs and improvement in operating efficiencies are continuously pursued enabling it to offer competitive prices. The wide portfolio of products gives your Company a competitive advantage, as we can cater to the major verticals of the electrical engineering capital goods industry.

Your Company recognizes the importance of its supply chain in sourcing good quality raw materials and other inputs at competitive prices with high reliability in meeting delivery timelines.

Internal Control System and their adequacy

Your Company has systems and internal audits in place to have controls on all the processes. System driven controls also ensure ease of monitoring and consistency of operations and Compliances. Your Company is under SAP ERP which ensures that there is reasonable assurance about the financial and accounting records and controls. To safeguard assets of the Company against damage/loss and accounting records are reliable for preparing financial statement the records are verified by Internal Auditors. Internal controls are evaluated by the internal auditors and supported by management reviews. All audit observations and follow up actions thereon are initiated for resolution by the respective functions.

There is no significant Changes i.e., change of 25% or more as compared to the immediately previous financial year in the key financial ratios.

Detailed explanation of above ratios

- a. Debtors Turnover:
The above ratio is used to quantify a Company's effectiveness in collecting its receivables or money owed by customers. The ratio shows how well a Company uses and manages the credit it extends to customers and how quickly that short-term debt is collected or is paid. It is calculated by dividing average debtors by turnover.
- b. Inventory Turnover:
Inventory Turnover is the number of times a Company sells and replaces its inventory during a period. It is calculated by dividing average inventory by turnover.

SEVENTY FIFTH ANNUAL REPORT 2021-22

- c. **Interest Coverage Ratio:**
The Interest Coverage Ratio measures how many times a Company can cover its current interest payment with its available earnings. It is calculated by dividing PBIT by finance cost.
- d. **Current Ratio**
The Current Ratio is a liquidity ratio that measures a Company's ability to pay short-term obligations or those due within one year. It is calculated by dividing the current assets by current liabilities.
- e. **Debt Equity Ratio**
The ratio is used to evaluate a Company's financial leverage. It is a measure of the degree to which a Company is financing its operations through debt versus wholly owned funds. It is calculated by dividing a Company's total liabilities by its shareholder's equity.
- f. **Operating Profit Margin (%)**
The operating profit margin is a profitability or performance ratio used to calculate the percentage of profit a Company produces from its operations. It is calculated by dividing the EBIT by turnover.
- g. **Net Profit Margin (%)**
The net profit margin is equal to how much net income or profit is generated as a percentage of revenue. It is calculated by dividing the profit for the year by turnover.

CORPORATE GOVERNANCE REPORT 2021-22**1. Company's philosophy on corporate governance:**

Your Company continues to be firmly committed to corporate governance and follows a system of good practices of transparency in its reporting. Your Company continues with its firm commitment in meeting expectations of various stakeholders in matters related to trusteeship, integrity, ethical standards and legal requirements. Your Company continues to comply with the requirements of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 ("Listing Regulations")

Your Company's Board of directors ("the Board") fully understands and takes the responsibility for its commitments to various stakeholders. The primary objective of 'Customer Satisfaction' is relentlessly pursued.

2. Board of Directors:**a) Composition as on March 31, 2022 and other matters:**

Your Company's Board comprised of eminent persons with optimum balance of executive directors, non executive directors and independent directors having professional and technical expertise from different fields such as technical, business strategy & management, marketing & finance which enables the Board to discharge its responsibilities and provide effective leadership to the business.

As on March 31, 2022, the Board comprised of 10 (ten) Directors wherein Mr. Vijay Ravindra Kirloskar (DIN: 00031253) is an Executive Chairman on the Board and other Board members comprised of six Non-Executive Independent Directors, two Non-Executive Directors among them one is a Woman Director and two executive directors which includes the Executive Chairman of the Company.

All independent directors satisfy the criteria of independence as defined under the Companies Act, 2013, and the Listing Regulations.

In compliance with the requirement of Regulation 17(1) (b) of the Listing Regulations, the chairperson of the Board is an executive director hence, more than half of the Board members are Independent Directors as on March 31, 2022.

As regards to the appointments of new directors, Board considers the recommendations of the Nomination and Remuneration Committee, which in turn, considers various aspects including the qualifications, professional expertise and exposures, positive attributes and independence, wherever required, as per the laid down criteria.

The Board, inter-alia, provides leadership, strategic guidance and independent advise to the Company's management.

The Board members get updates on the Company's procedures and policies as per the familiarization program.

The Board as part of its corporate governance practice, periodically reviews its composition to ensure that the same is closely aligned with the strategy and long-term needs of the Company and that there is no non-compliance under any applicable law.

None of the directors on the Board is a member on more than 10 committees or Chairman of more than 5 committees across all the companies in which he is a director as specified under SEBI LODR Regulations. Necessary disclosures regarding committee positions have been received from the directors

b) Number of Board meetings held and their dates:

The Board meets at regular intervals to discuss and decide on Company / business policy and strategy apart from other Board businesses.

Six meetings of the Board of directors were held through Video Conference mode / other audio visual means during the financial year 2021-22, the details of which are as given hereunder: -

SEVENTY FIFTH ANNUAL REPORT 2021-22

INDEPENDENT AUDITORS' REPORT

To the Members of **KIRLOSKAR ELECTRIC COMPANY LIMITED, BENGALURU**

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying Standalone Ind AS financial statements of **KIRLOSKAR ELECTRIC COMPANY LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss, including Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and Notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraph below, the aforesaid Standalone Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its Profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified Opinion

Attention of the Members is invited to note 36(19) to the Standalone Ind AS financial statements regarding the amounts due to the Company from certain subsidiaries towards part consideration receivable on sale/assignment of certain immovable properties, receivables, interest charged and expenses reimbursed. The amounts due from the said subsidiaries aggregates to ₹ 11,762.42 lakhs (₹ 11,771.86 lakhs as at March 31, 2021). Pending disposals/realization of assets by the subsidiaries, relying on the Management Representation, provision of ₹ 8,400.77 lakhs as at March 31, 2022 is recognized. Any shortfall in the realization of the amount outstanding (net of provision), if any, could not be ascertained.

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Ind AS financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the Standalone Ind AS financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report. For each matter below, our description of how our audit addressed the matter is provided in that context.

a. **Going Concern Assessment – Effect of erosion in net worth of the company**

Note 36(20) of the Standalone Ind AS financial statements – The directors have detailed the reasons for preparing these Standalone Ind AS financial statements on a going concern basis, though the Company/Group (consisting of the Company, its subsidiaries and associate) has accumulated losses and their networth (after excluding revaluation reserve) has been eroded. There are certain overdue payments to creditors and overdue payment of ₹ 7.26 Crores payable to a bank. During the year, the Company has repaid all the term loans including the loan assigned to Asset Reconstruction Company India Limited (ARCIL) which was restructured under JLF mechanism.

We have relied on the representations made by the Company and the appraisal of the restructuring plan including monetization of few non-core assets, projection of increase in turnover and infusion of funds in the near future. The appropriateness of the said basis of Going Concern is subject to the Company adhering to the restructuring plan and infusion of requisite funds. Hence, we are of the opinion that there is no existence of material uncertainty that may cast a significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Emphasis of Matter

- a. Attention of the members is invited to note 36(21) of the Standalone Ind AS financial statements which sets out that the Company has filed Special Leave Petition in respect of demand of resale tax penalty of ₹ 527 lakhs before the Honourable Supreme Court of India. Management has represented to us that it is not probable that there will be an outflow of economic benefits and hence no provision is required to be recognized in this regard. We have relied on this representation. Our opinion is not modified in respect of this matter.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report but does not include the Standalone Ind AS financial statements and our auditor's report thereon. Our opinion on the Standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. As described in the Basis for Qualified Opinion section above, we were unable to obtain sufficient appropriate audit evidence regarding the quantification of shortfall in realization of consideration receivable from certain subsidiaries pending disposals/realization of assets by the subsidiaries. Accordingly, we are unable to conclude whether or not the other information in relation to this is materially misstated with respect to this matter.

Responsibility of Management and Those Charged with Governance for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

SEVENTY FIFTH ANNUAL REPORT 2021-22

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. We did not audit the financial statements/information of one branch, the Kuala Lumpur office of the Company, included in the financial statements of the Company for the quarter ended and year ended March 31, 2022 whose financial statements/information reflect total assets of ₹ 217.10 lakhs as at March 31, 2022 and total revenues of ₹ 0.52 lakhs for the year ended on that date. The financial statements/information of the said branch has been audited by the Branch Auditors whose report has been furnished to us. Annexure 'B' to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Kirloskar Electric Company Limited** ("the Company") as of March 31, 2022 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

1 BACKGROUND:

Kirloskar Electric Company Limited ("the Company") was incorporated in the year 1946 and is a Listed Indian Company engaged in the manufacture and sale of electric motors, alternators, generators, transformers, switchgear, DG sets etc.

2 SIGNIFICANT ACCOUNTING POLICIES:

a BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

The financial statements of the company have been prepared in accordance with IND AS as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and subsequent amendments thereto.

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value or revalued amount:

- Freehold Land classified as Own assets and Leasehold Land classified as Assets taken on Finance Lease
- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments).

b USE OF ESTIMATES:

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which such changes are made. Examples of such estimates are estimation of useful life of assets, defined benefit obligations as per actuarial valuation, allowance for life time credit losses, warranty obligations, net realizable value of inventories etc.

c FUNCTIONAL AND PRESENTATION CURRENCY:

These financial statements are presented in Indian Rupees (₹), which is the Company's functional currency. All the financial information is presented in Indian Rupees (₹) rounded to the nearest Lakhs, except Share and Earning per share data, unless otherwise stated.

d FAIR VALUE MEASUREMENT

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- * In the principal market for the asset or liability, or
- * In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- * Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- * Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- * Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

e PROPERTY, PLANT AND EQUIPMENT (“PPE”):**(i) Tangible Assets:**

Land has been recognized on the revaluation model envisaged in Ind AS 16. Revaluations are carried out at sufficient regularity. Other items of PPE are stated at the cost of acquisition less accumulated depreciation and write down for, impairment if any. Direct costs are capitalized until the assets are ready to be put to use. Subsequent costs are included in the asset’s carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other expenses on existing assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, which do not meet the definition of PPE as per Ind AS 16 are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from de-recognition of PPE are measured as the difference between the net disposal proceeds and the carrying amount of PPE and are recognized in the statement of profit and loss when the PPE is derecognized.

