Dear Sir / Madam,

Further to our communication dated December 16, 2024, regarding the restoration of 50% of affected supplies, we are pleased to inform you that your Company has **now successfully restored 80% of the affected supplies**. This has been achieved through the successful commissioning of our Nagadka manufacturing facility alongside scaled-up production at our Nagpur and Modasa facilities.

Additionally, we have resumed **commercial production of nearly all products** that were impacted due to the fire incident at our Rajkot I facility. With these developments, we are now operating at near-normal capacity, ensuring the continued availability of our products to customers. Our teams have worked diligently to ensure a seamless recovery, prioritizing operational stability and supply chain efficiency.

We remain committed to keeping all stakeholders informed and will continue to provide updates on any further significant developments related to our operations and product lines.
