Limited Review Report

To,
Board of Directors of Mercury Trade Links Limited

We have reviewed the accompanying statement of unaudited financial results of **Mercury Trade Links Limited** for the quarter ended 30th June, 2024 which are included in the accompanying "Statement of Unaudited Financial Result for Quarter ended June 30, 2024" together with relevant notes thereon. The statement has been prepared by company pursuant to regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

The statement is the responsibility of the company's management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Ind AS 34 "Interim Financial Reporting (Ind As 34), prescribed under section 133 of the companies act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the statement based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the ICAI. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of Interim Financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an Audit. Accordingly, we do not express an Audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ("Ind As") specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

- Balance of Trade Receivables, Trade Payables, Loans including deposits and advances are subject to confirmation from and reconciliation with the relevant parties. We are not able to verify the amounts at which such balances are receivable and payable.