(ii) Intangible assets:

Intangible assets acquired separately are measured on initial recognition at cost. Intangible assets comprise computer software held for use. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

In both cases, the company has opted for the exemption provided in Ind AS 101 by treating the book value of PPE (other than land which was revalued on April 01,2016) and intangible assets as on the transition date (April 01,2016) as the deemed cost of the relevant assets.

(iii) Depreciation & Amortization:

- a. Depreciation on furniture and fixtures costing above ₹ 5,000/- provided at the residences of the employees has been charged at the rate of 33.33% on the straight-line method irrespective of the month of addition.
- b. Depreciation on assets taken on finance lease is charged over the primary lease period.
- c. Depreciation on PPE (other than Furniture and Fixtures provided to employees and assets taken on finance lease) bought/sold during the year is charged on straight line method as per the useful life in Schedule II of Companies Act, 2013 on a monthly basis, depending upon the month of the financial year in which the assets are installed/sold.
- d. The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern.

f INVESTMENT PROPERTIES:

- a. Investment properties are properties held for a currently undetermined future use and are valued at cost.
- b. An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the standalone statement of profit and loss in the period in which the property is derecognized.

g NON CURRENT ASSETS HELD FOR SALE:

Non Current Assets held for sale are stated at cost or estimated net realizable value, whichever is lower.

h INVENTORIES:

- (i) Inventories does not include spare parts, servicing equipment and stand by equipment which meet definition of PPE as per AS-10 (revised) .
- (ii) Raw materials, stores, spare parts and components are valued at cost on weighted average basis or net realizable value whichever is lower.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

- (iii) Work in progress is valued at works cost or net realizable value whichever is lower.
- (iv) Finished goods are valued at works cost or net realizable value whichever is lower.
- (v) Material cost of work in progress and finished goods are computed on weighted average basis.

i REVENUE RECOGNITION:

Ind AS 115 supersedes Ind AS 11 Construction Contracts and Ind AS 18 Revenue and it applies, with limited exceptions, to all revenue arising from contracts with customers. Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

Ind AS 115 requires entities to exercise judgment, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The standard also specifies the accounting for the incremental costs of obtaining a contract and the costs directly related to fulfilling a contract. In addition, the standard requires extensive disclosures.

The Company adopted Ind AS 115 using the modified retrospective method of adoption with the date of initial application of 1 April 2018. Under this method, the standard can be applied either to all contracts at the date of initial application or only to contracts that are not completed at this date. The Company elected to apply the standard to all contracts as at 1 April 2018.

The cumulative effect of initially applying Ind AS 115 is recognised at the date of initial application as an adjustment to the opening balance of retained earnings. Therefore, the comparative information was not restated and continues to be reported under Ind AS 11 and Ind AS 18.

Effective 01 April 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) 'Revenue from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. 01 April 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted. The effect on adoption of Ind-AS 115 was insignificant.

j EMPLOYEE BENEFITS:

(i) Short term employee benefits:

All short-term employee benefits such as salaries, wages, bonus, special awards and medical benefits which fall within 12 months of the period in which the employee renders related services which entitles them to avail such benefits and non-accumulating compensated absences are recognized on an undiscounted basis and charged to the statement of profit and loss.

(ii) Post employment benefits:

a. Defined contribution plans:

The Company has contributed to provident, pension and superannuation funds which are defined contribution plans. The contributions paid/ payable under the scheme are recognized during the year in which employee renders the related service.

b. Defined benefit plans:

Employees' gratuity is defined benefit plan. The present value of the obligation under such plan is determined based on actuarial valuation using the Projected Unit Credit Method which considers each year of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Actuarial gains and losses are recognized immediately in the other comprehensive income. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields as at the balance sheet date on Government bonds where the currency and terms of the Government bonds are consistent with the currency and estimated terms that matches to the defined benefit obligation. Gratuity to employees is covered under Group Gratuity Life Assurance Scheme of the Life Insurance Corporation of India.

c. Compensated Absences:

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year end are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognized in the statement of profit and loss in the year in which they arise.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022**k FOREIGN CURRENCY TRANSACTIONS:**

- (i) Foreign currency transactions are translated into rupees at the exchange rate prevailing on the date of the transaction / rates that approximate the actual rates as at that date.
- (ii) Monetary foreign currency assets and liabilities outstanding as at the year-end are restated at the exchange rates prevailing as at the close of the financial year. All exchange differences are accounted for in the statement of profit and loss.
- (iii) Non monetary items denominated in foreign currency, are valued at the exchange rate prevailing on the date of transaction.
- (iv) Branches are considered as integral foreign operations and have been translated at rates prevailing on the date of transaction/rate that approximates the actual rate as at that date. Branch monetary assets and liabilities outstanding as at year end are restated at the year end rates.

I TAXATION:

Income tax expense is the sum of current tax and deferred tax.

Current tax:

The current tax is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss due to the effect of items of income or expense that are taxable or deductible in other years and items that are not taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax:

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

m BORROWING COSTS:

Interest and other borrowing costs on specific borrowings relating to qualifying assets are capitalized up to the date such assets are ready for use / intended to use. Other interest and borrowing costs are charged to the statement of profit and loss.

n LEASES:

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

(i) Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any re measurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the lease term. If ownership of the leased asset transfers to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(ii) Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

(iii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

o PROVISIONS AND CONTINGENT LIABILITIES:

- i) A provision is recognized when an enterprise has a present obligation (legal or constructive) as result of past event and it is probable that an outflow of embodying economic benefits of resources will be required to settle a reliably assessable obligation. Provisions are determined based on best estimate required to settle each obligation at each balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.
- ii) Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting obligations under a contract exceed the economic benefits expected to be received, are recognized when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.
- iii) Provisions for warranty-related costs are recognized when the service provided to the customer. Initial recognition is based on historical experience and the present value of the future estimated obligation. The initial estimate of warranty-related costs is revised annually. The annual unwinding of interest is recognized in the Statement of Profit and Loss.
- iv) A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

p FINANCIAL INSTRUMENTS:

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

(i) Cash and Cash Equivalents:

Cash and Cash Equivalents comprise cash and deposit with banks other than for term deposit earmarked for Bank Guarantee. The company considers all highly liquid investments including demand deposits with bank with an original maturity of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

(ii) Financial assets at amortized cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022**(iii) Financial liabilities**

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

q IMPAIRMENT:**(i) Financial Assets:**

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

(ii) Investment in Subsidiaries and Associates:

The Company has accounted for its investments in Subsidiaries and Associates at cost less impairment loss (if any).

(iii) Other Equity Investments:

All other equity instruments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

(iv) Non Financial Assets:

A non financial asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss, if any, is charged to statement of profit and loss, in the year in which an asset is identified as impaired.

r EARNINGS PER SHARE:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares outstanding during the period are adjusted for events of bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Additional information:

- 1) Land taken on lease from KIADB at cost aggregating to ₹ 68.70 lakhs. On expiry of lease periods, payment of balance considerations if any, and execution of sale deeds, the relevant title will pass to the Company.
 - 2) Management has determined that there are no significant parts of assets whose useful life is different from that of the principal asset to which it relates to in terms of Note 4 Schedule II to the Companies Act, 2013. Accordingly, useful life of assets have been determined for the overall asset and not for its individual components.
 - 3) As required by the AS-10 (Revised), the Company has opted to follow revaluation model in respect of freehold land and leasehold land and has revalued the entire class of land as at April 1, 2016 which is the effective date of the revaluation by approved independent valuers and accordingly crediting revaluation reserve by ₹ 31,510.24 lakhs. Further during year ended March 31, 2019, revaluation reserve was reversed to the extent of ₹ 6,895.49 lakhs on account of sale of one of the freehold land. During the year ended March 31, 2021, Company have again revalued the entire class of land and accordingly credited ₹ 16,522.03 lakhs net gain on revaluation to revaluation reserve. The method adopted and significant assumptions applied in estimating fair values/revalues of the said lands are based on the local market surveys and from market enquiries. The independent valuers have arrived at the fair values/revalues of those lands considering the rates fixed by the respective State Government, the municipal limits where the respective lands are situated, considering the proximity/connectivities to the towns/cities and availability of similar kind of properties as duly assessed in the active markets.
- During the Current year, the Company has sold part of revalued land situated at Hubballi and accordingly the revaluation gain of ₹ 3,277.32 recognised earlier has been reversed.**

| 4 | The company has assessed the impact that may result from this pandemic on its liquidity position, carrying amounts of receivables, inventories, tangible and intangible assets, investments and other assets/ liabilities. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of the pandemic, the company considered internal and external information available till the date of approval of these financial results and has assessed this situation. For the quarter ended June 30, 2021, the Company's operations were partially affected on account of non availability of electrical steel and industrial oxygen, due to this pandemic. In that context and based on the current estimates, the company believes that COVID-19 is not likely to have any further impact on its financial statements, liquidity or ability to service its debt or other obligations. However, the overall economic environment, being uncertain due to COVID-19, may affect the underlying assumptions and estimates in future, which may differ from those considered as at date of approval of these financial statements. The company would closely monitor such developments in future economic conditions and consider their impact on the financial statements of the relevant period. | | | | |
| 5 | Confirmation of balances from customers, suppliers and service providers with whom the Company had transactions are awaited in certain cases. Accounts with certain parties are under review and reconciliation. Adjustments will be made on completion of review/reconciliation. In the assessment of the management, effect on revenue if any, is not expected to be material. | | | | |
| 6 | The customers of the Company had deducted liquidated damages and other charges for delays in delivery of goods as compared to contractual obligations. The Company has made representations to such customers explaining reasons for delays as well as impress upon them that the same were caused by various factors including those not attributable to it and as such being beyond its control. The Company had made necessary provision on an overall assessment of the likely loss where in its opinion waiver is not likely. The Company is confident that its representations will be accepted by customers and liquidated damages and other charges deducted will be waived. Impact, if any, on the financial statements is not expected to be material. | | | | |

| Change in rate of plan assets (delta effect of +/- 0.5%) | (0.45) | 0.42 | 0.95 | (0.91) |

These plans typically expose the Company to actuarial risks such as: investment risk, interest risk, longevity risk and salary risk.

