The full format of the Standalone and Consolidated Financial Results are available on the websites of the Stock Exchange(s) and the listed entity. www.akums.in

b) The above Standalone and Consolidated financial results for the quarter and nine months period ended 31 December 2024 have been reviewed and recommended by the Audit Committee on 6 February 2025 and approved by the Board of Directors at their meetings held on 6 February 2025. The statutory auditors have expressed an unmodified review conclusion on these results.

c) The figures for the quarter ended 31 December 2023 are the balancing figures between the management certified year to date figures upto the nine months period ended 31 December 2023 and audited year to date figures upto six months period ended 30 September 2023 extracted from the audited Special Purpose Standalone Interim Statement of Profit and loss for the six months period ended 30 September 2023.

d) Akums Drugs and Pharmaceuticals Limited (the 'Company', 'Holding Company') in earlier years, executed a shareholders' agreement (the 'Agreement') with its promoters (Mr. Sandeep Jain and Mr. Sanjeev Jain) and Ruby QC Investments Pte. Limited (the 'Investor') wherein the Investor was given the right to require the Company to buyback its equity shares at fair market value in case the Company and/or its promoters were not able facilitate exit to the Investor either through an 'initial public offer' or through a secondary sale to a third party. This was recorded as a put option liability in the books of accounts and was fair valued at each reporting period in accordance with applicable Indian Accounting Standards. This adjustment was recorded as fair value changes to the financial instrument in the standalone and consolidated financial results of the Company, thereby impacting the profit for the period/year, which has been summarised below:

Particulars		Quarter ended		Nine months	Year ended	
Faiticulais	31 Dec 2024	30 Sep 2024	31 Dec 2023	31 Dec 2024	31 Dec 2023	31 March 2024
Fair value changes to financial instruments	-	-	188.98	-38.67	2,725.44	3,577.74

However, on 29 May 2024, the Investor has waived off these rights in entirety and post listing the Company is no longer required to buy-back the equity shares held by the investor. Hence, the fair value changes has been recorded in these standalone financial results till 29 May 2024 amounting to ₹ 38.67 million (reversal) and the put option liability existing as on the date of waiver i.e. 29 May 2024 amounting to ₹ 13,615.12 million has been reclassified from financial liabilities to other equity thereby increasing the net worth.