NOTES TO FINANCIAL STATEMENTS

Investment risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

Interest risk: A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan assets.

Longevity risk: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk: The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

15 Financial risk management objectives and policies:

The entity's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the entity's operations to support its operations. The entity's principal financial assets include trade and other receivables, rental and bank deposits and cash and cash equivalents that are derived directly from its operations.

The entity is exposed to market risk/credit and liquidity risks. The entity's senior management oversee the management of these risks. The board reviews their activities. No significant derivative activities have been undertaken so far.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include deposits, FVTOCI investments and derivative financial instruments.

The sensitivity analyses in the following sections relate to the positions as at March 31, 2022 and March 31, 2021:

The analysis exclude the impact of movements in market variables on: the carrying values of gratuity and other post-retirement obligations; provisions; and the non-financial assets and liabilities of foreign operations.

The following assumption has been made in calculating sensitivity analysis.

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2022 and March 31, 2021 including the effect of hedge accounting.

i. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company's exposure to the risk of changes in foreign exchange rates relates primarily to some of the vendor payments and customer receivables.

NOTES TO FINANCIAL STATEMENTS

Foreign currency sensitivity:

Every 1% strengthening in the exchange rate between the Indian rupee and the respective currencies for the above mentioned financial assets/liabilities for the years ended March 31, 2022 and March 31, 2021 would decrease the Company's loss and increase the Company's equity by approximately ₹ 26.83 Lakhs and ₹ 23.28 Lakhs respectively. A 1% weakening of the Indian rupee and the respective currencies would lead to an equal but opposite effect. In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

16 Fair Value Measurement (Ind AS 113):

The Financial Instruments of the Company are initially recorded at fair value and subsequently measured at amortized cost based on the nature and timing of the cash flows.

The below table summarises particulars of Financial Instruments used:

| Particulars | Note | As at March 31, 2022 | As at March, 2021 |
|---|---------|----------------------|-------------------|
| Financial assets at amortized cost: | | | |
| Investments | 7 | 1,034.91 | 1,026.84 |
| Trade receivables | 8 & 12 | 1,879.86 | 2,794.13 |
| Other financial assets | 9 | 169.65 | 161.76 |
| Cash & cash equivalents | 13(a) | 3,670.88 | 688.82 |
| Other bank balances | 13(b) | 1,055.09 | 1,062.54 |
| Total financial assets | | 7,810.39 | 5,734.09 |
| Financial liabilities at amortized cost: | | | |
| Borrowings | 17 & 21 | 13,341.36 | 17,003.96 |
| Other financial liabilities | 18 | 605.28 | 619.85 |
| Trade payables | 22 | 15,412.24 | 13,905.55 |
| Total financial liabilities | | 29,358.88 | 31,529.36 |

The Company has not classified any Financial Asset or Liabilities as measured at Fair value through Profit and Loss (FVTPL) or measured at Fair Value through Other Comprehensive Income (FVTOCI).

Fair value of shares held by the Company in ICICI Bank Limited as at the three reporting dates have been computed based on its value traded in an active market and constitutes Level 1 in the fair value hierarchy as set out in Ind AS 113. Shares held by the Company in other entities which are unlisted and not traded in an active market have been valued based on their net asset value per share as per their latest available audited financial statements with the company. The increase / (decrease) is recognized in other comprehensive income as at March 31,2021 and March 31,2022 on this count is estimated at ₹ 23.86 Lakhs and ₹ 7.87 Lakhs respectively.

The Fair Value of the above financial assets and liabilities are measured at amortized cost which is considered to be approximate to their fair values.

NOTES TO FINANCIAL STATEMENTS

- 17 As reported in earlier years Lloyd Dynamowerke GmbH & Co. KG, Germany (LDW), a step down subsidiary of the Company, incurred substantial losses, thereby eroding its net worth and consequent to the actions of local directors of LDW, insolvency administrator was appointed by the court in Germany during the preceding year. The Company has been given to understand that a South Korean company acquired all significant assets, patents, estates, orders and employees of LDW. However, relevant details of the consideration for this transfer and all other relevant information are not available with the Company, in spite of its best efforts. The Company has already filed its claim for an approximate value of Euro 3.52 million in respect of outstanding towards supplies made to LDW including dues of Kirsons B V (immediate holding company of LDW). The Company has also appointed a local legal counsel to represent its interest and has filed certain claims. The legal proceedings are in progress in Germany. However the Company does not expect any material impact on the financial statements due to the same.
- 18 (a) Wholly owned subsidiaries of the Company have accumulated losses during and part/ whole of their net worth have been eroded. However having regard to the estimated fair value of the assets which these Companies hold, the diminution in value has been considered as temporary and consequently no provision is required to be recognised in the financial statements.
- (b) During the year ended 31 March 21, company has made 100% provision towards investment in one of its wholly owned subsidiary Luxquisite Parkland Private Limited (LPPL) based on the internal assessment made by the management. There is permanent diminution in the value of investment held by LPPL in the step down subsidiary of the Company, Kirsons B V. Hence, the investment is fully provided for impairment during the year ended March 31, 2021.
- 19 (a) As a measure of restructuring and with the consent of Leading Bank and other Lending banks under the Joint Lender Forum (JLF) mechanism, the Company had transferred in the year ended March 31, 2015 certain assets comprising of immovable properties, receivables and inventory to its subsidiaries - Kelbuzz Trading Private Limited, SKG Terra Promenade Private Limited and SLPKG Estate Holdings Private Limited, which will function as special purpose vehicles to hold such assets, dispose off the same and pay off certain debts (bank dues) transferred by the Company. The amounts outstanding and due from the subsidiaries as at March 31, 2022 in respect of the transfer of the assets as mentioned above, other expenses incurred by the subsidiaries reimbursed by the Company and interest charged totally amounts to ₹ 11,762.42 lakhs (₹ 11,771.86 lakhs as at March 31, 2021) after considering Ind AS adjustments. These subsidiaries are taking active steps to repay the dues of the Company from collection of debts (receivables) assigned and from disposal of immovable properties / inventories transferred apart from debts (bank dues) transferred / to be transferred as referred above. As on the date of results, the company was in advance stage of discussion for monetization of properties of its Subsidiaries. The Board of Directors are confident of recovering all the pending dues. However, based on expected credit losses as prescribed under Ind AS as against the incurred loss model envisaged under earlier GAAP, a sum of ₹ 8,400.77 lakhs has been provided upto March 31, 2022.
- 20 The net worth (after excluding revaluation reserve) of the group in terms of the consolidated financial statement as at March 31, 2022 consisting of the Company, its subsidiaries and its associate is eroded. There is an overdue of ₹ 726.92 lakhs repayable to a bank other than overdue payment to creditors. The company has repaid all term loans including Asset Restructuring Company Limited (ARCIL) which were restructured under JLF mechanism. Also the company is in advance stage of negotiation for monetization/disposal of assets which will improve the working capital and in turn improve the performance in the forthcoming periods. The company is confident that this funding will have a positive impact on the performance and net worth. Accordingly your directors have prepared these financial statements of the company on the basis that it is a going concern and that no adjustments are considered necessary to the carrying value of assets and liabilities.
- 21 The Company has filed before the Honorable Supreme Court, special leave petition in respect of resale tax and sales tax penalty of ₹ 527 lakhs (since merged with the Company) and confirmed by the honorable High Court of Karnataka. The Company has paid an aggregate amount of ₹ 298.17 lakhs as at March 31, 2022 against the demand which has been included in disputed statutory dues as reported in Note 10 to Financial Statements.
- 22 The Company during an earlier year restructured its loans under Joint Lenders Forum mechanism ("JLF"). As per the JLF, interest on cash credit accounts for the period October 2014 to September 2015 and on working capital demand loan from October 2014 to March 2016 were converted into Funded Interest Term Loan. Consequently the joint deed and other documentation was duly completed as permitted in the extant guidelines of the JLF mechanism. A Master Restructuring Agreement ("MRA") has been entered by the Company and its Lenders, Bank of India being the lead bank on June 30, 2015. In pursuance of the MRA the Company has executed other supplementary agreements including Trust and Retention Agreement ("TRA"). The agreements contain various terms and conditions in respect of the facilities sanctioned to the Company including setting up and reporting to the Monitoring Committee. The lenders shall have the right to convert at its option the whole of the outstanding amount of the facilities and / or part thereof into fully paid up equity shares of the Company in the manner specified in the notice in writing to be given by the Lenders to the Company ("Notice of Conversion") prior to the date on which the conversion is to take effect, which date shall be specified in the notice ("Date of Conversion"). The said shares shall rank parri-passu with the existing equity shares of the Company. Under the above circumstance, the Company believes based on legal advice / internal assessment that the outcome will be favorable, that losses are not probable and no provision is required to be recognized in this respect.

NOTES TO FINANCIAL STATEMENTS

23 The Income Tax Act, 1961 contains provisions for determination of arm's length price for international transactions between the Company and its associated enterprises. The regulations envisage taxation of transactions which are not in consonance with the arm's length price so determined, maintenance of prescribed documents and information including furnishing of a report from an accountant before the due date for filing the return of income. For the year ended March 31, 2022, the Company is in the process of complying with the said regulations. Management believes that such transactions have been concluded on an arm's length basis and there would be no additional tax liability for the financial year under consideration as a result of such transactions.

INDEPENDENT AUDITORS' REPORT

To the Members of

KIRLOSKAR ELECTRIC COMPANY LIMITED, BENGALURU

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying Consolidated Ind AS financial statements of **KIRLOSKAR ELECTRIC COMPANY LIMITED** ("the Holding Company") and its subsidiaries (Holding Company and its subsidiaries collectively referred to as "the Group") and its associate, which comprise the Consolidated Balance Sheet as at March 31, 2022, and the Consolidated Statement of Profit and Loss, including Other Comprehensive Income, Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows for the year then ended, and Notes to the Consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries and associate, except for the effects of the matter described in the Basis for Qualified Opinion paragraph below, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Consolidated state of affairs of the Group as at March 31, 2022, and its Consolidated profit including other comprehensive income, its Consolidated cash flows and the Consolidated changes in equity for the year ended on that date.

Basis for Qualified Opinion

Attention of the members is invited to note 36(5) to the Consolidated Ind AS financial statements regarding trade receivables/book debts exceeding two years and considered good by the management estimated at ₹ 2,434 lakhs. The relevant accounts are subject to adjustments, if required after management completes review, reconciliation and identification of doubtful debts. We are unable to express an independent opinion on the extent of shortfall in the recovery of the same.

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Ind AS financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the Consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report. For each matter below, our description of how our audit addressed the matter is provided in that context.

a. Going Concern Assessment – Effect of erosion in net worth of the group

Note 36(19) of the Consolidated Ind AS financial statements – The directors have detailed the reasons for preparing these Consolidated Ind AS financial statements on a going concern basis, though the Company/Group (consisting of the Company, its subsidiaries and associate) has accumulated losses and their networth (after excluding revaluation reserve) has been eroded. There are certain overdue payments to creditors and overdue payment of ₹ 7.26 Crores payable to a bank. During the year, the Company has repaid all the term loans including the loan assigned to Asset Reconstruction Company India Limited (ARCIL) which was restructured under JLF mechanism.

We have relied on the representations made by the Company and the appraisal of the restructuring plan including monetization of few non-core assets, projection of increase in

turnover and infusion of funds in the near future. The appropriateness of the said basis of Going Concern is subject to the Company adhering to the restructuring plan and infusion of requisite funds. Hence, we are of the opinion that there is no existence of material uncertainty that may cast a significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Emphasis of Matter

- a. Attention of the members is invited to note 36(20) of the Consolidated Ind AS financial statements which sets out that the Group has filed Special Leave Petition in respect of demand of resale tax penalty of 527 lakhs before the Honourable Supreme Court of India. Management has represented to us that it is not probable that there will be an outflow of economic benefits and hence no provision is required to be recognized in this regard. We have relied on this representation. Our opinion is not modified in respect of this matter.

Other Information

The Group's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report but does not include the Consolidated Ind AS financial statements and our auditor's report thereon. Our opinion on the Consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. As described in the Basis for Qualified Opinion section above, we were unable to obtain sufficient appropriate audit evidence regarding the shortfall in the recoverability of trade receivables/book debts exceeding two years and considered good by the management. Accordingly, we are unable to conclude whether or not the other information in relation to this is materially misstated with respect to this matter.

Responsibility of Management and Those Charged with Governance for Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Ind AS financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated changes in equity, consolidated cash flows of the Group including its associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid. In preparing the Consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group and of its associate are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the companies included in the Group and of its associate are responsible for overseeing the financial reporting process of the Group and of its associate.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

SEVENTY FIFTH ANNUAL REPORT 2021-22

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the Consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated financial statements of which we are the independent auditors. For the other entities included in the Consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- a. We did not audit the financial statements of 4 subsidiaries included in the Consolidated financial statements, whose Consolidated financial statements reflect total assets of ₹101.44 lakhs as at March 31, 2022, total revenues of ₹ 1,129.82 lakhs and net cash flows of ₹ 5.62 lakhs for the year ended on that date, as considered in the Consolidated financial statements. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us and our opinion on the Consolidated financial statements to the extent they have been derived from such financial statements is based solely on the report of such other auditors. Our report is not modified in respect of this matter.
- b. We did not audit the financial statement of 1 subsidiary included in the Consolidated financial statements, whose financial statements reflect total assets of ₹ 398.57 lakhs as at March 31, 2022, total revenues of ₹ Nil lakhs and net cash flows of (₹ 0.08) lakhs for the year ended on that date, as considered in the Consolidated financial statements. This financial statement and other financial information has been prepared and provided to us by the management and our opinion on the Consolidated financial statements to the extent they have been derived from such financial statement is based solely on the report of the management. Our report is not modified in respect of this matter.
- c. We have received and considered the Audited financial statements of Kirloskar (Malaysia) Sdn, Bhd., an associate of the Company audited by another auditor in which share of loss of the Group was ₹ Nil (restricted to the value of the investments) in the preparation of these Consolidated financial statements.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid Consolidated Ind AS financial statements;
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Ind AS financial statements have been kept by the Group so far as it appears from our examination of those books and the reports of the other auditors;

Annexure 'A' to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Ind AS financial statements of the Company as of and for the year ended March 31, 2022, we have audited the internal financial controls over financial reporting of Kirloskar Electric Company Limited ("the Company") and its subsidiary companies which are incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiaries, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company and its subsidiaries incorporated in India, internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

Other Matters

Our aforesaid reports under 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting as it related to 4 subsidiary companies, incorporated in India, are based on the corresponding reports of the auditor of such companies incorporated in India.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022**1 BACKGROUND:**

The Consolidated Financial Statements comprise financial statements of "Kirloskar Electric Company Limited ("the Holding Company") and its subsidiaries and associate (collectively referred as "the Group") for the year ended March 31, 2022 and the principal activities of the group is manufacture and sale of electric motors, alternators, generators, transformers, switchgear, DG sets etc.

2 SIGNIFICANT ACCOUNTING POLICIES:**a BASIS OF PREPARATION OF FINANCIAL STATEMENTS:**

The financial statements of the company have been prepared in accordance with IND AS as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and subsequent amendments thereto.

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value or revalued amount:

- Freehold Land classified as Own assets and Leasehold Land classified as Assets taken on Finance Lease
- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments).

b PRINCIPLES OF CONSOLIDATION

- i) The financial statements of the Company and its subsidiaries have been consolidated on a line by line basis by adding together the book values of like items of assets, liabilities, income and expenditures after eliminating intra group balances and transactions to the extent identified and reconciled in accordance with Indian Accounting Standard (Ind AS) 110 - Consolidated Financial Statements .
- ii) The stepdown subsidiary of the Company, namely Kirsons BV has been classified as an 'Integral Foreign Operation'. Revenue items denominated in foreign currency have been converted at the average rate prevailing during the year. Non monetary foreign currency assets and liabilities have been accounted at the rate of exchange prevailing on the transaction date. Monetary foreign currency assets and liabilities have been converted at the rates prevailing at the end of the year. Resultant differences have been adjusted in the statement of profit & loss.
- iii) Lloyd Dynamowerke GmbH & Co. KG ("LDW") and Lloyd Beteiligungs GmbH were classified as 'Non Integral Foreign Operations'. Revenue items were consolidated at the average rate prevailing during the year and all assets and liabilities were converted at the rates prevailing at the end of the year. Any exchange difference arising on consolidation was recognised in the Foreign currency translation reserve.
- iv) The difference between the cost of investment in the subsidiaries, over the net assets at the time of acquisition of shares in the subsidiaries and associates are recognised in the financial statements as Goodwill or Capital Reserve, as the case may be.
- v) Investments in associate companies have been accounted under the equity method as per Ind AS 28 - "Investments in Associates and Joint Ventures".
- vi) Under the equity method of accounting, the investment is initially recorded at cost, identifying any goodwill / capital reserve arising at the time of acquisition. The carrying amount of investment is adjusted thereafter for post acquisition changes in the investor's share of net assets of the investee. The consolidated statement of profit and loss reflects the investor's share of the results of operations of the investee. Calculation of goodwill/ capital reserve as well as post acquisition changes has been made based on available information. Comprehensive information was not available.

c FUNCTIONAL AND PRESENTATION CURRENCY:

These financial statements are presented in Indian Rupees (₹), which is the Company's functional currency. All financial information is presented in Indian Rupees (₹) rounded to the nearest Lakhs, except share and Earning per share data, unless otherwise stated.

d FAIR VALUE MEASUREMENT

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- * In the principal market for the asset or liability, or
- * In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- * Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- * Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- * Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

e PROPERTY, PLANT AND EQUIPMENT (“PPE”):

(i) Tangible Assets:

Land has been recognized on the revaluation model envisaged in Ind AS 16. Revaluations are carried out at sufficient regularity. Other items of PPE are stated at the cost of acquisition less accumulated depreciation and write down for, impairment if any. Direct costs are capitalized until the assets are ready to be put to use. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other expenses on existing assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, which do not meet the definition of PPE as per Ind AS 16 are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from de-recognition of PPE are measured as the difference between the net disposal proceeds and the carrying amount of PPE and are recognized in the statement of profit and loss when the PPE is derecognized.

(ii) Intangible assets:

Intangible assets acquired separately are measured on initial recognition at cost. Intangible assets comprise computer software held for use. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

In both cases, the company has opted for the exemption provided in Ind AS 101 by treating the book value of PPE (other than land which was revalued on April 01,2016) and intangible assets as on the transition date (April 01,2016) as the deemed cost of the relevant assets.

(iii) Depreciation & Amortization:

- a. Depreciation on furniture and fixtures costing above ₹ 5,000/- provided at the residences of the employees has been charged at the rate of 33.33% on the straight-line method irrespective of the month of addition.
- b. Depreciation on assets taken on finance lease is charged over the primary lease period.
- c. Depreciation on PPE (other than Furniture and Fixtures provided to employees and assets taken on finance lease) bought/sold during the year is charged on straight line method as per the useful life in Schedule II of Companies Act 2013 on a monthly basis, depending upon the month of the financial year in which the assets are installed/sold.
- d. The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022**f INVESTMENT PROPERTIES:**

- a. Investment properties are properties held for a currently undetermined future use and are valued at cost.
- b. An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the standalone statement of profit and loss in the period in which the property is derecognized.

g NON CURRENT ASSETS HELD FOR SALE:

Non Current Assets held for sale are stated at cost or estimated net realizable value, whichever is lower.

h INVENTORIES:

- (i) Inventories does not include spare parts ,servicing equipment and stand by equipment which meet definition of PPE as per AS-10 (revised) .
- (ii) Raw materials, stores, spare parts and components are valued at cost on weighted average basis or net realizable value whichever is lower.
- (iii) Work in progress is valued at works cost or net realizable value whichever is lower.
- (iv) Finished goods are valued at works cost or net realizable value whichever is lower.
- (v) Material cost of work in progress and finished goods are computed on weighted average basis.

i REVENUE RECOGNITION:

Ind AS 115 supersedes Ind AS 11 Construction Contracts and Ind AS 18 Revenue and it applies, with limited exceptions, to all revenue arising from contracts with customers. Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

Ind AS 115 requires entities to exercise judgment, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The standard also specifies the accounting for the incremental costs of obtaining a contract and the costs directly related to fulfilling a contract. In addition, the standard requires extensive disclosures.

The Company adopted Ind AS 115 using the modified retrospective method of adoption with the date of initial application of 1 April 2018. Under this method, the standard can be applied either to all contracts at the date of initial application or only to contracts that are not completed at this date. The Company elected to apply the standard to all contracts as at 1 April 2018.

The cumulative effect of initially applying Ind AS 115 is recognised at the date of initial application as an adjustment to the opening balance of retained earnings. Therefore, the comparative information was not restated and continues to be reported under Ind AS 11 and Ind AS 18.

Effective 01 April 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) -'Revenue from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. 01 April 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted. The effect on adoption of Ind-AS 115 was insignificant.

j EMPLOYEE BENEFITS:**(i) Short term employee benefits:**

All short-term employee benefits such as salaries, wages, bonus, special awards and medical benefits which fall within 12 months of the period in which the employee renders related services which entitles them to avail such benefits and non-accumulating compensated absences are recognized on an undiscounted basis and charged to the statement of profit and loss.

(ii) Post employment benefits:**a. Defined contribution plans:**

The Company has contributed to provident, pension and superannuation funds which are defined contribution plans. The contributions paid/ payable under the scheme are recognized during the year in which employee renders the related service.

b. Defined benefit plans:

Employees' gratuity is defined benefit plan. The present value of the obligation under such plan is determined based on actuarial valuation using the Projected Unit Credit Method which considers each year of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Actuarial gains and losses are recognized immediately in the other comprehensive income. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields as at the balance sheet date on Government bonds where the currency and terms of

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

the Government bonds are consistent with the currency and estimated terms that matches to the defined benefit obligation. Gratuity to employees is covered under Group Gratuity Life Assurance Scheme of the Life Insurance Corporation of India.

c. Compensated Absences:

Compensated Absences: Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year end are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognized in the statement of profit and loss in the year in which they arise.

k FOREIGN CURRENCY TRANSACTIONS:

- (i) Foreign currency transactions are translated into rupees at the exchange rate prevailing on the date of the transaction / rates that approximate the actual rates as at that date.
- (ii) Monetary foreign currency assets and liabilities outstanding as at the year-end are restated at the exchange rates prevailing as at the close of the financial year. All exchange differences are accounted for in the statement of profit and loss.
- (iii) Non monetary items denominated in foreign currency, are valued at the exchange rate prevailing on the date of transaction.
- (iv) Branches are considered as integral foreign operations and have been translated at rates prevailing on the date of transaction/rate that approximates the actual rate as at that date. Branch monetary assets and liabilities outstanding as at year end are restated at the year end rates.

I TAXATION:

Income tax expense is the sum of current tax and deferred tax.

Current tax:

The current tax is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss due to the effect of items of income or expense that are taxable or deductible in other years and items that are not taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax:

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

m BORROWING COSTS:

Interest and other borrowing costs on specific borrowings relating to qualifying assets are capitalized up to the date such assets are ready for use / intended to use. Other interest and borrowing costs are charged to the statement of profit and loss.

n LEASES:

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022**(i) Right-of-use assets**

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the lease term. If ownership of the leased asset transfers to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment.

(ii) Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

(iii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

o PROVISIONS AND CONTINGENT LIABILITIES:

- i)** A provision is recognized when an enterprise has a present obligation (legal or constructive) as result of past event and it is probable that an outflow of embodying economic benefits of resources will be required to settle a reliably assessable obligation. Provisions are determined based on best estimate required to settle each obligation at each balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.
- ii)** Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting obligations under a contract exceed the economic benefits expected to be received, are recognized when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.
- iii)** Provisions for warranty-related costs are recognized when the service provided to the customer. Initial recognition is based on historical experience and the present value of the future estimated obligation. The initial estimate of warranty-related costs is revised annually. The annual unwinding of interest is recognized in the Statement of Profit and Loss.
- iv)** A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

p FINANCIAL INSTRUMENTS:

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(i) Cash and Cash Equivalents:

Cash and Cash Equivalents comprise cash and deposit with banks other than for term deposit earmarked for Bank Guarantee. The company considers all highly liquid investments including demand deposits with bank with an original maturity of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

(ii) Financial assets at amortized cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

q IMPAIRMENT:

(i) Financial Assets:

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

(ii) Other Equity Investments:

All other equity instruments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

(iii) Non Financial Assets:

A non financial asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss, if any, is charged to statement of profit and loss, in the year in which an asset is identified as impaired.

r EARNINGS PER SHARE:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares outstanding during the period are adjusted for events of bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Additional information:

- 1) Land taken on lease from KIADB at cost aggregating to ₹ 68.70 lakhs. On expiry of lease periods, payment of balance considerations if any, and execution of sale deeds, the relevant title will pass to the Company.
 - 2) Management has determined that there are no significant parts of assets whose useful life is different from that of the principal asset to which it relates to in terms of Note 4 Schedule II to the Companies Act, 2013. Accordingly, useful life of assets have been determined for the overall asset and not for its individual components.
 - 3) As required by the AS-10 (Revised), the Company has opted to follow revaluation model in respect of freehold land and leasehold land and has revalued the entire class of land as at April 1, 2016 which is the effective date of the revaluation by approved independent valuers and accordingly crediting revaluation reserve by ₹ 31,510.24 lakhs. Further during year ended March 31, 2019, revaluation reserve was reversed to the extent of ₹ 6,895.49 lakhs on account of sale of one of the freehold land. During the year ended March 31, 2021, Company have again revalued the entire class of land and accordingly credited ₹ 16,522.03 lakhs net gain on revaluation to revaluation reserve. The method adopted and significant assumptions applied in estimating fair values/revalues of the said lands are based on the local market surveys and from market enquiries. The independent valuers have arrived at the fair values/revalues of those lands considering the rates fixed by the respective State Government, the municipal limits where the respective lands are situated, considering the proximity/connectivities to the towns/cities and availability of similar kind of properties as duly assessed in the active markets.
- During the Current year, the Company has sold part of revalued land situated at Hubballi and accordingly the revaluation gain of ₹ 3,277.32 recognised earlier has been reversed.**

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- 3** The order of the honourable High Court of Karnataka according approval for the scheme of arrangement and amalgamation under sections 391 to 394 of the Companies Act, 1956 (“Scheme”) was received in September 2008 with April 1, 2007 as the appointed date. This scheme of arrangement and amalgamation interalia involved transfer of the operating business of Kirloskar Power Equipment Limited (“KPEL”) and amalgamation of Kaytee Switchgear Limited (“KSL”) with the Company. The Scheme was registered with the Registrar of Companies on October 17, 2008. Decree in Form 42 of the Companies (Court) Rules, 1949 is yet to be passed by the honourable High Court of Karnataka.
- 4** The company has assessed the impact that may result from this pandemic on its liquidity position, carrying amounts of receivables, inventories, tangible and intangible assets, investments and other assets/ liabilities. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of the pandemic, the company considered internal and external information available till the date of approval of these financial results and has assessed this situation. For the quarter ended June 30, 2021, the Company’s operations were partially affected on account of non availability of electrical steel and industrial oxygen, due to this pandemic. In that context and based on the current estimates, the company believes that COVID-19 is not likely to have any further impact on its financial statements, liquidity or ability to service its debt or other obligations. However, the overall economic environment, being uncertain due to COVID-19, may affect the underlying assumptions and estimates in future, which may differ from those considered as at date of approval of these financial statements. The company would closely monitor such developments in future economic conditions and consider their impact on the financial statements of the relevant period.
- 5** Confirmation of balances from customers, suppliers and service providers with whom the Company had transactions are awaited in certain cases. Accounts with certain parties are under review and reconciliation. Adjustments will be made on completion of review/reconciliation. In the assessment of the management, effect on revenue if any, is not expected to be material.
- 6** The customers of the Company had deducted liquidated damages and other charges for delays in delivery of goods as compared to contractual obligations. The Company has made representations to such customers explaining reasons for delays as well as impress upon them that the same were caused by various factors including those not attributable to it and as such being beyond its control. The Company had made necessary provision on an overall assessment of the likely loss where in its opinion waiver is not likely. The Company is confident that its representations will be accepted by customers and liquidated damages and other charges deducted will be waived. Impact, if any, on the financial statements is not expected to be material.
- 7** Certain mistakes noticed in the inventory records have been corrected to the extent identified based on physical inventory taken from time to time.
- 8** Current assets, loans and advances include ₹ 106.03 Lakhs (as at March 31, 2021 ₹ 99.92 Lakhs) being rescheduled advances from certain companies in which certain key managerial personnel are interested. The Company is confident that these companies will fulfill their obligations and has considered these amounts as good of recovery.
- 9** During a previous year, the shareholders of the Company at the Annual General Meeting held on September 30, 2013 have approved an Employee Stock Option Scheme. However, the Company has not issued any options as at March 31, 2022 and accordingly, recognition of expense in this respect and requisite disclosures are not applicable.

(c) Sensitivity Analysis:

Significant Actuarial Assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and employee turnover. The sensitivity analysis below, has been determined based on possible effect of changes of an assumption occurring at end of the reporting period, while holding all other assumptions constant.

(₹ In Lakhs)

| Particulars | As at March 31, 2022 | | As at March 31, 2021 | |
|--|----------------------|----------|----------------------|----------|
| | Decrease | Increase | Decrease | Increase |
| Change in discounting rate (delta effect of +/- 0.5%) | 71.10 | (67.19) | 73.66 | (69.40) |
| Change in rate of salary increase (delta effect of +/- 0.5%) | (67.58) | 70.86 | (69.62) | 73.20 |
| Change in rate of plan assets (delta effect of +/- 0.5%) | (0.45) | 0.42 | 0.95 | (0.91) |

These plans typically expose the Company to actuarial risks such as: investment risk, interest risk, longevity risk and salary risk.

Investment risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

Interest risk: A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan assets.

Longevity risk: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk: The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

15 Financial risk management objectives and policies:

The entity's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the entity's operations to support its operations. The entity's principal financial assets include trade and other receivables, rental and bank deposits and cash and cash equivalents that are derived directly from its operations.

The entity is exposed to market risk/credit and liquidity risks. The entity's senior management oversee the management of these risks. The board reviews their activities. No significant derivative activities have been undertaken so far.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include deposits, FVTOCI investments and derivative financial instruments.

The sensitivity analyses in the following sections relate to the positions as at March 31, 2022 and March 31, 2021

The analyses exclude the impact of movements in market variables on: the carrying values of gratuity and other post-retirement obligations; provisions; and the non-financial assets and liabilities of foreign operations.

The following assumption has been made in calculating sensitivity analyses.

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2022, and March 31, 2021 including the effect of hedge accounting.

i. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company's exposure to the risk of changes in foreign exchange rates relates primarily to the some of the vendor payments and customer receivables.

| Particulars | As at March 31, 2022 | | As at March 31, 2021 | |
|------------------------|----------------------|------------|----------------------|------------|
| | FCY | ₹ in Lakhs | FCY | ₹ in Lakhs |
| Assets (Receivables) | USD 1,98,726 | 256.96 | USD 2,02,364 | 288.32 |
| | EUR 1,27,344 | | EUR 1,27,344 | |
| | AED 0 | | EUR 1,54,376 | |
| Liabilities (Payables) | USD 3,47,403 | 2,973.13 | USD 4,72,802 | 2,650.21 |
| | EUR 2,71,071 | | EUR 2,67,187 | |
| | SGD 39,17,112 | | SGD 35,05,146 | |
| | AED 14,24,198 | | AED 8,09,341.60 | |

Foreign currency sensitivity:

Every 1% strengthening in the exchange rate between the Indian rupee and the respective currencies for the above mentioned financial assets/liabilities for the years ended March 31, 2022 and March 31, 2021 would decrease the Company's loss and increase the Company's equity by approximately ₹ 27.16 Lakhs and ₹ 23.62 Lakhs respectively. A 1% weakening of the Indian rupee and the respective currencies would lead to an equal but opposite effect. In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

16 Fair Value Measurement (Ind AS 113):

The Financial Instruments of the Company are initially recorded at fair value and subsequently measured at amortized cost based on the nature and timing of the cash flows.

The below table summarises particulars of Financial Instruments used:

(₹ In Lakhs)

| Trade payables | 22 | 15,412.22 | 13,907.95 |
| Total financial liabilities | | 30,231.86 | 32,404.76 |

The Company has not classified any Financial Asset or Liabilities as measured at Fair value through Profit and Loss (FVTPL) or measured at Fair Value through Other Comprehensive Income (FVTOCI).

Fair value of shares held by the Company in ICICI Bank Limited as at the three reporting dates have been computed based on its value traded in an active market and constitutes Level 1 in the fair value hierarchy as set out in Ind AS 113. Shares held by the Company in other entities which are unlisted and not traded in an active market have been valued based on their net asset value per share as per their latest available audited financial statements with the company. The increase/decrease is recognized in other comprehensive income as at March 31, 2021 and March 31, 2022 on this count is estimated at ₹ 23.86 Lakhs and ₹ 7.87 Lakhs respectively.

The Fair Value of the above financial assets and liabilities are measured at amortized cost which is considered to be approximate to their fair values.

- 17** As reported in earlier years Lloyd Dynamowerke GmbH & Co. KG, Germany (LDW), a step down subsidiary of the Company, incurred substantial losses, thereby eroding its net worth and consequent to the actions of local directors of LDW, insolvency administrator was appointed by the court in Germany during the preceding year. The Company has been given to understand that a South Korean company acquired all significant assets, patents, estates, orders and employees of LDW. However, relevant details of the consideration for this transfer and all other relevant information are not available with the Company, in spite of its best efforts. The Company has already filed its claim for an approximate value of Euro 3.52 million in respect of outstanding towards supplies made to LDW including dues of Kirsons B V (immediate holding company of LDW). The Company has also appointed a local legal counsel to represent its interest and has filed certain claims. The legal proceedings are in progress in Germany. However the Company does not expect any material impact on the financial statements due to the same.
- 18** a. Wholly owned subsidiaries of the Company have accumulated losses and part/ whole of their net worth have been eroded. However having regard to the estimated fair value of the assets which these Companies hold, the diminution in value has been considered as temporary and consequently no provision is required to be recognised in the financial statements.
- b. During the year ended 31 March 21, company has made 100% provision towards investment in one of its wholly owned subsidiary Luxquisite Parkland Private Limited (LPPL) based on the internal assessment made by the management. There is permanent diminution in the value of investment held by LPPL in the step down subsidiary of the Company, Kirsons B V. Hence, the investment is fully provided for impairment during the year ended March 31, 2021.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- 19** The net worth (after excluding revaluation reserve) of the group in terms of the consolidated financial statement as at March 31, 2022 consisting of the Company, its subsidiaries and its associate is eroded. There is an overdue of ₹ 7.27 Crores repayable to a bank other than overdue payment to creditors. The company has repaid all term loans including Asset Restructuring Company Limited (ARCIL) which were restructured under JLF mechanism. Also the company is in advance stage of negotiation for monetization/disposal of assets which will improve the working capital and in turn improve the performance in the forthcoming periods. The company is confident that this funding will have a positive impact on the performance and net worth. Accordingly your directors have prepared these financial statements of the company on the basis that it is a going concern and that no adjustments are considered necessary to the carrying value of assets and liabilities.
- 20** The Company has filed before the Honorable Supreme Court, special leave petition in respect of resale tax and sales tax penalty of ₹ 527 lakhs (since merged with the Company) and confirmed by the honorable High Court of Karnataka. The Company has paid an aggregate amount of ₹ 298.17 lakhs as at March 31, 2022 against the demand which has been included in disputed statutory dues as reported in Note 10 to Financial Statements.
- 21** The Company during an earlier year restructured its loans under Joint Lenders Forum mechanism ("JLF"). As per the JLF, interest on cash credit accounts for the period October 2014 to September 2015 and on working capital demand loan from October 2014 to March 2016 were converted into Funded Interest Term Loan. Consequently the joint deed and other documentation was duly completed as permitted in the extant guidelines of the JLF mechanism. A Master Restructuring Agreement ("MRA") has been entered by the Company and its Lenders, Bank of India being the lead bank on June 30, 2015. In pursuance of the MRA the Company has executed other supplementary agreements including Trust and Retention Agreement ("TRA"). The agreements contain various terms and conditions in respect of the facilities sanctioned to the Company including setting up and reporting to the Monitoring Committee. The lenders shall have the right to convert at its option the whole of the outstanding amount of the facilities and / or part thereof into fully paid up equity shares of the Company in the manner specified in the notice in writing to be given by the Lenders to the Company ("Notice of Conversion") prior to the date on which the conversion is to take effect, which date shall be specified in the notice ("Date of Conversion"). The said shares shall rank parri-passu with the existing equity shares of the Company. Under the above circumstance, the Company believes based on legal advice / internal assessment that the outcome will be favorable, that losses are not probable and no provision is required to be recognized in this respect.
- 22** The Income Tax Act, 1961 contains provisions for determination of arm's length price for international transactions between the Company and its associated enterprises. The regulations envisage taxation of transactions which are not in consonance with the arm's length price so determined, maintenance of prescribed documents and information including furnishing of a report from an accountant before the due date for filing the return of income. For the year ended March 31, 2022, the Company is in the process of complying with the said regulations. Management believes that such transactions have been concluded on an arm's length basis and there would be no additional tax liability for the financial year under consideration as a result of such transactions.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF M/s. Kelbuzz Trading Private Limited

Report on the IND AS Financial Statements:

Opinion:

We have audited the accompanying standalone IND AS financial statements of M/s. Kelbuzz Trading Private Limited ("the Company"), which comprises of the Balance Sheet as at 31 March, 2022 and the Statement of Profit and loss, the Cash Flow Statement, the statement for Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information annexed thereto.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs of the company as at 31st March 2022, and its loss and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit of the IND AS financial statements in accordance with the Standards on Auditing specified u/s 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's responsibilities for the Audit or the Financial Statements section of our report. We are Independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and ICAI's Code of Ethics.

We believe that the audit evidence we have obtained have sufficient and appropriate to provide basis for our audit opinion on Standalone IND AS financial statements.

Key Audit Matters:

Key audit matters are those matters that in our professional judgment, were of most significance in our audit of standalone financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the Standalone Financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

| Key Audit Matter | How our audit addressed the Key audit matter |
|---|--|
| Carrying value of the Trade receivables transferred from Holding company outstanding for a period of more than two years. | <p>Our audit procedures included but were not limited to the following:</p> <ol style="list-style-type: none"> 1. Evaluating the reasonableness of the assumptions considered by the management in estimation of the realization value of the receivables. 2. Review of the disclosure made by the company in the financial statements in this regard. |

Information other than the standalone financial statements and the auditors report thereon:

The company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the management discussion and analysis, Board's Report, Business responsibility report, Corporate Governance and Shareholders Information, but does not include the standalone IND AS financial statements and our Auditors report thereon.

Our opinion on the standalone IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone IND AS financial statements, our responsibility is to read the other information and in doing so, whether, the other information is materially inconsistent with the standalone IND AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is no material mis-statement of this other information, we required to report the fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the Act) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India,

SEVENTY FIFTH ANNUAL REPORT 2021-22

including the Accounting Standards (Ind AS) specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgements, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material mis-statement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility:

Our objectives are to obtain reasonable assurance about whether the financial statements are as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone IND AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the standalone IND AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, mis-representation, or the override or internal control.
2. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone IND AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the standalone IND AS financial statements, including the disclosures, and whether the standalone IND AS financial statements represent the underlying transactions and event in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the Company and its operations to express an opinion on the standalone financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the standalone financial statements of which we are the independent auditors. For the other entities included in the standalone financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements:

1. As required by the Companies (Auditor's Report) Order, 2020, ("The Order") issued by the Government of India, in terms of sub section (11) of section 143 of the Act. And on the basis of such checks of the books and records of the company as we considered appropriate and according to the information and explanations given to us, we give in the "Annexure 1", a statement on the matters specified in the paragraphs 3 & 4 of the said order
2. As required under Section 143(3) of the Act, we report that:
 - a) we have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books ;
 - c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this report are in agreement with the books of accounts.
 - d) in our opinion, the aforesaid standalone Ind AS financial statements comply with the accounting standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e) on the basis of written representations received from the directors, taken on record by the Board of Directors, none of the directors is disqualified from being appointed as a Director in terms of Section 164(2) of the Act as on 31st March 2022; and
 - f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure 2"; and
 - g) with respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, we do not offer any comment on the remuneration paid by the company to its Directors as during the aforementioned period, no remuneration has been paid by the company to its Directors
 - h) with respect to the other matters to be included in the auditor's report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2014 in our opinion and to the best of our information and according to the explanation given to us:
 - i. The Company does not have pending litigations, which would impact its Ind AS financial statements
 - ii. The company did not have any long term contracts and has not entered into any derivative contracts. Accordingly no provision is required to be recognized in the respect of material foreseeable losses under applicable laws or accounting standards.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.
- v. The company had not proposed any dividend during the previous year, no interim dividend was proposed or declared during the year and the Board of Directors have not proposed any dividend for the year which is required to be approved in the Annual General Meeting. In the light of these circumstances, we have not offered any comment upon the compliance under section 123 of the Act.

Annexure –2 to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Kelbuzz Trading Private Limited** ("the Company") as of 31 March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls:

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with Generally Accepted Accounting Principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with Generally Accepted Accounting Principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS**1 BACKGROUND:**

Kelbuzz Trading Private Limited ("the Company") was incorporated on December 5, 2014 and is a subsidiary of Kirloskar Electric Company Limited. The Company has been formed as Special Purpose Vehicle ("SPV") as per the restructuring terms.

2 SIGNIFICANT ACCOUNTING POLICIES:**2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS:**

The financial accounts are prepared under the historical cost convention in accordance with the Generally Accepted Accounting Principles in India, including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013. All income and expenditure, having a material bearing on financial statements, are recognized on accrual basis.

2.2 USE OF ESTIMATES:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

2.3 ASSETS HELD FOR SALE:

Assets held for sale are stated at the cost or estimated net realizable value whichever is lower.

2.4 TAXES ON INCOME:

Provision for current tax for the year is after taking cognizance of excess / short provision in prior years. Deferred tax assets/liability is recognized, subject to consideration of prudence, on timing differences.

2.5 IMPAIRMENT OF ASSETS:

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss, if any, is charged to profit and loss account, in the year in which an asset is identified as impaired.

2.6 PROVISIONS AND CONTINGENT LIABILITIES:

- a. A provision is recognized when the Company has a present obligation as a result of past event and it is probable that outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.
- b. Financial effect of contingent liabilities is disclosed based on information available upto the date on which financial statements are approved. However, where a reasonable estimate of financial effect cannot be made, suitable disclosures are made with regard to this fact and the existence and nature of the contingent liability.

(Previous year ₹ 244,483,068), the company has made an independent assessment of these debts and considered as good of recovery. Consequently, no provision is required at this stage.
- b. The Company is taking active steps to dispose off the current assets so taken over and pay the unpaid consideration to its holding company. Other expense for the year ended March 31, 2021 includes the loss on sale of properties of the Company situated at Bhandarkar Road, Pune. Consequently, major part of the sale proceeds have been utilised towards the repayment of the financial dues to the financial institutions.
- c. Assignment of dues from non residents are subject to approval of Reserve Bank of India, if required.
- 15** The company has assessed the impact that may result from this pandemic on its assets/ liabilities. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of the pandemic, the company considered internal and external information available till the date of approval of these financial results and has assessed this situation. In that context and based on the current estimates, the company believes that COVID-19 is not likely to have any material impact on its financial statements, liquidity or ability to service its debt or other obligations. However, the overall economic environment, being uncertain due to COVID-19, may affect the underlying assumptions and estimates in future, which may differ from those considered as at date of approval of these financial statements. The company would closely monitor such developments in future economic conditions and consider their impact on the financial statements of the relevant period.
- 16** Previous year figures have been regrouped wherever necessary to confirm with current year presentation.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF M/s. Luxquisite Parkland Private Limited

Report on the IND AS Financial Statements:

Opinion:

We have audited the accompanying standalone IND AS financial statements of **M/s. Luxquisite Parkland Private Limited** ("the Company"), which comprises of the Balance Sheet as at 31 March, 2022 and the Statement of Profit and loss, the Cash Flow Statement, the statement for Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information annexed thereto.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs of the company as at 31st March 2022, and its loss and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit of the IND AS financial statements in accordance with the Standards on Auditing specified u/s 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's responsibilities for the Audit or the Financial Statements section of our report. We are Independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and ICAI's Code of Ethics.

We believe that the audit evidence we have obtained have sufficient and appropriate to provide basis for our audit opinion on Standalone IND AS financial statements.

Key Audit Matters:

Key audit matters are those matters that in our professional judgment, were of most significance in our audit of standalone financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the Standalone Financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined that there are no Key Audit Matters to communicate in our report.

Information other than the standalone financial statements and the auditors report thereon:

The company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the management discussion and analysis, Board's Report, Business responsibility report, Corporate Governance and Shareholders Information, but does not include the standalone IND AS financial statements and our Auditors report thereon.

Our opinion on the standalone IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone IND AS financial statements, our responsibility is to read the other information and in doing so, whether, the other information is materially inconsistent with the standalone IND AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is no material mis-statement of this other information, we required to report the fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the Act) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgements, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material mis-statement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility:

Our objectives are to obtain reasonable assurance about whether the financial statements are as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone IND AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the standalone IND AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, mis-representation, or the override or internal control.
2. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone IND AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the standalone IND AS financial statements, including the disclosures, and whether the standalone IND AS financial statements represent the underlying transactions and event in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the Company and its operations to express an opinion on the standalone financial statements.
7. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the standalone financial statements of which we are the independent auditors. For the other entities included in the standalone financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure –2 to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Luxquisite Parkland Private Limited** ("the Company") as of 31 March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls:

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with Generally Accepted Accounting Principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with Generally Accepted Accounting Principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

LUXQUISITE PARKLAND PRIVATE LIMITED

NOTES TO FINANCIAL STATEMENTS

1 BACKGROUND:

Luxquisite Parkland Private Limited ("the Company") was incorporated on December 2, 2014 and is a subsidiary of Kirloskar Electric Company Limited. The Company has been formed as Special Purpose Vehicle ("SPV") as per the restructuring terms.

2 SIGNIFICANT ACCOUNTING POLICIES:

2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

The financial accounts are prepared under the historical cost convention in accordance with the Generally Accepted Accounting Principles in India, including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013. All income and expenditure, having a material bearing on financial statements, are recognized on accrual basis.

2.2 USE OF ESTIMATES:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

2.3 TAXES ON INCOME:

Provision for current tax for the year is after taking cognizance of excess / short provision in prior years. Deferred tax assets/liability is recognized, subject to consideration of prudence, on timing differences.

2.4 IMPAIRMENT

(ii) Investment in Subsidiaries and Associates:

The Company has accounted for its investments in Subsidiaries at cost less impairment loss (if any).

2.5 PROVISIONS AND CONTINGENT LIABILITIES:

A provision is recognized when the Company has a present obligation as a result of past event and it is probable that outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Financial effect of contingent liabilities is disclosed based on information available upto the date on which financial statements are approved. However, where a reasonable estimate of financial effect cannot be made, suitable disclosures are made with regard to this fact and the existence and nature of the contingent liability.

2.6 FINANCIAL INSTRUMENTS:

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

(i) Cash and Cash Equivalents:

Cash and Cash Equivalents comprise cash and deposit with banks other than for term deposit earmarked for Bank Guarantee. The company considers all highly liquid investments including demand deposits with bank with an original maturity of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

NOTES TO FINANCIAL STATEMENTS

- 13** In March 2020, the WORLD HEALTH ORGANISATION declared COVID-19 to be a pandemic. Consequent to this the Government of India declared a National lockdown on March 25, 2020. The company has assessed the impact that may result from this pandemic on its assets/ liabilities. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of the pandemic, the company considered internal and external information available till the date of approval of these financial results and has assessed this situation. In that context and based on the current estimates, the company believes that COVID-19 is not likely to have any material impact on its financial statements, liquidity or ability to service its debt or other obligations. However, the overall economic environment, being uncertain due to COVID-19, may affect the underlying assumptions and estimates in future, which may differ from those considered as at date of approval of these financial statements. The company would closely monitor such developments in future economic conditions and consider their impact on the financial statements of the relevant period.
- 14** Previous years figures have been regrouped wherever required in conformity with current year presentation.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF M/s. SLPKG Estate Holdings Private Limited

Report on the IND AS Financial Statements:

Opinion:

We have audited the accompanying standalone IND AS financial statements of M/s. SLPKG Estate Holdings Private Limited ("the Company"), which comprises of the Balance Sheet as at 31 March, 2022 and the Statement of Profit and loss, the Cash Flow Statement, the statement for Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information annexed thereto.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs of the company as at 31st March 2022, and its loss and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit of the IND AS financial statements in accordance with the Standards on Auditing specified u/s 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's responsibilities for the Audit or the Financial Statements section of our report. We are Independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and ICAI's Code of Ethics.

We believe that the audit evidence we have obtained have sufficient and appropriate to provide basis for our audit opinion on Standalone IND AS financial statements.

Key Audit Matters:

Key audit matters are those matters that in our professional judgment, were of most significance in our audit of standalone financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the Standalone Financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

| Key Audit Matter | How our audit addressed the Key audit matter |
|---|--|
| Carrying value of the Trade receivables transferred from Holding company outstanding for a period of more than two years. | <p>Our audit procedures included but were not limited to the following:</p> <ol style="list-style-type: none"> 1. Evaluating the reasonableness of the assumptions considered by the management in estimation of the realization value of the receivables. 2. Review of the disclosure made by the company in the financial statements in this regard. |

Information other than the standalone financial statements and the auditors report thereon:

The company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the management discussion and analysis, Board's Report, Business responsibility report, Corporate Governance and Shareholders Information, but does not include the standalone IND AS financial statements and our Auditors report thereon.

Our opinion on the standalone IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone IND AS financial statements, our responsibility is to read the other information and in doing so, whether, the other information is materially inconsistent with the standalone IND AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is no material mis-statement of this other information, we required to report the fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the Act) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position,

SEVENTY FIFTH ANNUAL REPORT 2021-22

financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgements, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material mis-statement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility:

Our objectives are to obtain reasonable assurance about whether the financial statements are as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone IND AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the standalone IND AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, mis-representation, or the override or internal control.
2. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone IND AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the standalone IND AS financial statements, including the disclosures, and whether the standalone IND AS financial statements represent the underlying transactions and event in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the Company and its operations to express an opinion on the standalone financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the standalone financial statements of which we are the independent auditors. For the other entities included in the standalone financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements:

Annexure –2 to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SLPKG Estate Holdings Private Limited** ("the Company") as of 31 March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls:

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with Generally Accepted Accounting Principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with Generally Accepted Accounting Principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SLPKG ESTATE HOLDINGS PRIVATE LIMITED

NOTES TO FINANCIAL STATEMENTS

1 BACKGROUND:

SLPKG Estate Holdings Private Limited (“the Company”) was incorporated on December 2, 2014 and is a subsidiary of Kirloskar Electric Company Limited. The Company has been formed as Special Purpose Vehicle (“SPV”) as per the restructuring terms.

2 SIGNIFICANT ACCOUNTING POLICIES:

2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

The financial accounts are prepared under the historical cost convention in accordance with the Generally Accepted Accounting Principles in India, including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013. All income and expenditure, having a material bearing on financial statements, are recognized on accrual basis.

2.2 USE OF ESTIMATES:

The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

2.3 ASSETS HELD FOR SALE:

Assets held for sale are stated at the cost or estimated net realizable value whichever is lower.

2.4 TAXES ON INCOME:

Provision for current tax for the year is after taking cognizance of excess / short provision in prior years. Deferred tax assets/liability is recognized, subject to consideration of prudence, on timing differences.

2.5 IMPAIRMENT OF ASSETS:

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss, if any, is charged to profit and loss account, in the year in which an asset is identified as impaired.

2.6 PROVISIONS AND CONTINGENT LIABILITIES:

- a. A provision is recognized when the Company has a present obligation as a result of past event and it is probable that outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.
- b. Financial effect of contingent liabilities is disclosed based on information available upto the date on which financial statements are approved. However, where a reasonable estimate of financial effect cannot be made, suitable disclosures are made with regard to this fact and the existence and nature of the contingent liability.

2.7 FINANCIAL INSTRUMENTS:

Cash and Cash Equivalents comprise cash and deposit with banks other than for term deposit earmarked for Bank Guarantee. The company considers all highly liquid investments including demand deposits with bank with an original maturity of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

17(ii) The company has assessed the impact that may result from this pandemic on its assets/ liabilities. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of the pandemic, the company considered internal and external information available till the date of approval of these financial results and has assessed this situation. In that context and based on the current estimates, the company believes that COVID-19 is not likely to have any material impact on its financial statements, liquidity or ability to service its debt or other obligations. However, the overall economic environment, being uncertain due to COVID-19, may affect the underlying assumptions and estimates in future, which may differ from those considered as at date of approval of these financial statements. The company would closely monitor such developments in future economic conditions and consider their impact on the financial statements of the relevant period.

18 Previous year figures have been regrouped wherever necessary to confirm with current year presentation.

INDEPENDENT AUDITORS' REPORT**TO THE MEMBERS OF M/s. SKG Terra Promenade Private Limited****Report on the IND AS Financial Statements:****Opinion:**

We have audited the accompanying standalone IND AS financial statements of M/s. SKG Terra Promenade Private Limited ("the Company"), which comprises of the Balance Sheet as at 31 March, 2022 and the Statement of Profit and loss, the Cash Flow Statement, the statement for Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information annexed thereto.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs of the company as at 31st March 2022, and its loss and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit of the IND AS financial statements in accordance with the Standards on Auditing specified u/s 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's responsibilities for the Audit or the Financial Statements section of our report. We are Independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and ICAI's Code of Ethics.

We believe that the audit evidence we have obtained have sufficient and appropriate to provide basis for our audit opinion on Standalone IND AS financial statements.

Key Audit Matters:

Key audit matters are those matters that in our professional judgment, were of most significance in our audit of standalone financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the Standalone Financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined that there are no Key Audit Matters to communicate in our report.

Information other than the standalone financial statements and the auditors report thereon:

The company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the management discussion and analysis, Board's Report, Business responsibility report, Corporate Governance and Shareholders Information, but does not include the standalone IND AS financial statements and our Auditors report thereon.

Our opinion on the standalone IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone IND AS financial statements, our responsibility is to read the other information and in doing so, whether, the other information is materially inconsistent with the standalone IND AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is no material mis-statement of this other information, we required to report the fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the Act) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgements, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material mis-statement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

SEVENTY FIFTH ANNUAL REPORT 2021-22

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility:

Our objectives are to obtain reasonable assurance about whether the financial statements are as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone IND AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the standalone IND AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, mis-representation, or the override or internal control
2. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone IND AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However future events or conditions may cause the company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the standalone IND AS financial statements, including the disclosures, and whether the standalone IND AS financial statements represent the underlying transactions and event in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the Company and its operations to express an opinion on the standalone financial statements.

We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the standalone financial statements of which we are the independent auditors. For the other entities included in the standalone financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements:

1. As required by the Companies (Auditor's Report) Order, 2020, ("The Order") issued by the Government of India, in terms of sub section (11) of section 143 of the Act. Annexure –2 to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **SKG Terra Promenade Private Limited** (“the Company”) as of 31 March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls:

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with Generally Accepted Accounting Principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with Generally Accepted Accounting Principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SKG TERRA PROMENADE PRIVATE LIMITED

NOTES TO FINANCIAL STATEMENTS

1 BACKGROUND:

SKG Terra Promenade Private Limited (“the Company”) was incorporated on December 3, 2014 and is a subsidiary of Kirloskar Electric Company Limited. The Company has been formed as Special Purpose Vehicle (“SPV”) as per the restructuring terms.

2 SIGNIFICANT ACCOUNTING POLICIES:

2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

The financial accounts are prepared under the historical cost convention in accordance with the Generally Accepted Accounting Principles in India, including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013. All income and expenditure, having a material bearing on financial statements, are recognized on accrual basis.

2.2 USE OF ESTIMATES:

The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

2.3 ASSETS HELD FOR SALE:

Assets held for sale are stated at the cost or estimated net realizable value whichever is lower.

2.4 TAXES ON INCOME:

Provision for current tax for the year is after taking cognizance of excess / short provision in prior years. Deferred tax assets/liability is recognized, subject to consideration of prudence, on timing differences.

2.5 IMPAIRMENT OF ASSETS:

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss, if any, is charged to profit and loss account, in the year in which an asset is identified as impaired.

2.6 PROVISIONS AND CONTINGENT LIABILITIES:

A provision is recognized when the Company has a present obligation as a result of past event and it is probable that outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Financial effect of contingent liabilities is disclosed based on information available upto the date on which financial statements are approved. However, where a reasonable estimate of financial effect cannot be made, suitable disclosures are made with regard to this fact and the existence and nature of the contingent liability.

15 The Company is taking active steps to dispose off the remaining immoveable properties so taken over and pay the unpaid consideration to its holding company and repay the holding company's borrowings from bank.

16 The company has assessed the impact that may result from this pandemic on its assets/ liabilities. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of the pandemic, the company considered internal and external information available till the date of approval of these financial results and has assessed this situation. In that context and based on the current estimates, the company believes that COVID-19 is not likely to have any material impact on its financial statements, liquidity or ability to service its debt or other obligations. However, the overall economic environment, being uncertain due to COVID-19, may affect the underlying assumptions and estimates in future, which may differ from those considered as at date of approval of these financial statements. The company would closely monitor such developments in future economic conditions and consider their impact on the financial statements of the relevant period.

17 Previous years figures have been regrouped wherever required in conformity with current year presentation.
